Forward Looking Statements

Some of the statements in this presentation may be forward looking statements and HCP intends such forward looking statements to be covered by the safe harbor provisions contained in the Private Securities Litigation Reform Act of 1995. Investors are cautioned that, while forward looking statements reflect HCP's good faith belief and best judgment based upon current information, they are not guarantees of future performance and are subject to known and unknown risks and uncertainties as more fully described in news releases and SEC reports filed by HCP. Actual results may differ materially from the expectations contained in the forward looking statements as a result of various factors.

Market Data

This presentation includes market and industry data that HCP has obtained from market research, publicly available information and industry publications. These sources generally state that the information that they provide has been obtained from sources believed to be reliable, but that the accuracy and completeness of such information is not guaranteed. The market and industry data is often based on industry surveys and preparers' experience in the industry. Similarly, although HCP believes that the surveys and market research that others have performed are reliable, HCP has not independently verified this information.
