-

**Item 8.01 Other Events.**

On May 13, 2005, Fossil, Inc. (the Company) issued a press release announcing that its Board of Directors has approved a new stock repurchase program. This new program authorizes the Company to repurchase up to 1,000,000 shares of its common stock through open market or privately negotiated transactions. The timing and the amount of any repurchases will be determined by the Company's management based on its evaluation of market conditions and other factors.

In addition to the new repurchase plan, the Company has an existing repurchase plan, established in September 2004 pursuant to Rules 10b5-1 and 10b-18 of the Securities Exchange Act of 1934, as amended (the 10b5-1 Plan), which provides for pre-determined repurchases of the Company's common stock, subject to certain conditions and other contingencies established under the 10b5-1 Plan. At May 12, 2005, there remained approximately 160,000 shares available for repurchase under the 10b5-1 Plan, which expires on September 28, 2005.

A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
