First Look Media Announces Plans to Exchange Common Shares for Outstanding Warrants On a 1:14 Basis

NEW YORK & LOS ANGELES--(BUSINESS WIRE)--Feb. 14, 2001--First Look Media, Inc. (OTCBB: FRST - news, FRSTW - news; f/k/a Overseas Filmgroup, Inc. - OTCBB:OSFG), a diversified entertainment company, announced today it has filed a Form S-4 Registration Statement with the Securities and Exchange Commission (SEC), under which the Company is offering to exchange up to 321,429 shares of FRST common stock for the 4.5 million outstanding FRSTW warrants issued in conjunction with its initial public offering in February 1995. In the exchange offer, First Look Media will exchange one common share for every 14 of its outstanding warrants tendered and accepted by the Company for exchange.

In lieu of fractional shares holders will receive a cash payment for the equivalent of any shares that the individual would otherwise be entitled to receive. Holders who elect to not participate in the exchange offer will retain the right to purchase one share of First Look common stock for \$5.00, for each warrant held. These warrants expire on February 16, 2002.

The exchange offer will commence upon the Securities and Exchange Commission's declaration of effectiveness of the exchange offer prospectus and the distribution to warrant holders of such prospectus and related exchange offer documents, which is expected in the second quarter of 2001. The exchange offer will be made only by means of, and in accordance with the terms of, the prospectus.

The Company also announced that if the exchange offer is completed, it intends to deregister the warrants pursuant to the Exchange Act and delist FRSTW warrants from trading on the OTC Bulletin Board.

## Edgar Filing: FIRST LOOK MEDIA INC - Form SC TO-I

First Look Media, Inc. (formerly Overseas Filmgroup, Inc.) is a diversified entertainment company specializing in worldwide independent film distribution, theatrical and video releases, commercial production and Internet content creation.

This press release includes forward-looking statements that involve risks and uncertainties. Certain factors may cause actual results to differ materially from those contained in the forward looking statements, including, but not limited to, quarterly and annual fluctuations in results of operations, the unpredictability of audience acceptance of any particular motion pictures, the highly speculative and inherently risky and competitive nature of the motion picture industry, and other risks detailed from time to time in the Company's reports filed with the Securities and Exchange Commission including, but not limited to, its Annual Report on Form 10-K for the year ended December 31, 1999. As the motion picture business and the Company's operations are subject to numerous uncertainties, including, among other things in addition to the foregoing factors, the financing requirements of various film projects, competition from companies within the motion picture industry and in other entertainment media (many of which have significantly greater financial and other resources than the Company), and the release schedule of competing films, no assurance can be given that the Company's acquisition, production, financing and distribution goals and strategies (including as described herein) will be achieved. Actual results may differ materially from management expectations expressed in any forward-looking statements.

Copies of the final prospectus relating to this exchange offering may be obtained from the office of Shochet Securities, 433 Plaza Real, Boca Raton, FL 33432.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state.
