Except as set forth herein, no other changes are made to our Annual Report on Form 10-K for the fiscal year ended December 25, 2010.

### PART III

#### **Item 13. *Certain Relationships and Related Transactions, and Director Independence.***

##### **Independence**

The Board of Directors has determined that the following four directors have no material relationship with the Company that would interfere with the exercise of independent judgment and are independent within the meaning of the NYSE Amex director independence standards: Robert J. Campbell, Edward L. Flynn, Mark C. Neilson, and Wayne A. Whitener.

##### **Certain Relationships and Related Party Transactions**

As part of its original acquisition on January 19, 1984, of the specialized vehicle manufacturing business now being operated by it, Supreme Indiana acquired an option to purchase certain real estate and improvements at its Goshen, Indiana, and Griffin, Georgia, facilities, leased to it by lessors controlled by the sellers of such business. The option agreement provided that the option would expire on January 8, 1989, and that, prior to that time, it could be assigned to either or both of William J. Barrett and Herbert M. Gardner, members of the Company's Board of Directors.

On July 25, 1988, Supreme Indiana assigned the option (with the consent of the grantors of the option) to a limited partnership (the Partnership). The general partner of the Partnership is Supreme Indiana, owning a one percent interest, and the limited partnership interests therein are owned (directly or indirectly) by individuals including Mr. Barrett, Mr. Gardner, and Mr. Campbell, all of whom are members of the Company's Board of Directors, and each of whom owns a 12.375% limited partnership interest in the Partnership.

In a transaction consummated on July 25, 1988, the Partnership exercised the option and purchased all of the subject real estate and improvements. Also on July 25, 1988, the Partnership and Supreme Indiana entered into new leases covering Supreme facilities in Goshen, Indiana, and Griffin, Georgia at initial rental rates equivalent to those paid pursuant to the lease agreements with the prior lessors. The actual amount paid to the Partnership in 2010 was \$683,320. The leases contain options to purchase the properties for an aggregate initial price of \$2,765,000 (subject to increases after the first year based upon increases in the Consumer Price Index). Both of the above leases were extended for additional five-year terms ending on July 25, 2015 under lease extension agreements which were dated to be effective July 25, 2010. The total rental payments for the first year of the five-year extended terms amounted to \$683,004 with the rent for each year thereafter to be adjusted upward or downward by the amount of the increase or decrease in the Consumer Price Index using July, 2010, as the base period and June of each succeeding year thereafter as the comparative period. In the event Supreme Indiana had exercised its options to purchase these two leased properties during 2010, the total purchase price (calculated in accordance with the formulas contained in the underlying lease agreements) would have been \$5,300,000 (based upon appraisals obtained from independent third parties selected by a Special Committee of the Board of Directors directed to determine fair purchase prices and fair lease rental payments).

An Option Agreement was entered into effective as of March 24, 2011 under the terms of which Supreme Indiana will sell its California manufacturing facility to Barrett Gardner Associates, Inc. which is owned by Messrs. William J. Barrett and Herbert M. Gardner, both of whom are directors of the Company. It is contemplated that the rights of Barrett Gardner Associates, Inc. under the Option Agreement will be assigned

by it to a newly-formed limited liability company ( Newco ) which will be owned (one-third each) by Messrs. Barrett and Gardner and Mr. Edward L. Flynn (who is also a director of the Company). The purchase price for the property is \$4,100,000 which is fully supported by a recent independent appraisal of that property at that amount. The purchase price will be payable \$3,100,000 in cash with the balance being an equity interest owned by Supreme Indiana in Newco. In consideration of the purchase transaction, Newco has made a wire transfer of a \$100,000 option fee to the Company's primary lender which, when the real estate purchase closes, will be applied to the cash portion of the purchase price for the California manufacturing facility. Simultaneously with the closing of such purchase transaction, Supreme Indiana will enter into a twenty-year lease with Newco, such lease containing terms which the Board of Directors believes would result from arms-length negotiations with a third party. Both the purchase price for the manufacturing facility and the terms of the leaseback will be supported by a fairness opinion issued by a

third-party consultant. The purpose of this sale\leaseback transaction is to generate a cash sum of \$3,000,000 which must be paid by the Company to its primary lender in order for the primary lender to continue the Company's currently existing line of credit to not be in default.

Kim Korth, President and Chief Executive Officer, is President of IRN, Inc., a consulting firm that provides integrated market data, intelligence, and insight regarding suppliers in transportation equipment markets. The Company utilized the services of IRN, Inc. at a total cost of approximately \$304,000 during 2010 and through March 25, 2011.
