Item 1.03 Bankruptcy or Receivership.

As previously disclosed, on March 18, 2009, Chemtura Corporation (“Chemtura”) and 26 of its U.S. subsidiaries (collectively, with Chemtura, the “U.S. Debtors”) filed voluntary petitions for reorganization, and on August 8, 2010, Chemtura Canada Co./Cie (“Chemtura Canada,” and, collectively with the Domestic Debtors, the “Debtors”) filed a voluntary petition for reorganization (the “Chapter 11 cases”) under Chapter 11 of the U.S. Bankruptcy Code (the “Bankruptcy Code”) in the U.S. Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). On August 11, 2010, Chemtura Canada commenced ancillary recognition proceedings under Part IV of the Companies’ Creditors Arrangement Act (the “CCAA”) in the Ontario Superior Court of Justice, Ontario, Canada (the “Canadian Court”). On August 5, 2010, the Debtors filed with the Bankruptcy Court the solicitation version of their joint plan of reorganization (as it may be further amended, supplemented or modified, the “Plan”) and accompanying disclosure statement (as it may be further amended, supplemented or modified, the “Disclosure Statement”). The Bankruptcy Court approved the Disclosure Statement on August 5, 2010. On September 2, 2010, Chemtura filed a supplement to the Plan with the Bankruptcy Court, as contemplated by the Plan (the “Plan Supplement”).

The Bankruptcy Court hearing to consider confirmation of the Plan began on September 16, 2010 and concluded on September 22, 2010. On October 21, the Bankruptcy Court entered a bench decision approving confirmation of the Plan. On November 3, 2010 (the “Confirmation Date”), the Bankruptcy Court entered a written order confirming the Plan (the “Confirmation Order”). The Confirmation Order is attached hereto as Exhibit 2.1 and incorporated herein by reference. The Confirmation Order provides a waiver of the ordinary stay of effectiveness under applicable bankruptcy law, such that the Confirmation Order will become effective at 12:00 noon on Monday, November 8, 2010 unless otherwise stayed by separate court order. A request for recognition of the Confirmation Order was filed in the Canadian Court in order to fulfill a condition to effectiveness of the Plan so that Chemtura Canada can emerge from its proceedings at the same time as the U.S. Debtors. That request was granted by order entered on November 3, 2010.

The following is a summary of the material features of the Plan, as confirmed by the Bankruptcy Court. The following summary highlights only certain provisions of the Plan and is not a complete description of that document. Therefore, this summary is qualified in its entirety by reference to the Plan, attached hereto as Exhibit 2.2 and incorporated herein by reference. Capitalized terms used herein but not defined have the meanings assigned in the Plan.

Discharge of Prepetition Claims

Among other things (subject to certain limited exceptions and except as otherwise provided in the Plan or the Confirmation Order), the Confirmation Order approving the Plan will discharge the Debtors from any debt arising before the date the Plan goes effective (the “Effective Date”), terminate all of the rights and interests of pre-petition equity security holders (including the cancellation of all old common stock), and substitute the obligations set forth in the Plan for those pre-petition Claims and Interests.

Distributions under the Plan

Distributions to creditors under the Plan generally will include a combination of new common stock, cash, reinstatement or such other treatment as agreed between the Debtors and the applicable creditor. Distributions under the Plan to holders of Chemtura common stock will include shares of new common stock and may include cash.

Holders of claims in the following classes are unimpaired and will receive a 100% recovery in cash (except in certain cases if reinstated or as may receive such other treatment as agreed between the Debtors and the applicable creditor): Class 1 Prepetition Secured Lender Claims; Class 2 Lien Claims; Class 3 Other Priority Claims; and Class 4c General

Unsecured Claims against Chemtura Canada.

2

With respect to holders of the following claims, Class 5 Prepetition Unsecured Lender Claims, Class 7 2009 Notes Claims, Class 6 2016 Notes Claims, Class 8 2026 Notes Claims and Class 4a and 4b General Unsecured Claims against Chemtura and the other Debtors (collectively, the “Participating Creditor Classes”), a pool will be established from which distributions will be made to Participating Creditor Classes (the “Unsecured Distribution Pool”). The Unsecured Distribution Pool will be funded with (a) available distributable cash following funding of a reserve to pay certain Diacetyl Claims, certain Environmental Claims and payment to all holders of Class 9 Allowed Unsecured Convenience Claims and (b) the new common stock, subject to dilution for the Incentive Plans.

The Unsecured Distribution Pool will be used to fund (a) the payments pursuant to the Plan of all Allowed Claims in the Participating Creditor Classes and (b) a reserve created by the Debtors to hold a contribution of cash and new common stock that would have been distributed to the holders of all Disputed Unsecured Claims as if such Disputed Unsecured Claims had been Allowed Claims on the Effective Date, for the benefit of holders of subsequently Allowed Claims. Any value available in the Unsecured Distribution Pool following the payment, in full, of all Allowed Claims and the funding of the reserves for all such Disputed Claims will be shared among holders of Interests in Chemtura (including the old common stock) on a pro rata basis.

Holders of Class 10 Diacetyl Claims will receive cash in varying amounts in full and final satisfaction of such claims.

Holders of Class 11 Environmental Claims will either receive cash in varying amounts in full and final satisfaction of such claims or such claims will be reinstated.

Holders of Class 9 Unsecured Convenience Claims will receive a 100% recovery in cash up to \$50,000 each.

Exit Financing

The Plan provides that, on the Effective Date, Chemtura shall enter into a senior secured revolver facility up to a principal amount of \$275 million. Additionally, Chemtura will receive from escrow the proceeds from (i) the \$455 million in aggregate principal amount of 7.875% senior notes due 2018 (the “Senior Notes”) issued on August 27, 2010 and (ii) the \$295 million in aggregate principal amount, funded at 99% of such principal amount, of loans (the “Term Loan”) under the Senior Secured Term Facility Credit Agreement, entered into on August 27, 2010, and amended on September 27, 2010. The terms of the Senior Notes and Term Loan are described in Chemtura’s Current Reports on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on August 27 and September 30, 2010, which descriptions are incorporated herein by reference.

Treatment of Executory Contracts

The Plan provides that all of the Debtors’ Executory Contracts and Unexpired Leases shall be deemed rejected as of the Effective Date, unless such Executory Contract or Unexpired Lease: (1) was assumed or rejected previously by the Debtors; (2) previously expired or terminated pursuant to its own terms; (3) is the subject of a motion to assume filed on or before the Effective Date; or (4) is identified as an Executory Contract or Unexpired Lease to be assumed pursuant to the Plan Supplement before the Effective Date. The Plan provides that each of Chemtura Canada’s Executory Contracts and Unexpired Leases shall be deemed assumed as of the Effective Date.

Employment Agreements and Equity Awards

The Plan provides that, on the Effective Date, Chemtura will enter into new employment agreements (the “New Employment Agreements”) with certain individuals in Chemtura’s senior management. The form of the New Employment Agreements was included as Exhibit K to the Plan Supplement, which was attached as Exhibit 99.1 to

The terms of the New Incentive Plan were included as Exhibit I to the Plan Supplement, which was attached as Exhibit 99.1 to Chemtura's Current Report on Form 8-K, filed with the SEC on September 3, 2010.

Composition of New Board of Directors

On the Effective Date, the New Board is anticipated to consist of 8 directors, one of which shall be the chief executive officer. The Debtors, the Creditors' Committee and the Ad Hoc Bondholders' Committee established a board selection committee to select 8 members of the New Board in addition to the chief executive officer. The board selection committee was advised by an independent search firm. The New Board expects to appoint a ninth director on or before December 31, 2010.
