NEWS RELEASE

**CLOSING OF U.S. CABLE SALE
AND REDEMPTION OF STAR CHOICE NOTES**

Calgary, Alberta, June 26, 2003 Shaw Communications Inc. (Shaw) today announced it anticipates to close, on June 30, 2003, its previously announced transactions to sell its Florida and Texas based cable assets to Bright House Networks, LLC and Cequel III, respectively. Gross proceeds amount to approximately U.S. \$197 million. The combined assets represent approximately 71,000 subscribers and contribute approximately U.S. \$17 million of operating income before amortization to Shaw.

Shaw currently intends to apply the net proceeds from the sales to redeem U.S.\$150 million of senior secured notes issued by Star Choice Communications Inc. (Star Choice) and to pay down bank debt. The Star Choice notes, which were issued in December, 1997, bear interest at 13% per annum and are otherwise scheduled to mature on December 15, 2005. The notes are currently callable at 106.5% of the issue price of U.S.\$150 million. The effect of receiving the sale proceeds and applying them to redeem the Star Choice notes and bank debt will be to reduce Shaw's interest expense by approximately Cdn. \$26 million per year. Star Choice expects to issue formal notice of the redemption to the holders of the Star Choice notes in mid-July.

Shaw Communications Inc. is a diversified Canadian communications company whose core business is providing broadband cable television, Internet and satellite direct-to-home (DTH) services to approximately 2.9 million customers.
