Mr. Wood has been full-time Chief Financial Officer, Vice-President and Treasurer since August 2001 and Secretary since March 2004.

On the effective date of Mr. Wood's resignation, he will be succeeded in those positions by Darryl L. Canfield, age 59. For the past five years, Mr. Canfield has been employed as Vice-President, Corporate Controller and Chief Accounting Officer at Genencor International, Inc. in Rochester, New York. per share. These options vest in increments of 100,000 through June 1, 2008. The agreement also provides, among other things, for severance pay equal to six months' base salary, payable in six equal consecutive monthly installments in the event he is terminated by us within ninety (90) days following a change in control. In addition, under such circumstances he will be immediately vested in any options, warrants, retirement plan or agreements then in effect.

For purposes of the employment agreement "change in control" means (1) on the date of the merger or consolidation of Biophan with another entity where the members of the Board, immediately prior to the merger or consolidation, would not, immediately after the merger or consolidation, constitute a majority of the Board of the entity issuing cash or securities in the merger or consolidation; (2) on the date Michael L. Weiner is terminated as CEO of the Company; or (3) on the date of the sale or other disposition of all or substantially all of the assets of Biophan.

In the event of termination for cause, all unexercised warrants and options held by the applicable employee, whether or not vested, will be canceled and the employee will not be eligible for severance payments. In the event of voluntary termination, all vested warrants and options remain exercisable any time after the date of such termination.
