The number of shares of Common Stock reserved and available for issuance under the Plan is subject to an automatic annual increase on each January 1, beginning in 2014, by an amount equal to two and a half percent of the number of shares of Common Stock issued and outstanding on the immediately preceding December 31 or such lesser number of shares of Common Stock as determined by the Administrator (as defined in the Plan). Accordingly, on January 1, 2016, the number of shares of Common Stock reserved and available for issuance under the Plan increased by 562,973. This Registration Statement registers these additional 562,973 shares of Common Stock. The additional shares are of the same class as other securities relating to the Plan for which the Registrant's registration statement filed on Form S-8 (Registration No. 333-189738) on July 1, 2013, is effective.
