Explanatory Note

**SUPPLEMENT TO PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS OF
AXCELIS TECHNOLOGIES, INC.
TO BE HELD ON MAY 4, 2016**

On or about March 18, 2016, Axcelis Technologies, Inc. (the "Company") made available a proxy statement (the "Proxy Statement") to its stockholders in connection with its 2016 Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held at the offices of Locke Lord LLP, 111 Huntington Avenue, Boston, Massachusetts, at 1:00 p.m. EST on Wednesday, May 4, 2016. The Company's Board of Directors has fixed the close of business on March 11, 2016 as the record date for determination of the stockholders entitled to vote at the Annual Meeting or any adjournment thereof. This Proxy Statement Supplement (the "Supplement") amends and supplements the Proxy Statement.

Proposal 4 in the Proxy Statement requests that the Company's stockholders authorize the Board of Directors to implement a one-for-four reverse stock split by approving an amendment to the Company's Amended and Restated Certificate of Incorporation. On April 11, 2016, the Company's Board of Directors modified the proposal to amend the Company's Certificate of Incorporation so that, concurrently with the proposed reverse split of the Company's common stock, the number of authorized shares of Common Stock would be reduced proportionally. This would result in the reduction of the number of shares of authorized Common Stock from 300,000,000 to 75,000,000. As a result of this reduction in the authorized common stock, the proportion of authorized and unissued shares (which could be issued by the Board of Directors in the future) to the total authorized shares would remain the same after the reverse split as prior to the reverse split.

Except as described above, the proposal to authorize the Board of Directors to implement a one-for-four reverse stock split of the Company's Common Stock as described in the Proxy Statement remains unchanged. **The Board of Directors continues to recommend unanimously that the stockholders vote FOR the proposals listed in the Proxy Statement, as supplemented.**

Voting Procedures

You do not have to take any action if you have previously voted your shares on the Annual Meeting proposals and do not wish to change your vote on any proposal. If you are a registered holder and have already voted your shares on the Annual Meeting proposals and wish to change your vote on any proposal, you may revoke your proxy before it is voted at the Annual Meeting by (i) using the Internet (www.investorvote.com/acls), (ii) calling the toll-free number 1-800-652-VOTE (8683), (iii) filing with our Corporate Secretary, Lynnette C. Fallon, a written revocation or a duly executed proxy card bearing a later date or (iv) attending the Annual Meeting and voting in person. Authorizations submitted over the Internet or by telephone must be received by 1:00 a.m., Eastern Time, on May 4, 2016.

Edgar Filing: AXCELIS TECHNOLOGIES INC - Form DEFA14A

If the shares you own are held in street name by a bank or brokerage firm and you wish to change your vote on any proposal, please follow the voting instruction form provided to you by such bank or brokerage firm. If your shares are held in a brokerage account, you must make arrangements with your broker or bank to revoke your proxy.

If you have not already voted your shares on the Annual Meeting proposals, you are urged to vote using one of the methods described in the Proxy Statement as soon as possible, even if you plan to attend the Annual Meeting. Voting in advance will not prevent you from voting in person if you attend the Annual Meeting, but will ensure that your vote is counted if you are unable to attend the Annual Meeting. The information contained in this Supplement should be read in conjunction with the Proxy Statement. There is no change in the time or place of the Annual Meeting or the record date to determine stockholders entitled to notice of and to vote at the Annual Meeting.
