Item 1.01. Entry into a Material Definitive Agreement

On June 20, 2007, Key Energy Services, Inc. (the Company) settled its litigation with its former chief executive officer, Francis D. John. As previously disclosed, on May 19, 2006, Mr. John filed a lawsuit against the Company in the U.S. District Court for the Southern District of Texas, Houston Division in response to the Company's notice to him of its intention to treat his termination of employment effective May 1, 2004 as for cause under his employment agreement with the Company. In connection with the Company's for cause termination, the Company cancelled 3,910,000 stock options which had a weighted-average exercise price of \$8.82 and would not have been required to pay Mr. John any severance benefits. In addition, the Company had sought to recover the unamortized balance of Mr. John's prepaid retention bonus.

Under the terms of the settlement agreement (the Settlement Agreement) between the Company and Mr. John, the Company will pay Mr. John \$23 million in cash on or prior to July 5, 2007. This payment is in complete settlement of all amounts sought by Mr. John, including claims for payment for Mr. John's severance and other benefits related to his employment agreement, the value of the cancelled stock options, expense reimbursement, exemplary damages and attorney's fees. Mr. John will be responsible for any and all income taxes in connection with the Settlement Agreement. He will retain the unamortized balance of his prepaid retention bonus. The Settlement Agreement precludes Mr. John from competing with the Company for a period of two years. The Settlement Agreement contains mutual, general releases of any and all claims by and among the parties thereto, and a requirement that the Company and Mr. John submit a joint proposed order to the court dismissing, with prejudice, all claims asserted in Mr. John's lawsuit against the Company and the Company's counterclaims against Mr. John.

The description of the Settlement Agreement contained herein does not purport to be complete and is qualified in its entirety by reference to the Settlement Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure

On June 20, 2007, the Company issued a press release announcing selected financial data and that the Company has been informed by the staff of the Enforcement Division of the Securities and Exchange Commission that its investigation as to the Company has been completed and that it does not intend to recommend any enforcement action against the Company by the Commission. A copy of the press release is filed as Exhibit 99.1 to this Current Report in Form 8-K and is incorporated herein by reference
