IMPORTANT NOTICE
Re: <u>Aberdeen Chile Fund, Inc.</u>
Dear Shareholder:
Recently the Aberdeen Chile Fund, Inc. announced an extremely important initiative regarding the consolidation of several closed-end funds with the Aberdeen Chile Fund (the Fund) and a change to the investment strategy, which is described in the Fund s proxy statement dated December 27, 2017. This consolidation project is anticipated to result in several benefits to Fund shareholders including, among others, a lowe operating expense ratio, greater secondary market liquidity, better trade execution for shareholders and possible improved premium/discount levels.
Following the consolidation, the Fund will commence a tender offer for its shares. It is expected that assets distributed in the tender offer, together with accrued capital gains to be distributed in 2018, will aggregate up to a maximum distribution of 50%, and not less than 40%, of the net assets of the Fund post-consolidation. For more information about the consolidation and potential benefits, please review the Fund s proxy statement available at CH Proxy Statement. In order to proceed with this consolidation, the Fund is required to seek consent from you.
