If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.     

---

**Item 1.01 Entry into a Material Definitive Agreement.**

As previously disclosed, on June 19, 2017, Net 1 UEPS Technologies, Inc. (“Net1”), through one of its subsidiaries, Net1 Applied Technologies South Africa Proprietary Limited (“Net1 SA”), entered into a Subscription Agreement (the “Subscription Agreement”) with Cell C Proprietary Limited (“Cell C”), a leading mobile provider in South Africa. Pursuant to the Subscription Agreement, Net1 SA will subscribe for, subject to the satisfaction of closing conditions, approximately 75,000,000 class “A” shares of Cell C for an aggregate purchase price of ZAR 2.0 billion (\$154.3 million) in cash.

On July 21, 2017, Net1 SA entered into a Common Terms Agreement, Senior Facility A Agreement, Senior Facility B Agreement, Senior Facility C Agreement, Subordination Agreement, Security Cession & Pledge and certain ancillary loan documents (collectively, the “Original Loan Documents”) with FirstRand Bank Limited (acting through its Rand Merchant Bank division), a South African corporate and investment bank, and Nedbank Limited (acting through its Corporate and Investment Banking division), an African corporate and investment bank, and any other lenders that may participate in such loans (collectively, the “Lenders”), pursuant to which, among other things, Net1 SA may borrow up to an aggregate of ZAR 1.25 billion to finance a portion of its investment in Cell C and to fund its on-going working capital requirements. Net1 agreed to guarantee the obligations of Net1 SA to the Lenders and subordinate any claims it may have against Net1 SA and certain of its subsidiaries to the Lenders’ claims against such persons. On July 26, 2017, Net1 SA entered into a letter agreement (the “Letter” and together with the Original Loan Documents, the “Loan Documents”) with the Lenders to amend the Common Terms Agreement to, among other things, permit the amounts borrowed under the Senior Facility B to fund the acquisition of Cell C shares and adjust the terms of certain conditions precedent.

The material terms and conditions of the Loan Documents are more fully discussed in Item 2.03 below. The foregoing descriptions of the Subscription Agreement and the Loan Documents, and the descriptions of the Loan Documents contained in Item 2.03 below, do not purport to be complete and are qualified in their entirety by reference to the full text thereof, copies of which are attached hereto as Exhibits 10.70 through 10.76 and are incorporated herein by reference.

On July 21, 2017, the USD/ZAR exchange rate was \$1.00 / ZAR 12.96.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The Loan Documents provide for a Facility A term loan of up to ZAR 750 million, a Facility B term loan of up to ZAR 500 million, and a Facility C term loan in an amount equal to the aggregate amount of voluntary prepayments of the outstanding principal amount of the Facility A loan.

Interest on the loans is payable monthly based on the Johannesburg Interbank Agreed Rate in effect from time to time plus a margin of 2.25% for the Facility A loan, 3.5% for the Facility B loan and 2.25% for the Facility C loan. The JIBAR rate was 7.08% on July 21, 2017.

Funds are expected to be disbursed from the Lenders to Net1 SA on July 27, 2017. All of the loans mature on the date falling on the second anniversary of the date of disbursement.

---

Principal repayments on the Facility A and Facility B loans are due in eight equal quarterly installments, beginning on September 30, 2017. Principal repayment on the Facility C loan is to be determined by the Lenders based on the date of the repayment of any borrowings under the Facility A loan. Voluntary prepayments are permitted without early repayment fees or penalties.

The loans are secured by a pledge by Net1 SA of, among other things, its entire equity interests in Cell C and DNI-4PL Contracts Proprietary Limited. The Loan Documents contain customary covenants that require Net1 SA to maintain a specified total net leverage ratio and restrict the ability of Net1 SA, and certain of its subsidiaries to make certain distributions with respect to their capital stock, prepay other debt, encumber their assets, incur additional indebtedness, make investment above specified levels, engage in certain business combinations and engage in other corporate activities.
