**Item 1.01. Entry into a Material Definitive Agreement.**

On January 27, 2006, our operating partnership and wholly-owned subsidiary, Caplease, LP, entered into an agreement with Challenger South Monaco, LLC (the "Seller"), to purchase two adjacent office buildings aggregating approximately 260,000 square feet in Denver, Colorado, for a purchase price of \$69.3 million. Each of the buildings is fully net leased to Invesco Funds Group, Inc., a subsidiary of AMVESCAP, PLC, through October 2016.

Our obligation to purchase the properties under the agreement is subject to various customary closing conditions, including our satisfactory completion of due diligence during a due diligence period which expires on February 3, 2006. The agreement also includes the following terms and conditions:

- we paid \$1.0 million into escrow upon entering into the agreement;
- we have the right to terminate the agreement and receive a refund of these funds for any reason or no reason at any time during the due diligence period;
- we are required to pay an additional \$2.0 million into escrow upon expiration of the due diligence period;
  - the funds we have paid into escrow will be applied against the purchase price at closing; and
- if we default in our obligations under the agreement, the Seller will be entitled to payment of the funds we have paid into escrow as liquidated damages.

There is no material relationship between us and the Seller.
