ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On September 8, 2011, Alliance Data Systems Corporation issued a press release announcing that Ivan Szeftel, president of Alliance Data's private label services business, has decided to retire effective March 1, 2012 and that Melisa Miller has been named as his successor. A copy of this press release is attached hereto as Exhibit 99.1.

Effective September 8, 2011, the board of directors appointed Melisa Miller as Executive Vice President and President, Retail Credit Services and designated Ms. Miller a Section 16 officer of the Company.

On September 2, 2011, the Company entered into a Retirement Agreement with Mr. Szeftel (the "Retirement Agreement"), pursuant to which Mr. Szeftel agreed to continue to both serve in an advisory role and as chief executive officer of World Financial Network Bank ("WFNB") and as Chairman of the WFNB board of directors through March 1, 2012 (the "Retirement Date").

Pursuant to the Retirement Agreement, as compensation through the Retirement Date, Mr. Szeftel will continue as an ongoing full-time employee at his current level of compensation, including remaining eligible to receive all short- and long-term incentive compensation payments per the terms and performance metrics established by the Compensation Committee of the board of directors of Alliance Data Systems Corporation. From September 8, 2011 through the Retirement Date, Mr. Szeftel will receive all perquisites he received during 2011 and will continue to be eligible to participate in all benefit plans in which he could participate during 2011.

The Retirement Agreement imposes certain restrictive covenants on Mr. Szeftel, pursuant to which Mr. Szeftel agrees to keep certain information confidential and agrees to non-competition and non-solicitation restrictions through February 28, 2014 or such later date that is two years after Mr. Szeftel ceases to be a director of WFNB. In exchange for agreeing to comply with these restrictive covenants and for the release and waiver of claims contained in the Retirement Agreement, Mr. Szeftel will be eligible to receive an aggregate of seventy-eight (78) weeks of his current base salary and an additional incentive compensation payment equal to one and one half times his current target percentage of base salary, payable in 39 bi-weekly payroll cycles commencing on the first payroll date following the Retirement Date.

In addition, any performance-based restricted stock units and time-based restricted stock units scheduled to vest between March 1, 2012 and February 28, 2013 shall continue to vest through February 28, 2013. Any time-based restricted stock units that are unvested as of February 28, 2013 shall be forfeited. Any restricted stock units for which performance restrictions have not been met as of February 28, 2013 shall be forfeited. Any stock options that are or shall become vested on or prior to the Retirement Date shall be exercisable until February 28, 2013, subject to earlier expiration according to any such option's original terms. Any options that are unvested as of the Retirement Date shall be forfeited.

Mr. Szeftel's (1) employment offer letter with the Company, effective May 4, 1998, (2) Change In Control Severance Protection Agreement, effective September 25, 2003 as amended, and (3) all previously existing non-compete, non-solicitation and confidentiality obligations are superseded by the Retirement Agreement.

The foregoing summary of the Retirement Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 10.1 hereto and incorporated by reference herein.
