SECTION 5 – CORPORATE GOVERNANCE AND MANAGEMENT

Item 5.02 – Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective August 30, 2011, our board of directors elected Richard D. Weber and Delos “Cy” Jamison to our board of directors to fill two vacancies on our board of directors created by the resignations of Ryan R. Gilbertson and Carter Stewart. Mr. Gilbertson and Mr. Stewart resigned their positions on our board of directors on August 29, 2011 to allow our company to add two new independent directors to enhance our board’s depth and provide a broader range of experience, independence and governance to our board. Their resignations did not relate to any disagreement with the company or any matter relating to the company’s operations policies or practices. Mr. Gilbertson will continue to serve as Northern Oil’s President with no change in his executive duties. Mr. Jamison and Mr. Weber are expected to serve on one or more committees of our board of directors in the near future.

There are no arrangements or understandings between the Company’s new director and any other persons, naming such persons, pursuant to which such individuals were selected as a director. Also effective August 30, 2011, Mr. Jamison and Mr. Weber were each issued 5,000 shares of the Company’s fully-vested common stock under the Company’s 2009 Equity Incentive Plan, as amended (the “Plan”). The shares were granted in connection with their appointment to the Company’s board of directors. Each of Mr. Jamison and Mr. Weber will be eligible to receive additional periodic stock grants under the Plan along with the Company’s other non-employee directors. A copy of the press release announcing the events discussed in this Item 5.02 is attached as Exhibit 99.1 to this Current Report.
