In connection with his appointment the Company provided Mr. Masih with a letter (the “Masih Letter”) that outlines

Masih’s annual long term incentive target value was increased to \$1,300,000 and in connection therewith the Company
expects to grant Mr. Masih long-term incentive awards with an aggregate fair value of approximately \$382,000 (in
order to reach the new annual long-term incentive target value, prorated based on his start date in his new role). 50%
of this grant value will be granted in the form of a restricted stock unit award, which will vest in three equal
installments on each of the first three anniversaries of the grant date, and the remaining 50% will be granted in the
form of a performance stock option that vests in equal annual installments over a three year period but only if, within
four years from the date of grant, the 20 trading day average of the NASDAQ-reported closing price per share of the
Company’s common stock increases 25% from the date of grant (and in each case subject to continued service). In
addition the Company changed Mr. Masih’s standard separation participant tier under the Company’s Executive
Separation Plan from Tier 2 to Tier 1. This change (1) increases the general cash severance to be paid to Mr. Masih in

The foregoing descriptions of the Masih Letter and the Grinberg Letter are qualified in their entirety by reference to the terms of the Masih Letter and the Grinberg Letter, as applicable, copies of which are filed herewith as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference. Approval of 2017 Incentive Award Plan

The Company held its 2017 Annual Meeting of Stockholders (the "Annual Meeting") on June 15, 2017. At the Annual Meeting, the Company's stockholders approved the Company's 2017 Incentive Award Plan (the "2017 Plan"). The 2017 Plan was approved by the Company's board of directors (the "Board") on April 25, 2017, and became effective on the date the 2017 Plan was adopted by the Company's stockholders on June 15, 2017 (the "Effective Date").

The 2017 Plan provides for the grant of stock options, stock appreciation rights, restricted stock, restricted stock units and other stock- or cash-based awards. Non-employee directors of the Company and employees and consultants of the Company or any of its subsidiaries are eligible to receive awards under the 2017 Plan. The 2017 Plan authorizes the issuance of (i) 5,713,571 shares of common stock plus (ii) the number of shares of common stock that are subject to awards under the Company's 2013 Incentive Compensation Plan (the "Prior Plan", and each such award a "Prior Plan Award") granted prior to the effective date that again become available for issuance under the share recycling provisions in Section 4 of the 2017 Plan. This aggregate number of shares available for issuance under the Plan shall be reduced by (i) one share for each share delivered upon the exercise of an option or stock appreciation right and (ii) 2.12 shares for each share delivered in settlement of any award other than an option or a stock appreciation right.

Subject to certain limitations, shares covered by awards granted under the 2017 Plan that are forfeited, expire or lapse, or are repurchased for or paid in cash, in any case, in a manner that results in the Company acquiring shares covered by the Award or Prior Plan Award at a price not greater than the price (as adjusted to reflect any Equity Restructuring (as such term is defined in the 2017 Plan)) paid by the participant for such shares or not issuing any shares covered by such awards, the unused shares covered by the award or Prior Plan Award will, as applicable, become or again be available for awards under the 2017 Plan. Further, shares delivered to satisfy the applicable exercise or purchase price of an award or Prior Plan Award and/or to satisfy any applicable tax withholding obligation with respect to an award or Prior Plan Award (including shares retained by the Company from the award or Prior Plan Award being exercised or purchased and/or creating the tax obligation) will, as applicable, become or again be available for awards under the 2017 Plan. Shares issued under the 2017 Plan may be: (1) authorized but unissued shares, (2) shares purchased on the open market or (3) treasury shares. In no event will more than 5,616,017 shares of common stock be issuable pursuant to the exercise of incentive stock options under the 2017 Plan during its ten-year term.

The 2017 Plan will be administered by the Board or another Board committee as may be determined by the Board from time to time. The administrator of the 2017 Plan (the "Administrator") or its delegatee will have the authority to determine which service providers receive awards and set the terms and conditions applicable to the award within the confines of the 2017 Plan's terms. The Administrator will have the authority to make all determinations and interpretations under, and adopt rules and guidelines for the administration of, the 2017 Plan. In addition, the Administrator will determine whether specific awards are intended to constitute "qualified performance-based compensation," within the meaning of Section 162(m) of the Internal Revenue Code.

The 2017 Plan includes annual limits on awards that may be granted to any individual participant. For participants other than non-employee directors, the maximum aggregate number of shares of common stock with respect to all awards that are denominated in and/or paid in shares of common stock that may be granted to any one person during any calendar year is 2,000,000. If the award is payable in cash and not denominated in shares of common stock, the maximum aggregate amount of cash that may be paid to any one participant during any calendar year with respect to cash-based awards is \$10,000,000. Notwithstanding the foregoing, in no event will more than the authorized number of shares available for issuance under the 2017 Plan be granted to any one person during any calendar year with respect to one or more awards denominated in shares. For purposes of these individual award limits, each share subject to an

award will be counted as one share against the specified limit. Generally, the sum of any cash compensation and the aggregate grant date fair value of all awards granted to a non-employee director under the 2017 Plan during any fiscal year for services as a member of the Board may not exceed \$600,000.

The 2017 Plan also contains provisions with respect to payment of exercise or purchase prices, vesting and expiration of awards, adjustments and treatment of awards upon certain corporate transactions, including stock splits, recapitalizations and mergers, transferability of awards and tax withholding requirements.

The 2017 Plan may be amended or terminated by the Board at any time, subject to certain limitations requiring stockholder consent or the consent of the participant. In addition, the Administrator may not, without the approval of the Company's stockholders, authorize certain re-pricings of any outstanding option or stock appreciation right granted under the 2017 Plan. The 2017 Plan will expire on June 15, 2027.

The terms and conditions of the 2017 Plan are described in the section entitled "Proposal No. 3 - Approval of 2017 Incentive Award Plan" in the Company's Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on April 27, 2017. The foregoing description of the 2017 Plan does not purport to be complete and is qualified in its entirety by reference to the complete text of the 2017 Plan, which is filed as Exhibit 10.3 hereto and is incorporated herein by reference.
