**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On October 5, 2005, Aon Corporation (the Company) filed a Current Report on Form 8-K (the October Form 8-K) pursuant to Item 2.05 regarding certain restructuring activities commenced with respect to the Company's United Kingdom operations and additional restructuring actions to be taken in the fourth quarter of 2005 and in 2006. The information contained in the October Form 8-K is incorporated herein by reference.

At the time the Company filed the October Form 8-K, it was unable in good faith to make a determination of an estimate or range of estimates required by paragraphs (b), (c) and (d) of Item 2.05 of Form 8-K with respect to the additional restructuring actions to be taken in the fourth quarter of 2005 and in 2006. The Company has now determined that the cumulative pretax charge for the restructuring plan, including the United Kingdom restructuring activities disclosed in the October Form 8-K, will be targeted at approximately \$250 million. This amount includes \$110 million for employee termination costs, \$94 million for lease consolidation costs, \$24 million for asset impairments and \$22 million for other costs associated with the restructuring. The restructuring plan anticipates the elimination of approximately 1,400 positions beginning in the third quarter of 2005 and continuing into 2007, including the 750 United Kingdom positions announced in the October Form 8-K.

Of the total \$250 million estimated restructuring charge, approximately \$132 million is estimated to be paid in cash payments for severance and other restructuring related expenses. An additional \$94 million (discounted value) is estimated to be paid relating to lease consolidations.

All of the components of the restructuring plan are not finalized and actual total costs and the timing of the costs may vary from the estimated total of \$250 million due to changes in the scope or assumptions underlying the plan.
