This Information Statement is being delivered on or about November 5, 2003 to the holders of shares of common stock, par value \$0.001 per share (the "Common Stock") of Northward Ventures, Inc., a Nevada corporation (the "Company" or Northward) as of November 4, 2003. On October 28, 2003, the Company entered into the following agreements for the acquisition of each of Bulldog Technologies Inc., a British Columbia company (Bulldog BC) and Bulldog Technologies Inc., a Nevada corporation (Bulldog Nevada):

1. Agreement and Plan of Merger dated October 28, 2003 between Northward, Bulldog Nevada, Bulldog Acquisition Corp. and John Cockburn (the Merger Agreement); and
2. Share Purchase Agreement dated October 28, 2003 between Northward, Bulldog BC, John Cockburn and certain minority shareholders of Bulldog BC holding, with Mr. Cockburn, in excess of 84% of the outstanding shares of Bulldog BC (the Share Purchase Agreement).

The Merger Agreement and the Share Purchase Agreement anticipate that the Company will acquire Bulldog BC and Bulldog Nevada in consideration for the issue of an aggregate of approximately 9,791,500 shares of the Company's common stock which will represent approximately 49.2% of the Company's outstanding shares upon closing. The terms and conditions of the Merger Agreement and the Share Purchase Agreement are summarized below under the heading THE ACQUISITION AGREEMENTS .

As a condition to the closing under the Merger Agreement and the Share Purchase Agreement, the Company's current board of directors will appoint John Cockburn as a member of the Company's board of directors on closing, and then tender their respective resignations as directors and officers of the Company to be effective ten days after the delivery of this Information Statement. Following the effective date of the resignation of the members of the current board of directors, James McMillan and Boo Jock Chong will be appointed as directors of the Company and the board of directors of the Company will be comprised of John Cockburn, James McMillan and Boo Jock Chong. Neither James McMillan nor Boo Jock Chong will take office until at least ten days after this Information Statement is mailed or delivered to all Company shareholders in compliance with Section 14(f) of the Securities Exchange Act of 1934, as amended, and Rule 14f-1 thereunder.

YOU ARE URGED TO READ THIS INFORMATION STATEMENT CAREFULLY. YOU ARE NOT, HOWEVER, REQUIRED TO TAKE ANY ACTION.

THE ACQUISITION AGREEMENTS

The Merger Agreement and the Share Purchase Agreement are summarized as follows:

Bulldog BC and Bulldog Nevada

Bulldog BC was incorporated under the laws of the Province of British Columbia in September 1998. Bulldog Nevada was incorporated on January 18, 2000 under the laws of the State of Nevada. Bulldog BC carries on the business of developing and commercializing the Bulldog Online Security System, as described below, and the development and commercialization of the products developed by Bulldog

Technologies. Bulldog Nevada was incorporated primarily to facilitate the financing of Bulldog BC. Bulldog Nevada's primary asset consists of an inter-corporate loan to Bulldog BC that was outstanding in the amount of \$1,122,197 as at August 31, 2003. Mr. John Cockburn is the principal shareholder of each of Bulldog BC and Bulldog Nevada

Bulldog Acquisition Corp.

Bulldog Acquisition Corp. (Bulldog Acquisition) was incorporated under the laws of the State of Nevada on October 24, 2003. Bulldog Acquisition is a wholly owned subsidiary of Northward. Bulldog Acquisition was incorporated for the purposes of completing the merger of Bulldog Nevada under the Merger Agreement.

The Merger Agreement

The Merger Agreement contemplates the merger of Bulldog Nevada and Bulldog Acquisition, with Bulldog Acquisition as the surviving corporation (the Merger). Bulldog Acquisition will be renamed Bulldog Technologies Nevada Inc. on completion of the Merger (Bulldog Technologies Nevada). On completion of the Merger, Northward will issue shares of Northward common stock to the non-dissenting shareholders of Bulldog Nevada on the basis of one share of Northward common stock for each share of Bulldog Nevada common stock held. There are presently 9,081,500 shares of Bulldog Nevada common stock issued and outstanding. Accordingly, Northward will issue 9,081,500 shares of Northward common stock to the shareholders of Bulldog Nevada, if no shareholders of Bulldog Nevada exercise dissent and appraisal rights. Shareholders of Nevada are entitled to exercise dissent rights under Nevada law.

The shares of Northward common stock to be issued to Bulldog Nevada's stockholders on completion of the Merger will not be registered with the Securities and Exchange Commission (the SEC) or the securities commission of any U.S. state, and will be issued in reliance upon exemptions from registration under the U.S. *Securities Act of 1933*, as amended (the "1933 Act") and, with respect to those stockholders of Bulldog Nevada who are resident in the Province of British Columbia, in reliance upon an exemption from the registration and prospectus requirements of the *Securities Act (British Columbia)* (the "BC Act").

The Share Purchase Agreement

The Share Purchase Agreement contemplates the acquisition by Northward of all of the issued and outstanding shares of Bulldog BC from the shareholders of Bulldog BC, including John Cockburn. On completion of the Share Purchase Agreement, Northward will issue shares of Northward common stock to the shareholders of Bulldog BC on the basis of one share of Northward common stock for each outstanding common share of Bulldog BC. There are presently 710,000 common shares of Bulldog BC issued and outstanding. Accordingly, Northward will issue 710,000 shares of Northward common stock to the shareholders of Bulldog BC on completion of the Share Purchase Agreement.

Northward anticipates that the Share Purchase Agreement will be signed by the remaining shareholders of Bulldog BC who have not signed as of the date of this Current Report.

The shares of Northward common stock to be issued to shareholders of Bulldog BC on completion of the Share Purchase Agreement will not be registered with the SEC or the securities commission of any U.S. state, and will be issued in reliance upon an exemption from registration under the 1933 Act and an exemption from the registration and prospectus requirements of the BC Act.

Conditions Precedent to the Acquisitions

The closings of each of the Merger Agreement and the Share Purchase Agreement will be subject to Northward completing a private placement financing for net proceeds of not less than \$520,000. The

Northward Private Placement will involve the private placement of 520,000 units (the Units) at a price of US\$1.00 per Unit, each Unit being comprised of one share of Northward common stock (the Private Placement Shares) and one share purchase warrant (the Warrants). Each Warrant will entitle the holder to purchase one additional share of Northward common stock at a price of US\$1.00 per share for a period of two years from the closing. Northward will undertake upon demand of the investors to register the resale of the Private Placement Shares and the shares of the Company s common stock issuable upon exercise of the Warrants (the Warrant Shares) by filing an appropriate registration statement with the SEC (the Registration Statement) under the 1933 Act. The investors will be entitled to demand that Northward prepare and file the Registration Statement at any time after 120 days from the date of closing of the Northward Private Placement until the one year anniversary of closing. The investors will pay for the cost of preparing and filing the Registration Statement and maintaining the Registration Statement effective. The Registration Statement will be kept effective until such time as all Private Placement Shares and Warrant Shares may be sold pursuant to Rule 144 of the 1933 Act. Northward will undertake to file the Registration Statement with the SEC within thirty days of demand. In the event that the Registration Statement is not filed within 30 days of demand, then Northward will pay a penalty of 10% of the private placement proceeds to the investor for each month in which the Registration Statement is not filed, calculated pro rata on a daily basis. Northward will use its best efforts to ensure the effectiveness of the Registration Statement within 120 days of filing with the SEC.

Northward must complete the Northward Private Placement on or before the closing of the Merger Agreement and the Share Purchase Agreement. The Northward Private Placement may complete prior to or contemporaneously with closing and it may be a condition of the Northward Private Placement that the closing of the acquisitions will occur contemporaneously with the closing of the Northward Private Placement. Northward has not entered into any agreements for the completion of the Northward Private Placement to date and there is no assurance that Northward will be able to complete the Northward Private Placement.

In addition to the requirement that the Northward Private Placement be completed, each of the Merger Agreement and the Share Purchase Agreement are subject to satisfaction of conditions precedent to closing as set forth in each agreement. The conditions precedent to the obligations of Bulldog Nevada to complete the Merger and the obligations of the shareholders of Bulldog BC to complete the sale of their shares to Northward include, but are not limited, the following:

1. The holders of no more than two (2%) percent of the issued and outstanding shares of Bulldog Nevada will have exercised appraisal rights under Nevada law as dissenting shareholders;
2. Bulldog BC and Bulldog Nevada will have received the resignations of the board of directors of Northward, including Michael Waggett and Suzette Lewis.
3. Bulldog BC and Bulldog Nevada will have received a signed resolution of the board of directors of Northward appointing John Cockburn, James McMillan and Boo Jock Chong to the board of Northward.
4. Michael Waggett and Suzette Lewis will have surrendered for cancellation, without consideration, all 2,000,000 (pre-split) shares of common stock in the capital of Northward owned by them.

The closings of the transactions under each of the Merger Agreement and the Share Purchase Agreement are each conditional upon the closing of transactions under the other agreement. Accordingly, if the transactions under either agreement do not close for any reason, then the transactions under the other agreement will not close.

Stock Split

The board of directors of Northward have approved a 4.34 for one split of Northward's common stock to be effected by a dividend of 3.34 shares of Northward common stock to the shareholders of Northward of record on October 29, 2003 for each currently issued and outstanding share of Northward held. The shares to be issued by Northward on closing of the Merger Agreement and the Share Purchase Agreement will be post-split shares.

Closing of the Merger Agreement and the Share Purchase Agreement

The closing date for the closing of the Merger Agreement and the Share Purchase Agreement is November 7, 2003, subject to the satisfaction of the conditions precedent to closing by that date. In the event that the closing does not occur by November 28, 2003, then the Merger Agreement and the Share Purchase Agreement will terminate unless extended by written agreement.

Upon closing of each of the Merger Agreement and the Share Purchase Agreement and completion of the Northward Private Placement and the Stock Split, Northward will have been reorganized as follows:

1. Northward's issued and outstanding shares will consist of 19,902,900 shares of Northward common stock;
2. Northward will own Bulldog BC as a wholly owned subsidiary;
3. Northward will own Bulldog Technologies Nevada as a wholly owned subsidiary through the merger of Bulldog Nevada and Bulldog Acquisition;
4. The former shareholders of Bulldog BC will own 710,000 shares of Northward common stock, representing 3.6% of the issued and outstanding shares of Northward;
5. The former shareholders of Bulldog Nevada will own 9,081,500 shares of Northward common stock, representing 45.6% of the issued and outstanding shares of Northward;
6. The board of directors of Northward will be comprised of John Cockburn, James McMillan and Boo Jock Chong.

Upon completion of this reorganization, Northward has agreed to change its corporate name to Bulldog Technologies Inc., which name change will be effected either by (i) obtaining shareholder approval for such name change, or (ii) merging Bulldog Technologies Nevada into Northward.

Due to conditions precedent to closing, as outlined above, and the risk that these conditions precedent will not be satisfied, there is no assurance that Northward will complete the acquisitions of Bulldog BC and Bulldog Nevada as planned.

Description of the Business of Bulldog Technologies

Bulldog BC has developed a compact, portable electronic security device that attaches to the locking-rod of trailers and containers while in transit or storage. The business has developed a Bulldog Online Security System (the "Road BOSS") for use on trucks that communicates with a pager which is carried by the driver. The driver is alerted at attempts to access the cargo. The Road BOSS interfaces with satellite truck tracking systems. The business has also developed a Bulldog Online Security System (the "Yard BOSS") for security of storage yard containers that alerts dispatch personnel of theft. The Road BOSS and Yard BOSS are designed to prevent cargo theft from containers, tractor-trailers and cargo vans.
