Item 8.01. Other Events.

On January 3, 2018, the Company issued a press release announcing that PHH Mortgage entered into a settlement agreement with a multistate coalition of certain mortgage banking regulators (the MMC) and consent orders with certain state attorneys general to resolve and close out findings of the MMC examination of PHH Mortgage's legacy mortgage servicing practices. The settlements cover mortgage loan

servicing practices, including foreclosure activities, occurring between January 1, 2009 and December 31, 2012 (the Settlement Period). PHH Mortgage did not admit any liability under the terms of the settlements.

PHH Mortgage will pay approximately \$45 million in the aggregate in connection with the settlements, consisting of \$31.5 million in payments to certain borrowers who were referred or subject to foreclosure proceedings during the Settlement Period, an administrative penalty of \$8.8 million and a \$5.0 million payment to the investigating state attorneys general for fees, fines and investigative costs and expenses. The settlement amount is included in the

Company's recorded liability as of September 30, 2017. The Company expects the portion of the settlement amount representing payments made to borrowers to be tax deductible.

In addition, under the terms of the settlements, PHH Mortgage agreed to comply with certain servicing standards, to conduct testing of compliance with such servicing standards for a period of three years, and to report to the MMC regarding the same. The Company does not expect to incur material costs in connection with the administration of the settlement terms, including in complying with the servicing standards.
