Item 7.01 Regulation FD Disclosure

Derycz Scientific, Inc. (the “Company”) presented to potential investors the information set forth in the investor presentation materials (the “Investor Presentation”) attached hereto as Exhibit 99.1.

Certain matters discussed in the Investor Presentation may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such matters involve risks and uncertainties that may cause actual results to differ materially, including the following: changes in economic conditions; general competitive factors; acceptance of the Company's products in the market; the Company's success in obtaining new customers; the Company's success in technology and product development; the Company's ability to execute its business model and strategic plans; the Company's success in integrating and operating acquired entities; and all the risks and related information described from time to time in the Company's filings with the Securities and Exchange Commission, including the financial statements and related information contained in the Company's Annual Report on Form 10-K. The Company assumes no obligation to update the cautionary information in this Current Report.
