THE ANNUAL MEETING

General

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the Board of Directors) of Nord Resources Corporation (we , the Company or Nord) for use in connection with Company s 2012 annual meeting of stockholders (the Annual Meeting) to be held on September 18, 2012, at 10:00 a.m. (Pacific Standard Time), at Embassy Suites, located at 3110 East Skyline Drive, Tucson, Arizona 85718, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of Annual Meeting.

This proxy statement, the notice of Annual Meeting and the enclosed form of proxy are expected to be mailed to our stockholders on or about August 9, 2012. Our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, including financial statements for such period, will also be mailed to our stockholders with this proxy statement, but such report does not constitute a part of this proxy statement.

Our principal executive office is located at 1 West Wetmore Road, Suite 203, Tucson, Arizona 85705.

Entitlement to Vote

If you are a registered holder of shares of our common stock on July 20, 2012 (the Record Date), you may vote those shares of our common stock in person at the Annual Meeting or by proxy in the manner described below under Voting of Proxies. If you hold shares of our common stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

Voting of Proxies

You can vote the shares that you own of record on the Record Date by either attending the Annual Meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the Annual Meeting and to vote in person. You may also submit your proxy on the Internet or over the telephone by following the instructions contained in the Proxy.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the Annual Meeting;

(b) executing a later-dated proxy relating to the same shares and delivering it to our corporate secretary at any time before the taking of the vote at the Annual Meeting; or

(c) attending at the Annual Meeting, giving affirmative notice at the Annual Meeting that you intend to revoke your proxy, and voting in person. Please note that your attendance at the Annual Meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the Annual Meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR the election of all the nominees to serve as our directors and FOR the approval of all of the other proposals set forth in the accompanying notice of meeting. The shares represented by each proxy will also be voted for or against such other matters as may properly come before the Annual Meeting in the discretion of the persons named in the proxy as proxy holders. We are not aware of any other matters to be presented for action at the Annual Meeting other than those described herein.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705, Attention: Wayne M. Morrison, Secretary.

Record Date and Shares Entitled to Vote

Our Board of Directors has fixed the close of business on July 20, 2012 as the Record Date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were approximately 112,488,604 shares of our common stock issued, outstanding, and entitled to vote at the Annual Meeting. Holders of common stock are entitled to one vote at the Annual Meeting for each share of common stock held of record at the Record Date. There are no separate voting groups or separate series of stock. There is no cumulative voting in the election of directors. The number of record holders of our common stock, \$0.01 par value, as of July 20, 2012 was 1,920.

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the Annual Meeting is one-third of our issued and outstanding shares of common stock as of the Record Date.

In order to be counted for purposes of determining whether a quorum exists at the Annual Meeting, shares must be present at the Annual Meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

1. shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked Abstain or Withhold for any matter;
2. shares represented by properly executed proxies for which no instruction has been given; and
3. broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Votes Required

Proposal One Election of Directors: The affirmative vote of the holders of a plurality of our shares of common stock voting is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the election of directors. Further, brokers may not cast discretionary uninstructed votes in any election of directors.

Proposal Two Appointment of Accountants: The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Stockholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be votes cast, and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

Stockholder Proposals

No proposals have been received from any stockholder to be considered at the Annual Meeting.

Other Matters

It is not expected that any matters other than those referred to in this proxy statement will be brought before the Annual Meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the Annual Meeting.

Solicitation of Proxies

This proxy solicitation is made on behalf of our Board of Directors. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail, Internet or otherwise, but they will not be specifically compensated for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock they hold as of the Record Date. We will bear the expenses incurred in connection with printing, filing and mailing of this proxy statement.

Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of common shares actually outstanding on July 20, 2012.
- (2) The address of the executive officers and directors is c/o Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

Each Audit Committee member is able to read and understand fundamental financial statements, including our consolidated balance sheet, consolidated statement of operations and consolidated statement of cash flows.

The Audit Committee meets with management and our external auditors to review matters affecting our financial reporting, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The Audit Committee reviews our significant financial risks, is involved in the appointment of senior financial executives, and annually reviews our insurance coverage and any off-balance sheet transactions.

The Audit Committee is mandated to monitor the audit and preparation of our consolidated financial statements and to review and recommend to the board of directors all financial disclosure contained in our public documents. The Audit Committee is also mandated to appoint our external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the board of directors. The Audit Committee and board of directors each have the authority to terminate the external auditor's engagement (subject to confirmation by our stockholders). The Audit Committee also approves in advance any permitted services to be provided by the external auditors which are not related to the audit.

Our Company provides appropriate funding as determined by the Audit Committee to permit the Audit Committee to perform its duties and to compensate its advisors. The Audit Committee, at its discretion, has the authority to initiate special investigations, and if appropriate, hire special legal, accounting or other outside advisors or experts to assist the Audit Committee to fulfill its duties.

The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes Oxley Act of 2002 and related rules of the SEC and the NYSE Amex Equities Exchange. A copy of the Audit Committee charter is attached as Exhibit A to this proxy statement. Although, the Audit Committee Charter contemplates the appointment of internal auditors, none have been appointed given the nature of the Company's operations at the current stage of its development, and the internal audit function is undertaken by senior management.

The Audit Committee discharged its mandate in respect of the financial year ended December 31, 2011, including the review and recommendation to the Board in respect of all financial disclosure contained in our company's public documents.

The Audit Committee held four meetings during the year ended December 31, 2011, and also acted through the adoption of written consent resolutions as permitted under the Delaware General Corporation Law and our company's Amended and Restated Bylaws.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2011 with the Company's management. The Audit Committee has received the written disclosures and the letter from Mayer Hoffman McCann P.C. required by Public Accounting Oversight Board Rule No. 3526, *Communications with Audit Committees Concerning Independence*, and has discussed, with Mayer Hoffman McCann P.C., their independence. The Audit Committee considered the compatibility of non-audit services with the auditors' independence. Based on the discussions and reviews referenced above, the Audit Committee recommended to the Company's Board of Directors that the audited consolidated financial statements for the year ended December 31, 2011 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011. Equity Compensation Plans

We have adopted a stock incentive plan (which includes a subpart governing deferred stock units in lieu of the DSU Plan) (the 2006 Stock Incentive Plan) which was approved by our stockholders at our Annual General Meeting held on October 18, 2006. Amendments to the 2006 Stock Incentive Plan were approved by our stockholders at our Annual General Meeting held on October 15, 2008. The amendments have been incorporated into an Amended and Restated 2006 Stock Incentive Plan (the Amended and Restated 2006 Stock Incentive Plan) which has been filed with the SEC.

A total of 11,000,000 shares of common stock have been reserved for issuance under all awards that may be granted under the Amended and Restated 2006 Stock Incentive Plan. Eligible Participants who are entitled to participate in the Amended and Restated 2006 Stock Incentive Plan consist of employees, directors and consultants of (a) our Company or (b) any of the following entities: (i) any parent corporation as defined in section 424(e) of the Internal Revenue Code of 1986, as amended (the Code); (ii) any subsidiary corporation as defined in section 424(f) of the Code; or (iii) any business, corporation, partnership, limited liability company or other entity in which our Company, a parent corporation or a subsidiary corporation holds a substantial ownership interest, directly or indirectly.

The Amended and Restated 2006 Stock Incentive Plan provides for the granting to Eligible Participants of such incentive awards (each, an Award) as the administrator of the Amended and Restated 2006 Stock Incentive Plan (the Administrator) may from time to time approve. The Amended and Restated 2006 Stock Incentive Plan includes the following provisions:

- (a) the Administrator will be a Committee of the Board of Directors of our Company appointed to act in such capacity, or otherwise, the Board of Directors itself;
- (b) each Award will be subject to a separate award agreement (an Award Agreement) to be executed by our Company and the Grantee, which shall specify the term of the Award; and
- (c) subject to applicable laws, including the rules of any applicable stock exchange or national market system, the Administrator will be authorized to grant any type of Award to an Eligible Participant (9a Grantee) that is not inconsistent with the provisions of the plan, and the specific terms and provisions of which are set forth in an Award Agreement, and that by its terms involves or may involve the issuance of: (i) shares of common stock, (ii) a stock option, (iii) a stock appreciation right entitling the Grantee to acquire such number of shares of common stock or such cash compensation as will be determined by reference to any appreciation in the value of our Company's common stock, (iv) restricted stock issuable for such consideration (if any) and subject to such restrictions as may be established by the Administrator, (v) unrestricted stock issuable for such consideration (if any) on such terms and conditions as may be established by the Administrator, (vi) restricted stock units, subject to such restrictions as may be imposed by the Administrator, and represented by notional accounts maintained in the respective names of the Grantees that are valued solely by reference to shares of common stock of our Company and payable only in shares after the restrictions have lapsed, (vii) deferred stock units issuable to eligible directors in lieu of certain eligible remuneration otherwise payable in shares of common stock, subject to settlement in accordance with the terms and conditions of the Award and represented by notional accounts maintained in the respective names of the Grantees, (viii) dividend equivalent rights, which are rights entitling the Grantee to receive credits for dividends that would be paid if the recipient had held a specified number of shares of common stock, (ix) any other security with the value derived from the value of our Company's common stock, or (x) any combination of the foregoing.

Any Award that is subject to a restriction will become fully exercisable only as set forth in the applicable Award Agreement. Nevertheless, the Amended and Restated 2006 Stock Incentive Plan provides the Administrator with the sole discretion, at any time, to declare any or all Awards to be fully or partially vested and exercisable, provided that the Administrator does not have the authority to accelerate or postpone the timing of payment or settlement with respect to Awards subject to Section 409A of the Code in a manner that would cause the Awards to be subject to certain related interest and penalty provisions. The Administrator may discriminate among Eligible Participants or among Awards in exercising such discretion.

The Amended and Restated 2006 Stock Incentive Plan has specific provisions which apply to grants of Awards intended to qualify as performance based compensation, as defined under section 162(m) of the Code, to any employees who are covered employees for the purposes of section 162(m)(3) of the Code.

Under the Amended and Restated 2006 Stock Incentive Plan, stock options may be granted as either incentive stock options under section 422 of the Code and the related regulations, or as non incentive stock options under section 83 of the Code. As of December 31, 2011, we have granted a total of 9,704,243 non qualified stock options, 2,939,184 DSUs and 200,000 incentive stock options under the Amended and Restated 2006 Stock Incentive Plan. In addition, 3,327,621 previously issued non qualified stock options have been cancelled.

We have also granted non-qualified stock options under individual compensation arrangements, which have been authorized by our board of directors. Such options have been granted outside of, and are therefore not subject to, the Amended and Restated 2006 Stock Incentive Plan.

To date, certain equity-based fees have been paid to our non-executive directors in the form of awards issued pursuant to our Company's Amended and Restated 2006 Stock Incentive Plan. The non-executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in deferred stock units. Each of our non-executive directors exercised such rights in respect of the equity-based fees payable to him for services rendered during the year ended December 31, 2011.

The following table provides a summary of the number of stock options and deferred stock units under equity compensation plans outstanding as at December 31, 2011.

Notes:

- (1) Ronald Hirsch a member of our board of directors is a Named Executive Officer and did not receive any compensation as a director that has not been disclosed in the summary compensation table above.
- (2) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2011 fiscal year for the fair value of deferred stock units, or DSUs, granted in 2011. Fair value is calculated using the average of the high and low price of our stock on the trading day prior to the date of grant. The outstanding DSUs for the directors at December 31, 2011 are as follows: Douglas Hamilton (1,016,221 DSUs), Stephen Seymour (812,042 DSUs), and John Cook (310,977 DSUs).
- (3) This column represents the fair value of the options awarded in 2011. Pursuant to SEC rules, the amount shown excludes the impact of estimated forfeitures related to service based vesting conditions.
- (4) Fair value of deferred stock units issued pursuant to our Company's Amended and Restated 2006 Stock Incentive Plan.

The board of directors has approved a compensation structure for our non executive directors which is designed to fairly pay non executive directors for work required while aligning the interests of the non executive directors with the long term interests of stockholders.

Non executive directors are entitled to receive a \$25,000 annual retainer, with an additional \$15,000 payable annually to the Chairman of the Audit Committee and \$7,500 payable annually to the Chairman of the Compensation Committee and the Chairman of the Nominating and Corporate Governance Committee. All of these fees are payable in stock, restricted stock, restricted stock units, or such other equity based compensation as the board of directors determines.

To date, the equity based fees have been payable in shares of our common stock pursuant to our 2006 Stock Incentive Plan. The non executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in DSUs. Each of our non executive directors exercised such rights in respect of the equity based fees payable to him for 2011 and 2010. Accordingly, all retainer fees paid during 2011 and 2010 were paid in DSUs. The DSUs are subject to the Amended and Restated 2006 Stock Incentive Plan. DSUs are awarded on a quarterly basis at the end of March, June, September and December, or as otherwise determined by the administrator of the Amended and Restated 2006 Stock Incentive Plan. The number of DSUs awarded each quarter is calculated by dividing the total fees payable to each director for that quarter by the fair market value of our common stock, determined in accordance with the Amended and Restated 2006 Stock Incentive Plan. Each DSU is the economic equivalent of one share of our common stock. The DSUs will be converted into shares of common stock upon the director's termination of service, or as otherwise provided in their individual deferral election.

During 2011, Douglas Hamilton, the Chairman of our Audit Committee, received 382,742 deferred stock units; John Cook, the Chairman of our Compensation Committee, received 310,976 deferred stock units; and Stephen Seymour, the Chairman of our Corporate Governance and Nominating Committee received 310,976 deferred stock units. During 2011, 280,357 DSUs issued to John Cook were converted into common shares. The deferred stock units are subject to the Amended and Restated 2006 Deferred Stock Unit Plan.

We paid cash fees to our non executive directors totaling \$4,500 during the year ended December 31, 2011 as follows:

Name	Amount of Cash Fees Paid
Doug Hamilton	1,500

The original term of this executive employment agreement was for three years, expiring on January 2, 2007. The executive employment agreement has been renewed until January 2, 2012, and is subject to automatic renewals for successive one year periods unless cancelled by either of the parties.

The executive employment agreement provides that, absent a change in control, if we were to terminate Mr. Hirsch for any reason not for cause (other than due to death or disability), we would have to pay to Mr. Hirsch: (i) his accrued unpaid salary, bonuses and expenses, if any; (ii) his base salary for 12 months; and (iii) his health insurance premiums until the earlier of the expiration of 12 months and the date he is eligible for similar health benefits with another employer. Following a change in control, in the event we were to terminate Mr. Hirsch for any reason other than for death, disability or cause, we would be required to pay Mr. Hirsch all accrued unpaid salary, bonuses, and expenses, a lump sum equal to three times his annual base salary, and we would be required to pay for his health, medical, and disability insurance premiums for a period of 18 months. Mr. Hirsch may also elect to terminate his employment following a change of control and receive these payments.

Effective October 18, 2006, we entered into an agreement amending our executive employment agreement with Mr. Hirsch, pursuant to which we have paid Mr. Hirsch all of his accrued consulting fees for services provided by him to our Company between May 1, 2001 and October 19, 2003, and all of his accrued and unpaid salary (See *Certain Relationships and Related Transactions - Compensatory Arrangements*). As described in more detail below, the amended executive employment agreement contains certain provisions that will apply if our Company becomes a party to a *Significant Transaction*, which is defined to mean a significant transaction in which: (i) any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of our Company representing or convertible into 51% or more of the common stock of our Company; or (ii) there is a sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of our Company or of assets of our Company valued at \$12,000,000 or greater.

Our amended executive employment agreement with Mr. Hirsch provides, among other things, that:

- Mr. Hirsch's base salary in his capacity as Chairman from February 15, 2006, to February 15, 2007 continued at the original level provided for in his executive employment agreement of \$200,000 per annum, and was reduced to \$100,000 per annum thereafter.
- Notwithstanding Mr. Hirsch's retirement, resignation or termination for any reason other than for cause or as a result of a Significant Transaction which is accompanied by a change of majority ownership of our Company, our Company shall continue to provide health insurance benefits to Mr. Hirsch until he reaches the age of 65.
- If our Company enters into an agreement with respect to a Significant Transaction which is accompanied by a change of majority ownership of our Company, Mr. Hirsch will voluntarily resign as Chairman effective immediately prior to the completion of the Significant Transaction.
- In the event that Mr. Hirsch ceases to be employed by our Company (other than by way of termination for cause) in connection with the completion of a Significant Transaction, other than one which is accompanied by a change of majority ownership of our Company, we must provide to Mr. Hirsch certain payments and benefits set forth in the executive employment agreement subject to execution and delivery by Mr. Hirsch to our Company of a mutual and general release of claims including the payment to Mr. Hirsch of an amount equal to three times his annual base salary in a lump sum within 60 days following termination of employment.
- In the event of the completion of a Significant Transaction which is accompanied by a change of majority ownership of our Company, Mr. Hirsch will not be entitled to receive the lump sum payment equal to three times his annual base salary.

Wayne Morrison

Wayne Morrison was appointed as our Company's Chief Executive Officer effective November 30, 2010 upon the resignation of Randy Davenport who resigned to take a position with another firm. Mr. Morrison continues to serve as our Company's Chief Financial Officer, a position he has held since January 8, 2008. Our Company and Mr. Morrison are parties to a letter agreement dated December 3, 2007, whereby Mr. Morrison was offered the position of Controller of our Company, effective December 1, 2007, with a view toward Mr. Morrison's appointment as Vice President and Chief Financial Officer upon confirmation of acceptability of Mr. Morrison as an executive officer from the Toronto Stock Exchange, on which the Company's common stock was then listed.

Effective January 19, 2011, we entered into a revised and restated executive employment agreement with Mr. Morrison to cover his duties and responsibilities as our Chief Executive and Chief Financial Officer. Mr. Morrison has agreed to perform the duties and responsibilities set out in the agreement, as well as those duties that our board of directors may from time to time reasonably determine and assign.

In consideration for Mr. Morrison's services, we have agreed to:

- to pay Mr. Morrison an annual salary in the amount of \$250,000;
- continue to provide Mr. Morrison with bonuses from time to time as determined by our compensation committee; and
- continue to allow Mr. Morrison to participate in our 2006 Stock Incentive Plan, our Performance Incentive Plan, and such other plans that may from time to time be adopted by our Company during the term of employment to compensate or provide incentives to qualifying senior executives of our Company.

In addition, section 4(e) of the executive employment agreement provides that, among other things, Mr. Morrison is entitled to a bonus under our Company's 2010/2011 Bonus Program equal to 50% of his base salary upon the receipt by our Company of sufficient funds to (i) restructure our existing debt under the secured term-loan credit facility provided by Nedbank, and under the Copper Hedge Agreement with Nedbank Capital, and (ii) construct Leach Pad 5.

Effective August 30, 2011 (the Addendum Effective Date), we and Mr. Morrison entered into an Addendum (the Addendum) to Mr. Morrison's amended and restated executive employment agreement dated January 19, 2011. Pursuant to the terms of the Addendum, the following changes were made to Mr. Morrison's executive employment agreement:

- *Additional Bonus.* Our Company shall pay Mr. Morrison an additional bonus in the amount of \$300,000 at the same time and under the same terms and conditions as provided in that Section 4(e) of the executive employment agreement—that is, upon the receipt by our Company of sufficient funds to (i) restructure our existing debt under the secured term-loan credit facility provided by Nedbank, and under the Copper Hedge Agreement with Nedbank Capital, and (ii) construct Leach Pad 5.
- *Health Insurance and Benefits.* If Mr. Morrison elects not to participate in our Company's health insurance plan, we shall pay to Mr. Morrison, on a monthly basis, an amount equal to the monthly premium payment we would pay to provide health insurance for Mr. Morrison and his family under our Company's health insurance plan. Such amount shall be paid in accordance with our Company's usual payroll.
- *Life Insurance.* We shall pay for and provide to Mr. Morrison a ten-year term life insurance policy with a death benefit in the amount of \$3,000,000.00, insuring the life of Mr. Morrison as the insured thereunder.
- *Disability Insurance.* We shall pay for and provide to Mr. Morrison a disability insurance policy in the highest amount for which Mr. Morrison is able to qualify in accordance with the underwriting requirements of the insurer issuing the disability insurance policy.

In addition, the Addendum provided that our Company shall grant to Mr. Morrison that number of additional non-qualified common stock share purchase options (the Additional Options), having a value of \$100,000 as of the Addendum Effective Date, as determined in accordance with the Black-Scholes method of valuation, with a duration of five (5) years, pursuant to our Company's 2006 Stock Incentive Plan. We have issued a total of 1,194,743 Additional Options, each exercisable at an exercise price of \$0.12 per share. One-third (1/3) of the Additional Options vested as of the Addendum Effective Date, one-third (1/3) of the Additional Options shall vest on August 30, 2012, and the final one-third (1/3) of the Additional Options shall vest on August 30, 2013.

Under the executive employment agreement, if Mr. Morrison's employment is terminated for cause, Mr. Morrison will be entitled to receive only his accrued and unpaid base salary through the termination date, any unpaid bonus in respect of any completed fiscal year which has been declared by our board of directors prior to the termination date, and any unpaid or unreimbursed expenses permitted and incurred under the employment agreement (collectively, the Accrued Obligations).

The executive employment agreement provides that if Mr. Morrison is terminated without cause, he will be entitled to payment of: the Accrued Obligations, if any; continuation of a reduced base salary of \$200,000 per annum for 24 months; and if Mr. Morrison elected continuation of coverage of medical and dental benefits under the United States Consolidated Omnibus Budget Reconciliation Act of 1985, we would have been required to pay 100% of the premiums until the earlier of the expiration of 24 months following the termination date, and the date on which Mr. Morrison commenced employment with another employer and thereby became eligible to receive health insurance benefits at least as favorable as those provided by our Company.

The Addendum amended the terms that would apply if Mr. Morrison was terminated without cause, such that, in lieu of being entitled to receive a reduced base salary of \$200,000 per annum for 24 months, Mr. Morrison will be entitled to receive \$500,000, either as a lump sum payable within 60 days or, if Mr. Morrison so elects, payable over a period not to exceed three years. In addition, if Mr. Morrison elects to receive payment of any amounts that would be due to him upon termination over time, rather than as a lump sum, our Company will be obligated to continue to pay during the time that any such amounts remain outstanding to Mr. Morrison, the premiums for the life and disability insurance policies that we agreed to provide to him under the Addendum.

The executive employment agreement contained certain provisions that would have applied if Mr. Morrison resigned or was terminated without cause following a change of control of our Company, including the following:

- we were required to pay Mr. Morrison his Accrued Obligations, if any;
- we were required to pay Mr. Morrison an amount equal to \$600,000, as well as any bonus earned for any partial period, in a lump sum within 60 days;
- if Mr. Morrison elected continuation of coverage of medical and dental benefits under the United States Consolidated Omnibus Budget Reconciliation Act of 1985, we were required to pay 100% of the premiums for the first 18 months of coverage; and

- we were required to pay the premiums necessary for continuation of any supplemental disability policy or, at the election of our Company, a lump sum amount equal to the aggregate premiums to be paid on such a policy, in either case for a period of 12 months.

The Addendum amended the terms that would apply if Mr. Morrison resigned or was terminated without cause following a change of control of our Company, such that:

- we are required to pay Mr. Morrison his Accrued Obligations, if any;
- Mr. Morrison will be entitled to receive \$600,000, payable at his election in a lump sum within 60 days following the termination of employment, or over a period not to exceed three years, as determined by Mr. Morrison;
- we are required to pay Mr. Morrison any bonus earned for any partial period in a lump sum, within 60 days;
- if Mr. Morrison elected continuation of coverage of medical and dental benefits under the United States Consolidated Omnibus Budget Reconciliation Act of 1985, we were required to pay 100% of the premiums for the first 24 months of coverage; and
- we were required to pay the premiums necessary for continuation of any supplemental disability policy provided by our Company to Mr. Morrison (including the disability insurance policy provided to Mr. Morrison under the Addendum), and the life insurance policy provided to Mr. Morrison under the Addendum, during the period over which Mr. Morrison elects to receive payment of any amount set forth therein on a deferred basis, but not more than three years, or, at the election of our Company, a lump sum amount equal to the aggregate premiums to be paid on such policies for a period of 12 months.

Mr. Morrison's term of employment under the executive employment agreement, as supplemented by the Addendum, will end on January 18, 2014. The executive employment agreement is subject to automatic extension for successive periods of one additional year unless either our Company or Mr. Morrison provides written notice of an intention not to renew the agreement no later than 90 days prior to the end of the then current term of the agreement.

2010-2011 Bonus Plan

In November 2010, we adopted a new bonus plan, or the 2010-2011 Bonus Plan, for the purpose of retaining and providing an incentive to certain key employees involved in recapitalizing the Company, in the construction of the new pads, and the restart of mining operations at the Johnson Camp Mine. Should all of these milestones be achieved in accordance with the 2010-2011 Bonus Plan, a total of \$550,000 would be paid out to the participants.

(9) payments from a financial institution in connection with the deposit of funds or the financial institution acting in an agency capacity, provided such payments were (i) made in the ordinary course of business, (ii) made on substantially the same terms as those prevailing at the time for comparable transactions with the general public, and (iii) not otherwise subject to the disclosure requirements of SEC Regulation S-K, Item 404.

(c) a director who is an immediate family member of an individual who is, or has been in any of the past three years, employed by the company or any parent or subsidiary of the company as an executive officer;

(d) a director who is, or has an immediate family member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the company made, or from which the company received, payments (other than those arising solely from investments in the company's securities or payments under non-discretionary charitable contribution matching programs) that exceed 5% of the organization's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the most recent three fiscal years;

(e) a director of the listed company who is, or has an immediate family member who is, employed as an executive officer of another entity where at any time during the most recent three fiscal years any of the listed company's executive officers serve on that entity's compensation committee;

(i) Each member of the audit committee must be a member of the board of directors of the listed issuer, and must otherwise be independent.

(3) The term executive officer has the meaning set forth in 17 CFR §240.3b -7.

(4) The term indirect acceptance by a member of an audit committee of any consulting, advisory or other compensatory fee includes acceptance of such a fee by a spouse, a minor child or stepchild or a child or stepchild sharing a home with the member or by an entity in which such member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the issuer or any subsidiary of the issuer.

(5) The terms listed and listing refer to securities listed on a national securities exchange or listed in an automated inter-dealer quotation system of a national securities association or to issuers of such securities.
