Questions and Answers

Q:
What is a proxy?

A:
A proxy is a document, also referred to as a "proxy card," on which you authorize someone else to vote for you at the upcoming annual meeting in the way that you want to vote. You also may choose to abstain from voting. Ethan Allen Interiors Inc.'s board of directors is soliciting the proxy card enclosed.

Q:
What are the purposes of this annual meeting?

A:
At the Annual Meeting, stockholders will elect one director, for a three-year term expiring in 2012. The board's nominee is: Frank G. Wisner (See page 4). Stockholders will also vote on ratifying our appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2010. Other than routine or procedural matters, we do not expect any other business will be brought up at the meeting, but if any other business is properly brought up, the persons named in the enclosed proxy will have authority to vote on it as they see fit.

Q:
Who is entitled to vote?

A:
Only record holders of our common shares of stock at the close of business on the record date for the meeting, September 21, 2009, are entitled to vote at the annual meeting. Each common share has one vote.

Q:
How do I vote?

A:
Sign and date each proxy card that you receive and return it in the enclosed envelope. Proxies will be voted as you specify on each card. If you sign and return a proxy card without specifying how to vote, your shares will be voted FOR the election of the director nominees identified in this proxy statement; and FOR ratification of our appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2010. Your shares will also be voted on any other business that comes before the meeting.

Q:
Can I vote by telephone or on the Internet?

A:
Yes. If you hold your shares in your own name, you may vote by telephone or on the Internet by following the instructions set forth in the attached proxy card. If your shares are held through a broker, bank, or other nominee, they will contact you to request your voting instructions and should provide you with information on voting those shares by telephone or on the Internet.

Q:
Can I change my vote after I have voted?

A:
A later vote by any means will cancel any earlier vote. For example, if you vote by telephone and later vote differently on the Internet, the Internet vote will count, and the telephone vote will be canceled. If you wish to change your vote by mail, you should write our Corporate Secretary, at the address set forth at the top of this page, and request a new proxy card. The last vote we receive before the meeting will be the one counted. You also may change your vote by voting in person at the meeting.

Q:
What does it mean if I get more than one proxy card?

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

A:

It means that your shares are registered in more than one way. Sign and return *all* proxy cards or vote *each* group of shares by telephone or on the Internet to ensure that all your shares are voted.

Q:

Why did our household receive only one proxy statement and annual report this year?

A:

If there are two or more stockholders sharing the same address and you did not withhold your consent to "householding," we are only sending your household a single copy of our annual report and proxy statement unless we have received contrary instructions from one or more of the stockholders at your address. We believe this householding program will provide you greater convenience and save us the cost of mailing duplicate documents to your home. We will promptly provide additional copies of our fiscal year 2009 annual report or this proxy statement to the other stockholders in your household if you send a written request to: Office of the Secretary, Ethan Allen Interiors Inc., Ethan Allen Drive, Danbury, Connecticut 06811, or you may call us at 203-743-8496 to request additional copies. Copies of the annual report on Form 10-K, proxy statement and other reports we file with the SEC are also available on our website at www.ethanallen.com/investors or through the SEC's website at www.sec.gov.

You may revoke your consent to householding at any time by contacting Broadridge Financial Solutions, Inc., either by calling toll-free 800-542-1061, or by writing to Broadridge Financial Solutions, Inc., Householding Department, 51 Mercedes Way, Edgewood, New York 11717. If you revoke your consent, you will be removed from the householding program within 30 days of receipt of your revocation, and each stockholder at your address will then begin receiving individual copies of our disclosure documents. Similarly, if you share an address with another stockholder and have received multiple copies of our proxy materials, you may contact Broadridge Financial Solutions, Inc. to request delivery of a single copy of these materials in the future.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board of Directors") of Ethan Allen Interiors Inc., a Delaware corporation (the "Company"), of proxies for use at the 2009 Annual Meeting of stockholders (the "Annual Meeting") of the Company to be held on Monday, November 16, 2009 at the Ethan Allen International Corporate Headquarters, Ethan Allen Drive, Danbury, Connecticut 06811 at 9:00 A.M., local time, or any adjournment thereof. The Proxy Statement and accompanying form of proxy are first being mailed to stockholders on or about October 15, 2009.

VOTING SECURITIES; PROXIES; REQUIRED VOTE

Voting Securities

The Board of Directors has fixed the close of business on September 21, 2009 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had outstanding 28,916,929 shares of common stock, par value \$.01 per share (the "Common Stock"). The holders of Common Stock as of the Record Date are entitled to notice of, and to vote at, the Annual Meeting. Holders of Common Stock are entitled to one vote per share.

Proxies

Kristin Gamble and Edward H. Meyer, the persons named as proxies on the proxy card accompanying this Proxy Statement, were selected by the Board of Directors of the Company to serve in such capacity. Each properly executed and returned proxy card will be voted in accordance with the directions indicated thereon, or if no directions are indicated, such proxy will be voted in accordance with the recommendations of the Board of Directors contained in this Proxy Statement. In voting by proxy with regard to the election of directors, stockholders may vote in favor of all nominees, withhold their vote as to all nominees or withhold their vote as to a specific nominee(s). Each stockholder giving a proxy has the power to revoke it at any time before the shares it represents are voted. Revocation of a proxy is effective upon receipt of a later vote by (i) telephone; (ii) Internet; or (iii) receipt by the Corporate Secretary of the Company of either: (a) an instrument revoking the proxy; or (b) a duly executed proxy card bearing a later date. Additionally, a stockholder may change or revoke a previously executed proxy by voting in person at the Annual Meeting.

Required Vote

The holders of at least one-third of the outstanding shares of Common Stock represented in person or by proxy will constitute a quorum at the Annual Meeting. At the Annual Meeting, the vote of a majority in interest of the stockholders present, in person or by proxy, and entitled to vote thereon is required (i) to elect directors; and (ii) to ratify the appointment of KPMG LLP as the independent registered public accounting firm of the Company.

The election inspectors appointed for the Annual Meeting will tabulate the votes cast, in person or by proxy, at the Annual Meeting and will determine whether or not a quorum is present. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority to vote on a particular matter, as to certain shares, those shares will not be considered as present and entitled to vote with respect to that matter.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors is presently composed of seven members. Stockholder Communication with Directors

Stockholders or interested parties may communicate with the full board, full committee, individual committee members or individual directors by sending communications to the Office of the Secretary, Ethan Allen Interiors Inc., Ethan Allen Drive, Danbury, Connecticut 06811 for forwarding to the appropriate director(s). Please specify to whom your correspondence should be directed. The Corporate Secretary has been instructed by the Board to review and promptly forward all correspondence (except advertising material and ordinary business matters) to the full board, full committee, individual director or committee member, as indicated in the correspondence.

Certain Transactions

The Company is party to indemnification agreements with each of the members of the Board of Directors pursuant to which the Company has agreed to indemnify and hold harmless each member of the Board of Directors from liabilities incurred as a result of such director's status as a director of the Company, subject to certain limitations.

Certain Relationships and Related Party Transactions

The Company recognizes that transactions between Ethan Allen and related persons present a potential for actual or perceived conflicts of interest. The Company's general policies with respect to such transactions are included in its Code of Business Conduct and Ethics (the "Code"), the administration of which is overseen by the Nominations/Corporate Governance Committee. The Company defines "related party" transaction as any transaction or series of related transactions in excess of \$120,000 in which the Company is a party and in which a "related person" has a material interest. Related persons include directors, director nominees, executive officers, 5% beneficial owners and members of their immediate families.

The Company collects information about potential related party transactions in its annual questionnaires completed by directors and officers as well as throughout the year at its quarterly Disclosure Control Committee Meetings, comprised of key management of significant business units, departments or divisions. Potential related party transactions are first reviewed and assessed by our General Counsel to consider the materiality of the transactions and then reported to the Nominations/Corporate Governance Committee. The Nominations/Corporate Governance Committee reviews and considers all relevant information available to it about each related party transaction and presents the facts to the members of the Board of Directors not associated with the potential related party transaction. A related party transaction is approved or ratified only if such members of the Board of Directors determine that it is not inconsistent with the best interests of the Company and its stockholders. The Company did not have any of these transactions during fiscal year 2009.

Compensation Committee Interlocks and Insider Participation

No executive officer of the Company, or any of its subsidiaries, served as a director of or on the Compensation Committee (or equivalent) of another entity except as otherwise disclosed herein.

Charters, Code and Guidelines

The Company's Code, Corporate Governance Guidelines and the charters of its Audit Committee, Compensation Committee and Nominations/Corporate Governance Committee are available on the Company's website at www.ethanallen.com/governance. Any waiver of the Code for directors or executive officers may only be made by the Nominations/Corporate Governance Committee, and any waivers or amendments will be disclosed promptly by a posting on our website. Stockholders may request a copy of any of these documents by writing to: Ethan Allen Interiors Inc., Ethan Allen Drive, Danbury, CT 06811, Attn: Office of the Secretary.

Meetings and Committees of the Board of Directors

During fiscal year 2009, there were four (4) regularly scheduled meetings of the Board of Directors, one (1) special meeting of the Board of Directors, and the annual meeting of stockholders. Independent directors ordinarily meet in executive session without management present immediately after regularly scheduled board meetings. These sessions are chaired by a non-employee director, which Chair is rotated annually. Clinton A. Clark currently chairs the independent director meetings. All directors are expected to attend all board meetings, independent director meetings, stockholder meetings and committee meetings, as appropriate. The Board of Directors realizes that conflicts may arise from time to time but expects that each director will make every effort to keep such conflicts to a minimum. All directors who then held office attended the November 11, 2008 annual meeting of stockholders. In fiscal year 2009, except as otherwise set forth hereinafter, there was 97% attendance at all board meetings and committee meetings.

The Board of Directors has established three standing committees: the Audit Committee; the Compensation Committee; and the Nominations/Corporate Governance Committee. Committee memberships of each nominee and continuing or current director are set forth below:

Richard A. Sandberg

AUDIT COMMITTEE

The Audit Committee is principally responsible for ensuring the accuracy and effectiveness of the annual audit of the financial statements as conducted by the Company's internal auditors and independent registered public accounting firm. The duties of the Committee include, but are not limited to: (i) appointing and supervising the Company's independent registered public accounting firm; (ii) assessing the organization and scope of the Company's internal audit function; (iii) reviewing the scope of audits to be conducted, as well as the results thereof; (iv) approving audit and non-audit services provided to the Company by the independent registered public accounting firm; and (v) overseeing the Company's financial reporting activities, including the Company's system of internal control and the accounting standards and principles applied.

In accordance with SEC regulations, the Audit Committee has approved an Audit Committee Charter, describing the responsibilities of the Audit Committee, a copy of which can be found on the Company's website at www.ethanallen.com/governance. Each member of the Audit Committee is "independent," as defined in Sections 303A.02 and 303A.07(b) of the NYSE Listed Company Manual and is an "audit committee financial expert" as defined under Item 407 (d) (5)(ii) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Report of the Audit Committee of the Board of Directors

The Audit Committee, on behalf of the Board of Directors, oversees the Company's financial reporting process, including the Company's system of internal control. However, management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed, with management, the audited financial statements contained within the Annual Report on Form 10-K/A, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures contained in those financial statements. In addition, in compliance with the Sarbanes-Oxley Act of 2002 ("SOX"), the Audit Committee reviewed with management and KPMG LLP, the Company's independent registered public accounting firm ("KPMG"), the effectiveness of the Company's internal control over financial reporting as of June 30, 2009.

The Audit Committee reviewed with KPMG, who is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgment(s) as to the quality, not just the acceptability, of the Company's accounting principles. The Audit Committee also reviewed such other matters as are required to be discussed under auditing standards of the Public Company Accounting Oversight Board (United States), including Statement on Auditing Standards No. 61. In addition, the Audit Committee has received from KPMG the written disclosures required by Independence Standards Board Standard No. 1 and has discussed with KPMG the auditors' independence from management and the Company.

The Audit Committee discussed with the Company's internal auditors and KPMG the overall scope and plans for their respective audits. The Audit Committee met with the internal auditors and KPMG, with and without management present, to discuss the results of their examinations, their evaluations of the Company's system of internal control and the overall quality of the Company's financial reporting practices. The Audit Committee held seven (7) meetings during fiscal year 2009, which included, but were not limited to, the review of the quarterly Form 10-Q filings and annual Form 10-K/A filing.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K/A for the year ended June 30, 2009 for filing with the SEC.

NOMINATIONS/CORPORATE GOVERNANCE COMMITTEE

The duties of the Nominations/Corporate Governance Committee include, but are not limited to, the duty to: (i) develop qualification criteria for board members and nominate or recommend to the Board of Directors individuals to serve on the Board of Directors; (ii) review and monitor the Company's corporate governance policies and guidelines, including the Company's trading policy for its directors and executive officers; and (iii) make an annual assessment of the Board's performance and report to the Board of Directors. The Nominations/Corporate Governance Committee follows the procedure concerning nominations or consideration of director candidates recommended by stockholders set forth in the Company's Amended and Restated By-Laws ("By-Laws"). The By-Laws of the Company permit stockholders, as of the Record Date, to nominate director candidates at the annual meeting, subject to certain notification requirements. (See "Stockholder Proposals and Nomination of Directors" under Other Matters, beginning on page 27 herein, for information on how to submit a proposal or nominate a director.) The Nominations/Corporate Governance Committee believes that as a result of the provisions in the By-Laws, any separate policy relating to stockholder proposals or nominations by the Nominations/Corporate Governance Committee would be duplicative. Each member of the Nominations/Corporate Governance Committee is "independent" as defined in Section 303A.02 of the NYSE Listed Company Manual. The Nominations/Corporate Governance Committee held one (1) meeting during fiscal year 2009.

The Nominations/Corporate Governance Committee seeks candidates who demonstrate a willingness and ability to prepare for, attend and participate in all board and committee meetings and whose experience and skill would complement the then existing mix of directors. The Nominations/Corporate Governance Committee gathers suggestions as to individuals who may be available to meet the Board of Directors' future needs from a variety of sources, such as past and present directors, stockholders, colleagues and other parties with which a member of the Nominations/Corporate Governance Committee or the Board of Directors has had business dealings, and undertakes a preliminary review of the individuals suggested. At such times as the Nominations/Corporate Governance Committee determines that a relatively near term need exists and the Nominations/Corporate Governance Committee believes that an individual's qualities and skills would complement the then existing mix of directors, the Nominations/Corporate Governance Committee or its Chair will contact the individual. The Chair will, after such contact, discuss the individual with the Nominations/Corporate Governance Committee. Based on the Nominations/Corporate Governance Committee's evaluation of potential nominees and the Company's needs, the Nominations/Corporate Governance Committee determines whether to nominate the individual for election as a director. While the Nominations/Corporate Governance Committee has not, in the past, engaged any third party firm or consultant to identify or evaluate nominees, the Nominations/Corporate Governance Committee, in accordance with its charter, may do so in the future. The Nominations/Corporate Governance Committee evaluates nominees for director recommended by a stockholder in the same manner it undertakes its annual evaluation.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, owners of over 10% of our Common Stock, and some persons who formerly were directors, executive officers, or over 10% owners, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange and furnish us with a copy of each report filed. Based solely on our review of copies of the reports by some of those persons and written representations from others that no reports were required, we believe that during fiscal year 2009 all Section 16(a) filing requirements were complied with in a timely fashion.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

Security Ownership of Common Stock of Certain Owners and Management

The following table sets forth, as of September 21, 2009, except as otherwise noted, information with respect to beneficial ownership of the Common Stock in respect of: (i) each director and Named Executive Officer (as defined herein) of the Company; (ii) all directors and Executive Officers of the Company as a group; and (iii) based on information available to the Company and a review of statements filed with the SEC pursuant to Section 13(d) and/or 13(g) of the Securities Exchange Act, each person or entity that beneficially owned (directly or together with affiliates) more than 5% of the Common Stock. The Company believes that each individual or entity named has sole investment and voting power with respect to shares of Common Stock indicated as beneficially owned by them, except as otherwise noted.

COMPENSATION COMMITTEE

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide material information about the Company's compensation objectives and policies for its Named Executive Officers and to put into perspective the tabular disclosures and related narratives.

Compensation Philosophy and Objectives

The Company's executive compensation philosophy is focused on attracting, retaining and motivating a qualified management team and aligning their interests with the long-term interests of stockholders. This is accomplished by creating compensation packages which are competitive within the industries in which the Company operates, fair and equitable among the executives and which provide incentives for the long-term success and performance of the Company. Compensation is allocated among base salary, annual discretionary cash incentive compensation and long-term equity incentives. Incentive compensation is discretionary and designed to reward achievement within areas under the control of the relevant employee, although Company-wide performance is also a significant factor. The Principal Executive Officer exercises discretion in assessing an executive's, other than his own, personal performance and the extent, if any, of incentive compensation. We consider the cost to the Company when we make decisions on and consider compensation packages. As the level of responsibility increases, the portion of an executive's compensation tied to the Company's and the executive's personal performance will be proportionately greater. Finally, we endeavor to ensure that the Company's compensation program is perceived as fundamentally fair to all stakeholders.

The duties of the Compensation Committee include, but are not limited to: (i) reviewing and making determinations with regard to the employment arrangements and compensation for the Principal Executive Officer, President and Principal Financial Officer or Treasurer; and (ii) considering and either accepting, modifying or rejecting the Principal Executive Officer's recommendations as to incentive compensation for other executives. No member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries during fiscal year 2009. The Compensation Committee, in accordance with its charter, may engage any third party firm or consultant in fulfilling its responsibilities. The Compensation Committee held four (4) meetings during fiscal year 2009.

General Policies Regarding Compensation of Named Executive Officers

The Compensation Committee's goal is to establish compensation levels and administer executive compensation plans which serve to: (1) attract and retain high quality managerial and executive talent; (2) reward executives for superior performance; and (3) structure appropriate incentives for executives to produce sustained superior performance in the future. Generally, in assessing the compensation arrangements for Named Executive Officers, other than the Principal Executive Officer, the Compensation Committee solicits recommendations from the Principal Executive Officer relating to discretionary annual cash incentive compensation and long-term equity incentives such as stock option grants, which it considers, and either accepts, modifies or rejects.

Overview of Process and Compensation Components

The compensation for our executives, including our President and Principal Executive Officer, is comprised of three primary elements: base salary, annual cash incentive compensation and long-term equity incentives. We also provide or have provided perquisites, a retirement savings plan and, for select executives, employment and post-employment agreements. The Company does not maintain a stock ownership policy.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

During fiscal year 2009, while the Company maintained an incentive bonus program (See "Incentive Bonus" under Executive Compensation on page 17), due to the current environment, no incentive bonuses were paid.

Under the Incentive Bonus Program, the President and Principal Executive Officer makes recommendations to the Compensation Committee with respect to select executives, other than himself. The other executives are not present at the time of deliberations, although the President and Principal Executive Officer is present. The Compensation Committee may accept or adjust such recommendations. The Principal Executive Officer along with the Compensation Committee will conduct, as needed, an informal review of market data, with the assistance of the Company's Human Resource Department which periodically performs benchmarking studies. After the review and discussions with the Principal Executive Officer, the Compensation Committee agreed with the Principal Executive Officer's recommendations for fiscal year 2009, and no incentive compensation was paid.

The Compensation Committee reviews, annually, the performance and compensation of the President and Principal Executive Officer. In July 2007, in view of Mr. Kathwari's substantial contributions to the success of the Company, the Compensation Committee believed it would be appropriate and in the best interests of the Company to seek to negotiate a new employment agreement with Mr. Kathwari to assure the continued availability of his services to the Company. The prior agreement had been effective July 1, 2002 and the original term expired July 1, 2007.

When developing an employment agreement for the President and Principal Executive Officer we engage the services of an independent third party consultant to assist in gathering relevant market information which we analyze and consider in developing the compensation package to be included in the employment agreement. We also receive input from legal counsel, as appropriate.

To assist in developing the terms of the new employment agreement for Mr. Kathwari, the Compensation Committee engaged Sibson Consulting. Members of the Compensation Committee met with representatives of the consultant over a period of nine months. Key considerations for the Compensation Committee in developing the compensation package to be included in the new employment agreement were (i) identification of a peer group, which included both known competitors of the Company and companies adhering to similar retail models, (ii) ensuring that the overall level of compensation was competitive and appropriate with the market, (iii) ensuring that a substantial portion of the total compensation package was tied to long-term incentives, and (iv) creation of parameters that provide for increased compensation based upon performance of the Company. The companies that Sibson Consulting reviewed included, but were not limited to Bombay Company, Inc., Haverty Furniture Companies, Inc., Pier I Imports, Inc., Restoration Hardware, Inc. and Williams Sonoma. Sibson Consulting analyzed data contained in proxy filings of the peer group. In addition, they analyzed published compensation data for a broader group of retail and similarly sized companies.

The Compensation Committee and Mr. Kathwari agreed to include a substantial incentive component in his new employment agreement. As a result, a large part of Mr. Kathwari's potential compensation under the new employment agreement is in the form of stock options, restricted stock awards, and a bonus based upon the Company's operating income.

Effective October 10, 2007, the Compensation Committee approved and the independent members of the Company's Board of Directors ratified, subject to approval by stockholders of the incentive components thereof (which approval was obtained at the 2007 Annual Meeting of stockholders held on November 13, 2007), the terms of a new employment agreement with Mr. Kathwari ("Employment Agreement"). The Compensation Committee believes that the compensation package for Mr. Kathwari included in the Employment Agreement is appropriate in light of Mr. Kathwari's extensive experience in the home furnishings industry, his knowledge and background with respect to both manufacturing and retailing and, in particular, his responsibility for implementation of the strategic plan for the Company and the Ethan Allen brand. For a detailed description of the terms of the Employment Agreement, which

governed Mr. Kathwari's compensation for the 2009 fiscal year, see "Executive Compensation Employment Agreement," beginning on page 21.

Whether a stock option grant will be made to a Named Executive Officer, and if so in what amount, is based upon: (i) the subjective evaluation, by the President and Principal Executive Officer of the Named Executive Officer's potential contribution to the Company's future success; (ii) the level of incentive already provided by the number and term of the Named Executive Officer's existing stock option holdings; and (iii) the market price of the Common Stock. Annually we allocate to the President and Principal Executive Officer a block of options to be granted throughout the fiscal year to recruit executives and reward employees including the Named Executive Officers other than himself. In fiscal year 2009, we allocated 250,000 options to the President and Principal Executive Officer. The President and Principal Executive Officer granted 148,060 of such options in fiscal year 2009. Options are granted to directly align the interest of employees, including the Named Executive Officers, to the appreciation on the Common Stock. Options typically vest twenty-five (25%) percent per year beginning one year after the grant date, with full vesting over a four (4) year period. The term of such options is ten (10) years, after which the options expire, unless the employee separates earlier from the Company, at which point the options expire 90 days after such separation. The exercise price is established as of the date of grant.

In determining the size of individual option grants, stock unit awards and restricted stock awards, the Compensation Committee considers the aggregate number of shares available, which is, in turn, a function of: (i) the level of stockholders' dilution; (ii) the number of shares previously authorized by stockholders and remaining available; and (iii) the number of individuals to whom the Company wishes to grant stock options, stock unit awards and/or restricted stock awards. The Compensation Committee also considers the range of potential compensation levels that may be yielded by the options or awards. The Compensation Committee reserves the discretion to consider any factors it considers relevant, and to give all factors considered the relative weight it considers appropriate under the circumstances then prevailing, in reaching its determination regarding the size and timing of option grants, stock unit awards and restricted stock awards. The timing of option grants is neither date nor event specific. However, the Company has historically granted options in the last quarter of each fiscal year. Grants of stock options to the Company's executives under the Option Plan provide an incentive to executives and managerial staff to achieve the Company's long-term performance objectives.

Although the Compensation Committee will continue to consider deductibility under Section 162(m) with respect to future compensation arrangements with Named Executive Officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since Company objectives may not always be consistent with the requirements for full deductibility, the Company may enter into compensation arrangements under which payments are not deductible under Section 162(m).

Conclusion

The Compensation Committee believes that long-term stockholder value is enhanced by corporate and individual performance achievements. Through the plans and practices described above, a significant portion of the Company's executive compensation is based on competitive pay practices, as well as corporate and individual performance. The Compensation Committee believes equity compensation, in the form of stock options, restricted stock, and stock units is vital to the long-term success of the Company. The Compensation Committee remains committed to this policy, recognizing that the competitive market for talented executives and the cyclical nature of the Company's business may result in highly variable compensation for a particular time period.

Report of the Compensation Committee of the Board of Directors

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth above. Based upon the review and discussion, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement.

Amounts reflected below represent actual amounts charged to the Company's operations during the fiscal year ended June 30, 2009. In addition, there were other incremental costs incurred by the Company for: (i) a Company car (\$79,607); (ii) a club membership (\$6,270); and (iii) a Company plane (\$126,089) all of which were used solely for business purposes. It is Mr. Kathwari's practice to reimburse the Company for any incremental costs relating to his personal use of the Company plane and club membership. See also Executive Perquisites/Other Personal Benefits on page 20.

Life insurance premiums	\$ 35,420
Retirement contract (change in value)	\$ 12,481

(6) The totals reflect a \$100,000 voluntary reduction in Mr. Kathwari's base salary and a voluntary five percent (5%) reduction in the salary of the other Named Executive Officers.

Incentive Bonus

Each Named Executive Officer, along with other executives and key employees, is eligible for an annual Incentive Bonus. Incentive bonuses are intended: (i) to reward key employees based upon both the Company's performance and the individual's performance; (ii) to motivate key employees; and (iii) to provide competitive cash compensation opportunities.

For fiscal year 2009, the Company's Compensation Committee maintained an incentive bonus program (the "Bonus Program") for managerial employees of the Company. The Bonus Program had two components: (i) cash to be distributed to managerial employees, other than Mr. Kathwari, in amounts recommended by Mr. Kathwari; and (ii) as to Mr. Kathwari, an amount determined in accordance with his Employment Agreement. In light of the Company's performance for fiscal year 2009 and in accordance with the bonus formula in the Employment Agreements, Mr. Kathwari was not entitled to a bonus. As a result of the economic climate and the Company's performance, the Compensation Committee, in agreement with Mr. Kathwari's recommendations, decided to forego incentive bonus payments for fiscal 2009.

Equity Incentives

Stock Units and Restricted Stock

We grant stock units and restricted stock in limited circumstances to provide competitive pay packages. These grants are designed primarily to retain qualified executives since the employee cannot sell shares during the restriction period, which is of variable duration, including up until the date of separation from the Company. These grants are used to align the Named Executive Officer with long-term stockholder value.

The accounting cost of restricted stock and stock unit awards, for which the exercise price is zero, is calculated based on the closing price of a single share of Common Stock on the date of the award for awards with no performance or market conditions. For awards with market conditions, a binomial lattice model was used, with the following assumptions:

	Awards Granted in Fiscal	
	2009	2008
Volatility		
Ethan Allen	34.6%	27.0%
S & P 500	14.4%	12.1%
Risk-free rate of return	2.9%	3.5%
Dividend Yield	2.4%	2.4%
Expected Average Life	3.0 yrs	2.6 yrs

Non-qualified stock options

Stock options granted with exercise prices equal to 100% of the underlying Common Stock market value, based on the closing price of a single share of Common Stock on the date of grant, are currently the Company's primary long term compensation vehicle for executives and managerial staff. The Compensation Committee believes that stock options align the interests of management with those of the Company's stockholders, providing appropriate incentive to motivate management, thereby increasing stockholder return.

The Company has issued options to purchase shares of Common Stock pursuant to the Option Plan. See Note 11 to "Notes to Consolidated Financial Statements" in the Company's Annual Report on Form 10-K/A for the year ended June 30, 2009. The Company has registered the issuance of the shares of Common Stock which are issuable upon exercise of such options.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

The accounting cost of stock option grants is determined on the date of grant and recognized over the applicable vesting period. We estimate, as of the date of grant, the fair value of stock options awarded using the Black-Scholes option-pricing model. Use of a valuation model requires management to make certain assumptions with respect to selected model inputs, including anticipated changes in the underlying stock price (i.e. expected volatility) and option exercise activity (i.e. expected life). Expected volatility is based on the historical volatility of our Common Stock and other contributing factors. The expected life of options granted, which represents the period of time that the options are expected to be outstanding, is based, primarily, on historical data.

- (1) Threshold is the point at which the smallest payout would be attained.
- (2) Based on the interim comparison of Ethan Allen's stockholder return as compared to the Standard & Poor's 500 return as of June 30, 2009, no shares from the July 1, 2008 grant were vested at this interim period. The actual payout, if any, will be determined at June 30, 2011 and is based on a tiered vesting schedule.
- (3) Restricted stock granted pursuant to a Restricted Stock Agreement which provides for vesting to occur if specific performance objectives are achieved. The performance objectives were not met and the shares were forfeited effective June 30, 2009. Of the original grant date fair value estimate, \$15,189 in compensation expense was ultimately recorded.

Executive Perquisites/Other Personal Benefits

Benefits offered to Named Executive Officers are similar to those offered to all employees. In addition, the Company provides perquisites it believes are reasonable and consistent with the overall executive compensation program. In 2009, with the exception of Mr. Kathwari, the Named Executive Officers did not receive any perquisites. Mr. Kathwari received (1) access to and use of Company cars (including driver, gas, registration, title, insurance and maintenance); (2) reimbursement of life insurance premiums up to \$50,000; (3) a retirement contract; (4) 401(k) Company match; (5) interest on a restricted stock book account established pursuant to his Employment Agreement; and (6) dividend equivalent payments on Stock Units awarded pursuant to his prior employment agreement. Mr. Kathwari's use of the car, airplane, and club membership are as a convenience to the Company and are for business purposes. (See footnote 4 Summary Compensation Table on page 16.)

The Named Executive Officers are eligible to participate in the same retirement benefit programs we offer to salaried employees at the corporate level. Our current program is a 401(k) plan with company-provided match. In addition, Mr. Kathwari is entitled to benefits under a retirement payment contract. Pursuant to the terms of the retirement payment contract, the Company is required to make monthly retirement payments of \$1,250 per month, commencing on the month in which his employment with the

Company terminates, and shall be paid until the earlier to occur of a) 120 monthly payments or b) the death of Mr. Kathwari. Such retirement payment is subject to cost of living adjustments. In the event Mr. Kathwari shall die before receiving all retirement payments Mr. Kathwari's widow shall be entitled to reduced retirement payments equal to one-half of the retirement payment amount until the earlier to occur of a) her death or b) the cumulative payment of 120 monthly payments to Mr. Kathwari and his widow.

The Ethan Allen Retirement Savings Plan

The Company established the Ethan Allen Profit Sharing and 401(k) Retirement Plan, now known as the Ethan Allen Retirement Savings Plan, effective July 1, 1994 (the "Retirement Plan"), as a result of the merger of the Company's and/or its subsidiaries' profit sharing and 401(k) plans. The Retirement Plan covers all employees who have completed at least three months of service.

The 401(k) portion of the Retirement Plan allows participants to defer up to 100% of their compensation, subject to certain statutory limitations. The Company may, at its discretion, fully match the first \$500 of a participant's before tax contribution and one-half of the next \$1,600 of a participant's before tax contribution, up to a maximum of \$1,300 each year. Except as otherwise noted in the Summary Compensation Table on page 16, the Company made matching contributions, in the form of shares of Company Common Stock to the Retirement Plan equal to \$500 for fiscal year 2009 for each of the Named Executive Officers. Participant contributions and employer matching contributions are immediately and fully vested.

Under the Profit Sharing portion of the Retirement Plan, contributions can be made only by the Company and are at the sole discretion of the Company. Contributions are allocated among all Retirement Plan participants in the same ratio as a participant's covered remuneration bears to that of all Retirement Plan participants. The Company made no profit sharing contributions during fiscal year 2009.

The Retirement Plan is the primary vehicle for providing retirement income to Company employees. The Retirement Plan is administered by Ethan Allen Global, Inc. with J.P. Morgan as Investment Manager and Record Keeper. Investment options currently offered under the Retirement Plan include two collective trusts, nine mutual funds, six strategic allocation funds, employer common stock, and a self-directed brokerage fund. Participants direct the investment of their amounts under the Retirement Plan and may choose from some or all of the investment options designated by the Retirement Committee from time to time.

Employment Agreement

As of October 10, 2007, the Company's Compensation Committee approved, and the independent members of the Company's Board of Directors ratified, subject to approval by stockholders of the incentive components thereof (which approval was obtained at the 2007 Annual Meeting of stockholders held on November 13, 2007), the terms of the Employment Agreement between the Company and Mr. Kathwari. Pursuant to the Employment Agreement, the Company agreed to continue to employ Mr. Kathwari and Mr. Kathwari agreed to remain as Chairman, President and Principal Executive Officer of the Company and Ethan Allen Global, Inc., for a period of approximately five years commencing October 10, 2007, with two automatic one-year extensions commencing on each of July 1, 2012, and July 1, 2013 (each, an "Anniversary Date"), unless notice is given by either Mr. Kathwari or the Company not later than 9 months prior to an Anniversary Date.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

Pursuant to the terms of the Employment Agreement, Mr. Kathwari will receive a base salary of \$1,127,500 per year, subject to an annual increase. The annual increase is based on the Company's Operating Income as divided by reported sales ("Operating Margin").

Annual Percentage Increase to Base Salary	Annual Operating Margin
0%	Less than 10%
2%	≥ 10% but < 11%
4%	≥ 11% but < 13%
5%	≥ 13%

As of July 1, 2008, Mr. Kathwari was entitled to an annual increase of 2% pursuant to the terms of the Employment Agreement increasing his base salary to \$1,150,050. However, due to the economic climate and Company sales, on March 1, 2009, Mr. Kathwari voluntarily took a \$100,000 per year salary reduction, such that his base salary as in effect on June 30, 2009 is \$1,050,050 per year.

Mr. Kathwari will be entitled to an annual incentive bonus based upon the Company's Operating Income. Mr. Kathwari's incentive bonus for a given fiscal year will be based upon the amount by which the Company's Operating Income for the fiscal year exceeds the applicable threshold amount specified below (each a "Threshold").

Fiscal Year	Threshold
2009	\$ 105 Million
2010	\$ 110 Million
2011	\$ 115 Million
2012	\$ 120 Million
2013	\$ 125 Million
2014	\$ 130 Million

Mr. Kathwari will receive a bonus equal to (i) 1.25% of the first \$20 million (or portion thereof) by which the Operating Income exceeds the applicable Threshold, (ii) 2.25% of the second \$20 million (or portion thereof) by which the Operating Income exceeds the applicable Threshold, (iii) 2.75% of the third \$20 million (or portion thereof) by which the Operating Income exceeds the applicable Threshold, and (iv) 3.25% of any amount greater than \$60 million by which the Operating Income exceeds the applicable Threshold. No incentive bonus was awarded to Mr. Kathwari in fiscal year 2009.

The Compensation Committee shall make adjustments to the Threshold to reflect certain unusual, non-recurring events, including acquisitions and divestitures.

Pursuant to the Employment Agreement, Mr. Kathwari was granted the following options under the Option Plan: (i) as of October 10, 2007, ten-year stock options to purchase 150,000 shares of Common Stock, at an exercise price of \$34.03 per share (the price of a share of Common Stock on the New York Stock Exchange as of the close of business on the date of grant), which vest at a rate of 50,000 on each June 30th, up to and including June 30, 2010; (ii) as of July 1, 2008, ten-year stock options to purchase 90,000 shares of Common Stock, at an exercise price of \$24.62 per share (the price of a share of Common Stock on the New York Stock Exchange as of the close of business on July 1, 2008), which vest at a rate of 45,000 each year following the date of grant, up to and including June 30, 2010; and (iii) as of July 1, 2009, ten-year stock options to purchase 60,000 shares of Common Stock, at an exercise price of \$10.68 per share (the price of a share of Common Stock on the New York Stock Exchange as of close of business on July 1, 2009), which vest on June 30, 2010. All options are granted pursuant to the Option Plan.

On November 11, 2008, the Compensation Committee, in addition to the options granted pursuant to the Employment Agreement, granted Mr. Kathwari the right to purchase 50,000 shares of Common Stock

at an exercise price of \$15.93 per share (the price of a share of Common Stock on the date of grant), which vest at a rate of 25% each year following the date of grant, up to and including November 10, 2012.

Pursuant to the Employment Agreement, Mr. Kathwari was granted the following restricted stock under the Option Plan: (i) as of the date stockholders approved the incentive components of the Employment Agreement (November 13, 2007), 20,000 shares; (ii) as of July 1, 2008, 20,000 shares; and (iii) as of July 1, 2009, 20,000 shares. The initial grant of 20,000 shares of restricted stock will vest on June 30, 2010 upon the attainment of certain performance targets, as set forth below. Thereafter, the July 1, 2008 grant of 20,000 shares of restricted stock will vest on June 30, 2011 and the July 1, 2009 grant of 20,000 shares of restricted stock will vest on June 30, 2012. All of these restricted stock awards vest in accordance with a tiered vesting schedule based on the Company's total return to its stockholders as compared to the total return of the Standard & Poor's 500. Any shares which do not vest will be forfeited. As of each dividend record date for the Common Stock occurring on or after the date of any grant of shares of restricted stock, but prior to the date such shares become vested or are forfeited, an account established by the Company for the benefit of Mr. Kathwari shall be credited with the amount of dividends which would otherwise have been paid with respect to such shares. Amounts credited to the account will be credited with interest at the rate of 5% per year until distribution. Mr. Kathwari will be fully vested in all amounts credited to the account, regardless of the subsequent vesting or forfeiture of the shares. The balance credited to Mr. Kathwari's account will be distributed to him in cash as soon as practicable after the termination of his employment. All shares of restricted stock will become fully vested upon the occurrence of a change in control of the Company or in the event that Mr. Kathwari's employment is terminated by the Company without "cause" or by Mr. Kathwari "for good reason."

Pursuant to the Employment Agreement, on November 11, 2007, Mr. Kathwari received an additional 15,000 shares of restricted stock. These shares of restricted stock vest at a rate of 3,000 shares per year over the initial five year term of the Employment Agreement.

On November 11, 2008, the Compensation Committee, in addition to the restricted stock granted pursuant to the Employment Agreement, awarded Mr. Kathwari 60,000 shares of restricted stock, to vest on June 30, 2009 upon the attainment of certain performance targets based upon the Company's operating income. As of June 30, 2009 the performance targets were not met and all 60,000 shares were immediately forfeited.

In the event Mr. Kathwari's employment with the Company is terminated by reason of death or disability, under the Employment Agreement, he (or his estate) will receive his base salary plus his bonus through the end of the year, along with any deferred compensation, unreimbursed expenses, insurance proceeds and other payments in accordance with Company practices. If Mr. Kathwari's employment is terminated by the Company without "cause" or by Mr. Kathwari "for good reason", he will receive his base salary through the end of the term of the Employment Agreement and a payment equal to the lesser of \$1 million or the bonus payments for two years calculated by reference to the highest bonus previously paid to him, and he will be entitled to settlement of the stock options, which are exercisable within three years after termination. If Mr. Kathwari's employment is terminated by the Company for "cause" or voluntarily by Mr. Kathwari, he will receive his base salary and bonus prorated through the date of termination, along with any deferred compensation, unreimbursed expenses or any other payment in accordance with Company practices. In connection with each of the foregoing termination payments, Mr. Kathwari will be reimbursed for certain excise and other taxes he is required to pay in respect of such payments.

Under Mr. Kathwari's prior employment agreement, the Company established a book account for Mr. Kathwari, which has been credited with 126,000 Stock Units (the "Stock Units"). Following the termination of Mr. Kathwari's employment, Mr. Kathwari will receive shares of Common Stock equal to the number of Stock Units credited to the account. During the period in which Stock Units are credited to the account, Mr. Kathwari received and will receive dividend-equivalent payments, in cash, equal to the dividends which would otherwise have been paid on the shares of Common Stock represented by the Stock Units.

Change in Control

We maintain a change in control provision with our President and Principal Executive Officer as set forth in the Employment Agreement to ensure continuity of our leadership in the event of a change in ownership of the Company. Under the Employment Agreement, the Company pays him in accordance with the terms of the Employment Agreement including base salary, the aggregate of his two largest bonuses not to exceed \$2 million in the aggregate, deferred compensation, reimbursement of expenses and other compensation or benefits owed in accordance with applicable plans, programs or agreements if there is a change in control and his employment is subsequently terminated.

Potential Payments upon Termination or Change in Control

The amount of compensation which would have been payable to Mr. Kathwari upon termination of employment or a change in control, assuming a June 30, 2009 triggering event, is listed in the following table.

	For Cause/ Voluntary Termination/ Retirement	Without Cause /Good Reason Termination/ Change in Control	Death or Disability
Salary continuation(1)		\$ 3,450,150	
Bonus(2)		\$ 2,000,000	
Accrued vacation pay(3)	\$ 132,698	\$ 132,698	\$ 132,698
Life & disability payments(4)		\$ 150,000	
Stock Options(5)			
Stock Units(6)	\$ 1,305,360	\$ 1,305,360	\$ 1,305,360
Restricted Stock Awards(7)		\$ 93,240	\$ 93,240
Restricted Stock Awards with market conditions(8)		\$ 621,600	\$ 414,400
Accrued interest & dividends book account(9)	\$ 212,856	\$ 212,856	\$ 212,856
Retirement Contract payments(10)	\$ 225,000	\$ 225,000	\$ 225,000

- (1) If terminated other than for cause, Mr. Kathwari is entitled to salary continuation through June 30, 2012. The amount disclosed is the total undiscounted amount of future payments.
- (2) If terminated other than without cause, Mr. Kathwari would receive a prorated bonus entitlement from the beginning of the fiscal year through the termination date. Since Mr. Kathwari received no bonus payment for fiscal 2009, there would have been no prorated amount. If terminated without cause, Mr. Kathwari would have received a bonus equal to the lesser of his two (2) largest bonuses or \$2.0 million dollars.
- (3) Accrued vacation pay would be payable under the same terms as all other salaried employees of the Company. At June 30, 2009, Mr. Kathwari was entitled to six weeks vacation.
- (4) If terminated without cause, the Company would continue to pay life and disability insurance payments through June 30, 2012. The amount disclosed is the total undiscounted amount of future payments.
- (5) At June 30, 2009, Mr. Kathwari held options to purchase an aggregate of 1,490,050 shares of Common Stock at exercise prices ranging from \$15.93 to \$37.15, of which 1,345,050 were then exercisable. If Mr. Kathwari's employment had been terminated by the Company without cause, by him for good reason (as defined in his Employment Agreement), or for disability on June 30, 2009, the options to purchase the additional shares would have become immediately exercisable. However, since the closing market price of our Common Stock on June 30, 2009 was \$10.36 per share, the net proceeds to Mr. Kathwari from an exercise of all of such options would have been zero. An additional 60,000 options would also be granted on 7/1/09 at the then current closing market price and would vest immediately on the grant date, if terminated without cause or for good reason.
- (6) In connection with Mr. Kathwari's 1997 employment agreement he was awarded 126,000 stock units which will, upon termination for any reason, including death or disability, be converted to common stock. The closing market price at June 30, 2009 was used to value the shares.

- (7) If terminated without cause or due to death or disability, 9,000 unvested restricted shares would vest immediately. The closing market price at June 30, 2009 was used to value the shares.
- (8) At June 30, 2009, Mr. Kathwari held 40,000 restricted shares none of which had vested and, pursuant to his Employment Agreement, was entitled to receive a future grant of restricted stock covering an aggregate of an additional 20,000 shares of Common Stock. If Mr. Kathwari's employment had terminated for death or disability on June 30, 2009, the restrictions on the 40,000 shares of restricted stock previously granted would have lapsed immediately. If Mr. Kathwari's employment had been terminated by the Company without cause or by him for good reason on June 30, 2009, the restrictions on the 40,000 shares of restricted stock previously granted would have lapsed immediately and Mr. Kathwari would have been entitled to receive the additional 20,000 shares free from any restrictions. The closing market price at June 30, 2009 was used to value the shares.
- (9) If terminated for any reason, including death or disability, the value of deemed dividends on restricted share awards held in a book account along with accrued interest at 5% per annum would be paid by the Company.
- (10) Mr. Kathwari is also entitled to payments pursuant to a retirement contract, which is described under the section *Executive Perquisites/Other Personal Benefits*, on page 20 of this proxy. The amount disclosed is the total undiscounted amount of future payments, assuming the maximum cost of living adjustments.

Director Compensation

For fiscal year 2009, all independent directors received \$35,000 per annum and \$3,500 per meeting of the Board of Directors attended in person (\$1,000 per meeting attended by telephone). The Chair of the Compensation and Nominations/Corporate Governance Committees received an additional \$8,000 per annum. The Chair of the Audit Committee received an additional \$10,000 per annum. Each independent director received \$2,000 for each committee meeting of the Board of Directors attended in person (\$1,000 per meeting attended by telephone) held on a date on which a meeting of the Board of Directors was not held. In addition, independent directors are eligible for awards of options, restricted stock, stock appreciation rights under the Option Plan or \$25,000 cash. Employee directors do not receive additional compensation for serving on the Board of Directors.

Name	Fees earned or paid in cash	Option awards	Restricted Stock	Total
John P. Birkelund	\$ 46,500	\$ 12,360	\$ 12,279	\$ 71,139
Clinton Clark	\$ 90,333			\$ 90,333
Kristin Gamble	\$ 54,000	\$ 21,174		\$ 75,174
Horace G. McDonell	\$ 43,917		\$ 20,366	\$ 64,283
Edward H. Meyer	\$ 81,000			\$ 81,000
Richard A. Sandberg	\$ 55,000		\$ 27,554	\$ 82,554
Frank G. Wisner	\$ 58,000		\$ 27,554	\$ 85,554

Tax Policy

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Tax Code") limits deductibility of annual compensation in excess of \$1 million paid to the Company's Principal Executive Officer and to each of its next three most highly compensated Named Executive Officers (other than the Principal Financial Officer). However, compensation is exempt from this limit if it qualifies as "performance-based compensation." In 2007, the Company submitted an amendment to the Option Plan to stockholders, to allow awards thereunder to qualify under the "performance-based compensation" requirements. The Company submitted the incentive performance bonus provisions of the Employment Agreement to its stockholders who agreed to have the annual incentive bonuses and the performance-vesting restricted stock granted under the Employment Agreement comply with the "performance-based compensation" requirements under Section 162(m) of the Tax Code.

PROPOSAL 2**RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee selects and hires our independent registered public accounting firm and has appointed KPMG as the independent registered public accounting firm of the Company for the fiscal year ending June 30, 2010. KPMG was the independent registered public accounting firm for the Company for the fiscal year ended June 30, 2009. Representatives of KPMG will be present at the Annual Meeting and will be given the opportunity to make a statement if they so desire. They will also be available to respond to appropriate questions. We are asking you to ratify the appointment of KPMG as our independent registered public accounting firm. Although ratification is not required by our By-Laws, the Board of Directors is submitting the appointment of KPMG to you for ratification as a matter of good corporate practice. If the Audit Committee's appointment is not ratified, it will reconsider the appointment, if appropriate. Even if the appointment is ratified, the Audit Committee, in its discretion, may appoint a different independent registered public accounting firm at any time during the fiscal year if it determines that such a change would be in the best interests of the Company and our stockholders.

AUDIT FEES

The following table represents a summary of professional fees paid to KPMG for services rendered in connection with: (i) the audit for the Company's annual financial statements for the fiscal years ended June 30, 2009 and 2008; and (ii) other matters.

	2009	2008
Audit fees(1)	\$ 1,200,000	\$ 1,260,000
Audit-related fees(2)	38,000	113,270
Tax fees(3)	8,500	36,000
All other fees		2,500
Total fees	\$ 1,246,500	\$ 1,411,770

- (1) In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees that the Company paid to KPMG for the audit of the Company's annual financial statements included in the Form 10-K and review of the Company's interim financial statements included in the Forms 10-Q; for the attestation of management's report on the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of SOX; and for services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements.
- (2) "Audit-related fees" are fees for services related to the performance of the annual audit of the Retirement Plan and services related to the adoption of FIN 48 in fiscal 2008.
- (3) Tax fees consist of fees incurred in connection with tax compliance, tax advice and tax planning services.

There were no fees incurred during fiscal 2009 related to financial information technology design and implementation. The Audit Committee has determined that the provision of tax and other services by the independent registered public accounting firm is compatible with maintaining their independence.

Audit and Non-Audit Engagement Pre-Approval Policy

To help assure the independence of the Company's independent registered public accounting firm, the Audit Committee has established a policy whereby all audit and non-audit engagements proposed to be

performed by the independent registered public accounting firm must be approved in advance by the Chair of the Audit Committee or, in his discretion, the entire Audit Committee.

THE AUDIT COMMITTEE RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JUNE 30, 2010, WHICH IS DESIGNATED AS PROPOSAL NO. 2 ON THE ENCLOSED PROXY CARD.

OTHER MATTERS

Proxy Solicitation Expense

The expense of the proxy solicitation will be paid by the Company. In addition to the solicitation of proxies by use of the mail, solicitation also may be made by telephone, telegraph or personal interview by directors, officers and regular employees of the Company, none of whom will receive additional compensation for any such solicitation. The Company has engaged Morrow & Co., LLC, located at 470 West Avenue, Stamford, Connecticut 06902, a professional proxy solicitation firm, to provide customary solicitation services for a fee of \$5,500 plus expenses. The Company does not anticipate that the costs and expenses incurred in connection with this proxy solicitation will exceed those normally expended for a proxy solicitation for those matters to be voted on at the Annual Meeting. The Company will, upon request, reimburse brokers, banks and similar organizations for out-of-pocket and reasonable clerical expenses incurred in forwarding proxy material to their principals.

Stockholder Proposals and Nomination of Directors

Nominations of persons for election to the Board of Directors along with stockholder proposals may be made at any annual meeting of stockholders by any stockholder of the Company: (i) who is a stockholder of record on the date of the giving of the notice and on the Record Date; and (ii) who complies with the notice procedures.

For the nomination or proposal to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Corporate Secretary of the Company.

To be timely, a stockholder's notice to the Corporate Secretary must be delivered to or mailed and received at the principal executive offices of the Company not less than sixty days nor more than ninety days prior to the date of the annual meeting; *provided, however*, that in the event that less than seventy days' notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs.
