CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Immediately prior to the closing of the Merger, pursuant to the terms of the Split-Off Agreement, we transferred all of our pre-Merger operating assets and liabilities to Split-Off Subsidiary. We then transferred all of the outstanding capital stock of Split-Off Subsidiary to David Rector, our sole director and executive officer prior to the Merger, in exchange for \$1, such consideration being deemed to be adequate by our Board prior to the Merger. Prior to the closing of the Merger, we paid Mr. Rector \$1,500 in consideration for his service as our sole director and executive officer.

Prior to the closing of the Merger, we utilized office space located at 11923 SW 37 Terrace, Miami, Florida 33175 that was provided to us on a rent-free basis by Nanuk Warman, our former director and executive officer. Also, prior to the closing of the merger, we cancelled 10,015,200 shares of our Common Stock held by Mr. Warman and entered into a mutual release agreement with Mr. Waraman regarding such cancellation. In each of fiscal years 2009 and 2010, we paid Mr. Warman aggregate compensation of \$8,000 in consideration for his service as our sole director and executive officer during those periods. We also paid Mr. Warman aggregate of \$1,500 in consideration for his accounting services in preparation of our most recent Form 10-K and Form 10-Q.

We have had numerous transactions with Alternative Cigarettes, Inc. ("AC"). AC is 95% owned by three holders of our Common Stock, including Joseph Pandolfino, our Chief Executive Officer, and Angelo Tomasello, who currently owns approximately 11.8% of our issued and outstanding Common Stock. We share office space and employee services with AC and AC reimburses us from time to time for the value of these activities. In November 2008, we issued a promissory note due and payable on November 11, 2010 to Mr. Tomasello in the principal amount of \$325,000 with 10% interest per annum accruing thereon and a warrant to purchase 371,006 shares of our Common Stock, which have since been exercised at a price of \$.0001 per share. Policies and Procedures for Related Party Transactions

We do not currently have a formal written policy or procedure for the review and approval of related party transactions. However, effective as of the date ten (10) days following the date hereof, all future related party transactions will be reviewed and approved by a disinterested majority our Board.

Our Board intends to adopt a written related person transaction policy, which sets forth the policies and procedures for the review and approval or ratification of related person transactions. This policy will be administered by our Board and covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, the amount involved exceeds \$50,000 and a related person had or will have a direct or indirect material interest. While the policy covers related party transactions in which the amount involved exceeds \$50,000, the policy states that related party transactions in which the amount involved exceeds \$120,000 are required to be disclosed in applicable filings as required by the Securities Act of 1933, as amended (the "Securities Act") Exchange Act and related rules. Our Board set the \$50,000 threshold for approval of related party transactions in the policy at an amount lower than that which is required to be disclosed under the Securities Act, Exchange Act and related rules because we believe it is appropriate for our Board to review transactions or potential transactions in which the amount involved exceeds \$50,000, as opposed to \$120,000.

Pursuant to this policy, our Board will (i) review the relevant facts and circumstances of each related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related party's interest in the transaction, and (ii) take into account the conflicts of interest and corporate opportunity provisions of our code of business conduct and ethics. Management will present to our Board each proposed related party transaction, including all relevant facts and circumstances relating thereto, and will update the Board as to any material changes to any related party transaction. All related party transactions may only be consummated if our Board has approved or ratified such transaction in accordance with the guidelines set forth in the policy. Certain types of transactions have been pre-approved by our Board under the policy. These pre-approved transactions include: (i) certain compensation arrangements; (ii) transactions in the ordinary course of business where the related party's interest arises only (a) from his or her position as a director of another entity that is party to the transaction, and/or (b) from an equity interest of less than 5% in another entity that is party to the transaction, or (c) from a limited partnership interest of less than 5%, subject to certain limitations; and (iii) transactions in the ordinary course of business where the interest of the related party arises solely from the ownership of a class of equity securities in our company where all holders of such class of equity securities will receive the same benefit on a pro rata basis. No director may participate in the approval of a related party transaction for which he or she is a related party.
