SECTION 8 - OTHER EVENTS

ITEM 8 - OTHER EVENTS

During the year ended June 30, 2006, Vyta Corp (the Company) loaned to its 50% equity investment BioAgra, LLC (BioAgra) \$1,686,570 through a series of secured, 7.5% promissory notes, which were due over the period from June 30 through October 31, 2006. On June 26, 2006, the Company agreed to combine all of the promissory notes and accrued interest of \$40,257 into a \$1,726,827 secured, 7.5% promissory note with payments to be made monthly starting October 31, 2006, through October 31, 2007. The funds were loaned to facilitate BioAgra's completion of its first production line and to support operations. The promissory note is collateralized by all BioAgra assets. Additionally, the promissory note is to be paid in full prior to any distributions being made to the members of the BioAgra joint venture.

During the year ended June 30, 2007, the Company advanced an additional \$1,182,784 to BioAgra. During the nine months ended March 31, 2008, the Company advanced an additional \$750,074 to BioAgra at 7.5% interest. In October 2007, the Company executed a second, 7.5% promissory note for \$1,182,784 with BioAgra with the same terms as the note above, but the note did not provide for scheduled payments. On March 31, 2008, the Company executed a third, 7.5% promissory note for \$486,939 with BioAgra with the same terms as the note above, but did not provide for scheduled payments. On July 14, 2008, BioAgra executed a fourth 7.5% promissory note for \$195,164, with BioAgra with the same terms as above, but the note did not provide for scheduled payments. The Company has classified these notes receivable as non-current assets on its balance sheet and is not accruing interest on these notes receivable, as they are currently in default and non-performing.

On September 15, 2008, the Company filed collection and foreclosure proceedings against BioAgra in the City and County Court of Denver, Colorado. The collection and foreclosure proceedings are directly related to principal and accrued interest of approximately \$4,001,769 in loans advanced to BioAgra, including the

\$3,963,982 loaned through a series of secured promissory notes, and an additional \$37,787.96 for open advances not represented by a promissory note.

Upon the successful conclusion of the litigation, the Company intends to be the sole holder of the assets of BioAgra and plans to continue the operations of BioAgra, manufacturing and the marketing of the AgraStrim product.
