INFORMATION ABOUT THE 2012 ANNUAL MEETING AND VOTING

The Annual Meeting

The annual meeting will be held on June 14, 2012 at our corporate office, 10706 Beaver Dam Road, Hunt Valley, Maryland 21030 at 10:00 a.m. local time.

This Proxy Solicitation

On or about April 16, 2012, we began mailing this proxy statement to people who, according to our records, owned common shares or beneficial interests in us as of the close of business on March 2, 2012. We are sending you this proxy statement because our Board of Directors is seeking a proxy to vote your shares at the annual meeting. This proxy statement is intended to assist you in deciding how to vote your shares. Proxy materials are also available at <http://www.amstock.com/ProxyServices/ViewMaterial.asp?CoNumber=26141>.

We are paying the cost of soliciting these proxies. Our directors, officers and employees may request proxies in person or by telephone, mail, or letter. We will reimburse brokers and other nominees for their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners of our common shares.

Voting Your Shares

The Securities and Exchange Commission (SEC) has adopted a Notice and Access rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials to shareowners in lieu of a paper copy of the proxy statement and the Company's Annual Report to Shareholders.

Shareholders of Record. You may vote your shares at the annual meeting either in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot. Ballots for registered shareholders to vote in person will be available at the annual meeting. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the *registered* holder of those shares. As the *registered* stockholder, you can ensure your shares are voted at the meeting by submitting your instructions by completing, signing, dating and returning the enclosed proxy card in the envelope provided.

If you complete the proxy card, except for the voting instructions, then your shares will be voted FOR each of the director nominees identified on the proxy card and FOR ratification of the selection of PricewaterhouseCoopers, LLP as our independent registered public accounting firm for 2012.

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

We have described in this proxy statement all the proposals that we expect will be made at the annual meeting. If a shareholder or we properly present any other proposal at the meeting, we will use your proxy to vote your shares on the proposal in our best judgment.

Your proxy card will be valid only if you sign, date and return it in time for it to be received by us before the annual meeting scheduled to be held on June 14, 2012.

Beneficial Owners. Most of our stockholders hold their shares through a broker, bank, trustee or another nominee, rather than registered directly in their name (which is often referred to as "street name"). In that case, you are considered the *beneficial owner* of shares held in street name, and the proxy materials including a notice enabling you to receive proxy material through the mail are being forwarded to you by your broker, bank, trustee or nominee. As the *beneficial owner*, you are entitled to direct the voting of your shares by your intermediary. Brokers, banks and nominees typically offer telephonic or electronic means by which the *beneficial owners* of shares held by them can submit voting instructions, in addition to the traditional mailed voting instruction cards. If you are a *beneficial owner* of shares, you cannot vote in person at the annual meeting unless you have a proper power of attorney from your broker. Votes directed through such a broker must be received by us before the annual meeting.

If you hold your shares in street name with a broker and you do not tell your broker how to vote or provide the broker with a voting instruction form, your broker cannot vote on your behalf for the election of director nominees (Proposal 1).

Table of Contents

Revoking Your Proxy

If you decide to change your vote, you may revoke your proxy at any time before it is voted at the annual meeting. You may revoke your proxy by any one of three ways:

- you may notify our Secretary in writing that you wish to revoke your proxy, at the following address: Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland, 21030, Attention: J. Duncan Smith, Vice President and Secretary. We must receive your notice before the time of the annual meeting;
- you may submit a proxy dated later than your original proxy; or
- you may attend the annual meeting and vote. Merely attending the annual meeting will not by itself revoke a proxy; you must obtain a ballot and vote your shares to revoke the proxy and in the case of shares held in street name you must obtain a proper power of attorney from your broker to vote your shares.

Vote Required for Approval

Shares Entitled to Vote. On March 2, 2012 (the record date), the following shares were issued and outstanding and had the votes indicated:

- 52,049,092 shares of Class A Common Stock, each of which is entitled to one vote on each of the proposals, and
- 28,933,859 shares of Class B Common Stock, each of which is entitled to ten votes on each of the proposals

Quorum. A majority of the outstanding shares of common stock entitled to vote, or a quorum, must be present at the annual meeting in order to transact business. A quorum will be present if 170,693,842 votes are represented at the annual meeting, either in person (by the shareholders) or by proxy. If a quorum is not present, a vote cannot occur. In deciding whether a quorum is present, abstentions and broker non-votes (where a broker or nominee is not permitted to vote on a matter and has not received voting instructions from the beneficial owner) will be counted as shares that are represented at the annual meeting.

Votes Required. The votes required on each of the proposals are as follows:

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

Proposal 1: Election of Eight Directors

The eight nominees for director who receive the most votes will be elected. This is called a plurality. If you indicate withhold authority to vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee. Broker non-votes are not counted as votes cast for nominees for director and will not affect the outcome of the proposal.

Proposal 2: Ratification of Selection of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the Audit Committee's selection of the independent registered public accounting firm. If you abstain from voting, your abstention will not count as a vote cast for or against the proposal.

Additional Information

We are mailing our annual report to registered shareholders for the year ended December 31, 2011, including consolidated financial statements, to all shareholders entitled to vote at the annual meeting together with this proxy statement. The annual report includes details on how to get additional information about us. The annual report does not constitute a part of the proxy solicitation material. Proxy materials are also available to registered shareholders and to beneficial owners at <http://www.amstock.com/ProxyServices/ViewMaterial.asp?CoNumber=26141>.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees for election to the Board of Directors are:

David D. Smith

Frederick G. Smith

J. Duncan Smith

Robert E. Smith

Daniel C. Keith

Martin R. Leader

Lawrence E. McCanna

Basil A. Thomas

Each director will be elected to serve for a one-year term, unless he resigns or is removed before his term expires, or until his replacement is elected and qualified. Each of the nominees listed above is currently a member of the Board of Directors and each of them has consented to serve as a director if elected. More detailed information about each of the nominees is available in the section of this proxy statement titled *Directors, Executive Officers and Key Employees*.

If any of the nominees cannot serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees. If a substitute is nominated, we will vote all valid proxies for the election of the substitute nominee or nominees. Alternatively, the Board of Directors may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the Board.

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

The Amended and Restated Certificate of Incorporation provides that our business shall be managed by a Board of Directors of not less than three and not more than thirteen directors with the number of directors to be fixed by the Board of Directors from time to time. The Board of Directors has presently established the size of the Board at eight members. Proxies for the annual meeting may not be voted for more than eight nominees.

Messrs. David, Duncan and Robert Smith and Dr. Frederick Smith (collectively, the controlling shareholders) are brothers and have entered into a shareholders agreement pursuant to which they have agreed to vote for each other as candidates for election to the Board of Directors until June 13, 2015. The controlling shareholders own collectively 82.0% of the total voting power.

The Board of Directors recommends a vote FOR each of the nominees to the Board of Directors.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has sole responsibility for the selection of our independent registered public accounting firm and has appointed PricewaterhouseCoopers, LLP (PricewaterhouseCoopers) as our independent registered public accounting firm for the fiscal year ending December 31, 2012. The Board of Directors recommends ratification of this appointment by the shareholders. If the shareholders do not ratify the appointment of PricewaterhouseCoopers, the Audit Committee will reevaluate the engagement of the independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may nevertheless appoint another independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the shareholders. PricewaterhouseCoopers audited the Company's financial statements for the fiscal year ended December 31, 2011.

Table of Contents

A representative of PricewaterhouseCoopers is expected to attend the annual meeting. The PricewaterhouseCoopers representative will have the opportunity to make a statement if he or she desires to do so and will be able to respond to appropriate questions from shareholders.

The Board of Directors recommends a vote FOR ratification of the appointment of PricewaterhouseCoopers, LLP.

CORPORATE GOVERNANCE

Board of Directors and Committees. In 2011, the Board of Directors held a total of nine meetings. All directors attended at least 75% of the meetings of the Board of Directors and all committees of the Board of Directors on which he served. All directors attended the Annual Meeting held on June 2, 2011. It is the Board's policy that the directors should attend our annual meeting of shareholders, absent exceptional cause.

The Board of Directors currently consists of eight members. The committees of the Board of Directors include an Audit Committee and a Compensation Committee and from time to time special committees formed by the Board of Directors as may be necessary.

Board Leadership Structure and Risk Oversight. David D. Smith serves as both the Chairman of the Board of Directors and the President and Chief Executive Officer. The Chief Executive Officer's performance is reviewed annually by the Compensation Committee, which reports results to the Board of Directors. The Compensation Committee consists of four directors, three of whom are independent pursuant to the Nasdaq listing requirements. The Board of Directors appoints an independent director to preside over special committee meetings, however no lead independent director of the Board of Directors exists. The Company deems this leadership structure appropriate for our Controlled Company (see Controlled

Table of Contents

Company Determination below) as it promotes efficient communication between the Chief Executive Officer and the Board of Directors as well as between the various board committees and the Board of Directors while monitoring effective independent board oversight over the Chief Executive Officer and the Company's risks. While the Company's management is charged with managing the Company's day-to-day risks, the Company's financial risk oversight is primarily conducted by the Audit Committee, which consists entirely of independent directors for purposes of Nasdaq listing requirements and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee reports financial risk oversight matters to the Board of Directors based on committee assessments and periodic reports from management. The Compensation Committee provides risk oversight concerning our compensation policies and practices. The Board of Directors with the assistance of management is responsible for all other risk oversight measures.

Risk Assessment of Compensation Policies and Practices. The Company primarily operates one business unit which sells advertising to a large variety of customers. The Company does not pay a significant amount of incentive compensation to employees with the ability to take significant risks which could have a material adverse effect on the Company. Incentive compensation is primarily paid to sales personnel who are not executive officers of the Company and do not have the ability or authority to engage in significant risk taking activity. While we pay incentive compensation to certain of our executive officers, it is not significant to the Company as a whole and we believe it is designed to minimize unnecessary risk taking by aligning each executive's interests with those of our shareholders and by emphasizing long-term performance rather than promoting short-term risk taking at the expense of long-term returns. Our sales personnel and executive officers are incentivized to generate revenues and cannot participate in material speculative transactions or put material amounts of capital at risk without Board approval. As a result, the Company's management, in consultation with the Company's Compensation Committee, determined that the Company's compensation policies and practices are not reasonably likely to have a material adverse effect.

Controlled Company Determination. Our Board has determined that we are a Controlled Company for purposes of the Nasdaq listing requirements. A Controlled Company is a company of which more than 50% of the voting power is held by an individual, a group or another company. Certain Nasdaq requirements do not apply to a Controlled Company, including requirements that: (1) a majority of its board of directors must be comprised of independent directors as defined in the Nasdaq Stock Market Rules (the Nasdaq listing standards); and (2) the compensation of officers and the nomination of directors be determined in accordance with specific rules, generally requiring determinations by committees comprised solely of independent directors or in meetings at which only the independent directors are present. Our Board of Directors has determined that we are a Controlled Company based on the fact that the Smith brothers hold more than 50% of our voting power and are parties to a stockholders' agreement that obligates them to vote for each other as candidates for election to the Board of Directors. The Smith brothers have been our executive officers and/or directors at all times since we became public in 1995. Currently, David D. Smith, Frederick G. Smith and J. Duncan Smith are executive officers and directors and Robert E. Smith is a director.

Director Independence. The Board has determined that Messrs. McCanna, Keith and Leader have no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that they otherwise meet the independence criteria under the Nasdaq listing standards. The Board has also determined that Messrs. McCanna, Keith and Leader satisfy the additional independence requirements of Rule 10A-3 under the Exchange Act, enabling them to serve on the Audit Committee. In making its independence determination, the Board of Directors considered any transactions, relationships and arrangements as required by our independence guidelines. In particular, with respect to each of the most recent completed three fiscal years, the Board evaluated (1) for Mr. Keith, the type and amount of investment advisory services provided by the firm where he serves as an executive officer to our controlling shareholders and family members of our controlling shareholders and (2) for Mr. McCanna, the type and amount of accounting, tax and related services provided by the firm where he served as its managing director, until he retired in July 2009, to our controlling shareholders, family members of our controlling shareholders and entities (other than Sinclair) owned or controlled by our controlling shareholders or family members of our controlling shareholders.

Pursuant to the Nasdaq listing standards governing director independence, Basil A. Thomas is not deemed to be independent because of Mr. Thomas's relationship to our outside counsel. Mr. Thomas is the father of Steven A. Thomas, a partner and founder of Thomas & Libowitz, P.A., which serves as our outside counsel. During 2009 and 2011, Sinclair and its subsidiaries paid fees to Thomas & Libowitz, P.A. that exceeded the limits set forth in the independence criteria under the Nasdaq listing standards, which precluded the Board from finding

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

Mr. Thomas independent. During 2010, Sinclair and its subsidiaries did not pay fees to Thomas & Libowitz, P.A. that exceeded the limits set forth in the independence criteria under the Nasdaq listing standards.

Audit Committee. The members of the Audit Committee are Messrs. McCanna, Keith and Leader. The Audit Committee is governed by a written charter approved by the Board of Directors and available on our website at www.sbg.net. The Audit Committee formally met five times during the year ended December 31, 2011.

Table of Contents

The Board of Directors has determined that all audit committee members are financially literate under the current Nasdaq listing standards and that Lawrence E. McCanna qualifies as an audit committee financial expert as defined by the SEC rules adopted pursuant to the Exchange Act.

The Nasdaq listing standards require that audit committees have at least three directors and that all directors be independent, as defined by Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that Messrs. McCanna, Keith and Leader meet the independence criteria established by Nasdaq and the SEC.

The Audit Committee assists the Board of Directors in its oversight of financial reporting practices and the quality and integrity of the financial reports of Sinclair including compliance with legal and regulatory requirements, the independent auditors' qualifications and independence and the performance of Sinclair's internal control function. The Audit Committee is responsible for the appointment of Sinclair's independent auditors, whose appointment may be ratified by the shareholders. The Audit Committee oversees all of our internal controls and risk management policies and meets with our independent auditor and management regarding our internal controls and other matters. The Audit Committee is responsible for reviewing compliance with Sinclair's ethics policy and has established procedures for the receipt, retention and treatment of complaints received by Sinclair regarding accounting controls or auditing matters and the confidential, anonymous submission by Sinclair's employees of concerns regarding questionable accounting or auditing matters. The Audit Committee is also responsible for approving or ratifying related person transactions pursuant to Sinclair's related person transaction policy. This policy is described in this proxy statement under the caption *Related Person Transactions*.

Compensation Committee. Nasdaq listing standards require that compensation of executive officers be determined, or recommended to the Board of Directors for determination, either by a majority of the independent directors or a compensation committee comprised solely of independent directors. As a Controlled Company, however, we are not subject to this listing requirement and, as a result, the Board of Directors has determined that notwithstanding Mr. Thomas' failure to meet Nasdaq's current independence criteria for 2011, it was in our best interest and the best interest of our shareholders that Mr. Thomas serves on the Compensation Committee. The other members of the Compensation Committee are Messrs. McCanna, Keith, and Leader, all of whom meet the independence criteria established by Nasdaq listing standards. Although the Compensation Committee does not have a written charter, the Compensation Committee is charged with the responsibility for setting executive compensation, reviewing certain compensation programs, administering our equity incentive plans, recommending for inclusion in this proxy statement the Compensation Discussion and Analysis which is included in this proxy statement, preparing the compensation committee report required by SEC rules which is included in this proxy statement, and making other recommendations to the Board of Directors. The Compensation Committee formally met eight times during the year ended December 31, 2011.

Each year, the Compensation Committee reviews the prior performance of each named executive officer, reviews the effectiveness of past compensation objectives and approves the compensation policies and plans for the next fiscal year. The Compensation Committee assesses each named executive officer's operational abilities, leadership skills, and potential to contribute to long-term shareholder value. The Compensation Committee provides risk oversight concerning our compensation policies and practices for executive officers. Named executive officers have access to the Compensation Committee to present and discuss their own performance and compensation plan. At times, the Compensation Committee may specifically request meetings with named executive officers to gain a full understanding and exploration of assessed attributes. Our President and Chief Executive Officer, David D. Smith, and our Executive Vice President and Chief Financial Officer, David B. Amy, consult with the Compensation Committee on appropriate compensation for named executive officers other than themselves. In addition, our Vice President, Human Resources, Donald H. Thompson, presents information and recommendations to the Compensation Committee based on market evaluations. The Compensation Committee does not use outside consultants to set compensation.

Director Nominations. The Board does not have a standing nominating committee and there is no formal nominating committee charter, although the Board has adopted a resolution addressing the director nominations process. Instead, the directors who are determined to be independent under the Nasdaq listing standards perform the functions of a nominating committee. The Board believes it is appropriate not to

maintain a standing nominating committee primarily because the relatively small number of independent directors on the Board makes it unnecessary to separate the nominating function into a committee structure.

Our independent directors are primarily responsible for identifying and recommending nominees to the Board of Directors for approval of membership on the Board. The independent directors' primary responsibilities in recommending nominees are to: (1) establish criteria for the selection of new directors to become members of the Board, which criteria shall be approved by the Board; (2) lead the search for and identify individuals qualified to become members of the Board and conduct the necessary and appropriate inquiries into the backgrounds and qualifications of possible nominees; (3) consider questions of independence and possible conflicts of interest of members of the Board and executive officers, and whether a candidate has special interests or a specific agenda that would impair his or her ability to effectively represent the

Table of Contents

interest of all shareholders; (4) consider recommendations for director nominees from current directors and executive officers, shareholders and other parties they deem appropriate; (5) have the authority to retain and terminate a search firm to identify director candidates at our expense; (6) determine each proposed nominee's qualifications for service on the Board; (7) consult with the President and Chief Executive Officer and Chairman of the Board during the process of identifying director nominees; and (8) identify and recommend annually, or as vacancies or newly created positions occur, director nominees for approval by the Board of Directors. Further, while the Board has no formal diversity policy, the independent directors regularly review the composition and size of the Board in order to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes, diverse perspectives and personal and professional backgrounds for service as one of our directors.

The independent directors will consider nominees proposed by shareholders. Although there is no formal policy regarding shareholder nominees, the Board of Directors believes that shareholder nominees should be viewed in substantially the same manner as other nominees. The consideration of any candidate for director will be based on an assessment of the individual's background, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of the Board at that time. To recommend a prospective nominee for consideration, shareholders should submit the candidate's name, contact information, biographical material and qualifications in writing to Corporate Secretary, Sinclair Broadcast Group, Inc., 10706 Beaver Dam Road, Hunt Valley, Maryland 21030. For more information regarding nominating a director, see *Shareholder Proposals*.

Interested Party Communication with the Board. Name (a)	Fees Earned or Paid in Cash	Stock Awards (b)	All Other Compensation	Total
Robert E. Smith (c)	\$ 51,000	\$ 46,925	\$ 12,600(c)	\$ 110,525

(a) Compensation for David D. Smith, our Chairman of the Board, President and Chief Executive Officer, is reported in the Summary Compensation Table included in this proxy statement. Frederick G. Smith and J. Duncan Smith are omitted from this table, as they serve as executive officers, but are not named executive officers and do not receive additional compensation for services provided as directors.

(b) On the date of our annual meeting, each non-employee director receives a grant of 5,000 shares of Class A Common Stock pursuant to the 1996 Long-Term Incentive Plan for services rendered during the preceding year. The amount presented represents the grant date fair value of the stock award computed in accordance with Financial Accounting Standards (FASB) Accounting Standards Codification (ASC) Topic 718. As of December 31, 2011, Robert E. Smith holds 10,000 unexercised outstanding stock options. None of the other directors have outstanding stock options and awards. All stock options are immediately exercisable and all stock awards are unrestricted and fully vested upon issuance.

Mr. Smith pays standard premiums pursuant to the plan, however, unlike a typical company participant, he is required to reimburse the Company for any health care costs in excess of \$100,000. During 2011, Mr. Smith's health care costs did not exceed \$100,000; therefore, we paid for such costs net of the premiums he paid.

Non-employee directors receive \$35,000 annually for their service as a director and a grant of 5,000 shares of Class A Common Stock for attending the annual meeting of shareholders. The Audit Committee Chairman receives an additional \$7,500 annually and the Compensation Committee Chairman receives an additional \$6,000 annually. Non-employee directors also receive \$2,000 for each Board of Directors meeting attended, \$2,500 for each audit committee meeting and special committee meeting, if any, attended and \$1,500 for each compensation committee meeting attended. We reimburse our directors for any business related travel expenses.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction. In this section, we discuss certain aspects of our compensation program as it pertains to our President and Chief Executive Officer (CEO), our Executive Vice President / Chief Financial Officer (CFO), our Vice President / Chief Operating Officer (COO) for television operations, our Executive Vice President / General Counsel and our Vice President / Corporate Finance / Treasurer in 2011. These individuals represent our principal executive officer, our principal financial officer and our three other most highly compensated executive officers during 2011. We refer to these five persons throughout this proxy statement as the named executive officers. Our discussion focuses on compensation and practices relating to our most recently completed fiscal year.

We believe that the performance of each of the named executive officers has the potential to impact both our short-term and long-term profitability. Our Board of Directors has established a Compensation Committee that is responsible for establishing and administering our named executive officers' and other key employees' compensation. The Compensation Committee consists of four non-employee directors, three of which are independent under the Nasdaq listing standards.

General Philosophy, Objectives and Design. We believe that our people are our most valuable resource and that the dedication and quality of our named executive officers are vital to the long-term interests of our shareholders. We have established a compensation program for our named executive officers that is competitive and designed to support our strategic goals. The primary objectives of our compensation program are to attract and retain the best available people while efficiently utilizing available resources, to enhance the named executive officers' overall performance, to align the long-term interests of our named executive officers with those of our shareholders, to improve our overall business performance and to reward individual performance. This is accomplished through a combination of base salary, long-term incentive compensation and cash bonus designed to be competitive with comparable employers in the television broadcast industry. The Compensation Committee considers both the Company's overall performance and the individual's performance when setting compensation levels. However, there are no set guidelines or policies outlining the weight of each, as the Compensation Committee assesses each factor at its discretion.

Shareholder Say on Pay Considerations. In 2011, we submitted an advisory vote on our executive compensation to our shareholders (also known as Say on Pay) for the first time. Approximately 94% of our shareholders that voted approved our executive compensation. Our Board and our Compensation Committee considered the strong voting results as a shareholder endorsement of our executive compensation policies and practices, and we intend to continue to emphasize our pay-for-performance compensation philosophy that aligns long-term interests of our executives with those of our shareholders.

Compensation Process. Each year, the Compensation Committee reviews the prior performance of each named executive officer, reviews the effectiveness of past compensation objectives and approves the compensation policies and plans for the next fiscal year. The Compensation Committee assesses each named executive officer's operational abilities, leadership skills, and potential to contribute to long-term shareholder value. Named executive officers have access to the Compensation Committee to present and discuss their own performance and compensation plan. At times, the Compensation Committee may specifically request meetings with named executive officers to gain a full understanding and exploration of assessed attributes. Our President and Chief Executive Officer, David D. Smith, and our Executive Vice President and Chief Financial Officer, David B. Amy, consult with the Compensation Committee on appropriate compensation for named executive officers other than themselves. In addition, our Vice President, Human Resources, Donald H. Thompson, presents information and recommendations to the Compensation Committee based on market evaluations. In determining the amount of named executive officer compensation each year, the Compensation Committee reviews competitive market data from the broadcast and media industry as well as other similarly sized companies comparable to us, including those companies we have determined to be in our peer group. The Compensation Committee does not benchmark named executive officer compensation against competitive market data or our peer group. However, when determining the levels of base salary, cash bonuses and equity awards of our named executive officers, our Compensation Committee uses market data in combination with an analysis of other factors including company and individual performance and executive officer responsibilities.

For 2011, the Compensation Committee determined that our peer group consisted of the following companies in our industry:

- Gray Television, Inc.
- LIN TV Corp.
- Belo Corporation
- Meredith Corporation
- Nexstar Broadcasting Group, Inc.
- Media General, Inc.

Table of Contents

In addition, the Compensation Committee considers information from salary surveys to evaluate compensation for similar positions taking into account geographic location and the companies' revenue size. These surveys included CompAnalyst / Kenexa, Towers Watson and Mercer reports. While we review these surveys, we do not formally engage outside compensation consultants.

All final compensation decisions regarding named executive officers are made by the Compensation Committee with the exception of Mr. David D. Smith whose compensation is determined by the independent directors serving on the Compensation Committee.

Primary Elements of Compensation. We provide a competitive mix of compensation elements that align named executive officer compensation with shareholder value. Our compensation program includes both short and long-term compensation in the form of base salary, long-term incentive compensation and cash bonus as discussed below. We believe that these compensation components provide an appropriate mix of fixed and variable pay, balances short-term operation performance with long-term shareholder value and encourages executive recruitment and retention, which aligns with our compensation philosophy and objectives.

Base Salary. Base salaries are not objectively determined, but instead reflect levels that we concluded were appropriate based upon our general experience. Base salary is designed to provide competitive levels of compensation to our named executive officers based upon their experience, professional status, accomplishments, duties and scope of responsibility. As noted above under *Compensation Process*, also taken into consideration when establishing base salaries are salaries paid by our competitors for similar positions within the television broadcast industry as well as salaries paid by companies outside of our industry for comparable positions. In addition to market comparisons, the Compensation Committee considers individual performance when determining base salary.

Long-Term Incentive Compensation. Our compensation program includes long-term incentive compensation, paid in the form of restricted stock awards made in Class A Common Stock, stock-settled appreciation rights (SARs) and Special Longevity Bonus awards payable in cash to certain named executive officers at future dates pursuant to their respective employment agreements. We have elected to pay long-term incentive compensation in order to provide an incentive for our named executive officers to provide strong returns to our shareholders, to better align the interests of our named executive officers with those of our shareholders, to continue long-term leadership in the service of the Company and to ensure a competitive compensation program given the market prevalence of equity compensation.

Our restricted stock awards are granted pursuant to the Company's 1996 Long-Term Incentive Plan (the LTIP) and are time-based awards requiring the named executive officer to remain employed by the Company in order for the restricted stock to vest over two or three years.

SARs granted pursuant to the LTIP, have a 10-year term and are fully vested upon grant. Upon exercise of SARs, the holder would receive a number of shares of Class A Common Stock equal in value to the difference between the SARs' base value and the per share closing price of the Company's Class A Common Stock on the date of exercise for the number of SARs being exercised.

When granting equity awards, consideration is given to company and employee performance, but awards are made at the discretion of the Compensation Committee under no objective guidelines. Grants of equity awards are valued only at the closing price of our stock on the date of grant. We try to make grants of equity awards at times when they will not be influenced by scheduled releases of information or while we otherwise possess material, non-public information, but we have no formal policy as to the timing of equity grants.

Effective November 2011, certain named executive officers are entitled to a Special Longevity Bonus, as defined in their respective employment agreements, providing for a single lump sum cash payment due to the executive officer at a specified future date. These Special Longevity Bonuses are time-based awards requiring the named executive officer to remain employed by the Company in order to receive the bonus payments over periods ranging from three to seven years.

Cash Bonus. For 2011 performance, with the exception of our CEO and COO, no named executive officer received a cash bonus.

Our compensation philosophy is to primarily award cash bonuses to those that have a direct influence on our ongoing revenue and television operating performance. Based on this criteria, in early 2011, the Compensation Committee determined that our COO and CEO were the only named executive officers to be eligible to receive a performance-based cash bonus for 2011 performance. The purpose of our COO's and CEO's cash bonus is to

Table of Contents

promote the attainment of specific financial goals and reward achievement of those goals. We favor an objective approach when measuring the cash bonus. The Compensation Committee determines at its discretion the maximum bonus amounts paid.

The CEO is eligible for a quarterly cash bonus. For 2011, the CEO was eligible for maximum quarterly bonuses of \$250,000 for each of the first, second, third and fourth quarters. The COO's cash bonus is categorized into two components: a quarterly cash bonus and an annual cash bonus. For 2011, the COO was eligible for maximum quarterly bonus amounts of \$31,631 per quarter and for a maximum annual bonus of \$300,000. The CEO's and COO's bonuses are dependent on the generation of certain television broadcast cash flow (BCF) levels. BCF is a non-GAAP measure reflective of our television assets' operating performance. We believe this measure best captures our CEO's and our COO's influence over our revenue and television operating performance. In the event that certain events take place that were not contemplated at the time the BCF targets were determined, the Compensation Committee can adjust the BCF targets to exclude the effect of these events. Examples of such events include acquisitions, dispositions and changes in accounting rules. In addition, we target the amount of BCF used in individual bonus determinations at amounts commensurate with the executive's sphere of influence. BCF is calculated as GAAP operating income plus corporate general and administrative expenses, stock-based compensation, depreciation and amortization, impairments, other operating divisions expenses and other non-cash charges less other operating divisions revenues, non-cash revenue and cash film payments.

The CEO's and COO's quarterly bonus is paid on a sliding scale. If actual quarterly BCF is equal to or in excess of the targeted quarterly BCF for a particular quarter, then 100% of the maximum quarterly bonus is paid. For any particular quarter, if actual quarterly BCF is between 95% and 99.9% of budgeted quarterly BCF, then 25% to 95% of one quarter of the maximum quarterly bonus is paid as follows:

Percentage Achievement of Budgeted BCF	Payout % of Maximum Quarterly Bonus
95 - 95.9%	25%
96 - 96.9%	40%
97 - 97.9%	65%
98 - 98.9%	80%
99 - 99.4%	90%
99.5 - 99.9%	95%

If actual quarterly BCF is less than 95% of budgeted BCF, then no quarterly bonus is paid. However, included in the cash bonus is an annual bonus catch-up provision. If at the end of the year, the annual actual BCF is greater than the annual targeted BCF and the fourth quarter's actual quarterly BCF is greater than 95% of such quarter's targeted quarterly BCF, an annual bonus calculation is determined using the quarterly percentage achievement targets and a corresponding quarterly payout percentage. Any excess in the annual bonus calculated over the quarterly bonuses paid will also be paid. For 2011, the CEO's targeted BCF for the first, second, third and fourth quarters was \$62.3, \$68.2 million, \$64.7 million and \$81.1 million, respectively. For 2011, the COO's targeted BCF, which is adjusted for certain revenue and expense items for which the COO does not have direct responsibility or influence over, for the first, second, third and fourth quarters was \$38.3 million, \$43.8 million, \$40.0 million and \$56.3 million, respectively. During 2011, actual BCF relative to the CEO exceeded targeted BCF for all quarters and therefore, 100% of the maximum of each quarterly bonus was paid. The COO exceeded targeted BCF for one quarter and was paid according to the sliding scale noted above for the other three quarters.

Retirement Plans. Our compensation program includes retirement plans designed to provide income following a named executive officer's retirement. Our named executive officers can participate in The Sinclair Broadcast Group, Inc. 401(k) Profit Sharing Plan and Trust (the 401(k) Plan). Contributions made to the 401(k) Plan are matched by the Company, typically in the form of our Class A Common Stock. The match is discretionary and typically equal to 50% of elective deferrals, up to 4% of each named executive officer's total cash compensation subject to Internal Revenue Service regulations. In addition, the Compensation Committee has the ability to make additional discretionary contributions to the 401(k) Plan for the benefit of all employees including named executive officers. Calculations of targeted overall compensation for named executive officers do not include the benefits expected to be received under the 401(k) Plan. Named executive officers participate in the 401(k) Plan on the same terms as all other employees.

Perquisites and Other Benefits. Perquisites and other benefits represent a minimal amount of the named executive officers' compensation. The Compensation Committee annually reviews the perquisites that named executive officers receive. The primary perquisites for named executive officers are tickets to sporting events and certain business entertainment events and related expenses.

Named executive officers also participate in our other benefit plans on the same terms as all other employees. These other plans include medical, dental and vision insurance, disability and life insurance and the employee stock purchase plan.

In February 1997, we entered into an employment agreement with Steven M. Marks, COO, which was amended and restated in November 2011. Mr. Marks received a base salary for 2011 of \$761,250. Further, effective November 2011, Mr. Marks is entitled to a Special Longevity Bonus, as defined in the agreement, providing for a single lump sum cash payment of \$2,750,000 due at the earlier of the November 19, 2018, upon change-in-control or termination of employment by the Company without cause or by the employee with good reason. Additionally, upon termination of employment as a result of death or disability, a percentage of the Special Longevity Bonus will be paid, determined by the total cumulative days of service divided by total days of service that would have been provided through November 19, 2018. The agreement also contains non-competition and confidentiality restrictions on Mr. Marks.

In August 2004, we entered into an employment agreement with Barry M. Faber, Executive Vice President and General Counsel, which was amended and restated in November 2011. The agreement does not have any specified termination date and we have the right to terminate the employment of Mr. Faber at any time, with or without cause. Mr. Faber received a base salary for 2011 of \$669,500. Further, effective November 2011, Mr. Faber is entitled to a Special Longevity Bonus, as defined in the agreement, providing for a single lump sum cash payment of \$2,500,000 due at the earlier of the September 3, 2016, upon change-in-control or termination of employment by the Company without cause or by the employee with good reason. Additionally, upon termination of employment as a result of death or disability, a percentage of the Special Longevity Bonus will be paid, determined by the total cumulative days of service divided by total days of service that would have been provided through September 3, 2016. The agreement also contains non-competition and confidentiality restrictions on Mr. Faber.

In March 2001, we entered into an employment agreement with Lucy A. Rutishauser, Vice President / Corporate Finance / Treasurer. The agreement does not provide for any payments to Ms. Rutishauser upon termination. The agreement does not have any specified termination date and we have the right to terminate the employment of Ms. Rutishauser at any time, with or without cause. Ms. Rutishauser received a base salary for 2011 of \$309,000. The agreement also contains non-competition and confidentiality restrictions on Ms. Rutishauser.

Accounting and Tax Consideration. Section 162(m) of the Internal Revenue Code of 1986 (Section 162 (m)), does not allow publicly held companies to obtain tax deductions for compensation of more than \$1.0 million paid in any year to any employee who is treated as a Covered Employee unless such payments are qualified performance-based as defined by the applicable treasury regulations. Covered Employee

Edgar Filing: SINCLAIR BROADCAST GROUP INC - Form DEF 14A

definition, as amended by Notice 2007-49, includes the Company's CEO and any of the Company's three other most highly compensated executive officers (other than the CEO and the CFO) who are employed as of the end of the year. This limitation does not apply to certain types of compensation, such as certain commissions, qualified performance-based compensation, retirement plan contributions, stock options or stock appreciation rights provided under our 1996 Long-term Incentive Plan, as amended and excludable benefits, among others. Qualified performance-based compensation is not subject to Section 162(m)'s limitation if: 1) it was paid solely because the executive has attained one or more pre-established objective performance goals; 2) a compensation committee

Table of Contents

or sub-committee comprised solely of two or more outside directors established the performance goals; 3) the material terms of the performance goals were disclosed to and subsequently approved by the shareholders before the compensation is paid; and 4) the compensation committee certified in writing, before the compensation is paid, that the performance goals and any other materials terms were, in fact, satisfied. Under the tax rules, the Compensation Committee must be comprised solely of two or more outside directors. In 2010, we received shareholder approval of performance criteria that enables us to preclude the deduction limitation requirements pursuant to Section 162(m) in the future. In 2011, approximately \$6,613 and \$41,642 of the compensation paid to Mr. Marks and Mr. Faber, respectively, was not deductible under the Section 162(m).

As a general matter, we determine and implement compensation elements based on their alignment with our compensation philosophy and objectives and not based on any unique or preferential accounting or tax treatment.

For further information regarding Mr. Smith and Mr. Marks' cash bonuses, see the *Primary Elements of Compensation - Cash Bonus* section of the *Compensation Discussion and Analysis* above. During 2011, no other named executive officers were eligible to receive non-equity incentive plan awards.

(b) This column shows the full grant date fair value of restricted stock awards and SARs. Restricted stock award vesting is not dependent on future performance levels, rather it is dependent solely on future employment with the Company. Our common stock's closing price per share on March 22, 2011 (the grant date for all SARs and restricted stock awards) was \$12.07. The grant date fair values of the restricted stock and SARs awards were computed in accordance with FASB ASC Topic 718 and do not include estimates for forfeitures. There can be no assurance that the FASB ASC Topic 718 amounts shown in this table will ever be realized by the named executive officer. The SARs awards vested immediately. Restrictions on restricted stock granted in 2011 lapse over two years at 50% and 50%, respectively. For further information regarding restricted stock and SARs awards, see the *Primary Elements of Compensation - Long-Term Incentive Compensation* section of the *Compensation Discussion and Analysis* above. Dividends are paid on all stock awarded after the issuance of such award at the same rate and time as paid to other stockholders as declared by our Board from time to time.

Section 16(a) of the Exchange Act, requires our officers (as defined in the SEC regulations), directors and persons who beneficially own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to us, or written representations that no forms were necessary, we believe that during the past fiscal year our officers, directors and greater than ten percent beneficial owners complied with all applicable filing requirements except for the Forms 4 mentioned above.

RELATED PERSON TRANSACTIONS

In January 2007, we adopted a written related person transaction policy. Our related person transaction policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which the Company was or is to be a participant, wherein the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest. The Board of Directors has determined that certain transactions falling within the characteristics above do not create a material direct or indirect interest on behalf of the related person, and are, therefore, not deemed to be related person transactions.

The Audit Committee of the Board of Directors reviews all related person transactions and may approve or ratify the related person transaction only if the Audit Committee determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, the best interests of the Company. The Audit Committee may, in its sole discretion, impose such conditions as it deems appropriate on the Company or the related person in connection with approval of the related person transaction.

Any related person transaction previously approved by the Audit Committee or otherwise already existing that is ongoing in nature shall be reviewed by the Committee annually to ensure that such related person transaction has been conducted in accordance with the previous approval granted by the Committee, if any, and that all required disclosures regarding the related person transaction are made.

Prior to the adoption of our related person transaction policy, consistent with the Nasdaq listing standards and the Audit Committee charter, the Audit Committee reviewed or approved all related person transactions requiring disclosure under SEC regulations to the extent such transactions were entered into or amended since February 2004. Certain of the following transactions were not approved pursuant to the current related person transaction policy because they were entered into before the policy's existence.

David, Frederick, J. Duncan and Robert Smith (collectively, the controlling shareholders) are brothers and hold substantially all of our Class B Common Stock and some of our Class A Common Stock. We engaged in the following transactions with them and/or entities in which they have substantial interests.

Related Person Leases. Certain assets used by us and our operating subsidiaries are leased from Cunningham Communications Inc., Keyser Investment Group, Gerstell Development Limited Partnership and Beaver Dam, LLC (entities owned by the controlling shareholders). Lease payments made to these entities were \$4.4 million for the year ended December 31, 2011. The lease arrangement related to Beaver Dam, LLC, two lease agreements with Gerstell Development Limited Partnership for building space related to our Pittsburgh and Baltimore stations and a lease agreement with Cunningham Communications Inc. for a tower related to our Baltimore station have been approved pursuant to the current related person transaction policy. No other lease agreements have been approved pursuant to the current related person transaction policy because they were entered into before the policy was adopted.

Bay TV. In January 1999, we entered into a local marketing agreement (LMA) with Bay Television, Inc. (Bay TV), which owns the television station WTTA-TV in the Tampa / St. Petersburg, Florida market. Our controlling shareholders own a substantial portion of the equity of Bay TV. Lease payments made to Bay TV were \$2.2 million for the year ended December 31, 2011. The LMA with Bay TV has been approved pursuant to the current related person transaction policy.

Cunningham Broadcasting Corporation. We have options from trusts established by Carolyn C. Smith, a parent of our controlling shareholders, for the benefit of her grandchildren that will grant us the right to acquire, subject to applicable FCC rules and regulations, 100% of the capital stock of Cunningham Broadcasting Corporation (Cunningham) or 100% of the capital stock or assets of Cunningham's individual subsidiaries. As of December 31, 2011 Cunningham was the owner-operator and FCC licensee of: WNUV-TV, Baltimore, Maryland; WRGT-TV, Dayton, Ohio; WVAH-TV, Charleston, West Virginia; WTAT-TV, Charleston, South Carolina; WMYA-TV, Anderson, South Carolina; WTTE-TV, Columbus, Ohio; and WDBB-TV, Birmingham, Alabama (collectively, the Cunningham Stations). WDBB-TV was acquired in February 2011.

In addition to the option agreement, we entered into five-year LMAs (with five-year renewal terms at our option) with Cunningham pursuant to which we provide programming to Cunningham for airing on the Cunningham Stations. In February 2011, we entered into a LMA for WDBB-TV, which was approved pursuant to the current related person transaction policy.

Table of Contents

On October 28, 2009, we entered into amendments and/or restatements of the following agreements between Cunningham and us: (i) the LMAs, (ii) option agreements to acquire Cunningham stock and (iii) certain acquisition or merger agreements relating to the Cunningham Stations. Such amendments and/or restatements became effective on November 5, 2009.

In consideration of the new terms of the LMAs, options and other agreements, beginning on January 1, 2010 and ending on July 1, 2012, we are obligated to pay Cunningham the sum of approximately \$29.1 million in 10 quarterly installments of \$2.75 million and one quarterly payment of approximately \$1.6 million, which amounts will be used to pay off Cunningham's bank credit facility and which amounts will be credited toward the purchase price for each Cunningham station. An additional \$3.9 million will be paid in two installments on July 1, 2012 and October 1, 2012 as an additional LMA fee. The aggregate purchase price of the television stations, \$78.5 million pursuant to certain acquisition or merger agreements, will be decreased by each payment made by us to Cunningham up to \$29.1 million in the aggregate, pursuant to the foregoing transactions with Cunningham as such payments are made. Beginning on January 1, 2013, we will be obligated to pay Cunningham an annual LMA fee for the television stations equal to the greater of (i) 3% of each station's annual net broadcast revenue and (ii) \$5.0 million. The amended and/or restated LMAs and option agreements have been approved pursuant to the current related person transaction policy.

We continue to reimburse Cunningham for 100% of its operating costs, as well as pay Cunningham a monthly payment of \$50,000 through December 2012. In accordance with the effective date of the abovementioned amendments and/or restatements, the \$50,000 monthly payment will no longer reduce the option exercise price.

We made payments to Cunningham under these LMAs and other agreements of \$16.6 million for the year ended December 31, 2011. For the year ended December 31, 2011, Cunningham stations provided us with approximately \$90.3 million of total revenue.

AUDIT COMMITTEE, AUDIT FEES AND AUDITOR INDEPENDENCE

Report of the Audit Committee

The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, except to the extent that the Company incorporated it by specific reference.

The Audit Committee has received from Sinclair's independent registered public accounting firm, PricewaterhouseCoopers LLP (PwC), written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board, regarding PwC's independence, including communications between PwC and us regarding PwC's independence, and has discussed with PwC its independence. The Audit Committee has discussed whether the provision of non-audit services by PwC is compatible with maintaining PwC's independence. PwC has stated that it believes that it is in full compliance with all of the independence standards established under generally accepted auditing standards and the rules of the SEC. The Audit Committee concurs, and has approved all non-audit services provided by PwC in 2011. The Audit Committee also has discussed with PwC the matters required to be discussed by Statements on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380) and as adopted by the Public Company Accounting Oversight Board in Rule 3200T,

Communication with Audit Committees and No. 90, Audit Committee Communications including the selection of and changes in Sinclair's significant accounting policies, the basis for management's accounting estimates, PwC's conclusions regarding the reasonableness of those estimates and the disclosures included in the financial statements.

The Audit Committee met with management and representatives of PwC in connection with PwC's audit of Sinclair's consolidated financial statements and related schedule for the year ended December 31, 2011, and reviewed and discussed such financial statements with management. The Audit Committee also reviewed management's report on its assessment of the effectiveness of Sinclair's internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of Sinclair's internal control over financial reporting. Based on such review and discussion with management, and based on the Audit Committee's reviews and discussions with PwC regarding its independence and the matters required to be discussed under Statement on Auditing Standards No. 61 and No. 90, the Audit Committee recommended to the Board of Directors that the audited financial statements and management's assessment of the effectiveness of Sinclair's internal control over financial reporting be included in Sinclair's Annual Report on Form 10-K and the Board has approved that recommendation.

The Audit Committee has reviewed and discussed the fees paid to PwC during the last year for audit and non-audit services, which are set forth in the proxy statement under Disclosure of Fees Charged by Independent Registered Public Accounting Firm, and has determined that the provision of the non-audit services are compatible with PwC's independence.

The following summarizes the fees charged by PwC for certain services rendered to us during 2011 and 2010, respectively:

Pre-Approval Policy for Services of Independent Registered Public Accounting Firm

In May 2003, the Audit Committee adopted a pre-approval policy that provides guidelines for the audit, audit-related, tax and other permissible non-audit services that may be provided by the independent registered public accounting firm (the independent auditors) in order to ensure that the provision of such services does not impair the auditor's independence. Under this policy, which remains in effect, the Audit Committee annually pre-approves the audit fee and terms of the engagement, as set forth in the engagement letter, along with a specified list of audit-related and tax services. If any service to be provided by the independent auditors has not received pre-approval during this annual process, it will require specific pre-approval by the Audit Committee and the independent auditor may not begin work on any engagement without confirmation of the Audit Committee pre-approval from the Chief Accounting Officer or his or her delegate. In accordance with this policy, the Chairman of the Audit Committee has been authorized by the Committee to pre-approve any audit-related, tax or other permissible non-audit service engagements of the independent auditors.
