Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 11, 2015, the Board of Directors (the "Board") of IPG Photonics Corporation (the "Company") approved amendments (the "Amendments") to the IPG Photonics Corporation Non-Employee Directors Stock Plan, as amended (the "Directors Plan").

The Company maintains the IPG Photonics Corporation 2006 Incentive Compensation Plan, as amended and restated effective June 2, 2015 (the "2006 Plan"). The Board previously approved the amendment and restatement of the 2006 Plan to, among other things, transfer shares of the Company's common stock from the previously authorized share pool of the Directors Plan. The stockholders of the Corporation approved such amendment and restatement of the 2006 Plan at the Company's 2015 annual meeting of stockholders.

The Board, on September 11, 2015, amended the Directors Plan to merge the Directors Plan into the 2006 Plan, and to transfer into the 2006 Plan the 194,919 shares of Common Stock originally authorized and approved for issuance, but not awarded, under the Directors Plan.

The foregoing summary of the Amendments does not purport to be complete and is qualified in its entirety reference to the complete copy of the Amendments, which is attached hereto as Exhibit 10.1 to this Current Report and is incorporated herein by reference.

Item 8.01 Other Events

Certain directors and officers of IPG Photonics Corporation (the “Company”) adopt from time to time pre-arranged trading plans (each, a “Plan”) designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and the Company’s policies regarding stock transactions. Under Rule 10b5-1, directors, officers and other persons who are not in possession of material non-public information may adopt a plan or contract for pre-arranged sales of Company securities under specified conditions and at specified times. Using these Plans, insiders can gradually diversify their investment portfolios, spread stock trades out over an extended period of time to reduce market impact and avoid concerns about transactions occurring at a time when they might possess inside information. The Plan adopted by Dr. Eugene Scherbakov, Senior Vice President, Europe and a member of the Board of Directors, provides for the sale of up to 8,312 shares over a period ending May 2016, unless terminated sooner in certain circumstances. Of these shares, 8,312 shares would be acquired through the exercise of stock options. Shares would be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by Thomas Burgomaster, Vice President, Corporate Controller and Treasurer, provides for the sale of up to 7,368 shares over a period ending September 2016, unless terminated sooner in certain circumstances. Of these shares, 1,731 shares would be acquired through participation in the IPG Photonics Employee Stock Purchase Plan while the remainder would be acquired through the exercise of stock options. Shares would be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by Timothy P.V. Mammen, Senior Vice President, Chief Financial Officer, provides for the sale of up to 25,000 shares over a period ending June 2016, unless terminated sooner in certain circumstances. Of these shares, 25,000 shares would be acquired through the exercise of stock options. Shares would be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Company does not undertake to report Plans that may be adopted by any directors or officers of the Company in the future, or to report any modification or termination of any Plan, except to the extent required by law.
