PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the board of directors (the "Board of Directors") of Bluefly, Inc., a Delaware corporation (the "Company"), of proxies to be used at the annual meeting of stockholders of the Company to be held at 9:00 a.m., local time, on May 29, 2008 at the Company's offices at 42 West 39th Street, 9th Floor, New York, New York, and at any adjournment thereof. The purposes of the meeting are:

1. To elect ten directors of the Company to hold office until the next annual meeting of stockholders.
2. To approve the conversion provisions of certain convertible promissory notes (the "Note Conversion Provisions").
3. To transact such other business as may properly come before the meeting.

If proxy cards in the accompanying form are properly executed and returned, the shares of the Company's Common Stock, \$.01 par value per share (the "Common Stock"), and shares of the Company's Series F Preferred Stock, par value \$.01 per share (the "Series F Preferred Stock," and, together with the Common Stock, the "Voting Stock"), represented thereby will be voted as instructed on the proxy card. If no instructions are given, such shares will be voted (i) for the election as directors of the nominees of the Board of Directors named below; (ii) for the approval of the Note Conversion Provisions; and (iii) in the discretion of the proxies named in the proxy card on any other proposals to properly come before the meeting or any adjournment thereof. Any proxy may be revoked by a stockholder of record prior to its exercise upon written notice to the Secretary of the Company, or by the vote of such stockholder cast in person at the meeting. The approximate date of mailing of this Proxy Statement and accompanying form of proxy card is April 29, 2008.

The Company effected a 1-for-10 reverse stock split of its Common Stock on

Edgar Filing: BLUEFLY INC - Form PRE 14A

April 3, 2008. All share numbers in this Proxy Statement are presented after giving effect to the reverse stock split, despite the fact that such split did not occur until after the end of the 2007 fiscal year.

VOTING

Holders of record of Voting Stock as of the close of business on April 25, 2008 (the "Record Date") will be entitled to vote at the meeting or any adjournment thereof. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the stockholders at the meeting. Each share of Series F Preferred Stock entitles the holder thereof to the number of votes equal to the number of shares of Common Stock (rounded up to the nearest whole number) into which such share is convertible as of the Record Date. As of the Record Date, each share of Series F Preferred Stock was convertible into approximately 121.95 shares of Common Stock and, therefore, entitles the holder thereof to 122 votes on all matters to come before the meeting. None of the Voting Stock is entitled to cumulative voting.

Holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum for the transaction of business. As of the Record Date, there were 13,276,998 shares of Common Stock outstanding, each entitled to one vote and 571 shares of Series F Preferred Stock, each entitled to 122 votes. The total number of votes entitled to be cast at the meeting is, therefore, 13,346,660. Abstentions and so-called "broker non-votes" (instances in which brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy) are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

The favorable vote of a plurality of the votes cast by holders of shares of Voting Stock, present in person or represented by proxy at the meeting, voting together as a class, is necessary to elect the nominees for the directors of the Company. The favorable vote of a majority of the votes cast by holders of shares of Voting Stock, present in person or represented by proxy at the meeting, voting together as a class, is necessary to approve the Note Conversion Provisions.

Abstentions and broker non-votes will not be counted as votes cast with respect to, and therefore will have no effect on, any of the matters. The Board of Directors recommends a vote FOR each of the proposals set forth above.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Ten directors are to be elected at the meeting to serve until the next annual meeting of stockholders. The Board of Directors has recommended the persons named in the table below as nominees for election as directors. All such persons are presently directors of the Company. Unless otherwise specified in the accompanying proxy, the shares voted pursuant to it will be voted for the persons named below as nominees for election as directors. If, for any reason, at the time of the election, any of the nominees should be unable or unwilling to accept election, such proxy will be voted for the election, in such nominee's place, of a substitute nominee recommended by the Board of Directors. However, the Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve as a director.

CORPORATE GOVERNANCE

The Board of Directors reviewed the independence of each of the Company's directors in March 2008 on the basis of the standards adopted by Nasdaq. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under the Nasdaq rules. As a result of this review, the Board of Directors affirmatively determined that each of the Company's directors other than Ms. Payner and Mr. Erdos are "independent directors" within the meaning of the Nasdaq rules.

During the fiscal year ended December 31, 2007, the Board of Directors met 5 times and acted by unanimous written consent 4 times. Each of the director attended 75% or more of the aggregate number of meetings of the Board of Directors and committee(s) on which he or she served during the 2007 fiscal year except for Ms. Jackson, who only attended 67% of the total meetings. The Company does not have a policy with regard to the attendance by directors at the Company's annual meeting of stockholders. Ms. Payner and Mr. Wassong attended last year's annual meeting of stockholders.

The Board of Directors has established an Audit Committee ("Audit Committee") in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee is comprised of Anthony Plesner, Chris McCann and Martin Miller. Mr. Plesner acts as Chairman of the Audit Committee. The Audit Committee is responsible for the appointment of the Company's outside accountants, examining the results of audits, reviewing internal accounting controls and reviewing related party transactions. The duties of the Audit Committee are fully set forth in the charter adopted by that committee, a copy of which is filed as Annex A to this Proxy Statement. The Board has determined that Mr. Plesner is an "audit committee financial expert," as defined by Item 407(d) of Regulation S-K of the Exchange Act, and that each member of the Audit Committee is "independent," as required by the Exchange Act and the Nasdaq Marketplace Rules (the "Nasdaq Rules"). During the fiscal year ended December 31, 2007, the Audit Committee met 4 times and did not act by unanimous written consent.

The Compensation Committee has three members, consisting of Neal Moszkowski, Lawrence Zigerelli and Riad Abrahams, and met 1 time and acted by unanimous written consent 5 times in fiscal 2007. The Compensation Committee is comprised solely of non-employee Directors, all of whom the Board has determined are independent pursuant to the Nasdaq Rules. The Compensation Committee does not have a written charter.

The Compensation Committee's responsibilities include, among other duties, the responsibility to:

- o establish the base salary, incentive compensation and any other compensation for the officers of the Company;
- o monitor the Company's management incentive and stock based compensation plans,

Edgar Filing: BLUEFLY INC - Form PRE 14A

retirement and welfare plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and

o perform other functions or duties deemed appropriate by the Board of Directors.

The agenda for meetings of the Compensation Committee is determined by its Chairman. The Compensation Committee reports directly to the Board of Directors. The Compensation Committee has the authority to engage and from time to time has engaged independent consultants to advise on particular aspects of compensation.

The Compensation Committee has authority to retain, terminate and approve fees for advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities. The Compensation Committee reviews the total fees paid to outside consultants by the Company to ensure that the consultant maintains its objectivity and independence when rendering advice to the Compensation Committee.

4

The Board of Directors also established a Nominating and Governance Committee ("Nominating Committee"), consisting of Barry Erdos and Anthony Plesner. The purposes of the Nominating Committee are to assist the Board of Directors by identifying individuals qualified to become directors, and setting criteria for, and evaluating, candidates for director nominees, and to recommend to the Board of Directors the director nominees for election at the annual meetings of stockholders or for appointments to fill vacancies; recommend to the Board of Directors nominees for each committee of the Board; advise the Board of Directors about appropriate composition of the Board and its committees; advise the Board of Directors about and recommend to the Board of Directors appropriate corporate governance practices and to assist the Board of Directors in implementing those practices; lead the Board of Directors in its annual review of the performance of the Board of Directors and its committees; and perform such other functions as the Board of Directors may assign to it from time to time. The duties of the Nominating Committee are fully set forth in the charter adopted by that committee, a copy of which was included as Annex B to this Proxy Statement. The Nominating Committee met one time during 2007 and did not act by unanimous written consent during 2007.

The Nominating Committee will consider many factors when evaluating candidates for the nomination to the Board of Directors, with the goal of fostering a Board of Directors comprised of directors with a variety of experience and backgrounds. Important factors that will be considered as part of the Nominating Committee's evaluation include (without limitation) diversity, skill, specialized expertise, experience, business acumen, understanding of strategy and policy-setting. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board of Directors, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board of Directors should have the highest character and integrity and sufficient time to devote to Company matters.

The Nominating Committee will consider persons recommended by stockholders as candidates for nomination as a director. In evaluating such nominations, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish

Edgar Filing: BLUEFLY INC - Form PRE 14A

to nominate a person for election to the Board of Directors themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board of Directors, must comply with applicable law.

Communication by stockholders may be made to any or all of the members of the Board of Directors by writing directly to them c/o Bluefly, Inc., 42 West 39th Street, New York, New York 10018. All such communications will be relayed to the appropriate members of the Board of Directors.

The Company has adopted a Code of Ethics applicable to all directors, officers and employees, which meets the requirements of a "code of ethics" as defined in Item 406 of Regulation S-K, and maintains procedures for the confidential, anonymous submission by employees of complaints regarding the Company's accounting, internal accounting controls, auditing matters and other issues. A copy of the Company's code of ethics is available on the Company's Web site at www.bluefly.com. Any amendment to or waiver of a provision of the code of ethics that applies to the Company's principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions and relates to elements of the code specified in the rules of the Securities and Exchange Commission will be posted on the Web site.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee met and held discussions with management and PricewaterhouseCoopers LLP ("PwC"). The Audit Committee reviewed and discussed the audited financial statements for fiscal 2007 with management and has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The Company's independent registered public accounting firm also provided to the Audit Committee certain written communications and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee also discussed with the independent registered public accounting firm their independence from the Company.

5

Based on the Audit Committee's review and discussions described above, the Audit Committee recommended to the Board that the Company's audited financial statements for fiscal 2007 be included in the Company's Annual Report on Form 10-K for fiscal 2007 filed with the Securities and Exchange Commission.

Employment Agreements

Melissa Payner

On November 14, 2006, the Company entered into a thirty-six (36) month employment agreement (the "Payner Agreement") with Melissa Payner providing for her continued service as its Chief Executive Officer and a member of our Board of Directors. The Payner Agreement was effective as of July 1, 2006 and replaced Ms. Payner's prior employment agreement, which would have expired on March 1, 2007. Under the Payner Agreement, Ms. Payner is entitled to an annual base salary of \$500,000, subject to increases in the sole discretion of the Compensation Committee. She is also eligible to receive an annual performance

Edgar Filing: BLUEFLY INC - Form PRE 14A

bonus based upon the achievement of certain targets to be set for each fiscal year by the Compensation Committee in its sole discretion. The Payner Agreement provided for the grant to Ms. Payner of: (i) a restricted stock award under the Plan for 59,125 shares of Common Stock, plus a cash bonus of approximately \$394,686 intended to compensate her for the income taxes payable on such restricted stock award, in exchange for Ms. Payner forfeiting her right to certain fully vested and out-of-the-money stock options that would have been exercisable to purchase an aggregate of 166,522 shares of Common Stock, (ii) a deferred stock unit award under the Plan for and representing 12,690 underlying shares of Common Stock, in exchange for Ms. Payner forfeiting her right to certain unvested and out-of-the-money stock options that would have been exercisable to purchase an aggregate of 23,478 shares of Common Stock, and (iii) a deferred stock unit award under the Plan for and representing 420,183 shares of Common Stock. The foregoing equity awards, together with stock options previously granted to Ms. Payner, represent approximately 3% of the Company's equity, inclusive of management equity awards and stock options. The restricted stock award referred to in the foregoing clause (i) vested in full on January 1, 2007. A portion of the deferred stock unit awards referred to in the foregoing clauses (ii) and (iii) vest over a one-year period, with the remainder vesting over either a two or three year period. If Ms. Payner's employment is terminated without cause (as defined in the Payner Agreement) or through a constructive termination (as defined in the Payner Agreement), all equity benefits previously granted, including stock options, restricted stock awards and deferred stock unit awards shall be deemed fully vested as of the date of termination, and she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for a period of twelve (12) months from the date of termination and the reimbursement of the cost of maintaining (or the Company shall maintain) in effect the medical and dental insurance, disability and hospitalization plans, and life insurance policies in which Ms. Payner participates for a period of one-year from the date of termination.

In the event of a change of control (as defined in the Payner Agreement), any unvested stock options, restricted stock awards and one-half of any deferred stock unit awards granted to Ms. Payner which are outstanding as of the date of the change of control and have not yet vested (the "Payner COC Unvested DSUs") shall be deemed fully vested as of the date of the change of control. The remaining one-half of the Payner COC Unvested DSUs shall vest on the earliest to occur of: (a) the scheduled vesting date and (b) twelve (12) months from the date of the change of control. In the event that Ms. Payner would be subject to tax under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), the payments to her under the Payner Agreement will be reduced to the maximum amount that she could receive without being subject to such tax.

13

The Payner Agreement provides Ms. Payner with a monthly housing allowance of \$4,000 and an annual allowance of approximately \$27,500 for life insurance and supplemental disability insurance. Ms. Payner is subject to certain covenants under the Payner Agreement, including a non-competition covenant covering the term of her employment and an additional period of eighteen (18) months thereafter.

Patrick C. Barry

On January 28, 2008 (the "Effective Date"), Mr. Barry resigned from his position as an executive officer of the Company. In connection therewith, the Company and Mr. Barry terminated his previous employment agreement and entered into an employment agreement (the "Barry Agreement") with Mr. Patrick Barry providing for Mr. Barry's continued service with the Company as a non-executive

Edgar Filing: BLUEFLY INC - Form PRE 14A

employee. The term of the Barry Agreement commences on the Effective Date and ends on May 2, 2008, unless both parties agree to extend the term. Pursuant to the Barry Agreement, Mr. Barry is entitled to continuation of his current salary of \$350,000 per year through May 2, 2008. During the term of the Barry Agreement, Mr. Barry is also entitled to benefits (other than equity grants) comparable in the aggregate to the benefits which Mr. Barry received from the Company as of the Effective Date, including an appropriately prorated portion of the life and disability insurance allowance of \$1,458.33 per month. Provided that (a) Mr. Barry does not voluntarily terminate employment prior to May 2, 2008 or (b) the Company does not terminate Mr. Barry employment for Cause (as defined in the Barry Agreement) then upon his termination of employment with the Company, Mr. Barry will receive a severance payment equal to nine (9) months salary. Mr. Barry shall also receive an insurance allowance of \$17,500 which shall be payable over a twelve (12) month period. In addition, the Company shall maintain in effect, or reimburse Mr. Barry for the cost of maintaining, the medical and dental insurance and disability and hospitalization plans of the Company as well as any Company sponsored life insurance policy in which Mr. Barry participates as of the date of termination for a period of one year from the date of termination. Mr. Barry's unvested stock options that have been granted to Mr. Barry which are outstanding as of the date of termination shall be deemed fully vested as of the date of termination and such stock options shall be exercisable for a period equal to the lesser of (i) one year from the date of Mr. Barry's termination or (ii) the remaining term of the applicable vested stock option. The shares underlying any deferred stock units that have vested through the termination date, shall be delivered to Mr. Barry six (6) months and one day thereafter and any deferred stock units that have not yet vested as of the date of termination shall be forfeited by Mr. Barry.

Bradford Matson

In September 2005, the Company entered into an Employment Agreement with Bradford Matson (the "Matson Agreement"). Pursuant to the terms of the Matson Agreement, the Company retained the services of Mr. Matson as the Chief Marketing Officer of the Company for a term of approximately three years and agreed to pay him a base salary of \$350,000 per year (subject to discretionary annual increases). The Matson Agreement provided that Mr. Matson was entitled to receive a minimum bonus of \$50,000 for the year ended December 31, 2006, and a discretionary bonus for all other years of the agreement. Mr. Matson's actual bonus for the year ended December 31, 2006 was \$60,000. Pursuant to the Employment Agreement, the Company also paid for certain relocation expenses and allowances in 2005. In addition, pursuant to the terms of the Matson Agreement, Mr. Matson was issued options to purchase 40,000 shares of the Company's Common Stock (the "Options") under the Plan. In February 2007, Mr. Matson exchanged the Options for 5,168 shares of restricted stock (which vested in full in February 2008) and 18,506 deferred stock units (a portion of which vest in quarterly installments over two years, and a portion of which vest in quarterly installments over three years) pursuant to the terms of the Company's Offer to Exchange, dated January 25, 2007. Under the terms of the Employment Agreement, if Mr. Matson is terminated without cause or constructively terminated, he is entitled to severance payments equal to six months of his base salary.

In April 2008, the Matson Agreement was amended and restated, extending the term through March 31, 2011. Pursuant to the amended and restated agreement, the Company agreed that, in the event that, prior to December 31, 2008, Mr. Matson opts to terminate his employment by providing the Company with 30 days' written notice and an effective termination date occurring after December 31, 2008, he shall receive a bonus of \$116,555 as part of the first regularly scheduled payroll of 2009 in lieu of any other bonuses that would have been paid for the 2008 year. In the event that Matson does not so terminate his employment he will be eligible to receive a bonus for the 2008 year as determined by the Compensation Committee. In addition, for the months from May 2008 through December 2008, the Company will pay up to \$9,500 per month for appropriate

monthly temporary housing, and will pay Matson a monthly "gross-up" bonus to compensate for any taxes due on such housing allowance.

Edgar Filing: BLUEFLY INC - Form PRE 14A

corporation resulting from such Business Combination (the "Surviving Corporation"), or (y) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of sufficient voting securities eligible to elect a majority of the directors of the Surviving Corporation (the "Parent Corporation"), is represented by the Outstanding Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which the Outstanding Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of the Company's Voting Securities among the holders thereof immediately prior to the Business Combination, (B) no person or entity (other than Soros or any employee benefit plan sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of thirty percent (30%) or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Board members at the time of the Board's approval of the execution of the initial agreement providing for such Business Combination.

The dollar values in the table assume that the benefit of acceleration of the deferred stock units equals the closing sale price of the Common Stock on December 31, 2007 (\$7.50 after giving effect to the reverse stock split) multiplied by the number of shares of Common Stock subject to unvested deferred stock units held by Ms. Payner at December 31, 2007. - (4) Mr. Erdos was appointed as the Company's President and Chief Operating Officer in January 2008 and accordingly no longer receives separate compensation for his service as a director. However, Mr. Erdos did not hold such positions during 2007, and therefore received compensation for his service as a director during 2007.
- (5) Mr. Gross resigned as a director of the Company in March 2008.

The Company's independent, outside non-employee directors (other than the directors who are designated under the Company's Voting Agreement with Soros, Maverick and Prentice) are paid a cash stipend of \$1,500 for each board or committee meeting attended in person (and, in the case of the Audit Committee Chairman, \$2,000 per audit committee meeting) and are reimbursed for expenses incurred on behalf of the Company. In addition, each such director is paid an annual retainer of \$10,000 at the first regularly scheduled Board meeting of each fiscal year. The maximum

Edgar Filing: BLUEFLY INC - Form PRE 14A

aggregate stipend and retainer paid to any such director in a year is \$16,000 (or, in the case of the Audit Committee Chairman, \$18,000).

Under the terms of the Plan, each non-employee director (including the directors designated under the Voting Agreement by Soros, Maverick and Prentice) receives a restricted stock grant of 1,125 shares of Common Stock (1,875 shares in the case of the Chairman of the Board and 1,500 shares in the case of the Chairman of the Audit Committee) at the time of the first regularly scheduled Board meeting after such director is appointed to the Board of Directors and an annual restricted stock grant of 750 shares of Common Stock (1,500 shares in the case of the Chairman of the Board and 937 shares in the case of the Chairman of the Audit Committee) at the first regularly scheduled Board meeting of each fiscal year (even if such director is receiving a restricted stock grant in connection with his or her appointment at such meeting). All such restricted stock grants vest on the one year anniversary of the date of grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by Securities and Exchange Commission regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on review of the copies of such reports furnished to us during or with respect to fiscal 2007, or written representations that no Forms 5 were required, we believe that during the fiscal year ended December 31, 2007 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with.

Certain Relationships and Related Transactions

Review and Approval of Related Person Transactions

Our Code of Ethics and Standards of Business Conduct applies to all directors and employees (including our named executive officers). Under the Code of Ethics and Standards of Business Conduct, all employees are required to take all reasonable efforts to identify actual or potential conflicts of interest between Company interests and their personal or professional relationships and to bring such conflicts to the attention of the Company's counsel. Members of the Board of Directors who have any personal interest in a transaction upon which the Board of Directors passes are required to disclose such interest to the other directors and to recuse themselves from participation in any decision in which there is a conflict between their personal interests and our interests.

Our Audit Committee reviews any related party transaction and transactions involving conflicts of interest with officers and directors whenever possible in advance of the creation of such transaction or conflict, unless either the Compensation Committee or a another committee of the Board of Directors, consisting of independent directors has previously reviewed such transaction.

Related Person Transactions

Subordinated Debt Financing Commitment

In March 2008, we entered into an agreement (the "Commitment") with affiliates of Soros Fund Management LLC ("Soros") and private funds associated

Edgar Filing: BLUEFLY INC - Form PRE 14A

with Maverick Capital, Ltd. ("Maverick") pursuant to which they agreed to provide up to \$3 million of debt financing to us, on a standby basis, during the next year, provided that the commitment amount will be reduced by the gross proceeds of any equity financing consummated during the year. As of the Record Date, Soros and Maverick owned 38% and 23%, respectively, of our issued and outstanding shares of Common Stock. We can draw down debt in one or more tranches, provided that our cash balances are less than \$1 million at the time of any draw down. The draw downs will be evidenced by subordinated convertible notes (the "Subordinated Notes") that have a term expiring on the later of June 26, 2011 and three years from the date of issuance of the Subordinated Notes and bear interest at the rate of 8% per annum, compounded annually. Interest is payable upon maturity or conversion. The Subordinated Notes are convertible (subject to approval of the Note Conversion Provisions as described in Proposal No. 2), at the holder's option (a) into equity securities that the Company might issue in any subsequent round of financing at a

22

price that was equal to the lowest price per share paid by any investor in such subsequent round of financing or (b) into Common Stock at a price per share equal to the trailing 20-day average stock price on the date of issuance of the note. In connection with the Commitment, we issued warrants to Soros and Maverick to purchase an aggregate of 52,497 of Common Stock at an exercise price equal to \$5.10. Stockholder approval of the Note Conversion Provisions is being sought pursuant to this Proxy Statement. See Proposal No. 2 below.

In connection with the Commitment, Soros and Maverick entered into a Subordination and Intercreditor Agreement with us and our Wells Fargo Retail Finance, LLC ("Wells Fargo") pursuant to which they have the right to purchase all of our obligations from Wells Fargo at any time if we are then in default under our credit facility with Wells Fargo.

Offer to Exchange

In January 2007, the Company commenced an exchange offer (the "Exchange Offer") pursuant to which it offered eligible employees and non-employee directors the opportunity to exchange, on a grant-by-grant basis: (a) their outstanding eligible stock options that were vested as of August 31, 2006 for restricted stock awards consisting of the right to receive restricted common stock of the Company (the "Restricted Stock Awards"); and (b) their outstanding eligible stock options that were not vested as of August 31, 2006 for deferred restricted stock unit awards consisting of rights to receive common stock of the Company on specified dates subsequent to vesting (the "Deferred Stock Unit Awards," and, together with the Restricted Stock Awards, the "Replacement Awards").

In order to be eligible to participate in the Exchange Offer, an option holder was required to (a) have been an employee or non-employee director of the Company on the date of the Exchange Offer, (b) have neither ceased to be an employee or non-employee director, nor have submitted or received a notice of termination of employment or resignation, prior to the expiration of the Exchange Offer and (c) owned eligible options. Options eligible for exchange in the Exchange Offer were outstanding options granted under the Plans that, in each case, had an exercise price per share that is greater than \$1.50.

The number of Replacement Awards an eligible participant was eligible to receive in exchange for an eligible option was determined by a specific exchange ratio applicable to that option, as set forth in the Offer to Exchange included as an exhibit to the Schedule TO filed by the Company with the Securities and Exchange Commission in connection with the Exchange Offer (the

Edgar Filing: BLUEFLY INC - Form PRE 14A

"Offer to Exchange").

Restricted Stock Awards granted pursuant to the Exchange Offer vested and became free from restriction one year from the date of the exchange, except if the grantee made an election under Section 83(b) of the Internal Revenue Code of 1986, as amended, then the restrictions on such Restricted Stock Award lapsed with respect only to the number of shares needed to satisfy any applicable tax withholding as of the date that the Company received such election, as more fully described in the Offer to Exchange. The minimum period for full vesting of Deferred Stock Unit Awards is two years from the date of exchange. The length of the vesting schedule applicable to each Deferred Stock Unit Award was based on the final vesting date of the option as of the date it was canceled in exchange for those deferred stock units, as follows:

Deferred Stock Unit Awards Vesting Schedule

Final Vesting Date of Eligible Stock Option as of Date of Cancellation	Total Vesting Period of Deferred Stock Unit Awards	Percentage of Deferred Stock Awards Vested Quarterly
Prior to August 31, 2007	2 years	12 1/2%
On or after August 31, 2007	3 years	8 1/3%

*Deferred Stock Unit Awards vest in substantially equal quarterly installments over the applicable vesting period, subject to the participant's continue employment with (or service on the Board of Directors of) the Company.

23

The shares of common stock underlying the Deferred Stock Unit Award will be delivered on the Delivery Date. The Delivery Date is the date on which the earliest to occur of the following occurs:

Delivery Date

- o 2 years from the date of grant (with respect to Deferred Stock Units exchanged for eligible options with a vesting date prior to August 31, 2007)
OR
3 years from the date of grant (with respect to Deferred Stock Units exchanged for eligible options with a vesting date on or after August 31, 2007)
- o Death
- o The date on which the employee is "disabled" (as such term is defined in Section 409A(a)(2)(C) of the Internal Revenue of 1986, as amended (referred to as the "Code") and the official guidance issued thereunder)

Melissa Payner-Gregor, the Company's chief executive officer, and Patrick C. Barry, the Company's chief financial officer, were not eligible to participate in the Exchange Offer, but previously participated in an exchange through each of their employment agreements, which are described in the Offer to Exchange. However, other executive officers of the Company, as well as

Edgar Filing: BLUEFLY INC - Form PRE 14A

non-employee directors, were eligible to participate in the Exchange Offer, and therefore may be deemed to have a material interest in the terms thereof.

Pursuant to the Exchange Offer options to purchase an aggregate of 1,562,000 shares of Common Stock were exchanged in return for an aggregate of 47,247 Restricted Stock Awards and an aggregate of 39,440 Deferred Stock Unit Awards.

The Exchange Offer was approved by the Board upon the recommendation of the Compensation Committee.

June 2006 Private Placement

In June 2006, the Company entered into a Stock Purchase Agreement (the "Purchase Agreement") with Soros, Maverick and investment entities and accounts managed and advised by Prentice Capital Management, LP ("Prentice" and, together with Maverick, the "Investors"), pursuant to which, among other things, the Company agreed to sell to Maverick and Prentice an aggregate of 6,097,561 shares of Common Stock at a price of \$8.20 per share, in a private placement (the "Private Placement") for an aggregate of \$50 million, half of which was agreed to be purchased by each Investor. The purchase price represented an 11% premium over the closing price of the Company's Common Stock as of the date that the definitive agreement was signed and announced. The Private Placement was consummated on June 15, 2006. At the closing, 20,301 shares were purchased by a holder of the Company's then-outstanding Series D Convertible Preferred Stock in connection with the exercise of its preemptive rights. This amount reduced on a pro rata basis the amount of shares Maverick and Prentice otherwise would have been entitled to purchase under the Purchase Agreement.

In connection with the Private Placement, Soros converted all of its outstanding Series A, Series B, Series C, Series D, Series E and Series F Convertible Preferred Stock into 4,472,996 shares of the Company's Common Stock in accordance with the terms of such Preferred Stock. Approximately 566 shares of the Series D Convertible Preferred Stock, which were held by investors other than Soros, automatically converted into an aggregate of 107,393 shares of Common Stock in accordance with the terms of the Series D Convertible Preferred Stock. As a result of the Private Placement, and in accordance with the terms of the anti-dilution provisions contained in the Certificate of Powers, Designations, Preferences and Rights of Series F Convertible Preferred Stock, the conversion price of the Series F Convertible Preferred Stock was adjusted to \$8.20 per share.

On the date of the closing of the Private Placement, the Company paid Soros \$25 million in cash, which represented \$4,000,000 of the principal and \$1,488,375 of accrued but unpaid interest on the outstanding convertible notes

24

held by Soros (the "Convertible Notes") and substantially all of the accrued but unpaid dividends on the shares of Preferred Stock that were converted by Soros in connection with the Private Placement.

The Company agreed with Soros, Maverick and Prentice that it would use commercially reasonable best efforts to register the resale of the shares of Common Stock sold in the Private Placement within 120 days of the Closing Date, and to cause a registration statement covering such shares to be declared effective within 180 days of the Closing Date. Such registration statement has since been filed and declared effective. The Company agreed to pay such selling stockholders' expenses in connection therewith (exclusive of any selling commissions or similar fees). In addition, the Company agreed to indemnify Soros, Maverick and Prentice for any and all liabilities, losses, damages,

Edgar Filing: BLUEFLY INC - Form PRE 14A

claims, costs and expenses, interest, awards, judgments, penalties (including, without limitation, reasonable attorneys' fees and expenses) actually suffered or incurred by them, arising out of or resulting from any breach of the Company's representations and warranties in the Purchase Agreement. Notwithstanding the foregoing, the Company has no obligation to compensate any of such parties for punitive damages and the Company's liability to each party under such indemnification provision cannot exceed 100% of the purchase price for the shares purchased by such party in the Private Placement. In addition, the Company agreed to indemnify Soros, Maverick and Prentice for certain liabilities arising under the registration statement referred to above.

In connection with the Private Placement, the Company, Soros, Maverick and Prentice entered into a voting agreement (the "Voting Agreement"), pursuant to which Soros has the right to designate three designees to the Company's Board of Directors and each of Maverick and Prentice have the right to designate one designee, subject to minimum ownership thresholds and subject to compliance with applicable Nasdaq rules. The Voting Agreement also provides that one designee of Soros and the designee of each of Maverick and Prentice will have the right to serve on the Compensation Committee and the Governance and Nominating Committee of the Board of Directors, subject to compliance with Nasdaq's rules regarding independent directors serving on such committees, or Nasdaq's transitional rules, to the extent applicable. If the Board of Directors establishes an Executive Committee, the designees of Soros, Maverick and Prentice will be entitled to serve on such committee.

Pursuant to the terms of the Purchase Agreement, Soros, Maverick and Prentice each agreed that it will not, without the approval of a majority of the independent directors of the Company (i) for a period of three years from the Closing Date, purchase or acquire, or agree to purchase or acquire, any shares of the Company's capital stock, subject to certain exceptions, including exceptions for (x) the purchase of shares pursuant to the Right of First Refusal (defined below) and, (y) after eighteen months from the Closing Date, a purchase by any Investor of shares of capital stock up to a level which does not equal or exceed the lesser of (A) 30% of the outstanding shares of our Common Stock at the time of such purchase, or (B) the ownership of Soros at the time of such purchase; or a purchase by Soros of shares of capital stock in an amount up to 15% of the outstanding shares of Common Stock on the Closing Date, (ii) for a period of five years from the Closing Date, except as provided in the Voting Agreement or the Purchase Agreement, join a partnership, limited partnership, syndicate or other group within the meaning of Section 13(d) of the Exchange Act, including a group consisting of other Investors for the purpose of acquiring, holding or voting any shares of capital stock of the Company, or (iii) for a period of three years from the Closing Date, seek to commence a proxy contest or other proxy solicitation for the purposes of modifying the composition of the Board of Directors.

The Purchase Agreement further provided that, subject to certain limited exceptions, Soros, Maverick and Prentice would not, for a period of six (6) months after the Closing Date, sell, offer to sell, solicit offers to buy, dispose of, loan, pledge or grant any right with respect to, any shares of capital stock of the Company.

The Purchase Agreement also provided a right of first refusal (the "Right of First Refusal") to Soros, Maverick and Prentice to provide the financing in any private placement of the Company's Common Stock that it sought to consummate within one year of the Closing Date. The Right of First Refusal was subject to certain maximum ownership restrictions and certain other exceptions set forth in the Purchase Agreement.

The Private Placement was approved by the Board upon the recommendation of a special committee comprised solely of independent directors.

Extension of Maturity Dates of Convertible Notes

In February 2006, the maturity dates on the Convertible Notes issued to Soros in July and October 2003 was extended. The maturity dates of the Notes, which were originally due in January and April 2004, respectively, were each

25

extended for one year, from May 1, 2006 to May 1, 2007. The Convertible Notes were repaid in full with the proceeds of the Private Placement, as more fully discussed above.

The extension of the maturity dates on the Convertible Notes was approved by the Board with the Soros designees on the Board abstaining.

Transactions with Soros Relating to the Credit Facility

Historically, the Company's credit facility was secured, in part, by a \$2 million letter of credit issued by Soros in favor of the lender. The Company paid Soros an annual fee in connection with the issuance of such letter of credit, and granted Soros a lien on all of the Company's assets as security to Soros in the event that the lender was to draw down on the letter of credit. In July 2006, the lender agreed to release the Soros letter of credit.

26

PROPOSAL NO. 2 NOTE CONVERSION PROVISIONS

As discussed above under the caption "Certain Relationships and Related Transactions," in March 2008, the Company entered into an agreement with Soros and Maverick pursuant to which they agreed to provide up to \$3.0 million of financing to be evidenced by the issuance of the Subordinated Notes. As of the Record Date, Soros and Maverick owned 38% and 23%, respectively, of our issued and outstanding shares of Common Stock. The terms of the Subordinated Notes provide that, subject to stockholder approval of this Proposal No. 2, they will be convertible at the holder's option (a) into equity securities that the Company might issue in any subsequent round of financing at a price that will equal to the lowest price per share paid by any investor in such subsequent round of financing or (b) into common stock at a price per share equal to the trailing 20-day average stock price on the date of issuance of the Subordinated Notes (the "20-Day Average").

Pursuant to the Nasdaq Rules, stockholder approval is required for any transaction involving the sale, issuance or potential issuance by a listed company of common stock (or securities convertible into or exercisable for common stock) equal to 20% or more of the presently outstanding stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book or market value of the common stock. When the number of shares of common stock to be issued in a transaction is indeterminable, the Nasdaq staff will look to the maximum potential issuance of shares of common stock to determine whether there will be an issuance of 20% or more of the outstanding common stock. In the case of securities referred to in the Nasdaq Rules as "future priced securities" for which the actual conversion price of the securities depends on the market price of the underlying security or other factors, such as, in the case of the conversion of the Subordinated Notes, the lowest price per share paid by any investor in any subsequent round of financing, so that the number of shares of common stock that will be issued is uncertain until conversion, the Nasdaq staff looks to the maximum potential issuance at the time such securities are issued. As a result, the Nasdaq Rules require stockholder approval prior to the issuance of "future priced

securities."

In addition, pursuant to the Nasdaq Rules, stockholder approval is required when an equity compensation arrangement is made pursuant to which stock may be acquired by officers, directors, employees or consultants. Nasdaq guidance interpreting this rule provides that the issuance of securities convertible into common stock by a company to its officers, directors, employees, or consultants, or an affiliated entity (which, for these purposes, Nasdaq may deem to include Soros and Maverick) of such person, in a private placement at a price less than the market value of the stock is considered a form of "equity compensation" and requires stockholder approval.

Since the Subordinated Notes (i) are "future priced securities" and (ii) may be converted at the 20-Day Average, which may be less than the fair market value of the common stock on the date of the issuance of the Subordinated Notes, the Board of Directors has determined that it is advisable to submit the Note Conversion Provisions to the Company's stockholders for their approval. Pending such approval, the Subordinated Notes are not convertible. Since Soros and Maverick collectively own over a majority of the outstanding shares of common stock, the requisite majority approval of the Note Conversion Provisions is assured.

Given their substantial holdings of the issued and outstanding Voting Stock, Soros and Maverick each have substantial influence over whether, and the terms upon which, the Company may consummate any subsequent round of financing. Moreover, they have historically provided the Company with much of its needed capital. Although there can be no assurance that the Company will be able to raise additional capital, the Board of Directors believes that it will be substantially more difficult to raise additional, either from Soros, Maverick or a third party, in the event that the Note Conversion Provisions are not approved.

The Board of Directors recommends a vote FOR approval of the Note Conversion Provisions.
