In determining the amount collectible under this bond for any **Loss**, all funds received and able to be lawfully retained by the **Insured** from any source whatsoever in connection with any matter from which a claimed **Loss** has arisen, including payments and receipts of principal, interest, dividends, commissions and the like, whenever received, shall be deducted from the amount actually paid out, advanced, taken or otherwise lost. The value of all property (including **Property**) received and able to be lawfully retained by the **Insured** from any source whatsoever in connection with any matter from which a claimed **Loss** has arisen, whenever received, shall likewise be deducted from the **Insured**'s claimed **Loss**. It is understood, however, that nothing in this bond shall be construed to mean that a claim is not recoverable hereunder until the amount of such deductions have been ascertained.

B) Securities

(i) If **Certificated Securities** are able to be reissued then the **Insured** may reissue them, or arrange for them to be reissued, with the prior approval of the **Insurer** (such approval shall not be unreasonably delayed or withheld) and the value of those **Certificated Securities** shall be the actual cost of their reissue plus any interest charges incurred in doing so.

(ii) To the extent that the **Limit of Liability** is not exhausted by the **Insured** in the reissuing of **Certificated Securities** in accordance with sub-clause B) (i) above, the amount of **Loss** shall also include any premium required to be paid by the **Insured** to purchase lost instrument bonds for the reissuing of duplicate **Certificated Securities** without reference to their total face value.

(iii) The amount of **Loss** shall also include any sums which the **Insured** may be required to pay either during the **Bond Period** or any time thereafter by reason of any lost instrument bonds issued or purchased by the **Insured** as referred to in sub-clause B) (ii) above.

(iv) The **Insured** shall pay the cost of obtaining such lost instrument bond referred to in sub-clause B) (iii) above for that portion of the **Loss** which falls within the applicable **Retention** or which is in excess of the **Limit of Liability** remaining available for the payment of **Loss**.

(v) The **Insurer** shall reimburse the **Insured** for the cost of obtaining such lost instrument bond referred to in sub-clause B) (iii) above for the amount of **Loss** which exceeds the applicable **Retention** and is within the **Limit of Liability**.

The basis of valuation shall include any accrued interest (including coupons), dividends and privileges up to the date of **Discovery** of the **Loss**.

If **Electronic Data** or **Computer Programs** were purchased from a third party, the valuation of such **Electronic Data** or **Computer Programs** shall include the purchase price of that **Electronic Data** or **Computer Programs** from that third party if that price is less than the cost of transcription or copying.

(ii) If **Electronic Data** cannot be reproduced and that **Electronic Data** represents:

1) securities, or other instruments having a value, then the valuation shall be as indicated in sub-clause (b), Securities above;
or

2) **Evidences of Debt**, then the valuation of such items shall be as indicated in sub-clause B), Securities above; if such **Evidences of Debt** cannot be valued as indicated in sub-clause B), Securities above, then the **Evidences of Debt** shall be valued in accordance with sub-clause H), Lending. In the event that it is not possible to value the **Evidences of Debt** as indicated in sub-clause B), Securities above or in accordance with in sub-clause H), Lending below, then the valuation of such **Evidences of Debt** shall be the actual monetary value of the debt on the day of **Discovery** of the **Loss** (or if **Discovered** during a weekend or national holiday, on the next business day);

3) **Money**, then the valuation of such **Electronic Data** shall be its actual monetary value at the time of the **Loss**. However, in the event that such **Loss** is suffered in a currency other than the currency stated in the Declarations, then the valuation of such **Electronic Data** shall be as indicated in sub-clause (h), Currency Valuation below.

E) Recording Media

The value of **Recording Media** shall be the replacement cost of **Recording Media** of the equivalent kind or quality plus the value of any **Electronic Data** or **Computer Programs** stored on such **Recording Media**, as described in sub-clause D), Electronic Data, Electronic Communications and Computer Programs above.

F) Books of Accounts and Records

The value of books of accounts or other records used by the **Insured** in the conduct of their business, shall be the cost of blank books, blank pages or other materials plus the cost of labour and computer time for the actual transcription or copying of data which shall have been furnished by the **Insured** in order to reproduce such books and other records.

G) Other Property

In the case of the loss of, damage to, or destruction of any property (including **Property**) other than as described in sub-clauses B) to F) above, the value of such property (including **Property**) shall be the actual cash value of such property (including **Property**) on the day of **Discovery** (or if **Discovered** during a weekend or national holiday, on the next business day thereafter).

H) Lending

The value of **Lending** shall be the amount of monies paid out, advanced or withdrawn by the **Insured** in relation to such **Lending** (subject always to sub-clause A), Deductions above).

I) Currency Valuation

In the event that a **Loss** is suffered in a currency other than the currency stated in the Declarations, the rate of exchange applicable thereto for the purposes of determining the valuation of **Loss** shall be the closing mid-spot rate on the London market on the day of **Discovery** of its **Loss** (or if **Discovered** during a weekend or national holiday, on the next business day thereafter).

B) In the event of payment under this bond, the **Insurer** shall be subrogated to all of the **Insured**'s rights of recovery therefore against any person or entity to the extent of such payment.

C) Recoveries, whether effected by the **Insurer** or by the **Insured** shall be applied net of the expense of such recovery first to the satisfaction of the **Insured**'s **Loss** which would otherwise have been paid but for the fact that it is in excess of either the Single or Aggregate **Limit of Liability**, secondly, to the **Insurer** as reimbursement of amounts paid in settlement of the **Insured**'s claim, and thirdly, to the **Insured** in satisfaction of any Deductible Amount. Recovery on account of **Loss** of securities as set forth in the second paragraph of Section 6 or recovery from reinsurance and/or indemnity of the **Insurer** shall not be deemed a recovery as used herein.

D) Upon the **Insurer**'s request and at reasonable times and places designated by the **Insurer** the **Insured** shall:

1) submit to examination by the **Insurer** and subscribe to the same under oath; and

2) produce for the **Insurer**'s examination all pertinent records; and

3) cooperate with the **Insurer** in all matters pertaining to the **Loss**.

E) The **Insured** shall execute all papers and render assistance to secure the **Insurer**'s rights and causes of action provided for herein. The **Insured** shall do nothing after discovery of **Loss** to prejudice such rights or causes of action.

If the coverage of this bond supersedes in whole or in part the coverage of any other bond or policy of insurance issued by an Insurer other than the **Insurer** and terminated, cancelled or allowed to expire, the **Insurer**, with respect to any loss sustained prior to such termination, cancellation or expiration and discovered within the period permitted under such other bond or policy for the discovery or loss there under, shall be liable under this bond only for that part of such **Loss** covered by this bond as is in excess of the amount recoverable or recovered on account of such **Loss** under such other bond or policy, anything to the contrary in such other bond or policy notwithstanding.

This bond shall apply to loss of **Property** (1) owned by the **Insured**, (2) held by the **Insured** in any capacity, or (3) for which the **Insured** is legally liable. This bond shall be for the sole use and benefit of the **Insured** named in the Declarations.

The **Insured** shall, in the time and in the manner prescribed in this bond, give the **Insurer** notice of any **Loss** of the kind covered by the terms of this bond, whether or not the **Insurer** is liable thereof, and upon the request of the **Insurer** shall file with it a brief statement giving the particulars concerning such **Loss**.
