Compensation Committee Interlocks and Insider Participation

In 2005, George Morgenstern served both as the Chairman of our Board and as President and Chief Executive Officer. No member of the Board of Directors who was also one of our officers participated in any deliberations of the Board of Directors or any committee thereof relating to his own compensation or to the compensation of any person to whom he is related. Except as described in the preceding sentence, each member of the Board of Directors participated in the deliberations of the Board of Directors concerning executive officer compensation in 2005. During 2005, George Morgenstern engaged in transactions with us in which he was deemed to have an interest. For further information regarding these transactions please see "Item 13. Certain Relationships and Related Transactions" below.

Employment Arrangements

John A. Moore became our President and Chief Executive Officer in March 2006. He does not yet have a formal employment contract and is being compensated at the rate of \$120,000 per annum as approved by the Board of Directors. The Board also approved grants to Mr. Moore of an option to purchase 200,000 shares of our Common Stock at an exercise price of \$2.00 per share, vesting on September 30, 2006 and expiring on March 31, 2011, and an option to purchase 200,000 shares of our Common Stock at an exercise price of \$2.25 per share, vesting on March 30, 2009 and expiring on March 31, 2011; both subject to certain accelerated vesting provisions.

Through March 2006 George Morgenstern served as our Chairman, President and Chief Executive Officer pursuant to an employment agreement dated as of January 1, 1997, as amended by the First Amendment to Employment Agreement dated as of May 17, 2001, the Second Amendment to Employment Agreement dated as of March 13, 2002, the Third Amendment to Employment Agreement dated as of December 30, 2004 and a Letter Agreement dated as of March 16, 2005 (collectively, the "GM Employment Agreement").

On March 10, 2006 Mr. Morgenstern entered into an Amendment and Assignment of Employment Agreement with us in connection with the sale of our Databit subsidiary pursuant to which Databit assumed all remaining obligations under the GM Employment Agreement, subject to a lump sum payment by us of \$600,000 to Mr. Morgenstern. In connection with the Amendment and Assignment, Mr. Morgenstern releases us from any further obligations under the GM Employment Agreement. Mr. Morgenstern has been retained as a consultant, presently engaged as Chairman of our Board, by way of a Consulting Agreement between himself and the Company dated March 10, 2006. Such agreement provides for the payment of an annual consulting payment of \$1.00, the assumption by Mr. Morgenstern of the remainder of the payments due under an auto loan after the one-time payment of \$25,000 by the Company towards such loan, and a non-accountable expense allowance of \$65,000 per year. For further information, see "Item 13. Certain Relationships and Related Transactions" below.

Through March 2006, Shlomie Morgenstern served as the Chief Executive Officer and President of Databit and as our Vice President-Operations pursuant to an employment agreement dated as of August 19, 2004 (the "SM Employment Agreement"). The SM Employment Agreement provided for a four year initial term and subsequent one year renewal terms (unless either party gave notice of non-renewal within 90 days prior to the end of the initial term or a renewal term).

In March 2006, in connection with the sale of Databit, Shlomie Morgenstern's employment with us was terminated pursuant to a termination and release agreement. Pursuant to that agreement, Shlomie Morgenstern agreed to the termination of his employment with us and released us from any future liabilities stemming from the SM Employment Agreement, including the release from any severance obligations. For further information, see "Item 13. Certain Relationships and Related Transactions" below.

Yacov Kaufman served as Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT until November 2005 pursuant to an employment agreement dated as of January 1, 1999, as amended by the Amendment to Employment Agreement dated as of June 1, 2002, which provided for a salary of \$200,000. Mr. Kaufman resigned as an officer effective November 30, 2005.

Under the terms of the employment agreement with Mr. Kaufman, we were obligated to make certain payments to fund in part our severance obligations to him. We were required to pay Mr. Kaufman an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us. This severance obligation, which is customary for executives of Israeli companies, was to be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. In addition, the agreement with Mr. Kaufman provided for an additional payment equal to six times his last month's total compensation, payable at the end of his employment with us. As of December 31, 2005, the unpaid portion of these

payments was \$277,000. Payments of the balance of funds due to Mr. Kaufman were made in January 2006. In December 2005 we modified the terms of options to purchase 30,000 shares of common stock previously granted to Mr. Kaufman to allow their exercise until December 2006.

Jacob Neuwirth serves as President and Chief Executive Officer of dsIT pursuant to an employment agreement dated as of December 16, 2001. Mr. Neuwirth's employment agreement provides for a base salary which is denominated in Israeli Consumer Price Index linked NIS, equivalent to \$175,000 per annum. Mr. Neuwirth is entitled to a salary increase if dsIT achieves certain performance targets. In addition to his base salary, Mr. Neuwirth is entitled to receive a bonus payment equal to 5% of dsIT's net profit before tax. Six months advance notice of termination is required by either party to the agreement and if terminated, Mr. Neuwirth is entitled to an additional payment equal to six times his last month's total compensation.

Under his employment agreement, Mr. Neuwirth is entitled to a loan of up to \$100,000 from dsIT. As of December 31, 2005 the loan balance plus accrued interest which is denominated in linked NIS, bears interest at 4% and has no fixed maturity date, had an outstanding balance of \$104,000.

The stock option agreements with our executive officers generally provide for accelerated vesting in the event we have a change in control.

Item 13. Certain Relationships and Related Transactions

During 2005, we paid approximately \$360,000 for legal services rendered and reimbursement of out-of-pocket expenses to Eilenberg & Krause LLP, a law firm in which Sheldon Krause, a former director and our Secretary and General Counsel, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on our behalf. Mr. Krause is the son-in-law of George Morgenstern, our Chairman, who as of 2005 also served as our President and Chief Executive Officer.

dsIT's Chief Executive Officer has a loan outstanding from dsIT based on a contract from 2001. The loan balance and accrued interest at December 31, 2005 was \$104,000. The loan has no defined maturity date, is denominated in NIS, is linked to the Israeli Consumer Price Index and bears interest at 4%.

As reported on the Summary Compensation Table above, Shlomie Morgenstern, the son of George Morgenstern, received compensation during 2005 in connection with his service as President of Databit and Vice President-Operations. In addition, during 2005, Shlomie Morgenstern lent us \$425,000 on a note payable. The note bore interest at the rate of prime plus 3% during the time it was outstanding. The note was repaid in full during 2005. The Company paid approximately \$3,000 of interest to Shlomie Morgenstern with respect to the note.

On March 10, 2006 we entered into a Stock Purchase Agreement dated as of March 9, 2006 (the "Stock Purchase Agreement"), for the sale of all the outstanding capital stock of our Databit subsidiary to Shlomie Morgenstern.
