Yes No

Ad-Hoc Notice

February 10, 2016

Mobile TeleSystems PJSC (NYSE:MBT; MOEX: MTSS), the leading telecommunications provider in Russia, Central and Eastern Europe, announces that it has signed a binding agreement with MTS Bank PJSC (MTS Bank), through which it will acquire 946,347 ordinary shares of the Bank s additional shares issuance for RUB 1.3 bln. Upon completion of the transaction, MTS s ownership stake in the bank will remain 26.4%.

Earlier today, Sistema JSFC (Sistema LSE: SSA), a publicly-traded diversified holding company and largest shareholder of both MTS and MTS Bank, has similarly announced the signing of a binding agreement with MTS Bank to acquire 2,641,957 ordinary shares of the Bank s additional shares issuance for RUB 3.7 bln. Thus, Sistema and MTS are participating in the additional share issuance of MTS bank in proportion to their current direct ownership stakes.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
