(e) On June 3, 2008, our Board of Directors, on the recommendation of the Compensation Committee, approved an executive cash incentive plan for the fiscal year ending January 31, 2009. Under the plan, which is structured to encourage the building of shareholder value by maximizing our pretax income, certain executives, including our named executive officers (as that term is defined in Item 402(a)(3) of Regulation S-K), are eligible to receive an incentive payment if consolidated income before taxes, adjusted for significant non-recurring income and expense items, executive incentive and stock-based compensation expenses and expenses related to our European restructuring initiatives ( AIBT ) exceeds \$55 million. The amount of the incentive payment will be equal to a prorata percentage of the executive s salary between \$55 million and \$73.5 million of AIBT, which prorata percentage will increase if AIBT exceeds \$73.5 million. The maximum incentive payment any executive will be entitled to receive will be achieved if AIBT equals or exceeds \$88 million.
