Item 1.01. Entry into a Material Definitive Agreement

During its meeting on June 2, 2005, the Compensation Committee of our Board of Directors approved changes to the base annual salary of certain executive officers after due consideration of the performance of these executive officers. As a result of his promotion to chief executive officer effective June 2, 2005, Mr. White's annual base salary was increased from \$550,000 to \$650,000, and his target incentive cash compensation was increased from \$1.1 million to \$1.3 million, which were the same levels of base salary and cash incentive compensation in effect for the Company's former chief executive officer immediately prior to Mr. White's promotion to the position. In setting the annual salary and target cash incentive compensation of Mr. White, the Compensation Committee considered the results of a compensation survey conducted by an independent consultant. Second, the base annual salary of Robert Blain, president of the Asia-Pacific region for the Company was increased from \$366,000 to \$400,000 and his target cash incentive compensation was increased from \$350,000 to \$375,000. This change amends Mr. Blain's written employment agreement with the Company, dated January 23, 2001. In addition to the foregoing changes, the Compensation Committee ratified the target cash incentive compensation for our other executive officers at the same target levels as in effect for 2004. Cash incentive compensation of these officers is not guaranteed and is based upon Company financial performance and/or operational objectives and formulas under the Company's Executive Bonus Plan, a copy of which is attached to this report.
