Subject: Material Event

Dear Sirs,

We would like to inform you that:

In accordance with article 28 of the Capital Markets Law and CONASEV Resolution for Material Events and Reserved Information and Other Communications number 107-2002-EF/94.10, as modified by CONASEV Resolution number 009-2003-EF/94.10, Credicorp Ltd. complies with notifying you of the following Material Event.

In relation to the Atlantic US Blue Chip Fund that our subsidiary Atlantic Security Holding Corp (ASHC) managed on behalf of its clients and that was affected by the Securities and Exchange Commission intervention and bankruptcy of Bernard L. Madoff Investment Securities LLC (Maddoff Securities), Credicorp Ltd. confirms that:

- 1.Credicorp Group has always proceeded with diligence and acted within the market standards and practices.
- 2.Nonetheless, our subsidiary ASHC has decided to generate a provision of US\$ 33 million that will be included Credicorp's 2008 financial results.

Yours faithfully,

Fernando Palao

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
