OCTOBER 22, 2009 SPECIAL MEETING

YOUR VOTE IS IMPORTANT

August , 2009

Dear Fellow Shareholder:

We are pleased to invite you to a special meeting of the shareholders of Central Pacific Financial Corp. The meeting will be held at 10:00 a.m., Hawaii time, on October 22, 2009 in Room 1110 of the Central Pacific Plaza Building, 220 South King Street, Honolulu, Hawaii 96813.

As you may know, we previously announced our intention to call a special meeting of shareholders to increase the authorized shares of our common stock. We are seeking your approval to do so with the accompanying proxy statement and proxy cards. Because this approval requires the affirmative vote of two-thirds of the outstanding shares entitled to vote thereon, your vote is very important.

We are also taking the opportunity to submit for your approval a reduction of the two-thirds supermajority vote applicable to us under Hawaii law as a corporation incorporated before July 1, 1987, to a more customary majority of the outstanding shares entitled to vote, for amendments to our Restated Articles of Incorporation. Approval of this reduction will not impact the two-thirds vote required for the increase in the authorized shares of our common stock.

The Board of Directors recommends that you vote FOR the proposal to amend our Restated Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 shares to 185,000,000 shares, FOR the proposal to amend our Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable to us under Hawaii law as a corporation incorporated before July 1, 1987, to a simple majority vote, for amendments to our Restated Articles of Incorporation and FOR the proposal to adjourn the special meeting if we, in our discretion, elect to do so.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

We believe it is appropriate and important to have increased shares of authorized common stock because of both the time required to hold a special meeting of shareholders and the high vote required to amend our Restated Articles of Incorporation to increase the authorized common stock. Having increased authorized shares of common stock will provide us with additional flexibility in our capital raising efforts, taking into account the desired amount of additional capital, the current price of our common stock and recent fluctuations in our stock price. We also believe it is in the best interest of our company to reduce the two-thirds supermajority vote requirement for amendments to our Restated Articles of Incorporation. Doing so will enhance our corporate governance and provide for a more customary simple majority vote requirement as is applicable under Hawaii law to corporations incorporated on or after July 1, 1987.

The accompanying notice of special meeting of shareholders and proxy statement describe in more detail the matters to be acted upon at the special meeting. Please give these materials your prompt attention. Then, we ask that you sign, date and mail promptly the enclosed proxy card in the enclosed postage-paid envelope, or use telephone or Internet voting, to ensure that your shares are represented and voted at the meeting. Shareholders who attend the meeting may withdraw their proxy and vote in person if they wish to do so. Your vote is important, so please act at your earliest convenience.

We appreciate your continued interest in Central Pacific Financial Corp.

Sincerely,

Ronald K. Migita

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD OCTOBER 22, 2009

TO THE SHAREHOLDERS OF CENTRAL PACIFIC FINANCIAL CORP.:

NOTICE IS HEREBY GIVEN that a special meeting of shareholders of Central Pacific Financial Corp. will be held at 10:00 a.m., Hawaii time, on October 22, 2009 in Room 1110 of the Central Pacific Plaza Building, 220 South King Street, Honolulu, Hawaii 96813, for the following purposes:

- (1) To approve a proposal to amend our Restated Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 185,000,000 shares (the **Common Stock Proposal**).
- (2) To approve a proposal to amend our Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable to us under Hawaii law as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to our Restated Articles of Incorporation (the **Supermajority Vote Reduction Proposal**).
- (3) To approve a proposal to adjourn the special meeting if the Company, in its discretion, elects to do so (the **Adjournment Proposal**).

Only shareholders of record of our common stock outstanding at the close of business on August 20, 2009 are entitled to notice of and to vote at the meeting.

APPROVAL OF THE COMMON STOCK PROPOSAL AND THE SUPERMAJORITY VOTE REDUCTION PROPOSAL EACH REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF TWO-THIRDS OF THE SHARES OF OUR COMMON STOCK OUTSTANDING ON THE RECORD DATE. APPROVAL OF THE SUPERMAJORITY VOTE REDUCTION PROPOSAL WILL NOT REDUCE THE VOTE REQUIRED TO APPROVE THE COMMON STOCK PROPOSAL AT THE MEETING, SO YOUR

VOTE ON BOTH PROPOSALS IS VERY IMPORTANT.

SHAREHOLDERS ARE URGED TO SIGN AND RETURN THE ENCLOSED PROXY IN THE POSTAGE-PREPAID ENVELOPE AS PROMPTLY AS POSSIBLE, WHETHER OR NOT THEY PLAN TO ATTEND THE MEETING IN PERSON. YOU MAY ALSO DELIVER YOUR VOTE BY TELEPHONE OR INTERNET BY FOLLOWING THE INSTRUCTIONS ON YOUR PROXY CARD OR VOTING INSTRUCTION FORM. SHAREHOLDERS WHO ATTEND THE MEETING MAY WITHDRAW THEIR PROXY AND VOTE IN PERSON IF THEY WISH TO DO SO.

By Order of the Board of Directors

QUESTIONS AND ANSWERS ABOUT THIS PROXY STATEMENT

Q: What are the matters I will be voting on?

Q: What are the matters I will be voting on?

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

The matters to be considered and voted upon at the meeting will be:

- **Common Stock Proposal.** To amend the Company's Restated Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 185,000,000 shares (the **Common Stock Proposal**).
- **Supermajority Vote Reduction Proposal.** To amend the Company's Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable to the Company under Hawaii law as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to our Restated Articles of Incorporation (the **Supermajority Vote Reduction Proposal**).
- **Adjournment Proposal.** To adjourn the meeting if the Company, in its discretion, elects to do so (the **Adjournment Proposal**).

Q: Why does the Company need to hold the vote on the Common Stock Proposal?

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

The proposed increase in our authorized common stock is to provide the Company with additional flexibility to raise capital from time to time. The Company believes that issuing equity would be a prudent measure due to the ongoing economic downturn and the resultant deterioration in the Hawaii and California commercial real estate markets in which the Company does business. Such conditions have been adversely impacting the Company's credit portfolio and financial condition. On July 14, 2009, the Company commenced a public offering of common stock to raise \$100 million. On July 29, 2009, the Company announced that it had postponed the offering given the number of its authorized but unissued shares of common stock combined with the then current price level of its common stock and that it planned to increase the number of its authorized shares of common stock, subject to shareholder approval.

We believe it is appropriate and important to have increased shares of authorized common stock because of both the time required to hold a special meeting of shareholders and the high vote required to amend our Restated Articles of Incorporation to increase the authorized common stock. Having increased authorized shares of common stock will provide us with additional flexibility in our capital raising efforts, taking into account the desired amount of additional capital, the current price of our common stock and recent fluctuations in our stock price.

Our Restated Articles of Incorporation currently provide for 100,000,000 shares of authorized common stock, of which shares were issued and outstanding at the close of business on August 20, 2009, the record date. Also, on the record date, there were 1,585,748 shares of common stock issuable upon exercise of a warrant issued to the United States Department of Treasury, shares of common stock subject to stock awards outstanding as of the record date, shares of common stock reserved for future issuance under our 2004 Stock Compensation Plan and shares issuable under the Central Pacific Financial Corp. Direct Purchase and Dividend Reinvestment Plan, leaving shares unissued and unreserved.

Further, due to the importance of the Common Stock Proposal and the high vote required for approval, we are also seeking authority from shareholders through the Adjournment Proposal to adjourn the meeting if the Company, in its discretion, elects to do so to provide time for management to solicit additional proxies in the event there are insufficient votes to approve the Common Stock Proposal.

Q: Why does the Company need to hold the vote on the Supermajority Vote Reduction Proposal?

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

The Board believes it is in the best interest of the Company to reduce the two-thirds supermajority vote applicable to the Company under Hawaii law as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to our Restated Articles of Incorporation. The proposed reduction in the required vote to amend our Restated Articles of Incorporation will enhance the Company's

-2-

corporate governance and provide for a more customary simple majority vote requirement as is applicable under Hawaii law to corporations incorporated on or after July 1, 1987.

Approval of the Supermajority Vote Reduction Proposal will not reduce the vote required (see below) to approve the Common Stock Proposal at the meeting, so your vote on both proposals is very important.

Q: Who is entitled to vote?

The Board fixed the close of business on August 20, 2009 as the record date for the determination of the shareholders of the Company entitled to notice of and to vote at the meeting. Only holders of record of shares of the Company's common stock at the close of business on the record date will be entitled to vote at the meeting and at any adjournment of the meeting. There were _____ shares of the Company's common stock issued and outstanding on the record date, held by approximately _____ holders of record.

Q: How many votes do I have?

Each holder of our common stock will be entitled to one vote, in person or by proxy, for each share of common stock standing in the holder's name on the books of the Company as of the record date on any matter submitted to the vote of the shareholders.

Q: What votes need to be present to hold the meeting?

The required quorum for the transaction of business at the meeting is a majority of the total outstanding shares of common stock entitled to vote at the meeting, either present in person or represented by proxy. Abstentions and broker non-votes (see below) will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum.

Q: What is the required vote to approve the proposals?

| Proposal | Required Vote | Effect of Abstentions and Broker Non-Votes |
|------------------------------------|--|--|
| Proposal 1 - Common Stock Proposal | Affirmative vote of two-thirds of the shares of our common stock outstanding on the record date. | <ul style="list-style-type: none"> <li data-bbox="903 1715 916 1734">• Abstentions will have the effect of a vote AGAINST approval. <li data-bbox="903 1801 916 1820">• Broker non-votes will have the effect of a vote AGAINST approval unless the broker exercises discretionary authority to vote FOR approval. |

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

| | | | |
|--|--|---|---|
| Proposal 2 Supermajority Vote Reduction Proposal | Affirmative vote of two-thirds of the shares of our common stock outstanding on the record date. | <ul style="list-style-type: none">•• | <p>Abstentions will have the effect of a vote AGAINST approval.</p> <p>Broker non-votes will have the effect of a vote AGAINST approval unless the broker exercises discretionary authority to vote FOR approval.</p> |
| Proposal 3 Adjournment Proposal | Affirmative vote of a majority of the shares of our common stock present in person or by proxy and entitled to vote. | <ul style="list-style-type: none">•• | <p>Abstentions will have the effect of a vote AGAINST approval.</p> <p>Broker non-votes will have the effect of a vote AGAINST approval unless the broker exercises discretionary authority to vote FOR approval.</p> |

Because approval of the Common Stock Proposal and the Supermajority Vote Reduction Proposal require the affirmative vote of two-thirds of the shares of our common stock outstanding on the record date, failing to vote, as well as abstentions, will have the effect of a vote AGAINST approval of such proposals. Furthermore, approval of the Supermajority Vote Reduction Proposal will not reduce the vote required to approve the Common Stock Proposal at the meeting, Therefore, we urge you to return your proxy card, or vote by telephone or the Internet, to ensure that your vote will be counted.

The shares represented by properly executed proxies (including those properly voted by Internet or telephone) will be voted in accordance with the instructions provided therein and, where no instructions are given, will be voted FOR the Common Stock Proposal, the Supermajority Vote Reduction Proposal and the Adjournment Proposal. However, no proxy that is specifically marked AGAINST the Common Stock Proposal will be voted in favor of the Adjournment Proposal unless the proxy is specifically marked FOR the Adjournment Proposal.

Broker non-votes result when shareholders hold their shares in street name and do not provide voting instructions to their broker or other nominee. Those shares will not be voted on any proposal on which the broker or other nominee does not have discretionary authority to vote under applicable rules. We expect that brokers and other nominees will be allowed under the rules of the New York Stock Exchange to exercise discretionary authority with respect to the Common Stock Proposal, the Supermajority Vote Reduction Proposal and the Adjournment Proposal for beneficial owners who have not provided voting instructions.

Q: Are there any dissenters rights or appraisal rights?

Pursuant to applicable Hawaii law, there are no dissenters or appraisal rights relating to the matters to be acted upon at the meeting.

Q: What is the voting recommendation of the Board?

The following is the Board's recommendation with respect to each of the proposals to be considered and voted upon at the meeting:

- **Common Stock Proposal** The Board recommends a vote FOR the amendment of the Company's Restated Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 185,000,000 shares.
- **Supermajority Vote Reduction Proposal** The Board recommends a vote FOR the amendment of the Company's Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable to the Company under Hawaii law as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to our Restated Articles of Incorporation.
- **Adjournment Proposal** The Board recommends a vote FOR adjourning the meeting if the Company, in its discretion, elects to do so.

Q: What are the ways in which I can vote?

Voting by Mail. Shareholders can ensure that their shares are voted at the meeting by completing, signing, dating and mailing the enclosed proxy card in the enclosed postage-prepaid envelope.

Voting by Telephone or the Internet. Voting by telephone or the Internet is fast and convenient and your vote is immediately confirmed and tabulated. If you choose to vote by telephone or the Internet, instructions to do so are set forth on the enclosed proxy card. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number, which appears on the proxy card. These procedures allow stockholders to appoint a proxy to vote their shares and to confirm that their instructions have been properly

recorded. If you vote by telephone or the Internet, you do not have to mail in your proxy card, but your vote must be received by the voting deadline set forth on the proxy card.

If your shares are held by a bank, broker or other nominee, please follow the instructions provided with your proxy materials to determine if telephone or Internet voting is available. If your bank or broker does make telephone or Internet voting available, please follow the instructions provided on the voting form supplied by your bank or broker.

If you vote by telephone or the Internet, you should not return your proxy card.

Voting in Person at the Meeting. You may vote shares held directly in your name as the shareholder of record in person at the meeting. If you choose to vote your shares in person at the meeting, please bring your proxy card or proof of identification. Even if you plan to attend the meeting, we recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the meeting.

You may vote shares beneficially owned and held in street name only if you obtain a signed proxy from the shareholder of record giving you the right to vote the shares. If your shares are held in the name of your broker, bank or other nominee, you must bring to the meeting an account statement or letter from the broker, bank or other nominee indicating that you are the owner of the shares and a signed proxy from the shareholder of record giving you the right to vote the shares. The account statement or letter must show that you were the beneficial owner of the shares on the record date.

Q: How do I revoke a proxy?

Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is exercised by filing with the Corporate Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date. A proxy may also be revoked by attending the meeting and voting in person at the meeting. Subject to such revocation, all shares represented by a properly executed proxy received in time for the meeting will be voted by the proxy holders in accordance with the instructions on the proxy. If your shares are held in street name, you should follow the instructions of your broker, bank or nominee regarding the revocation of proxies.

Q: Where can I find the voting results?

We will publish the voting results in our Form 10-Q for the quarter in which the meeting occurs. You can find the Form 10-Q at the Investor Relations section of our website at www.centralpacificbank.com/investor.

PROPOSAL 1: PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES (THE COMMON STOCK PROPOSAL)

On August 10, 2009, our Board approved a resolution that Item 1 of Article IV of our Restated Articles of Incorporation be amended to increase the number of authorized shares of our common stock, no par value per share, from 100,000,000 shares to 185,000,000 shares, subject to the approval of shareholders of our common stock, and we are now asking you to approve this amendment. No change is being proposed to the authorized number of shares of our preferred stock, which will remain at 1,000,000 shares.

Our Restated Articles of Incorporation currently provide for 100,000,000 shares of authorized common stock, of which _____ shares were issued and outstanding at the close of business on the record date. Also, on the record date, there were 1,585,748 shares of common stock issuable upon exercise of a warrant issued to the United States Department of Treasury, _____ shares of common stock subject to stock awards outstanding as of the record date, _____ shares of common stock reserved for future issuance under our 2004 Stock Compensation Plan and _____ shares issuable under the Central Pacific Financial Corp. Direct Purchase and Dividend Reinvestment Plan, leaving _____ shares unissued and unreserved.

If the Common Stock Proposal is approved, we intend to file a certificate of amendment to our Restated Articles of Incorporation with the Hawaii Department of Commerce and Consumer Affairs, which will become effective upon filing. The certificate of amendment would provide that Item 1 of Article IV of our Restated Articles of Incorporation be amended to read as follows:

The amount of authorized capital stock of the Corporation shall be ONE HUNDRED EIGHTY FIVE MILLION (185,000,000) shares of common stock, no par value per share, and ONE MILLION (1,000,000) shares of preferred stock, no par value per share. The Corporation shall have the privilege of subsequent extensions of its capital stock from time to time in the manner provided by law.

Why We Are Seeking Shareholder Approval

Pursuant to the law of our state of incorporation, Hawaii, our Board must approve any amendment to our Restated Articles of Incorporation and submit the amendment to shareholders for their approval. The affirmative vote of two-thirds of the outstanding shares of our common stock at the close of business on the record date is required to approve the Common Stock Proposal.

Our Board adopted a resolution declaring it advisable and in the best interests of the Company and its shareholders to amend our Restated Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 185,000,000 shares. The Board further directed that the proposed action be submitted for consideration by the Company's shareholders at a meeting to be called for that purpose. If the shareholders approve the amendment, Item 1 of Article IV of the Restated Articles of Incorporation will be amended to increase the number of authorized shares of common stock as described above. If adopted by the shareholders, the increase will become effective on the filing of the amendment to the Company's Restated Articles of Incorporation with the Hawaii Department of Commerce and Consumer Affairs. The only change in the Company's existing Restated Articles of Incorporation as a result of the Common Stock Proposal would be the numeric change required to reflect the increase of the number of authorized shares of common stock as proposed in this proxy statement.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

The proposed increase in our authorized common stock is to provide the Company with additional flexibility to raise capital from time to time. The Company believes that issuing equity would be a prudent measure due to the ongoing economic downturn and the resultant deterioration in the Hawaii and California commercial real estate markets in which the Company does business. Such conditions have been adversely impacting the Company's credit portfolio and financial condition. On July 14, 2009, the Company commenced a public offering of common stock to raise \$100 million. On July 29, 2009, the Company announced that it had postponed the offering given the number of its authorized but unissued shares of common stock combined with the then current price level of its

common stock and that it planned to increase the number of its authorized shares of common stock, subject to shareholder approval.

We believe it is appropriate and important to have increased shares of authorized common stock because of both the time required to hold a special meeting of shareholders and the high vote required to amend our Restated Articles of Incorporation to increase the authorized common stock. Having increased authorized shares of common stock will provide us with additional flexibility in our capital raising efforts, taking into account the desired amount of additional capital, the current price of our common stock and recent fluctuations in our stock price.

In addition, the increase in the authorized shares of common stock, if approved by our shareholders, will be available from time to time for other corporate purposes, including stock-based acquisitions of other companies, stock splits and stock dividends and stock-based compensation. We do not have any current intention or plan to issue shares of common stock for any such purpose, other than upon the exercise of outstanding stock options and future issuances under our shareholder-approved equity compensation plans to the extent deemed appropriate by the Compensation Committee of our Board.

Effect on Outstanding Common Stock

Authorized but unissued shares of our common stock may be issued from time to time upon authorization by our Board, at such times, to such persons and for such consideration as the Board may determine in its discretion and generally without further approval by shareholders, except as may be required for a particular transaction by applicable law, regulation or stock exchange rule. When and if such shares are issued, they would have the same voting and other rights and privileges as the currently issued and outstanding shares of common stock.

The authorization of the additional shares would not, by itself, have any effect on the rights of shareholders. However, holders of our common stock have no preemptive rights to acquire additional shares of our common stock. Therefore, the future issuance of shares of common stock, in particular as part of our efforts to raise substantial amounts of capital, would have an immediate and significant dilutive effect on earnings per share and the voting power of existing shareholders at the time of the issuance. The issuance of additional shares, or the perception that additional shares may be issued, may also adversely affect the market price of our common stock.

Approval of the Common Stock Proposal could adversely affect the ability of third parties to take over or change the control of the Company. It is possible that an increase in authorized shares could render such an acquisition more difficult under certain circumstances or discourage an attempt by a third party to obtain control of us by making possible the issuance of shares that would dilute the share ownership of a person attempting to obtain control or otherwise make it difficult to obtain any required shareholder approval for a proposed transaction for control. The Board has no current intention to authorize the issuance of additional shares for such purposes and is not aware of any present attempt to obtain control of us or otherwise accumulate our common stock.

The Board recommends that you vote FOR the Common Stock Proposal to approve an amendment to the Restated Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 185,000,000 shares.

**PROPOSAL 2: PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S
RESTATED ARTICLES OF INCORPORATION TO REDUCE THE TWO-THIRDS
SUPERMAJORITY VOTE APPLICABLE TO US UNDER HAWAII LAW AS A
CORPORATION INCORPORATED BEFORE JULY 1, 1987, TO A MAJORITY OF
THE OUTSTANDING SHARES ENTITLED TO VOTE, FOR AMENDMENTS
TO THE RESTATED ARTICLES OF INCORPORATION
(THE SUPERMAJORITY VOTE REDUCTION PROPOSAL)**

On August 10, 2009, our Board approved a resolution that a new Article X be added to our Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable to us under Section 414-283 of the Hawaii Business Corporations Act (HBCA) as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to the Restated Articles of Incorporation, subject to the approval of shareholders of our common stock. We are now asking you to approve this amendment.

Section 414-283 of the HBCA provides that an amendment to the articles of incorporation of a corporation incorporated before July 1, 1987 (which is the case for the Company) requires the affirmative vote of the holders of two-thirds of the shares entitled to vote thereon, unless the HBCA, the articles of incorporation or the board of directors (acting pursuant to subsection (c) of Section 414-283 which permits the board of directors to condition its submission of the proposed amendment on any basis) requires a greater vote or a vote by voting groups. Section 414-283 also provides that the articles of incorporations may be amended by such two-thirds vote to provide for a lesser proportion of shares, or of any class or series thereof, provided that the lesser proportion shall not be less than a majority of the shares entitled to vote on an amendment of the articles of incorporation.

The Board believes it is in the best interest of the Company to amend the Restated Articles of Incorporation to provide that an amendment of the Restated Articles of Incorporation, except as otherwise provided in the Restated Articles of Incorporation, will require the affirmative vote of the holders of a majority of the shares of the Company entitled to vote thereon. Such a reduced vote requirement is permitted by Section 414-283 and is the vote required with respect to corporations incorporated on or after July 1, 1987 pursuant to Section 414-283.

Approval of the Supermajority Vote Reduction Proposal will not reduce the vote required to approve the Common Stock Proposal at the meeting, so your vote on both proposals is very important.

If the Supermajority Vote Reduction Proposal is approved, we intend to file a certificate of amendment to our Restated Articles of Incorporation with the Hawaii Department of Commerce and Consumer Affairs (which may be part of the same certificate of amendment that may be filed in connection with the approval of the Common Stock Proposal), which will become effective upon filing. The certificate of amendment would add a new Article X to the Restated Articles of Incorporation to read as follows:

ARTICLE X

1. The Corporation may amend these Articles of Incorporation at any time in the manner now or hereafter prescribed or permitted by law, provided that, except as otherwise provided in these Articles of Incorporation, any amendment shall be approved by the affirmative vote of the holders of a majority of the shares entitled to vote thereon, unless any class of shares is entitled to vote thereon as a separate voting group, in which event the proposed amendment shall be approved by the affirmative vote of the holders of a majority of the shares of each class of shares entitled to vote thereon as a separate voting group and of the total shares entitled to vote thereon.

Why We Are Seeking Shareholder Approval

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

Pursuant to the law of our state of incorporation, Hawaii, our Board must approve any amendment to our Restated Articles of Incorporation and submit the amendment to shareholders for their approval. The affirmative vote of two-thirds of the outstanding shares of our common stock at the close of business on the record date is required to approve the Supermajority Vote Reduction Proposal.

Our Board adopted a resolution declaring it advisable and in the best interests of the Company and its shareholders to amend our Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable

to us under Section 414-283 of the HBCA as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to our Restated Articles of Incorporation. The Board further directed that the proposed action be submitted for consideration by the Company's shareholders at a meeting to be called for that purpose. If the shareholders approve the amendment, a new Article X will be added to the Restated Articles of Incorporation to reduce the two-thirds supermajority to a majority vote requirement as described above. If adopted by the shareholders, the amendment will become effective on the filing of the amendment to the Company's Restated Articles of Incorporation with the Hawaii Department of Commerce and Consumer Affairs. The only change in the Company's existing Restated Articles of Incorporation as a result of the Supermajority Vote Reduction Proposal would be the addition of the new Article X as proposed in this proxy statement.

The proposed reduction in the required vote to amend our Restated Articles of Incorporation will enhance the Company's corporate governance and provide for a more customary simple majority vote requirement as is applicable under Section 414-283 of the HBCA to corporations incorporated on or after July 1, 1987. The Board, in reviewing the current provisions of the Restated Articles of Incorporation and the HBCA, as well as best practices in corporate governance, has evaluated the need and propriety for a two-thirds supermajority vote and has determined that it is in the Company's best interests for amendments of the Restated Articles of Incorporations that would have required that two-thirds vote under Section 414-283 to instead require a simple majority vote.

Effect of the Amendment

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

If the proposed amendment is approved, any amendment to the Restated Articles of Incorporation that would have required a two-thirds vote under Section 414-283 of the HBCA, except as otherwise provided in the Restated Articles of Incorporation, will instead require the affirmative vote of the holders of a majority of the shares of the Company entitled to vote thereon.

The Board recommends that you vote FOR the Supermajority Vote Reduction Proposal to approve an amendment to the Restated Articles of Incorporation to reduce the two-thirds supermajority vote applicable to us under Hawaii law as a corporation incorporated before July 1, 1987, to a majority of the outstanding shares entitled to vote, for amendments to the Restated Articles of Incorporation.

PROPOSAL 3: ADJOURNMENT OF THE SPECIAL MEETING IF THE COMPANY, IN ITS DISCRETION, ELECTS TO DO SO (THE ADJOURNMENT PROPOSAL)

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

If at the meeting the number of shares of common stock present in person or represented by proxy and voting in favor of the Common Stock Proposal is insufficient to approve such proposal, management may move to adjourn the meeting in order to enable the Board to continue to solicit additional proxies in favor of such proposal. However, the meeting may not be adjourned to a date later than _____, 2009. In that event, you will be asked to vote only upon the Adjournment Proposal but not on the Common Stock proposal or the Supermajority Vote Reduction Proposal.

In this proposal, the Company is asking you to authorize the holder of any proxy solicited by its Board to vote in favor of adjourning the meeting and any later adjournments. If the shareholders approve the Adjournment Proposal, the Company could adjourn the meeting, and any adjourned session of the meeting, to use the additional time to solicit proxies in favor of the Common Stock Proposal not receiving votes sufficient for approval, including the solicitation of proxies from the shareholders that have previously voted against such proposal. Among other effects, approval of the Adjournment Proposal could mean that, even if proxies representing a sufficient number of votes against the Common Stock Proposal have been received, the Company could adjourn the meeting without a vote on such proposal and seek to convince the holders of those shares to change their votes to vote in favor of such proposal.

Approving the Adjournment Proposal requires the affirmative vote of the holders of a majority of the votes cast in person or by proxy at the meeting and entitled to vote thereon. No proxy that is specifically marked AGAINST the Common Stock Proposal will be voted in favor of the Adjournment Proposal unless the proxy is specifically marked FOR the Adjournment Proposal.

The Board believes that if the number of shares of its common stock present in person or represented by proxy at the meeting and voting in favor of the Common Stock Proposal is insufficient to approve such proposal, in particular because approval of the Common Stock Proposal requires the affirmative vote of two-thirds of the shares of common stock outstanding on the record date, it is in the best interests of the shareholders to enable the Board, for a limited period of time, to continue to seek to obtain a sufficient number of additional votes to approve such proposal.

The Board has approved and recommends a vote FOR the Adjournment Proposal adjourning the meeting to a date not later than _____, 2009, if the Company, in its discretion, elects to do so.

OTHER MATTERS

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

The Board is not aware of any other matters which may come before the meeting. Currently, in accordance with our bylaws, the only matters to be acted on at the meeting are those described in this proxy statement, along with any necessary procedural matters related to the meeting. As to procedural matters, or any other matters that are determined to be properly brought before the meeting calling for a vote of the shareholders, it is the intention of the persons named in the accompanying proxy, unless otherwise directed in that proxy, to vote on those matters in accordance with their best judgment.

Shareholder proposals intended to be considered for inclusion in the Company's proxy statement and voted on at the Company's regularly scheduled 2010 annual meeting of shareholders must be received at the Company's offices at 220 South King Street, Honolulu, Hawaii 96813, Attention: Corporate Secretary, by no later than one hundred twenty (120) calendar days before the first anniversary date of the release of the Company's 2009 annual meeting proxy statement (i.e., by no later than December 7, 2009) pursuant to Rule 14a-8 of the Exchange Act. Applicable Commission rules and regulations govern the submission of shareholder proposals and the Company's consideration of them for inclusion in the proxy statement and form of proxy for the 2010 annual meeting.

The Company's bylaws contain procedures that shareholders must follow to present business at a meeting of shareholders if such business is not specified in the proxy statement. A shareholder may obtain a copy of these procedures from the Company's Corporate Secretary. In addition to other applicable requirements, for business to be properly brought before the 2010 annual meeting of shareholders, a shareholder must give notice of the matter to be presented at the meeting in a proper written form to the Company's Corporate Secretary. The Corporate Secretary must receive this written notice at the principal offices of the Company not less than ninety (90) calendar days nor more than one hundred twenty (120) calendar days prior to the anniversary date of the preceding year's annual meeting. Shareholder proposals not made in accordance with these requirements may be disregarded by the chairperson of the meeting.
