PRESS RELEASE

Interim Payment to Shareholders

(Rio de Janeiro, January 8, 2003) PETRÓLEO BRASILEIRO S.A. PETROBRAS, [BOVESPA: PETR3/PETR4, NYSE: PBR/PBRA, LATIBEX: XPBR/XPBRA], Brazil's biggest oil & gas, petrochemicals and energy company announces to its shareholders that will be paid on January 13, 2003 the interim payment to shareholders in the form of interest on capital, on a gross value of R\$ 1.00 for each common and preferred share. This payment is subject to 15% (fifteen percent) withholding tax at source, except for immune or exempt shareholders, on the basis of the November 12, 2002 shareholding position. This value will be restated in accordance with the variation in the Selic Rate for the period from December 31, 2002 to the payment date.

Payments will be effected by BANCO ITAÚ S.A.

The interim payment corresponding to those shares held with the STOCK EXCHANGE FUNDGIBLE CUSTODY SERVICE, will be credited to the appropriate Stock Exchanges, which, through member BROKERS acting as clearing agents, will be responsible for transferring funds to the shareholders.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
