1.01 Entry into Definitive Material Agreement

GlobeTel Communications Corp. entered into an agreement to sell substantially all of the assets related to its stored value card division that was also known as the Magic Money program, to Gotham Financial LLC. Under terms of the agreement, Gotham acquired substantially all of the assets, which include the stored value program, financial processing switch and contracts, and assumed the liabilities associated with the program including certain employees and leased office space.

The agreement calls for the payment, over a 3 to 6 year period, of up to \$4 million. The length of the payment period depends upon Gotham making certain minimum payments. Payments to GlobeTel will be based on the successful rollout of the platform by Gotham and on user fees following a formula that considers the total number of transactions on a Stored Value card and use of the card at

any ATM, POS or other transaction, under closed and committed contracts GlobeTel had at the time of sale, and the number of transactions utilizing the Financial Processing Switch.

The agreement also gives GlobeTel the right to the most favorable pricing if it decides in the future to utilize the services to be provided by Gotham.
