PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed Proxy is solicited on behalf of the Board of Directors of McGrath RentCorp (the "Company") to be voted at the 2001 Annual Meeting of Shareholders to be held on Wednesday, May 30, 2001, at 2:00 p.m., local time,

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's Corporate Headquarters located at 5700 Las Positas Road, Livermore, California 94550.

These proxy materials were mailed on or about April 27, 2001, to all shareholders entitled to vote at the Meeting.

RECORD DATE AND OUTSTANDING SHARES

Shareholders of record at the close of business on April 13, 2001, are entitled to notice of, and to vote at, the Meeting. At the record date, 12,170,046 shares of the Company's Common Stock were issued and outstanding. The Company has no other class of voting securities issued or outstanding.

VOTING

In order to conduct business at the Meeting, a quorum must be established. The presence in person or by proxy of shareholders entitled to vote a majority of the Company's outstanding Common Stock will constitute a quorum for the transaction of business at the Meeting.

Every shareholder voting for the election of directors may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected (six) multiplied by the number of shares held, or may distribute such shareholder's votes on the same principle among as many candidates as the shareholder may select. However, no shareholder shall be entitled to cumulate votes for any candidate unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the Meeting prior to the voting of the intention to cumulate the shareholder's votes. The proxy holders are given discretionary authority, under the terms of the Proxy, to cumulate votes represented by shares for which they are named in the Proxy. In electing directors, the candidates receiving the highest number of affirmative votes, up to the number of directors to be elected (six), shall be elected.

Unless otherwise noted herein, each of the Company's proposals (other than the election of directors) described in this Proxy Statement requires the affirmative vote of the holders of a majority of the shares of the Company's Common Stock represented and voting at the Meeting if a quorum is present. Unless otherwise instructed, each valid returned Proxy not revoked will be voted in the election of directors "FOR" the nominees of the Board of Directors and "FOR" Proposal No. 2 described in this Proxy Statement. If any other matters come before the Meeting of which the Company was not aware by March 13, 2001, the proxy holders will vote on such matters in their discretion. The Company does not anticipate, as of this date, that any matters other than as set forth in this Proxy Statement will come before the Meeting.

4

SOLICITATION; REVOCABILITY OF PROXIES

The cost of this solicitation will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Certain of the Company's directors, officers and regular employees, without additional compensation, may also solicit proxies personally or by telephone or telegram. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Meeting and voting in person.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

In the event additional persons are nominated for election as directors, the proxy holders intend to vote all Proxies received by them in such a manner in accordance with cumulative voting as will assure the election of as many of the nominees listed below as possible, and in such event, the specific nominees to be voted for under the Proxies will be determined by the proxy holders.

1 Upon an award of stock bonus shares under the Company's Long Term Stock Bonus Plan, 20% of such shares are vested in the participant and the remaining 80% vest over the next four years contingent upon the participant remaining in the employ of the Company. See "Long Term Stock Bonus Plan" below. The figures shown in the column designated "Awards" are the values of the vested 20% shares of the Company's Common Stock earned by the executive officers under the Plan, calculated based on the market value of the Common Stock as of the end of the respective years. Dividends are paid to the officer with respect to shares earned by him, whether or not vested. As the unvested shares subsequently vest, their values are shown in the column designated "Payout."

2 The figures shown in the column designated "Payout" are the values of the shares of the Company's Common Stock previously earned by the executive officers under the Company's Long-Term Stock Bonus Plan in a prior year which vested during the year shown. The values are calculated based on the market value of the Common Stock as of the end of the year in which it was originally earned.

3 The figures shown in the column designated "All Other Compensation" represent the executive officer's share of the allocation of the Company's contribution to the Company's Employee Stock Ownership Plan for that year, and his share of any re-allocations of forfeited benefits during that year (see "Employee Stock Ownership Plan" below).

4 Mr. Sanders resigned from the Company in January 2001.

EMPLOYEE STOCK OWNERSHIP PLAN

The Company's Employee Stock Ownership Plan ("ESOP") is intended to qualify as an employee stock ownership plan as defined in Section 4975(e)(7) of the

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

Internal Revenue Code, and as a stock bonus plan under Section 401(a) of the Internal Revenue Code. The Company created a trust under the ESOP to hold plan assets, with Union Bank of California, N.A. acting as trustee. The Company may amend or terminate the ESOP at any time. All assets acquired by the trust are administered by a Plan Committee composed of Nanci Clifton, Edward Diaz, Brian Jensen, Thomas J. Sauer, Delight Saxton and Sandy Waggoner (all Company

-6-

9

employees) for the exclusive benefit of employees who are participants in the ESOP and their designated beneficiaries.

Employees, who are 21 years or older, are entitled to participate in the ESOP when they have completed one year of service to the Company by June 30 of any year. As of December 31, 2000, 193 employees of the Company were participants in the ESOP. Allocations to each eligible participant's trust account are made each year from Company contributions, trust income or loss and re-allocations of forfeited ESOP benefits if the participant remains employed throughout the year and has worked a minimum number of hours or his employment has terminated due to death or retirement (as that term is defined in the ESOP) during that year. Allocations are made based upon each participant's compensation from the Company and time employed by the Company. As provided by law, a participant's interest in the ESOP becomes 20% vested after three years of service and will continue to vest at 20% per year thereafter until it is fully vested after the seventh year or upon death or total disability. The vesting schedule will be accelerated and the Company's contributions and ESOP allocations will be modified if the ESOP becomes a "top heavy plan" under federal tax laws.

In general, Company contributions are immediately tax deductible by the Company, but participants do not recognize income for tax purposes until distributions are made to them. The Company's Board of Directors determines the amount of Company contributions to the ESOP in cash, Company stock or other property each year with consideration for federal tax laws. The Company's Board of Directors has authorized an \$800,000 cash contribution to the ESOP for the 2000 plan year, and the Company had made an aggregate of \$2,900,000 cash contributions for the four years prior to that. Employees may not make contributions to the ESOP. Contributions in cash are used to purchase Company stock; however, other investments may be made and loans may be incurred by the ESOP for the purchase of Company stock.

The Plan Committee has determined that cash dividends paid by the Company on shares of the Company's Common Stock held by the ESOP shall be paid out to the participants. The Plan Committee has the right to revoke this decision at any time.

1987 INCENTIVE STOCK OPTION PLAN

The Company has a 1987 Incentive Stock Option Plan (the "1987 Plan") under which options have been granted to key employees of the Company for the purchase of its Common Stock. Options granted under the 1987 Plan are intended to qualify as incentive stock options as that term is defined in Section 422 of the Internal Revenue Code of 1986, as amended. The 1987 Plan authorized the issuance of an aggregate of 2,000,000 shares of the Company's Common Stock under options. As of April 13, 2001, options for an aggregate of 852,000 shares had been granted to 28 key employees at exercise prices ranging between \$3.06 and \$10.75 per share; and of such options granted, options have been exercised for the purchase of 633,828 shares, options for 60,162 shares have been terminated, and options for 158,010 shares remain outstanding. The 1987 Plan is now terminated by its terms, and no further options will be granted under it; however, the options held by key employees for 158,010 shares still outstanding remain

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

exercisable in accordance with the terms of those options. The following table sets forth certain information with respect to an option held by one of the Company's officers during 2000. With the exception of the information set forth below, none of the Company's executive officers listed in the "Summary Compensation Table" above exercised or held an option during 2000 under the 1987 Plan.

1998 STOCK OPTION PLAN

The Company has a 1998 Stock Option Plan (the "1998 Plan") that authorizes the issuance of an aggregate of 2,000,000 shares of the Company's Common Stock under options to officers, key employees, directors and other persons who provide valuable services to the Company or its subsidiaries. Options granted under the 1998 Plan may be either incentive stock options as defined in Section 422 of the Internal Revenue Code of 1986, as amended, or options which are not incentive stock options ("non-qualified options"). As of April 13, 2001, options for an aggregate of 552,000 shares have been granted to 63 key employees at exercise prices ranging between \$15.625 and \$20.81 per share; and of such options granted, no options have been exercised, options for 60,500 have been terminated, and options for 491,500 shares remain outstanding. In addition to these options to key employees, options for an aggregate 60,000 shares have been granted to outside directors of the Company at exercise prices ranging between \$15.938 and \$21.6875 per share; and of such options granted, no options have been exercised, options for 10,000 shares have been terminated, and options for 50,000 remain outstanding. No options have been granted under the 1998 Plan to any of the Company's executive officers listed in the "Summary Compensation Table" above. 1,458,500 shares remain available in the 1998 Plan for future option grants.

LONG-TERM STOCK BONUS PLANS

The Company's [1990] Long-Term Stock Bonus Plan reserved 400,000 shares of the Company's Common Stock for bonuses to be granted to officers and other key employees to provide incentives for high levels of performance and unusual efforts to improve the financial performance of the Company. This Plan terminated on December 31, 1999. Last year, the Board of Directors and shareholders of the Company adopted the McGrath RentCorp 2000 Long-Term Stock Bonus Plan to replace the prior plan, and under which another 400,000 shares of the Company's Common Stock are reserved for bonuses to be granted to officers and key employees under conditions substantially the same as the prior plan. Stock Bonus Agreements have been entered into with Dennis C. Kakures, the Company's President and Chief Operating Officer, and Thomas J. Sauer, the Company's Vice President and Chief Financial Officer. To date, Messrs. Kakures and Sauer are the only persons who have received Stock Bonus Agreements. Each Agreement provided for a stock bonus to the officer dependent upon the return on equity realized for the Company's shareholders over a three-year period, and starting with Agreements entered into in 1998, also dependent upon the growth in the Company's net income over that three-year period before taking into account any income derived from or expenses attributable to interest, income taxes,

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

depreciation and/or amortization ("EBITDA"). The Agreements also provide that the right to receive any stock bonus earned is subject to vesting over a four-year period contingent upon the officer remaining in the employ of the Company. Messrs. Kakures and Sauer were awarded stock bonuses based upon the Company's performance over the three-year period ended December 31, 2000. The following table sets forth certain information with respect to the stock bonuses awarded. The "Values" in the table are calculated based on the market value of the shares of Common Stock as of December 31, 2000.

Name		As of 12/31/00		Will Vest at December 31,			
		Earned	Vested	2001	2002	2003	2004
Dennis C. Kakures	Shares	2,994	599	599	599	599	598
	Value	\$58,009	\$11,606	\$11,606	\$11,606	\$11,606	\$11,586
Thomas J. Sauer	Shares	1,954	391	391	391	391	390
	Value	\$37,859	\$7,576	\$7,576	\$7,576	\$7,576	\$7,556

The Company has entered into further Stock Bonus Agreements with both Mr. Kakures and Mr. Sauer, under which a maximum aggregate of 45,459 shares in additional stock bonuses could be awarded if the Company's performance goals over the successive three-year periods ending December 31, 2001 and 2002 are met. 373,879 shares remain available in the 2000 Plan for future bonus grants.

REPORT BY THE EXECUTIVE COMPENSATION COMMITTEE

The Company has a four-member Executive Compensation Committee, consisting of its three outside directors, William J. Dawson, Robert C. Hood and Ronald H. Zech, as well as its Chairman of the Board and Chief Executive Officer, Robert P. McGrath. The Committee establishes the general compensation policies of the Company for its executive officers and sets the actual compensation plans and specific compensation levels for the individual officers.

COMPENSATION PHILOSOPHY - The Company's executive compensation philosophy is to pay for performance. The Executive Compensation Committee believes executive compensation should reflect the executive's, as well as the Company's, current and long-term performance, and any management compensation program should be structured to attract, motivate and retain qualified personnel by providing attractive compensation incentives consistent with Company performance. The executive compensation program is intended to provide an overall level of compensation opportunity that the Committee believes, based upon its own judgment and experience and upon periodic studies by independent executive compensation consultants, is competitive with other, comparable companies. The Committee also believes management should have significant equity participation through the ownership of Common Stock of the Company so as to align the interests of executives with those of the Company's other shareholders in an effort to achieve long-term shareholder returns.

COMPONENTS OF EXECUTIVE COMPENSATION - In addition to the return executives receive along with other shareholders through their individual ownership of shares of the Company's Common Stock, there are currently three components of

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

executive compensation: base salary, annual cash incentive bonus, and long-term stock ownership incentives.

Base Salaries - The Executive Compensation Committee establishes the base salaries of each of the Company's executive officers after considering a variety of factors including the executive's level of responsibility and individual performance, the executive's contributions to the success of the Company, internal equities among the salaries of other officers and key personnel of the Company, the salaries of executive officers in similar positions in comparable companies, and the Company's financial performance.

Annual Cash Incentive Bonuses - The Executive Compensation Committee has divided the executive officers into four groups for purposes of providing cash incentive bonuses: the Chief Executive Officer, the next two highest compensated officers, the next two highest compensated officers thereafter, and the remainder of the Company's executive officers.

The Executive Compensation Committee adopted a formula in early 2000 for calculating a cash incentive bonus for the Company's Chief Executive Officer for 2000 based solely upon the Company achieving certain levels of pre-tax profit for the year, with him being eligible to receive a bonus ranging from zero up to a maximum of 70% of his base salary. See "Chief Executive Officer's Compensation" below.

At the same time, the Executive Compensation Committee adopted a formula for calculating cash incentive bonuses for the next two highest compensated executive officers of the Company (Mr. Kakures and Mr. Sauer) based upon a combination of the level of the Company's pre-tax profit for the year (75%) and the extent to which each executive officer achieves his or her own individual performance goals as determined by the Chief Executive Officer (25%). Mr. Kakures was eligible to receive a bonus ranging from zero up to a maximum of 70% of his base salary, while Mr. Sauer was eligible to receive a bonus ranging from zero up to a maximum of 56% of his base salary. The aggregate cash incentive bonuses earned by these two executive officers under this program for 2000 was 63% of their aggregate base salaries.

The Executive Compensation Committee had also directed the Chief Executive Officer and the President and Chief Operating Officer of the Company to determine jointly at the end of 2000 the amount of incentive bonuses which should be paid for that year to the next two highest compensated executive officers of the Company (Mr. Alexander and Mr. Sanders) based upon the extent to which each achieved his own individual performance goals. These two officers were eligible to receive bonuses ranging from zero to a

maximum of 36% of their base salaries. The aggregate cash incentive bonuses awarded to these two executive officers for 2000 was 36% of their aggregate base salaries.

Long-Term Stock Ownership Incentives - The Company has two long-term stock ownership incentive programs for its executives and other key personnel: the Long-Term Stock Bonus Plan and the 1998 Stock Option Plan.

The Executive Compensation Committee may make recommendations to the Company's Board of Directors with respect to the granting of stock bonuses under the Company's 2000 Long-Term Stock Bonus Plan to executive officers. The Plan has been used to reward the achievement of pre-set, long-term financial goals; and the bonuses of stock have been awarded for achieving pre-set goals with respect to the return on equity realized by the Company over successive three-year periods. See "Long-Term Stock Bonus Plans" above.

Edgar Filing: MCGRATH RENTCORP - Form DEF 14A

The Executive Compensation Committee may make recommendations to the Board of Directors with respect to the granting of stock options under the 1998 Stock Option Plan to executive officers. The Board has granted stock options from time to time to executive officers and other key personnel of the Company under the 1998 Plan and earlier option plans because the Board believed such grants would be an effective part of the particular executive officer's overall compensation package and that an increase in his or her equity participation in the Company would be appropriate.

CHIEF EXECUTIVE OFFICER'S COMPENSATION - Throughout 2000, Robert P. McGrath was the Chief Executive Officer of the Company, as well as the Chairman of its Board of Directors. Mr. McGrath was the founder of the Company, and he still owns a significant percentage of its Common Stock (see "Security Ownership of Management and Principal Shareholders" below).

Base Salary - After a review in early 2000 of Mr. McGrath's level of responsibility, performance and contributions to the Company's success, the Executive Compensation Committee raised Mr. McGrath's base salary to \$424,000.

Annual Cash Incentive Bonus - Mr. McGrath earned a cash incentive bonus of \$295,663 for 2000 (70% of his base salary). This bonus was calculated as a function of the extent to which the Company achieved its goal for pre-tax profits in 2000 in accordance with the formula, which had been established by the Executive Compensation Committee early in that year.

Long-Term Stock Ownership Incentives - Mr. McGrath did not participate in any of the various long-term stock ownership incentive plans offered by the Company to its officers and employees (except that, as an employee, he has participated in the Company's Employee Stock Ownership Plan ("ESOP") on the same basis as other employees).

REPORT BY THE AUDIT COMMITTEE

The Company has a three-member Audit Committee, consisting of its three outside directors, William J. Dawson, Robert C. Hood and Ronald H. Zech.

The Company's management is responsible for the Company's internal controls, financial reporting, compliance with laws and regulations and ethical business standards. The Company's independent auditors, Arthur Andersen LLP, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes as well as the independence and performance of the Company's independent auditors. (A copy of the Audit Committee Charter is attached hereto as Appendix A.)

In this context, the Audit Committee has met and held discussions with management and the independent auditors, and has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2000 with management and the independent auditors. compatibility of the non-audit services provided by the independent auditors with maintaining auditor independence and has discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's reviews and discussions referred to above, the Committee recommended the Board of Directors include the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2000 filed with the Securities and Exchange Commission.
