We are registering 65,000 shares of our common stock, par value of \$.0001 per share. Each holder of our common stock is entitled to one vote per share of common stock standing in such holder's name on our records on each matter submitted to a vote of our stockholders, except as otherwise required by law. Holders of our common stock do not have cumulative voting rights so that the holders of more than 50% of the combined shares of our common stock voting for the election of directors may elect all of the directors if they choose to do so and, in that event, the holders of the remaining shares of our common stock will not be able to elect any members to our board of directors. Holders of our common stock are entitled to equal dividends and distributions, per share, when, as and if declared by our board of directors from funds legally available. Holders of our common stock do not have pre-emptive rights to subscribe for any of our securities nor are any shares of our common stock redeemable or convertible into any of our other securities. If we liquidate, dissolve or wind up our business or affairs, our assets will be divided up pro-rata on a share-for-share basis among the holders of our common stock after creditors and preferred shareholders, if any, are paid.

(b) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement.

(c) That for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) We hereby undertake that, for the purposes of determining any liability under the Securities Act of 1933, as amended, each filing of our Annual Report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers, and controlling persons of Cycle Country Accessories Corp. pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by us of expenses paid or incurred by a director, officer or controlling person of us in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
