

Item 1.01 Entry into a Material Definitive Agreement.

On January 8, 2014, Public Service Company of New Mexico (“PNM”), a wholly-owned subsidiary of PNM Resources, Inc., entered into a new \$50 million unsecured revolving credit facility (the “New PNM Facility”) by and among PNM, the lenders identified therein, U.S. Bank National Association, as Administrative Agent, and BOKF, NA dba Bank of Albuquerque, as Syndication Agent. The nine participating lenders are all banks that have a significant presence in New Mexico and PNM’s service territory or are headquartered in New Mexico.

The New PNM Facility allows PNM to borrow, repay and reborrow, from time to time, up to \$50 million and will be used for general corporate purposes (including, but not limited to, working capital and capital expenditures). The New PNM Facility expires on January 8, 2018, at which time any borrowings must be repaid. PNM must pay interest and fees from time to time based on the then-current long term senior unsecured non-credit enhanced debt ratings. Borrowings are conditioned on the ability of PNM to make certain representations.

The New PNM Facility includes customary covenants, including requirements to maintain a maximum consolidated debt-to-consolidated capitalization ratio. The New PNM Facility includes customary events of default and has a cross default provision and a change of control provision. If an event of default occurs, the Administrative Agent may, or upon the request and direction of lenders holding a specified percentage of the commitments shall, terminate the obligations of the lenders to make loans under the credit facility, and/or declare the obligations outstanding under the facility to be due and payable. Such termination and acceleration will occur automatically in the event of an insolvency or bankruptcy default.

The description of the New PNM Facility is not complete and is qualified in its entirety by reference to the entire New PNM Facility, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

The Administrative Agent and Syndication Agent perform normal banking (including as lenders under PNM's \$400 million unsecured revolving credit facility, dated as of October 31, 2011) and investment banking and advisory services from time to time for PNM and its affiliates, for which they receive customary fees and expenses.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information required by this item is included in Item 1.01 and incorporated herein by reference.
