Item 8.01. Other Events.

As previously disclosed by Telephone and Data Systems, Inc. ( TDS ), TDS 's subsidiary, United States Cellular Corporation ( U.S. Cellular ), participated in the FCC auction of spectrum in the 700 megahertz band, known as Auction 73, indirectly through its interest in King Street Wireless, L.P. ( King Street Wireless ). A subsidiary of U.S. Cellular is a limited partner in King Street Wireless. King Street Wireless intends to qualify as a designated entity and be eligible for bid credits with respect to spectrum purchased in Auction 73.

The FCC released the results of Auction 73 on March 20, 2008. King Street Wireless was the provisional winning bidder for 152 licenses for an aggregate bid of \$300,478,500, net of its anticipated designated entity discount of 25%. In January 2008, U.S. Cellular made capital contributions and advances to King Street Wireless and/or its general partner of \$97 million. King Street Wireless used the funding to pay the FCC an initial deposit of \$97 million in January 2008 to allow it to participate in Auction 73. King Street Wireless bid amount, less the initial deposit, is required to be paid to the FCC by April 17, 2008. U.S. Cellular may agree to make additional capital contributions and/or advances to King Street Wireless and/or its general partner to provide additional funding for the payment and development of such licenses. U.S. Cellular may finance such amounts from cash on hand, borrowings under its revolving credit agreement and/or long-term debt. There is no assurance that U.S. Cellular will be able to obtain additional financing on commercially reasonable terms or at all. While the bidding in Auction 73 has ended, the FCC has not yet awarded any of the licenses to winning bidders nor is there any prescribed timeframe for the FCC to review the qualifications of the various winning bidders and award licenses. The licenses expected to be awarded to King Street Wireless cover areas that overlap or are proximate or contiguous to areas covered by licenses that U.S. Cellular currently owns, operates and/or consolidates.
