PRESS RELEASE

BUHRMANN TO ACQUIRE FACILITIES DISTRIBUTION COMPANY IN USA

Amsterdam, the Netherlands, 23 May 2006 Buhrmann, through its North American subsidiary Corporate Express, has signed an agreement to acquire Coastwide Laboratories Inc., a business-to-business distributor of facility and break room supplies in the USA. The transaction marks the expansion of Corporate Express in the facility supply market supporting the fast organic growth in this category.

A well respected company with almost 70 years experience in the industry, Coastwide Laboratories specializes in supplying cleaning products. This includes Sustainable Earth®, which is a complete line of environmentally sound cleaning products and a leading brand in the green product space. The company employs more than 150 people throughout 11 locations in the North-West of the USA, and had 2005 annual sales of around USD 45 million.

Acquiring Coastwide Laboratories supports our strategy of selling an increasingly wide selection of products to our customer base and reinforces the strong competitive position, commented Mark Hoffman, President of Buhrmann's Office Products North America Division. Facility supplies is a key category in our broad product offering, which we believe offers significant potential.

This transaction comes several months after the Company strengthened its position with a similar acquisition in the North-East of the USA. The latest deal will further advance the plans for increased growth in the facilities market, an enhanced product range and further development of the facility supply sales organisation.
