Item 1.01. Entry into a Material Definitive Agreement.

On January 11, 2007, SBE, Inc. entered into an Agreement for the Purchase and Sale of Assets (the "Purchase Agreement") with One Stop Systems, Inc., a manufacturer of industrial-grade computing systems and components ("One Stop"), pursuant to which we agreed to sell all of the assets associated with our embedded business (excluding cash, accounts receivable and other excluded assets specified in the asset purchase agreement) to One Stop for approximately \$2,200,000 in cash plus One Stop's assumption of the lease of our corporate headquarters building and certain equipment leases. The purchase price will be reduced dollar-for-dollar to the extent our embedded business inventory has a book value of less than \$680,000 as of the closing date. The purchase price will be increased dollar-for-dollar to the extent our embedded business inventory has a book value of more than \$800,000 as of the closing date. A total of \$500,000 will be held back from the purchase price for a period of 60 days and will be used to pay certain liabilities of the embedded business and satisfy any indemnification obligations to One Stop that arise under the asset purchase agreement during such period. Any funds not used will be released to us after 60 days.

The Purchase Agreement contains customary representations and warranties, covenants and closing conditions. In addition, we have agreed that for four years following the closing of the asset sale, we will not directly or indirectly engage in the embedded business or have any interest in any entity engaged in the embedded business. Each party has agreed to indemnify the other party for damages arising for any breach of any of the representations or warranties or covenants or obligations in the Purchase Agreement. In addition, we have agreed to indemnify One Stop for any liabilities arising out of the ownership or operation of the embedded business prior to the closing of the transaction. All representations, warranties and covenants will expire on the first anniversary of the closing. Our liability for indemnification claims made by One Stop pursuant to the asset purchase agreement is capped at \$2,200,000 in the aggregate.

John Reardon, a member of our board of directors, is also a member of the board of directors of One Stop. Mr. Reardon's interest in the transaction was disclosed to our board of directors. The asset sale transaction was approved unanimously by our board, including all disinterested directors. The board approved the transaction after receiving the opinion of Samuel Seidman & Co. to the effect that the consideration to be received by SBE in the asset sale transaction is fair, from a financial point of view, to SBE's stockholders.

On January 12, 2007, we issued a press release announcing the sale of our embedded business. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
