DISCLOSURE CONTROLS AND PROCEDURES

After evaluating the effectiveness of the Registrant's disclosure controls and procedures as required by paragraph (b) of Exchange Act Rule 13a-15 or Rule 15d-15, the Chief Executive Officer and Chief Financial Officer of the Registrant have concluded that, as of the end of the Registrant's fiscal year covered by this Form 40-F Annual Report, the Registrant's disclosure controls and procedures were effective to ensure that material information required to be disclosed by the Registrant in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms, and accumulated and communicated to the Registrant's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

MANAGEMENT'S ANNUAL REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Exchange Act Rule 13a-15(f). The Registrant's system of internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles in Canada and in the United States.

Management recognizes that effective internal control over financial reporting may nonetheless not prevent or detect all possible misstatements or frauds. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with policies or procedures may deteriorate.

Management has evaluated the effectiveness of the Registrant's internal control over financial reporting as of December 31, 2010 based on the framework in "Internal Control - Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on this evaluation, management concluded that, as of December 31, 2010, the Registrant maintained effective internal control over financial reporting.

Deloitte & Touche LLP, the independent registered chartered accountants that audited the Registrant's consolidated financial statements included in this Annual Report on Form 40-F, has issued an attestation report on management's assessment of the Registrant's internal control over financial reporting.

ATTESTATION REPORT OF THE REGISTERED PUBLIC ACCOUNTING FIRM

A copy of Deloitte & Touche LLP's attestation report on internal control over financial reporting is provided herein as Exhibit 99.4 of this Annual Report on Form 40-F.

CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING

During the period covered by this Annual Report on Form 40-F, there was no change that occurred in the Registrant's internal control over financial reporting identified in connection with the evaluation required by paragraph (d) of Exchange Act Rule 13a-15 or Rule 15d-15 that materially affected, or is reasonably likely to materially affect, the Registrant's internal control over financial reporting.

AUDIT COMMITTEE FINANCIAL EXPERT

The Registrant's Board of Directors has determined that it has at least one Audit Committee financial expert serving on its Audit Committee. Fred J. Dymont has been determined by the Registrant's Board of Directors to meet the audit committee financial expert criteria prescribed by the Securities and Exchange Commission (SEC) and is an independent director, as that term is defined under the listing standards applicable to the Registrant contained in Rule 5605(a)(2) of the National Association of Securities Dealers Automated Quotation System (NASDAQ) Marketplace Rules. The SEC has indicated that the designation of Mr. Dymont as an audit committee financial expert does not make him an expert for any purpose, impose any duties, obligations or liability on him that are greater than those imposed on members of the Audit Committee and Board of Directors who do not carry this designation, or affect the duties, obligations or liability of any other member of the Audit Committee.
