(e) On June 18, 2008 Theravance, Inc. (the "Company") and Dr. Michael Kitt, the Company's Senior Vice President, Development, entered into a consulting agreement. Dr. Kitt will be departing from his employed position at the Company on June 21, 2008. For the period from June 22, 2008 through March 31, 2009, Dr. Kitt has agreed to provide consulting services for up to four days per week for the primary purpose of assisting the Company with the preparation of the telavancin New Drug Application ("NDA") for the hospital-acquired pneumonia ("HAP") indication. Services also will include consulting and advisory assistance with the Company's other development-stage programs. As full consideration for these services, Dr. Kitt will receive a monthly consulting fee of \$25,480 and his currently outstanding stock options and restricted stock unit awards will continue to vest. Once the HAP NDA is submitted to the FDA, Dr. Kitt's consulting services will be reduced to five hours per week. During this period of reduced service, the Company will no longer pay Dr. Kitt the cash consulting fee, but his then outstanding stock options and restricted stock unit awards will continue to vest until the expiration or termination of the consulting agreement. The foregoing description of the consulting agreement does not purport to be complete, and is qualified in its entirety by reference to the consulting agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
