INFORMATION ABOUT THE MEETING AND VOTING

**What is the date of the Annual Meeting and where will it be
held?**

The Annual Meeting will be held on Wednesday, June 6, 2012, commencing at 9:00 a.m. (local time) at The W New York, located at 541 Lexington Avenue, New York, NY 10022.

What will I be voting on at the Annual Meeting?

At the Annual Meeting, you will be asked to:

1. elect five directors for one-year terms expiring in 2013 and until their successors are duly elected and qualified;
 2. vote on certain amendments to the Company's charter (the Charter);
 3. ratify the audit committee's appointment of Grant Thornton LLP (Grant Thornton) as the Company's independent auditor for 2012; and
 4. consider and act on such matters as may properly come before the Annual Meeting and any adjournment thereof.
- The Board of Directors does not know of any matters that may be considered at the Annual Meeting other than the matters set forth above.

Who can vote at the Annual Meeting?

The record date for the determination of holders of our shares of common stock, par value \$0.01 per share (Common Stock), entitled to notice of and to vote at the Annual Meeting, or any adjournment or postponement thereof, is the close of business on April 19, 2012. As of the record date, 158,474,862 shares of our Common Stock were issued and outstanding and entitled to vote at the Annual Meeting.

1

TABLE OF CONTENTS

How many votes do I have?

Each share of Common Stock has one vote on each matter considered at the Annual Meeting or any adjournment or postponement thereof. The enclosed proxy card shows the number of shares of Common Stock you are entitled to vote.

How may I vote?

You may vote in person at the Annual Meeting or by proxy. Instructions for in person voting can be obtained by calling our proxy solicitor, Broadridge Financial Solutions, Inc. (Broadridge) at 1-800-714-3305. Stockholders may submit their votes by proxy by mail by completing, signing, dating and returning their proxy in the enclosed envelope. Stockholders also have the following two options for authorizing a proxy to vote their shares:

via the Internet at <http://www.proxyvote.com>; or
by telephone, by calling 1-800-690-6903.

For those stockholders with Internet access, we encourage you to authorize a proxy to vote your shares via the Internet, a convenient means of authorizing a proxy that also provides cost savings to us. In addition, when you authorize a proxy to vote your shares via the Internet or by telephone prior to the Annual Meeting date, your proxy authorization is recorded immediately and there is no risk that postal delays will cause your vote by proxy to arrive late and, therefore, not be counted. For further instructions on authorizing a proxy to vote your shares, see your proxy card enclosed with this Proxy Statement. You may also vote your shares at the Annual Meeting. If you attend the Annual Meeting, you may submit your vote in person, and any previous votes that you submitted by mail or authorized by Internet or telephone will be superseded by the vote that you cast at the Annual Meeting.

How will proxies be voted?

Shares represented by valid proxies will be voted at the Annual Meeting in accordance with the directions given. If the enclosed proxy card is signed and returned without any directions given, the shares will be voted FOR (i) the election of the nominees for director named in the proxy card, (ii) the approval of the proposed amendments to the Charter and (iii) the ratification of the audit committee's appointment of Grant Thornton as the Company's independent auditor for 2012.

The Board of Directors does not intend to present, and has no information indicating that others will present, any business at the Annual Meeting other than as set forth in the attached Notice of Annual Meeting of Stockholders. However, if other matters requiring the vote of our stockholders come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the proxies held by them in their discretion.

How can I change my vote or revoke a proxy?

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by (i) submitting a later-dated proxy either by telephone, via the Internet or in the mail to our proxy solicitor at the following address: Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717, or (ii) by attending the Annual Meeting and voting in person. No written revocation of your proxy shall be effective, however, unless and until it is received at, or prior to, the Annual Meeting.

What if I return my proxy but do not mark it to show how I am voting?

If your proxy card is signed and returned without specifying your choices, your shares will be voted as recommended by the Board of Directors.

2

TABLE OF CONTENTS

What vote is required to approve each item?

There is no cumulative voting in the election of our directors. Each director is elected by the affirmative vote of a plurality of votes cast at the meeting. Each share may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to be voted. A majority of votes cast at the meeting is required to

(i) approve the proposed amendments to the Charter and (ii) ratify the audit committee's appointment of Grant Thornton as the Company's independent director for 2012. Any other matter which may properly come before the meeting may be approved by the affirmative vote of a majority of votes cast at the meeting, assuming a quorum is present. Any shares not voted (whether by abstention, broker non-vote, or otherwise) have no impact on the vote. A broker non-vote occurs when a broker who holds shares for the beneficial owner does not vote on a proposal because the broker does not have discretionary voting authority for that proposal and has not received instructions from the beneficial owner of the shares.

What constitutes a quorum ?

The presence at the Annual Meeting, in person or represented by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum; however, abstentions and broker non-votes will not be counted as votes cast.

Will you incur expenses in soliciting proxies?

We are soliciting the proxy on behalf of the Board of Directors, and we will pay all costs of preparing, assembling and mailing the proxy materials. We have retained Broadridge to aid in the solicitation of proxies. Broadridge will receive a fee of approximately \$90,000 which includes the reimbursement for certain costs and out of pocket expenses incurred in connection with their services, all of which will be paid by us. In addition, our directors and officers may solicit proxies by telephone or fax, without receiving any additional compensation for their services. We will request banks, brokers, custodians, nominees, fiduciaries and other record holders to forward copies of this Proxy Statement to people on whose behalf they hold shares of Common Stock and to request authority for the exercise of proxies by the record holders on behalf of those people. In compliance with the regulations of the U.S. Securities and Exchange Commission (the SEC), we will reimburse such persons for reasonable expenses incurred by them in forwarding proxy materials to the beneficial owners of shares of our Common Stock.

As the date of the Annual Meeting approaches, certain stockholders may receive a telephone call from a representative of Broadridge if their votes have not yet been received. Proxies that are obtained telephonically will be recorded in accordance with the procedures described below. The Board of Directors believes that these procedures are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

In all cases where a telephonic proxy is solicited, the Broadridge representative is required to ask for each stockholder's full name and address, or the zip code or control number, and to confirm that the stockholder has received the proxy materials in the mail. If the stockholder is a corporation or other entity, the Broadridge representative is required to ask for the person's title and confirmation that the person is authorized to direct the voting of the shares. If the information solicited agrees with the information provided to Broadridge, then the Broadridge representative has the responsibility to explain the process, read the proposal listed on the proxy card and ask for the stockholder's instructions on the proposal. Although the Broadridge representative is permitted to answer questions

about the process, he or she is not permitted to recommend to the stockholder how to vote, other than to read any recommendation set forth in this Proxy Statement. Broadridge will record the stockholder's instructions on the card. Within 72 hours, the stockholder will be sent a letter or other written communication to confirm his or her vote and asking the stockholder to call Broadridge immediately if his or her instructions are not correctly reflected in the confirmation.

TABLE OF CONTENTS

What does it mean if I receive more than one proxy card?

Some of your shares may be registered differently or held in a different account. You should authorize a proxy to vote the shares in each of your accounts by mail, by telephone or via the Internet. If you mail proxy cards, please sign, date and return each proxy card to guarantee that all of your shares are voted. If you hold your shares in registered form and wish to combine your stockholder accounts in the future, you should call us at (646) 937-6900 or contact us at 405 Park Avenue, New York, NY 10022, Attention: Susan E. Manning. Combining accounts reduces excess printing and mailing costs, resulting in cost savings to us that benefit you as a stockholder.

What if I receive only one set of proxy materials although there are multiple stockholders at my address?

The SEC has adopted a rule concerning the delivery of documents filed by us with the SEC, including proxy statements and annual reports. The rule allows us to, with the consent of affected stockholders, send a single set of any annual report, proxy statement, proxy statement combined with a prospectus or information statement to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family. This procedure is referred to as Householding. This rule benefits both you and us. It reduces the volume of duplicate information received at your household and helps us reduce expenses. Each stockholder subject to Householding will continue to receive a separate proxy card or voting instruction card.

We will promptly deliver, upon written or oral request, a separate copy of our Annual Report or Proxy Statement, as applicable, to a stockholder at a shared address to which a single copy was previously delivered. If you received a single set of disclosure documents for this year, but you would prefer to receive your own copy, you may request separate copies by calling us at (646) 937-6900 or contacting us at 405 Park Avenue, New York, NY 10022, Attention: Susan E. Manning. Likewise, if your household currently receives multiple copies of disclosure documents and you would like to receive one set, please contact us.

Whom should I call for additional information about voting by proxy or authorizing a proxy by telephone or Internet to vote my shares?

Please call Broadridge, our proxy solicitor, at 1-800-714-3305.

How do I submit a stockholder proposal for next year's annual meeting or proxy materials, and what is the deadline for submitting a proposal?

In order for a stockholder proposal to be properly submitted for presentation at our 2013 annual meeting and included in the proxy material for next year's annual meeting, we must receive written notice of the proposal at our executive offices during the period beginning on December 22, 2012 at 5:00 p.m., Eastern Time, and ending at 5:00 p.m., Eastern Time, on January 21, 2013. If you wish to present a proposal for inclusion in the proxy material for next year's annual meeting, we must receive written notice of your proposal at our executive offices no later than 5:00 p.m., Eastern Time, January 21, 2013. All proposals must contain the information specified in, and otherwise comply with,

the Company's bylaws (the Bylaws). Proposals should be sent via registered, certified or express mail to: 405 Park Avenue, New York, New York 10022, Attention: Susan E. Manning, Chief Accounting Officer and Secretary. For additional information, see the section in this Proxy Statement captioned Stockholder Proposals for the 2013 Annual Meeting.

UNLESS SPECIFIED OTHERWISE, THE PROXIES WILL BE VOTED FOR (I) THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS OF THE COMPANY UNTIL THE ANNUAL MEETING IN 2013 AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED, (II) THE APPROVAL OF THE PROPOSED AMENDMENTS TO THE COMPANY'S CHARTER AND (III) THE RATIFICATION OF THE AUDIT COMMITTEE'S APPOINTMENT OF GRANT THORNTON AS THE COMPANY'S INDEPENDENT AUDITOR FOR 2012. IN THE DISCRETION OF THE PROXY HOLDERS, THE PROXIES WILL ALSO BE VOTED FOR OR AGAINST SUCH OTHER MATTERS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING. MANAGEMENT IS NOT AWARE OF ANY OTHER MATTERS TO BE PRESENTED FOR ACTION AT THE ANNUAL MEETING. NONE OF THE PROPOSALS, IF APPROVED, ENTITLE STOCKHOLDERS TO APPRAISAL RIGHTS UNDER MARYLAND LAW OR THE CHARTER.

TABLE OF CONTENTS

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors, including our independent directors, is responsible for monitoring and supervising the performance of our day-to-day operations. Directors are elected annually by our stockholders, and there is no limit on the number of times a director may be elected to office. Each director serves until the next annual meeting of stockholders or (if longer) until his or her successor is duly elected and qualified. The Bylaws provide that the number of directors shall not be less than the minimum number required by the Maryland General Corporation Law (the MGCL) nor more than fifteen; provided, however, that the number of directors may be changed from time to time by resolution adopted by the affirmative vote of a majority of the Board. The number of directors on the Board is currently fixed at five.

The Board of Directors has proposed the following nominees for election as directors, each to serve for a term ending at the 2013 annual meeting of stockholders and until his successor is duly elected and qualifies: Messrs. Nicholas S. Schorsch, William M. Kahane, Leslie D. Michelson, William G. Stanley, and Robert H. Burns. Each nominee currently serves as a director.

The proxy holder named on the enclosed proxy card intends to vote FOR the election of each of the five nominees. If you do not wish your shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the proxy card or, if you are authorizing a proxy to vote your shares by telephone or the Internet, follow the instructions provided when you authorize a proxy. Directors will be elected by a plurality of votes cast at the Annual Meeting, provided that a quorum is present. Any shares not voted (whether by abstention, broker non-vote, or otherwise) have no impact on the vote.

If, at the time of the Annual Meeting, one or more of the nominees should become unable to serve, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Board of Directors. No proxy will be voted for a greater number of persons than the number of nominees described in this Proxy Statement.

Nominees

The table set forth below lists the names and ages of each of the nominees as of the date of this Proxy Statement and the position and office that each nominee currently holds with the Company:

| Name | Age | Position |

| William M. Kahane | 64 | President, Chief Executive Officer and Director |
| Nicholas S. Schorsch | 51 | Chairman of the Board of Directors |
| Leslie D. Michelson | 61 | Independent Director |
| William G. Stanley | 56 | Independent Director |
| Robert H. Burns | 82 | Independent Director |

executive officer of the advisor and property manager of ARC DNAV since their formation in September 2010. Mr. Schorsch has served as the chairman and chief executive officer of American Realty Capital Trust III, Inc. (ARCT III) and the chief executive officer of its advisor and property manager since their formation in October 2010. Mr. Schorsch has also been the chairman and chief executive officer of American Realty Capital Properties, Inc. (ARCP) since its formation in December 2010, and the chief executive officer of its advisor since its formation in November 2010. Mr. Schorsch also has been the chairman and chief executive officer of American Realty Capital Global Daily Net Asset Value Trust, Inc. (ARC Global DNAV) and the chief executive officer of the ARC Global DNAV advisor and the ARC Global DNAV property manager since their formation in July 2011, July 2011 and January 2012, respectively. Mr. Schorsch also has been the chairman and chief executive officer of American Realty Capital Trust IV, Inc. Mr. Schorsch founded and formerly served as president, chief executive officer and vice chairman of American Financial Realty Trust (AFRT) from its inception as a REIT in September 2002 until August 2006. AFRT was a publicly traded REIT that invested exclusively in offices, operation centers, bank branches, and other operating real estate assets that are net leased to tenants in the financial service industry, such as banks and insurance companies.

From 1995 to September 2002, Mr. Schorsch served as chief executive officer and president of American Financial Resource Group (AFRG), AFRT's predecessor, a private equity firm founded for the purpose of acquiring operating companies and other assets in a number of industries. Through AFRG and its successor corporation, AFRT, Mr. Schorsch executed in excess of 1,000 acquisitions acquiring businesses and real estate property with transactional value of approximately \$5.0 billion. In 2003, Mr. Schorsch received an Entrepreneur of the Year award from Ernst & Young LLP. Prior to AFRG, Mr. Schorsch served as president of Thermal Reduction, a non-ferrous metal product manufacturing business. He successfully built the business through mergers and acquisitions and ultimately sold his interests to Corpro (NYSE) in 1994. Mr. Schorsch attended Drexel University.

We believe that Mr. Schorsch's current experience as chairman and chief executive officer, as applicable, of NYRR, ARC RCA, ARC HT, ARC DNAV, ARCP, ARCT III, BDCA, ARC Global DNAV and ARCT IV and his previous experience as president, chief executive officer and vice chairman of AFRT, and his significant real estate acquisition experience make him well qualified to serve as our chairman of the Board.

He founded and built the luxurious Regent International Hotels brand, which he sold in 1992. From 1970 to 1992, Mr. Burns served as chairman and chief executive officer of Regent International Hotels, where he was personally involved in all strategic and major operating decisions. Mr. Burns and his team of professionals performed site selection, obtained land use and zoning approvals, performed all property due diligence, financed each project by raising both equity and arranging debt, oversaw planning, design and construction of each hotel property, and managed each asset. Each Regent hotel typically contained a significant food and beverage element and high-end retail component, frequently including luxury goods such as clothing, jewelry, as well as retail shops. In fact, Mr. Burns is extremely familiar with the retail landscape as his flagship hotel in Hong Kong was part of a mixed-use

complex anchored by a major enclosed shopping center connected to the Regent Hong Kong. Mr. Burns opened the first Regent hotel in Honolulu, Hawaii, in 1970. From 1970 to 1979, the company opened and managed a number of prominent hotels, but gained truly international recognition in 1980 with the opening of The Regent Hong Kong, which brought a new dimension in amenities and service to hotels in the city and attracted attention throughout the world. He later spent eight years with Hilton International Hotels from 1963 to 1970. Mr. Burns graduated from the School of Hotel Management at Michigan State University in 1958 and the University of Michigan's Graduate School of Business in 1960 after serving three years in the U.S. Army in Korea. For the past five years Mr. Burns has devoted his time to owning and operating Villa Feltrinelli on Lago di Garda, in Northern Italy, a small, luxury hotel, and working on developing hotel projects in Asia, focusing on Vietnam and China.

We believe that Mr. Burns' current experience as a director of NYRR and ARC HT, his previous experience as a director of ARCT III and his experience as a real estate developer for over 40 years, during which he developed over eighteen 18 major hotel projects, make him well qualified to serve as a member of our Board of Directors.

Stock Option Plan

In January 2008, our Stock Option Plan was approved by our Board of Directors and stockholders. Pursuant to our Stock Option Plan, our independent directors are eligible to receive annual nondiscretionary awards of nonqualified stock options. The Stock Option Plan is designed to enhance our profitability and value for the benefit of our stockholders by enabling us to offer independent directors stock-based incentives, thereby creating a means to raise the level of equity ownership by such individuals in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and our stockholders.

We have authorized and reserved 1,000,000 shares of our Common Stock for issuance under our Stock Option Plan. The Board of Directors may make appropriate adjustments to the number of shares available for awards and the terms of outstanding awards under our stock option plan to reflect any change in our capital structure or business, stock dividend, stock split, recapitalization, reorganization, merger, consolidation or sale of all or substantially all of our assets.

Our Stock Option Plan provides for the automatic grant of a nonqualified stock option to each of our independent directors, without any further action by our Board of Directors or the stockholders, to purchase 3,000 shares of our Common Stock on the date of each annual stockholder's meeting. The exercise price for all stock options granted under our Stock Option Plan will be equal to the fair market value of a share on the last business day preceding the annual meeting of stockholders. The term of each such option will be 10 years. Options granted to non-employee directors will vest and become exercisable on the second anniversary of the date of grant, provided that the independent director is a director on the Board of Directors on that date.

Notwithstanding any other provisions of our stock option plan to the contrary, no stock option issued pursuant thereto may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code of 1986, as amended. The total number of options granted will not exceed 10% of the total outstanding shares at the time of grant.

During the year December 31, 2011, vested options to purchase 18,000 shares at \$10.00 per share and unvested options to purchase 9,000 shares at \$10.00 per share remained outstanding with a weighted average contractual remaining life of approximately 7.3 years.

Restricted Share Plan

In January 2010, the Board of Directors adopted our Restricted Share Plan. The Board approved amendments to the Restricted Share Plan in February 2012. The Restricted Share Plan provides for the automatic grant of 3,000 restricted shares of Common Stock to each of the independent directors, without any further action by the Board of Directors or the stockholders, on the date of each annual stockholder's meeting. Restricted stock issued to independent directors will vest over a five-year period following the first anniversary of the date of grant in increments of 20% annually. The Restricted Share Plan provides us with the ability to grant awards of restricted shares to our directors, officers and employees, employees of entities that provide services to us, directors of entities that provide services to us, certain of our consultants or to entities that provide services to us. The total number of common shares reserved for issuance under the Restricted Share Plan is equal to 7.7% of our authorized shares of Common Stock, or 18,480,000 shares.

Restricted share awards entitle the recipient to Common Stock under terms that provide for vesting over a specified period of time or upon attainment of pre-established performance objectives. Such awards would typically be forfeited with respect to the unvested shares upon the termination of the recipient's employment or other relationship with us. Restricted shares may not, in general, be sold or otherwise transferred until restrictions are removed and the shares have vested. Holders of restricted shares may receive cash distributions prior to the time that the restrictions on the

restricted shares have lapsed. Any distributions payable in Common Stock will be subject to the same restrictions as the underlying restricted shares. As of December 31, 2011, 9,000 shares had been issued to independent directors under the Restricted Share Plan at a fair value of \$10.00 per share. The fair value of the shares will be expensed ratably over the five-year vesting period. For the year ended December 31, 2011, expense of \$11,250 was recorded for the director restricted shares.

TABLE OF CONTENTS

In June 2010, our independent directors approved and authorized the issuance of up to 1,500,000 restricted shares of Common Stock to our Former Advisor equaling 1% of the shares registered in connection with our initial public offering (excluding shares of Common Stock registered for issuance pursuant to the distribution reinvestment plan), subject to certain terms and conditions. On September 13, 2010, our Former Advisor granted 1,400,000 restricted shares to key executives. Of the total restricted shares granted, 50% vest over a five year period commencing with the two year anniversary of the grant date and remaining 50% vest only to the extent our net asset value plus distributions paid to stockholders equals 106% of the original selling price of our Common Stock. For the year ended December 31, 2011, \$420,000 of expense was recorded for these restricted shares. All of the shares granted under the Restricted Share Plan prior to March 1, 2012 vested upon the Company's listing on the NASDAQ on such date.

Compensation Discussion and Analysis

On March 1, 2012, the Company internalized the management services previously provided to it by our Former Advisor and its affiliates (the Internalization), concurrently with the listing of its Common Stock on The NASDAQ Global Select Market. The Former Advisor was wholly-owned by AR Capital, LLC which is majority-owned and controlled by Nicholas S. Schorsch, the Company's chairman of the Board of Directors and William M. Kahane, the Company's chief executive officer, president and director. Prior to our Internalization, we had no employees and our day-to-day management functions were performed by our Former Advisor and its affiliates. As a result of the Internalization, we became a self-administered and self-advised REIT with paid employees, including our named executive officers (NEOs), who consist of William M. Kahane, our president and chief executive officer, and Brian D. Jones, our chief financial officer and treasurer. See Certain Relationships and Related Transactions below for a discussion of fees and expenses payable to our Former Advisor and its affiliates.

The Board of Directors expects to align the interests of the executive officers with the interests of the Company and our stockholders on both a long and short-term basis in the form of cash salaries, grants of stock options, restricted shares of Common Stock, restricted stock units, dividend equivalent rights and/or other equity-based awards under the Total compensation is paid to management as discussed below.

We seek to attract and retain executives who can help the Company continue our track record of profitability, growth and total return to stockholders. To better align the interests of our executives with those of our stockholders in a pay-for-performance setting, most of each executive's total compensation is variable through a combination of cash bonus and long-term equity awards. Total compensation to be paid to our NEOs is discussed below.

Executive Compensation Beginning in 2012

Employment Agreements

In March 2012, the Company entered into employment agreements (the Employment Agreements) with each of the NEOs. The Employment Agreements provide for three-year terms that will automatically renew for additional one-year periods unless either party provides 60 days notice of non-renewal prior to the end of the then current term.

Under his Employment Agreement, Mr. Kahane will serve as the Chief Executive Officer and President of the Company and report directly to the Board. Under his Employment Agreement, Mr. Jones will serve as Executive Vice President, Chief Financial Officer and Treasurer of the Company and report to the Chief Executive Officer of the Company and the Board. Mr. Kahane's Employment Agreement provides for a base salary of \$1.00 per year and Mr. Jones' Employment Agreement provides for a base salary of \$325,000 per year. In addition, Mr. Jones will be entitled to a discretionary annual bonus in an amount up to his then current base salary (Annual Cash Bonus). The Employment Agreements provide that the Company will purchase life insurance policies on the lives of the executives

to be owned by the executives, with the premiums paid by the Company, in the amount of \$15.0 million for Mr. Kahane and \$1.0 million for Mr. Jones. In addition, the Company will pay for annual physical exams for the executives, maintain, at its cost, supplemental renewable long-term disability insurance as agreed to between the Company and the executives, and, solely for Mr. Kahane, pay for or reimburse him for up to \$35,000 per year for costs incurred by him in connection with tax preparation and financial planning assistance.

TABLE OF CONTENTS

The Employment Agreements provide that in the event of the executive's termination due to death, disability, without cause (as defined in the Employment Agreements), or, solely with respect to Mr. Kahane, upon a non-renewal of his Employment Agreement or his resignation for good reason (as defined in his Employment Agreement), the executive will be entitled to receive:

Subject to his execution of a release, any earned and unpaid base salary, amounts earned but unpaid under the Annual Plan and OPP Agreement (as defined and described below) (collectively, the Incentive Plans), expenses up to the date of termination (including pay in lieu of accrued, but unused vacation), and, solely in the case of Mr. Jones, any portion of his Annual Cash Bonus earned but unpaid for the prior year and pro rata portion of his Annual Cash Bonus for the year of termination.

To the extent not vested, full vesting of all restricted stock, stock options and awards held under the Incentive Plans. A pro rated grant of any award the executive would have received under the Incentive Plans had he remained employed (solely in the case of Mr. Kahane, the foregoing will apply in the event of termination for any reason). Continued participation, at the Company's cost, in the Company's healthcare, dental, vision, prescription drug, and in the case of Mr. Jones, disability plans in which the executive participated prior to termination for a period of 18 months following termination (the Severance Period), to the extent permitted or otherwise practicable under such plans. To the extent not permitted or otherwise practicable, the Company will take such actions as may be necessary to provide the executive with comparable benefits (without additional cost to the executive). If the executive engages in regular employment after termination, then any benefits received by him which are similar in nature to any of the foregoing plans will relieve the Company of its obligation to provide such comparable benefit to the extent of benefits so received.

During the Severance Period, the Company will also continue to pay the premium payments on the life insurance policies described above.

In the event of a change in control (as defined in the Employment Agreements), the executives will become 100% vested in any equity awards and will vest in any outstanding awards under the Incentive Plans. In addition, if Mr. Jones does not accept employment with ARC or its affiliate within six months following a change in control of the Company, he will be entitled to a lump sum payment equal to his then current annual base salary.

In addition, the Employment Agreements provide for restrictions on use of confidential information, and for a period of 12 months following termination for any reason other than by the Company without cause, or in the case of Mr. Kahane, non-renewal of his Employment Agreement by the Company, as a result of a change in control or for good reason, restrictions on solicitation and competition.

Annual Incentive Compensation Plan

In March 2012, the compensation committee adopted the Company's Annual Incentive Compensation Plan (the Annual Plan). The Annual Plan is intended to be fair, reasonable and balanced and reflect a best-of-class program for our executive officers, including our NEOs, to motivate and reward them for performance while closely aligning their interests with those of our stockholders. Participants under the Annual Plan will be eligible to earn annual performance-based bonus awards from a pool established by the compensation committee upon initial adoption of the Annual Plan and for each subsequent fiscal year. The annual pool will be funded via both a discretionary component and a formulaic component. Funding of the discretionary component will be subject to the annual approval of the compensation committee based upon an assessment of corporate and individual performance relative to certain performance criteria and objectives to be determined by the Board. For each year, the maximum size of the annual pool will be calculated as the sum of:

Discretionary Component: an amount equal to up to a percentage of the Company's stockholder's book equity for the year (0.5% of the Company's stockholder's book equity on March 1, 2012 for fiscal 2012); and

TABLE OF CONTENTS

Formulaic Component: an amount equal to a percentage (determined by the compensation committee) of any excess annualized funds from operations (FFO) in excess of an annual percentage return on the Company's stockholder's book equity (an amount equal to 20.0% of the Company's annualized FFO in excess of 6.0% of its market capitalization as of March 1, 2012 for fiscal 2012).

Any annual award payable to a participant from an annual pool may be divided into the following three separate incentive compensation components, with payment in each case conditioned on the participant's continued employment or service through the applicable payment date:

an annual cash bonus paid the following year after completion of the year-end audit;
a deferred cash bonus paid 1/3 on December 31 of each of the first, second and third calendar years following the year for which the annual award was earned; and
a long-term equity bonus in the form of restricted shares of Common Stock to the extent available for issuance under the Company's equity incentive plans, paid the following year after completion of the year-end audit and vesting 1/3 on December 31 of each of the first, second and third calendar years following the year for which the annual award was earned, subject to the Participant's continued employment or service through each vesting date.

To the extent restricted shares of Common Stock are not available for issuance under the Company's equity incentive plans, the equity bonus will be paid as a deferred cash bonus.

For fiscal 2012, the compensation committee approved an allocation of 35% of the annual pool for Mr. Kahane which if earned will be payable as follows: 50% as a cash bonus; 25% as a deferred cash bonus; and 25% as restricted shares of Common Stock. As of the date of this Proxy Statement, it is anticipated that the compensation committee also will approve an allocation from the fiscal 2012 annual pool for Mr. Jones.

In the event of a termination of employment without cause (as defined in the Annual Plan), the Company's failure to renew the participant's service agreement at the expiration of its term, by the participant for good reason (solely to the extent provided and defined in the participant's service agreement), or the participant's death or disability, the participant will be entitled to: a pro rated cash bonus, deferred bonus (paid in the year following termination) and equity bonus for the year of termination. In addition, the participant will be paid any unpaid cash bonus and equity bonus for the prior year and will be entitled to accelerate vesting of any deferred bonus for a prior year and the amount of such bonus will be paid on the 60th day following termination. Any equity bonus for the year of termination will be paid in fully vested shares of the Common Stock to the extent available for issuance under the Company's equity incentive plans, and if not available, the participant will receive a cash lump sum equal to the value of the stock, payable within ten days after the Company has received its approved audited financial statements for such year. Further, any restricted shares of Common Stock previously granted under the Annual Plan will become fully vested on the termination date.

In the event of a change in control (as defined in the Annual Plan), unless otherwise provided in the participant's bonus award notice, the plan year will end as of the change of control and the participant will be eligible to receive cash bonuses, deferred bonuses and equity bonuses as equitably adjusted in accordance with the Annual Plan to reflect the shortened plan year. In addition, the participants will be entitled to accelerated vesting of any deferred bonus and restricted shares of Common Stock granted for a prior year, and any unpaid equity bonus will vest and be paid in cash.

Outperformance Award Agreements

In March 2012, the compensation committee approved the general terms and forms of the Company's 2012 Outperformance Award Agreements (OPP Agreements) to be entered into with our executive officers, including our NEOs. This kind of arrangement is common in the REIT industry and provides our executive officers, including our NEOs, with long-term opportunities through which the participants will be able to potentially earn additional

compensation only upon the attainment of stockholder value creation targets, thereby creating a direct alignment between the interests of the participants and our stockholders and ensuring that the participants are incentivized to maintain a long-term approach in our management.

TABLE OF CONTENTS

Under the OPP Agreements, the NEOs will be eligible to earn performance-based bonus awards equal to a percentage of a pool that will be funded up to a maximum award opportunity (the "OPP Cap") equal to 5% of the Company's equity market capitalization on March 1, 2012, as adjusted within 30-60 days following the completion of the Company's tender offer that was announced on March 1, 2012 (the "Initial Market Cap"). Subject to the OPP Cap, the pool will equal an amount to be determined based on the Company's achievement of total return to stockholders, including both share price appreciation and Common Stock distributions ("Total Return"), for the three-year performance period consisting of March 1, 2012 through February 28, 2015 (the "Performance Period"); each 12 month period during the Performance Period (each an "Annual Period") and the initial 24 month period of the Performance Period (the "Interim Period"), as follows:

| Dollar Amount of Pool | Performance Annual Period Hurdle | | Period Hurdle | | Interim Period Hurdle | |
|--|--|-----|------------------|----|-----------------------------|-----|
| <i>Absolute Component:</i> 4% of any excess Total Return attained above an absolute hurdle measured over the Performance Period as follows: | 21 | % | 7 | % | 14 | % |
| <i>Relative Component:</i> 4% of any excess Total Return attained above the Total Return for the performance period of the Peer Group*, subject to a ratable sliding scale factor as follows potentially reducing the amount calculated under the relative component based on achievement of cumulative Total Return measured from the beginning of such period: | | | | | | |
| 100% of the relative component amount will be earned if the following cumulative Total Return is achieved: | 18 | % | 6 | % | 12 | % |
| 50% of the relative component amount will be earned if cumulative Total Return achieved is: | 0 | % | 0 | % | 0 | % |
| 0% of the relative component amount will be earned if cumulative Total Return achieved is less than: | 0 | % | 0 | % | 0 | % |
| a percentage from 50% to 100% of the relative component amount calculated by linear interpolation will be earned if the cumulative Total Return achieved is between: | 0% | 18% | 0% | 6% | 0% | 12% |

*The Peer Group is comprised of the following companies: CapLease, Inc.; Entertainment Properties Trust, Inc.; Getty Realty Corporation; Lexington Realty Trust; National Retail Properties, Inc.; and Realty Income Corporation. The sliding scale factor above is intended to further ensure that the interests of participants with OPP Agreements are aligned with our investors.

Unless otherwise specifically provided in the NEO's service agreement: (i) in the event of the NEO's termination without cause (as defined in the OPP Agreements) or failure by the Company to renew the NEO's service agreement, or by the NEO for good reason (solely to the extent provided and defined in the NEO's service agreement) (a "Qualified Termination"), on or prior to February 28, 2015, the NEO's award will be calculated as of the end of the next Annual Period and as of February 28, 2015 and the NEO will be entitled to the higher amount which will be fully vested; (ii) in the event of the NEO's termination due to death or disability on or prior to February 28, 2015, the NEO's award will be calculated as of the end of the next Annual Period and any earned amount will be fully vested; and (iii) in the event of a Qualified Termination or termination due to death or disability after February 28, 2015, any earned amounts will

be fully vested.

TABLE OF CONTENTS

In the event of a resignation by the NEO due to an un-consented substantial adverse change in the NEO's employment or service as described in the OPP Agreements following a change in control (as defined in the OPP Agreements) on or prior to February 28, 2015, the NEO's award will be calculated as of the end of the next Annual Period and as of February 28, 2015 and the NEO will be entitled to the higher amount which will be fully vested. Any amount earned prior to such resignation will be fully vested as of the change in control.

Following the Performance Period, the final aggregate pool will be calculated, subject to the OPP Cap. The compensation committee has approved an allocation of 35% of the pool to Mr. Kahane. The actual value of the maximum amount that may be earned by Mr. Kahane will be determined following the final determination of the Initial Market Cap and the OPP Cap. As of the date of this Proxy Statement, it is anticipated that the compensation committee also will approve an allocation from the pool for Mr. Jones.

Any amounts earned under the OPP Agreements will be issued in the form of LTIP Units, which represent interests in the Operating Partnership that are structured as a profits interest in the Operating Partnership. Subject to the NEO's continued employment or service through each vesting date, 25% of any LTIP Units earned will vest on February 28, 2015, 25% on February 28, 2016 and 50% on February 28, 2017. The NEO will be entitled to receive distributions relating to his LTIP Units to the extent provided for in the Amended and Restated Partnership Agreement. This vesting period is intended to create, in the aggregate, up to a five-year retention period with respect to the participants in our outperformance program.

Other Benefits

Effective upon the consummation of our Internalization, our executive officers, including our NEOs, became eligible to participate in company-sponsored benefit programs made broadly available to all of our salaried employees.

Compensation Risks

The compensation committee, with assistance from its independent compensation consultant, reviewed the elements of executive and non-executive compensation to determine whether they encourage excessive risk-taking and concluded that:

significant weighting towards long-term incentive compensation discourages short-term risk-taking; performance goals are set to avoid creating incentives for excessive risk-taking and their achievement does not automatically entitle management to formulaic cash bonuses or equity awards, which are at the discretion of the compensation committee; and

vesting schedules for restricted stock, LTIP units and non-qualified stock options cause management to have a significant amount of unvested awards at any given time.

The compensation committee focuses primarily on the compensation of named executive officers because risk-related decisions depend predominantly on their judgment. The compensation committee believes that risks arising from our policies and practices for compensating employees are not reasonably likely to have a material adverse effect on the Company. As described in Compensation Discussion and Analysis, the compensation committee endeavors to put in place for management incentives that cultivate a level of risk-taking behavior consistent with our business strategies and relies to a significant extent on subjective considerations to temper the potential for formulae or objective factors to influence risk-taking.

Tax and Accounting Implications

Our compensation committee may consider the tax treatment of compensation paid to our executive officers while simultaneously seeking to provide our executives with appropriate rewards for their performance. Under Code Section 162(m), we may not deduct compensation of more than \$1.0 million paid to any covered employee unless the compensation is paid pursuant to a plan which is performance related, nondiscretionary and has been approved by our stockholders. To the extent that such compensation paid to our executive

TABLE OF CONTENTS

officers is subject to and does not qualify for deduction under Code Section 162(m), our compensation committee is prepared to exceed the limit on deductibility under Code Section 162(m) to the extent necessary to ensure our executive officers are compensated in a manner consistent with our best interests and those of our stockholders. In order to maintain our REIT qualification and to generally not be subject to U.S. federal income and excise tax, we have distributed and intend to continue to distribute all or substantially all of our net taxable income each year to holders of our Common Stock. The loss of a deduction pursuant to Code Section 162(m) would effectively increase our net taxable income and the amount that we would need to distribute in order to generally not be subject to U.S. federal income or excise tax.

Amendment and Acknowledgment of Termination of Amended and Restated Advisory Agreement

From our inception through our Internalization, our day-to-day operations were managed by our Former Advisor, a wholly-owned subsidiary of ARC under the supervision of the Board of Directors, pursuant to the terms and conditions of that certain Amended and Restated Advisory Agreement, dated June 2, 2010 (the "Advisory Agreement").

Effective as of March 1, 2012, the Company and the Operating Partnership entered into an Amendment and Acknowledgement of Termination of Amended and Restated Advisory Agreement (the "Amendment and Acknowledgement of Termination") with our Former Advisor. Pursuant to the Amendment and Acknowledgement of Termination, the Company and the Operating Partnership provided the Former Advisor with notice of termination of the Advisory Agreement, effective as of 5:00 p.m. Eastern Time, on April 30, 2012 (the "Termination Date"), in accordance with the terms thereof. In respect of the period from March 1, 2012 through and including the Termination Date, the Company paid the Former Advisor an asset management fee in the amount of \$3,600,000 (for two months, based on 0.083% of the contract purchase price of all the owned, directly or indirectly, by the Company or the Operating Partnership at the end of the immediately preceding month). Additionally, the Amendment and Acknowledgement of Termination amended the Advisory Agreement to provide that the Company shall have the right, in its sole and absolute discretion, to extend the Termination Date for up to three (3) consecutive one-month periods (each such one-month period, an "Extension Period") by providing prior written notice to the Former Advisor at least five (5) business days prior to the then applicable Termination Date, and in respect of each Extension Period, the Company shall pay to our Former Advisor, in advance on or prior to the first day of each Extension Period, an additional asset management fee in the amount of 0.083% of the contract purchase price of all the properties owned, directly or indirectly, by the Company or the Operating Partnership, at the end of the immediately preceding month. The parties to the Amendment and Acknowledgment of Termination also agreed that the amounts described herein are

Asset management fees of \$5.6 million were incurred for the year ended December 31, 2011. Our Former Advisor elected to waive (not defer) \$9.7 million of asset management fees during the fiscal year ended December 31, 2011.

There were no outstanding payables to our Former Advisor or its affiliates as of December 31, 2011. The total compensation paid to our Former Advisor during 2011, exclusive of reimbursements, was approximately \$22.6 million.

Our Former Dealer Manager

The dealer manager for our prior continuous public offering of shares of Common Stock was Realty Capital Securities, LLC (our Former Dealer Manager), a wholly-owned subsidiary of ARC, pursuant to the terms of a dealer manager agreement. We had agreed to pay our Former Dealer Manager 7% of the gross offering proceeds from our prior continuous public offering, except that no selling commissions were to be paid on shares sold under our distribution reinvestment plan. Additionally, we agreed to pay to our Former Dealer Manager a dealer manager fee equal to 3% of the gross offering proceeds sold in our prior continuous public offering through broker-dealers. This agreement terminated in accordance with its terms at the closing of our prior continuous offering on July 18, 2011.

The total fees and commissions paid to our Former Dealer Manager during 2011 were approximately \$114.8 million.

As of December 31, 2011, substantially all of the sales commissions payable to our Former Dealer Manager were re-allowed to broker-dealers that participated in our prior continuous public offerings and our Operating Partnership's prior private placement.

Our Former Property Manager

From our inception through our Internalization, our properties were managed by our Former Property Manager under the supervision of our Board of Directors, pursuant to the terms and conditions of a property management agreement with our Former Property Manager. Our Former Property Manager also conducted the leasing and management of the Company's real estate properties. We did not pay any property management or other fees due to our Property Manager pursuant to the property management agreement.

Effective as of March 1, 2012, the Company's indirectly wholly-owned subsidiary, ARCT TRS Corp. (the TRS), entered into a Securities Purchase and Sale Agreement (the Securities Purchase Agreement) with ARC. Pursuant to the Securities Purchase Agreement, ARC sold to the TRS all of the issued and outstanding membership interests in our Former Property Manager for an aggregate purchase price of \$10.00 and our Former Property Manager agreed to waive any fees payable by us under the property management agreement.

Form of Incentive Listing Fee Note

On March 1, 2012, the Board approved a form of promissory note (the Note) that, if earned, may be issued by the Company to ARC in connection with the listing of the Common Stock on NASDAQ. The Note, if issued, will bear interest at the applicable federal rate established by the Internal Revenue Service on the date of issuance, payable quarterly in arrears. The principal amount of the Note will be an amount equal to 15.0% of the amount, if any, by which (a) the market value of the Common Stock, based on the average

market value of the shares of Common Stock issued and outstanding at listing over the 30 trading days beginning August 18, 2012, which is the 180th day after shares of the Common Stock were first listed on NASDAQ plus distributions paid by the Company from and after May 21, 2008 and prior to such listing, exceeds (b) the sum of the total amount of capital raised from stockholders during the Company's prior continuous initial public offering and the amount of cash flow necessary to generate a 6.0% annual cumulative, non-compounded return to such stockholders through the date of listing. ARC has the right to require that the Company prepay the outstanding principal amount of the Note with the net cash proceeds from any asset sale by the Company or the Operating Partnership. The Note will mature on the third anniversary of the date it is issued, subject to ARC's right to convert any unpaid portion of the Note into shares of the Common Stock on or after the maturity date. The number of shares that will be issued upon such conversion will be valued at the average market value of the Common Stock over the 30 trading days beginning August 18, 2012.

PROPOSAL 2 APPROVAL OF AMENDMENTS AND RESTATEMENTS TO THE CHARTER

As a result of our operations as a non-traded REIT subject to the NASAA Statement of Policy Regarding Real Estate Investment Trusts (the "NASAA REIT Guidelines") prior to the listing of our Common Stock on NASDAQ on March 1, 2012, our Charter contains numerous provisions that are not applicable to exchange-traded REITs and other companies, including our competitors. In connection with the listing of our Common Stock on NASDAQ, we are seeking a vote to amend and restate the Charter, substantially in the form of Exhibit A to this Proxy Statement, to reflect the fact that we are no longer subject to the NASAA REIT Guidelines, which makes the changes described below and other modifications of a ministerial nature that are necessary in view of the changes being proposed. These changes and modifications include, among other things, deletion and revision of definitions, references and cross-references and other provisions which are no longer applicable to us or which need to be updated, and the necessary renumbering and lettering of remaining provisions. The following description of certain amendments to the Charter is intended to be a summary only. The summary is qualified in its entirety by the full text of the Articles of Amendment and Restatement that is attached hereto as Exhibit A:

Delete the NASAA REIT Guidelines requirement that our stockholders meet certain suitability criteria.

Delete the NASAA REIT Guidelines requirement that the Board be comprised of at least three directors. Under the MGCL, the Board may be comprised of as few as one director. Also remove the requirement that a majority of the Board consist of Independent Directors (as defined by the NASAA REIT Guidelines). While NASDAQ rules would require that a majority of our directors be independent in order for us to list our shares, the NASDAQ definition of independence is much less restrictive than the NASAA REIT Guidelines definition.

Delete the NASAA REIT Guidelines requirements that any director have at least three years of relevant experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets we acquire and that at least one Independent Director have at least three years of relevant real estate experience.

Delete the NASAA REIT Guidelines requirement that certain specified matters be approved by our Independent Directors.

Delete the provisions related to the appointment of, supervision of, and payment of enumerated fees to, an advisor (other than the payment of a subordinated incentive listing fee), and related provisions.

Delete the NASAA REIT Guidelines provisions limiting our investment objectives and restricting us from making certain investments, operating in a certain manner and incurring a certain level of debt.

Delete the NASAA REIT Guidelines provisions restricting transactions between us and our advisor, our sponsor, any director or any of their affiliates unless certain approvals are obtained and certain determinations are made. The MGCL already contains a provision subjecting a transaction between a corporation and any of its directors or any other entity in which any of its directors is a director or has a material financial interest to voidability unless the transaction is approved by the affirmative vote of a majority of disinterested directors or a majority of the votes cast by disinterested stockholders or is fair and reasonable to the corporation.

Delete the NASAA REIT Guidelines restriction on distributions in kind.

Delete the NASAA REIT Guidelines requirements that (a) an annual meeting of stockholders be held no less than 30 days after delivery of our annual report, (b) a director receive the affirmative vote of a majority of the shares present in order to be elected (the MGCL requires only a plurality of the votes cast), and (c) a special meeting of stockholders be called upon the request of the holders of at least 10% of the outstanding shares entitled to vote (under the MGCL, the percentage required to call a meeting can be as high as a majority).

Delete the NASAA REIT Guidelines restrictions on voting by directors and their affiliates.

TABLE OF CONTENTS

Delete the NASAA REIT Guidelines requirement that we make all of our records available for inspection by any stockholder. The MGCL permits access only to corporate documents, including bylaws, minutes of stockholder proceedings, annual statements of affairs, voting trust agreements and statements of stock and securities issued during certain specified periods.

Delete the NASAA REIT Guidelines requirement that we provide a copy of our stockholder list to any stockholder upon request. The MGCL requires only that the stockholder list be provided to stockholders of record of at least 5% of the outstanding shares of any class for at least six months.

Delete the NASAA REIT Guidelines requirement that an annual report be provided to each stockholder within 120 days after the end of the fiscal year. The MGCL requires only that an annual statement of affairs, including a balance sheet and a financial statement of operations, be submitted at the annual meeting of stockholders and made available for inspection within 20 days thereafter.

Delete the NASAA REIT Guidelines restrictions on exculpation and indemnification of, and advance of expenses to, directors and officers.

Delete the NASAA REIT Guidelines requirement that any merger, consolidation or transfer of all or substantially all of our assets be approved by the stockholders. Under the MGCL, certain mergers and transfers of all or substantially all of a corporation's assets do not require stockholder approval (*e.g.*, (a) mergers with a 90% or more owned subsidiary in which the charter is not amended and stockholder contract rights do not change, (b) mergers in which the corporation is the successor entity and the terms of its stock do not change, its charter is not otherwise amended and the number of shares of stock of any class or series outstanding immediately after the effective time of the merger does not increase by more than 20% of the number of shares of the class or series outstanding immediately before the merger becomes effective and (c) transfers of all or substantially all of the corporation's assets to a wholly owned subsidiary or by mortgage or pledge). Also delete the NASAA REIT Guidelines restrictions on roll-up transactions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSED AMENDMENTS TO THE COMPANY'S CHARTER.

PROPOSAL 3 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the Board of Directors has selected and appointed Grant Thornton as our independent registered public accounting firm to audit our consolidated financial statements for 2012. Grant Thornton has audited our consolidated financial statements since September 7, 2007. Although ratification by stockholders is not required by law or by our Bylaws, the audit committee believes that submission of its selection to stockholders is a matter of good corporate governance. Even if the appointment is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time if the audit committee believes that such a change would be in the best interests the Company and its stockholders. If our stockholders do not ratify the appointment of Grant Thornton, the audit committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent auditors.

A representative of Grant Thornton will attend the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

The proxy holder named on the enclosed proxy card intends to vote **FOR** the ratification of the appointment of the independent auditor. If you do not wish your shares to be voted for such ratification, please vote **AGAINST** or **ABSTAIN** on the appropriate question on the proxy card or, if you are authorizing a proxy to vote your shares by telephone or the Internet, follow the instructions provided when you authorize a proxy. The appointment of the independent auditor will be ratified if a majority of votes cast at the Annual Meeting vote **FOR** such ratification, provided that a quorum is present. Any shares not voted (whether by abstention, broker non-vote, or otherwise) have no impact on the vote.

Fees

Aggregate fees for professional services rendered by Grant Thornton for the years ended December 31, 2011 and 2010 were as follows: \$293,642 and \$239,275, respectively.

Audit Fees

Audit fees billed were \$293,642 and \$239,275 for the fiscal years ended December 31, 2011 and December 31, 2010, respectively. The fees were for professional services rendered for audits of the Company's annual consolidated financial statements and for reviews of the Company's annual and quarterly reports.

Audit Related Fees

There were no audit related fees billed for the fiscal years ended December 31, 2011 and December 31, 2010.

Tax Fees

There were no tax fees billed for the fiscal years ended December 31, 2011 and 2010.

All Other Fees

There were no other fees billed for the fiscal years ended December 31, 2011 or December 31, 2010.

Pre-Approval Fees Policy

The audit committee has approved a policy concerning the pre-approval of audit and non-audit services to be provided by Grant Thornton, our independent registered public accounting firm. The policy requires that all services provided by Grant Thornton to us, including audit services, audit-related services, tax services and other services, must be pre-approved by the audit committee. In some cases, pre-approval is provided by the full audit committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required.

30

TABLE OF CONTENTS

In considering the nature of the services provided by the independent auditor, the audit committee determined that such services are compatible with the provision of independent audit services. The audit committee discussed these services with the independent auditor and the Company's management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the related requirements of the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants. All services rendered by Grant Thornton were pre-approved by the audit committee.

The audit committee approved all audit and non-audit services provided to us by Grant Thornton during the 2011 and 2010 fiscal years.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE AUDIT COMMITTEE'S APPOINTMENT OF GRANT THORNTON AS THE COMPANY'S INDEPENDENT AUDITOR FOR 2012.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the executive officers and directors of the Company, and persons who beneficially own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on our review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2011, all Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were timely satisfied, except for Form 4/A's filed for each of Robert H. Burns, William G. Stanley and Leslie D. Michelson on March 1, 2012.

CODE OF ETHICS

The Board of Directors has adopted a code of business conduct and ethics effective as of February 20, 2012 (the Code of Ethics) that applies to our officers, directors and employees of the Company or its subsidiaries. Among other matters, the Code of Ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
compliance with applicable governmental laws, rules and regulations;
prompt internal reporting of violations of the code to appropriate persons identified in the code; and
accountability for adherence to the code.

The Code of Ethics is available on the Company's website at <http://www.arctreit.com> by clicking on Code of Ethics. You may also obtain a copy of the Code of Ethics by writing to our secretary at: American Realty Capital Trust, Inc., 405 Park Avenue, New York, NY 10022, Attention: Susan E. Manning. A waiver of the Code of Ethics may be granted only by the Board of Directors or the appropriate committee of the Board of Directors and will be promptly disclosed to the extent required by law or NASDAQ regulation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company formed a compensation committee in February 2012. Prior to the formation of the compensation committee, executive compensation was determined by the Board in its entirety. During the fiscal year ended December 31, 2011, Mr. Schorsch, our chairman of the Board, who resigned from his position as chief executive officer in March 2012, but not from his position as chairman of the Board, and Mr. Kahane, who in addition to serving as a director of the Company was appointed as our president and chief executive officer in March 2012, each served as an executive officer of NYRR, ARC RCA, ARC HT, ARCT III, ARC DNAV, ARC Global DNAV, BDCA and the Company. Since Mr. Kahane is, and Mr. Schorsch was until March 2012, each an officer of the Company, they did not receive any separate compensation from us for service as our executive officers and directors, and also did not receive any separate compensation from NYRR, ARC RCA, ARC HT, ARCT III, ARC DNAV, ARC Global DNAV, BDCA or for their service as executive officers and/or directors of those entities.

OTHER MATTERS PRESENTED FOR ACTION AT THE 2012 ANNUAL MEETING

Our Board of Directors does not intend to present for consideration at the Annual Meeting any matter other than those specifically set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented for consideration at the meeting, the persons named in the proxy will vote thereon pursuant to the discretionary authority conferred by the proxy.

STOCKHOLDER PROPOSALS FOR THE 2013 ANNUAL MEETING

Stockholder Proposals in the Proxy Statement

Rule 14a-8 under the Exchange Act addresses when a company must include a stockholder's proposal in its proxy statement and identify the proposal in its form of proxy when the company holds an annual or special meeting of stockholders. Stockholder Proposals and Nominations for Directors to Be Presented at Meetings

For any proposal that is not submitted for inclusion in our proxy material for the 2013 annual meeting but is instead sought to be presented directly at that meeting, Rule 14a-4(c) under the Exchange Act permits our management to exercise discretionary voting authority under proxies it solicits unless we receive timely notice of the proposal in accordance with the procedures set forth in our Bylaws. (ii) SHARES.

(a) OWNERSHIP LIMITATIONS. During the period commencing on the date of the Company's qualification as a REIT and prior to the Restriction Termination Date, but subject to Section 5.105.8:

(I) BASIC RESTRICTIONS. Except for Shares held by the Advisor or its affiliates and only as the Initial Investment,

(A) (1) No Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own Shares in excess of the Aggregate Share Ownership Limit and (2) no Excepted Holder shall Beneficially Own or Constructively Own Shares in excess of the Excepted Holder Limit for such Excepted Holder.

(B) No Person shall Beneficially or Constructively Own Shares to the extent that such Beneficial or Constructive Ownership of Shares would result in the Company being closely held within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or otherwise failing to qualify as a REIT (including, but not limited to, Beneficial or Constructive Ownership that would result in the Company owning (actually or Constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of

the Code if the income derived by the Company from such tenant would cause the Company to fail to satisfy any of the gross income requirements of Section 856(c) of the Code).

(C) Any Transfer of Shares that, if effective, would result in Shares being beneficially owned by less than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void *ab initio*, and the intended transferee shall acquire no rights in such Shares.

(II) TRANSFER IN TRUST. If any Transfer of Shares (whether or not such Transfer is the result of a transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system) occurs which, if effective, would result in any Person Beneficially Owning or Constructively Owning Shares in violation of Section 5.95.7(ii)(a)(I)(A) or (B),

(A) then that number of Shares the Beneficial or Constructive Ownership of which otherwise would cause such Person to violate Section 5.95.7(ii)(a)(I)(A) or (B) (rounded up to the nearest whole share) shall be automatically transferred to a Trust for the benefit of a Charitable Beneficiary, as described in Section 5.9(iii), effective as of the close of business on the Business Day prior to the date of such Transfer, and such Person shall acquire no rights in such shares; or

(B) if the transfer to the Trust described in clause (A) of this sentence would not be effective for any reason to prevent the violation of Section 5.95.7(ii)(a)(I)(A) or (B) then the Transfer of that number of Shares that otherwise would cause any Person to violate Section 5.95.7(ii)(a)(I)(A) or (B) shall be void ab initio, and the intended transferee shall acquire no rights in such Shares.

(III) To the extent that, upon a transfer of Shares pursuant to Section 5.7(ii)(a)(II), a violation of any provision of this Section 5.7 would nonetheless be continuing (for example where the ownership of Shares by a single Trust would violate the 100 stockholder requirement applicable to REITs), then Shares shall be transferred to that number of Trusts, each having a distinct Trustee and one or more Charitable Beneficiaries that are distinct from those of each other Trust, such that there is no violation of any provision of this Section 5.7.

(b) REMEDIES FOR BREACH. If the Board or any duly authorized committee thereof shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of Section 5.95.7(ii)(a) or that a Person intends to acquire or has attempted to acquire Beneficial or Constructive Ownership of any Shares in violation of Section 5.9 5.7(ii)(a) (whether or not such violation is intended), the Board or a committee thereof shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Company to redeem Shares, refusing to give effect to such Transfer on the books of the Company or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfer or attempted Transfer or other event in violation of Section 5.95.7(ii)(a) shall automatically result in the transfer to the Trust described above, and, where applicable, such Transfer (or other event) shall be void *ab initio* as provided above irrespective of any action (or non-action) by the Board or a committee thereof.

(c) NOTICE OF RESTRICTED TRANSFER. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of Shares that will or may violate Section 5.95.7(ii)(a)(I)(A) or (B) or any Person who would have owned Shares that resulted in a transfer to the Trust pursuant to the provisions of Section 5.95.7(ii)(a)(II) shall immediately give written notice to the Company of such event, or in the case of such a proposed or attempted transaction, give at least 15 days prior written notice, and shall provide to the Company such other information as the Company may request in order to determine the effect, if any, of such Transfer on the Company's status as a REIT.

(d) OWNERS REQUIRED TO PROVIDE INFORMATION. From the Commencement of the Initial Public Offering and prior to the Restriction Termination Date:

(I) every owner of more than five percent (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding Shares, within 30 days after the end of each taxable year, shall give written notice to the Company stating the name and address of such owner, the number of Shares Beneficially Owned and a description of the manner in which such Shares are held. Each such owner shall provide to

the Company such additional information as the Company may request in order to determine the effect, if any, of such Beneficial Ownership on the Company's status as a REIT and to ensure compliance with the Aggregate Share Ownership Limit; and

A-12

TABLE OF CONTENTS

(II) each Person who is a Beneficial or Constructive Owner of Shares and each Person (including the stockholder of record) who is holding Shares for a Beneficial Owner or Constructive Owner shall provide to the Company such information as the Company may request, in good faith, in order to determine the Company's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

(e) REMEDIES NOT LIMITED. Subject to Section 7.37.4 hereof of the Charter, nothing contained in this Section 5.95.7(ii)(e) shall limit the authority of the Board to take such other action as it deems necessary or advisable to protect the Company and the interests of its stockholders in preserving the Company's status as a REIT.

(f) AMBIGUITY. In the case of an ambiguity in the application of any of the provisions of this Section 5.95.7(ii), Section 5.95.7(iii), or any definition contained in Section 5.95.7(i), the Board shall have the power to determine the application of the provisions of this Section 5.95.7(ii) or Section 5.95.7(iii) or any such definition with respect to any situation based on the facts known to it. In the event Section 5.95.7(ii) or (iii) requires an action by the Board and the Charter fails to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Section 5.9. 5.7. Absent a decision to the contrary by the Board (which the Board may make in its sole and absolute discretion), if a Person would have (but for the remedies set forth in Section 5.95.7(ii)(b)) acquired Beneficial Ownership or Constructive Ownership of Shares in violation of Section 5.95.7(ii)(a), such remedies (as applicable) shall apply first to the Shares which, but for such remedies, would have been Beneficially Owned or Constructively Owned (but not actually owned) by such Person, pro rata among the Persons who actually own such Shares based upon the relative number of the Shares held by each such Person.

(g) EXCEPTIONS.

(I) Subject to Section 5.95.7(ii)(a)(I)(B), the Board, in its sole discretion, may (prospectively or retroactively) exempt a Person from the Aggregate Share Ownership Limit and may establish or increase an Excepted Holder Limit for such Person if:

(A) (A)the Board obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no individual's Beneficial Ownership or Constructive Ownership of such Shares will violate Section 5.95.7(ii)(a)(I)(B);

(B) such Person does not and represents that it will not own, actually own or Constructively, an interest in a tenant of the Company (or a tenant of any entity owned or controlled by the Company) that would cause the Company to own, actually own or Constructively, Own more than a 9.9% interest (as set forth in Section 856(d)(2)(B) of the Code) in such tenant and the Board obtains such representations and undertakings from such Person as are reasonably necessary to ascertain this fact (for this purpose, a tenant from whom the Company (or an entity owned or controlled by the Company) derives (and is expected to continue to derive) a sufficiently small amount of revenue such that, in the opinion of the Board, rent from such tenant would not adversely affect the Company's ability to qualify as a REIT, shall not be treated as a tenant of the Company); and

(C) such Person agrees that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions contained in Section 5.95.7(ii)(a) through Section 5.95.7(ii)(f)) will result in such Shares being automatically transferred to a Trust in accordance with Section 5.95.7(ii)(A)(II) and Section 5.95.7(iii).

(II) Prior to granting any exception pursuant to Section 5.95.7(ii)(g)(I), the Board may require a ruling from the Internal Revenue Service, or an opinion of counsel, in either case in form and substance satisfactory to the Board in its

sole discretion, as it may deem necessary or advisable in order to determine or ensure the Company's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board may impose such conditions or restrictions as it deems appropriate in connection with granting such exception.

(III) Subject to Section 5.95.7(ii)(a)(I)(B), an underwriter which participates in an Offering or a private placement of Shares (or Securities convertible into or exchangeable for Shares) may Beneficially Own or Constructively Own Shares (or Securities convertible into or exchangeable for Shares) in excess of the Aggregate Share Ownership Limit but only to the extent necessary to facilitate such Offering or private placement.

(IV) The Board may only reduce the Excepted Holder Limit for an Excepted Holder: (1) with the written consent of such Excepted Holder at any time, or (2) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. No Excepted Holder Limit shall be reduced to a percentage that is less than the Aggregate Share Ownership Limit.

(h) INCREASE OR DECREASE IN AGGREGATE SHARE OWNERSHIP LIMIT. Subject to Section 5.95.7(ii)(a)(I)(B), the Board may from time to time increase the Aggregate Share Ownership Limit for one or more Persons and decrease the Aggregate Share Ownership Limit for all other Persons; provided, however, that the decreased Aggregate Share Ownership Limit will not be effective for any Person whose percentage ownership of Shares is in excess of such decreased Aggregate Share Ownership Limit until such time as such Person's percentage of Shares equals or falls below the decreased Aggregate Share Ownership Limit, but any further acquisition of Shares in excess of such percentage ownership of Shares will be in violation of the Aggregate Share Ownership Limit and, provided further, that the new Aggregate Share Ownership Limit would not allow five or fewer Persons to Beneficially Own or Constructively Own more than 49.9% in value of the outstanding Shares.

(i) NOTICE TO STOCKHOLDERS UPON ISSUANCE OR TRANSFER. Upon issuance or transfer of Shares prior to the Restriction Termination Date, the Company shall provide the recipient with a notice containing information about the Shares purchased or otherwise transferred, in lieu of issuance of a share certificate, in a form substantially similar to the following:

The securities of American Realty Capital Trust, Inc. (the Company) are subject to restrictions on Beneficial Ownership and Constructive Ownership and Transfer for the purpose, among others, of the Company's maintenance of its status as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the Code). Subject to certain further restrictions and except as expressly provided in the Company's charter, (i) no Person may Beneficially Own or Constructively Own Shares in excess of 9.8% of the value of the total outstanding Shares or 9.8% (in value or in number of Shares, whichever is more restrictive) of any class or series of Shares unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (ii) no Person may Beneficially Own or Constructively Own Shares that would result in the Company being closely held under Section 856(h) of the Code or otherwise cause the Company to fail to qualify as a REIT; and (iii) no Person may Transfer of Shares that, if such Transfer effective, would result in the Shares of the Company being beneficially owned by fewer than 100 Persons (as determined under the principles of Section 856(a)(5) of the Code) shall be void *ab initio* and the intended transferee shall acquire no rights in such Shares. Any Person who Beneficially Owns or Constructively Owns or attempts to Beneficially Own or Constructively Own Shares which causes or will cause a Person to Beneficially Own or Constructively Own Shares in excess or in violation of the above limitations must immediately notify the Company in writing (or, in the case of an attempted transaction, give at least 15 days prior written notice). If any of the restrictions on transfer or ownership as set forth in (i) and (ii) above are violated, the Shares represented hereby in excess or in violation of the above limitations will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries. In addition, the Company may redeem shares upon the terms and conditions specified by the Board in its sole discretion if the Board determines that ownership or a Transfer or other event may violate the restrictions described above. Furthermore, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void *ab initio*. All capitalized terms in this notice have the meanings defined in the Company's charter, as the same may be amended from time to time, a copy of which, including the restrictions

on transfer and ownership, will be furnished to each holder of Shares of the Company on request and without charge.
Requests for such a copy may be directed to the Secretary of the Company at its principal office.

SECTION 6.2 SECTION 6.6 RESIGNATION, OR REMOVAL OR DEATH. Any Director may resign by written notice to the Board, effective upon execution and delivery to receipt by the Company Board of such written notice or upon any future date specified in the notice. Any Subject to the rights of holders of one or more classes or series of Preferred Shares, any Director or the entire Board may be removed from office with or without any time, but only for cause, and then only by the affirmative vote of the holders of not less than a majority of the Shares then outstanding and at least two-thirds of the votes entitled to vote be cast generally in the election of directors, subject to the rights of any Preferred Shares to vote for such Directors. Directors. For the purpose of this paragraph, cause shall mean, with respect to any particular Director, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such director caused demonstrable, material harm to the Company through bad faith or active and deliberate dishonesty.

ARTICLE VII

POWERS OF THE BOARD OF DIRECTORS

SECTION 7.1 GENERAL. The business and affairs of the Company shall be managed under the direction of the Board. In accordance with the policies on investments and borrowing set forth in this Article VII and Article IX hereof, the Board shall monitor the administrative procedures, investment operations and performance of the Company and the Advisor to assure that such policies are carried out. The Board may take any action that, in its sole judgment and discretion, is necessary or desirable to conduct the business of the Company. The Charter shall be construed with a presumption in favor of the grant of power and authority to the Board. Any construction of the Charter or determination made in good faith by the Board concerning its powers and authority hereunder shall be conclusive. The enumeration and definition of particular powers of the Board included in this Article VII shall in no way be limited or restricted by reference to or inference from the terms of this or any other provision of the Charter or construed or deemed by inference or otherwise in any manner to exclude or limit the powers conferred upon the Board under the general laws of the State of Maryland as now or hereafter in force.

SECTION 7.2 AUTHORIZATION BY BOARD OF STOCK ISSUANCE. The Board may authorize the issuance from time to time of Shares of any class or series, whether now or hereafter authorized, or securities or rights convertible into Shares of any class or series, whether now or hereafter authorized, for such consideration as the Board may deem advisable (or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in the Charter or the Bylaws.

SECTION 7.3 FINANCINGS. The Board shall have the power and authority to borrow or, in any other manner, raise money for the purposes and on the terms it determines, which terms may (i) include evidencing the same by issuance of Securities of the Company and (ii) have such provisions as the Board may determine (a) to reacquire such Securities; (b) to enter into other contracts or obligations on behalf of the Company; (c) to guarantee, indemnify or act as surety with respect to payment or performance of obligations of any Person and (d) to mortgage, pledge, assign, grant security interests in or otherwise encumber the Company's assets to secure any such Securities of the Company, contracts or obligations (including guarantees, indemnifications and suretyships); and to renew, modify, release, compromise, extend, consolidate or cancel, in whole or in part, any obligation to or of the Company or participate in any reorganization of obligors to the Company.

SECTION 7.4 REIT QUALIFICATION. If the Company elects to qualify for federal income tax treatment as a REIT, the Board shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve

the status of the Company as a REIT; *provided, however*, if the Board determines that it is no longer in the best interests of the Company to continue to be qualified as a REIT, the Board may revoke or otherwise terminate the Company's REIT election pursuant to Section 856(g) of the Code. The Board also may determine that compliance with any restriction or limitation on stock ownership and transfers set forth in Section 5.9 of Article V5.7 hereof is no longer required for REIT qualification.

TABLE OF CONTENTS

SECTION 7.5 DETERMINATIONS BY BOARD. The determination as to any of the following matters, made in good faith by or pursuant to the direction of the Board consistent with the Charter, shall be final and conclusive and shall be binding upon the Company and every holder of Shares: the amount of the net income of the Company for any period and the amount of assets at any time legally available for the payment of dividends, redemption of Shares or the payment of other Distributions on Shares; the amount of paid-in surplus, net assets, other surplus, annual or other cash flow, funds from operations (and any variation thereof), net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been paid or discharged); any interpretation of the terms, preferences, conversion or other rights, voting powers or rights, restrictions, limitations as to dividends or other Distributions, qualifications or terms or conditions of redemption of any class or series of Shares; the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Company or any Shares; the number of Shares of any class of the Company; any matter relating to the acquisition, holding and disposition of any assets by the Company; any conflict between the MGCL and the provisions set forth in the NASAA REIT Guidelines; or any other matter relating to the business and affairs of the Company or required or permitted by applicable law, the Charter or Bylaws or otherwise to be determined by the Board; *provided, however*, that any determination by the Board as to any of the preceding matters shall not render invalid or improper any action taken or omitted prior to such determination and no Director shall be liable for making or failing to make such a determination; and provided, further, that to the extent the Board determines that the MGCL conflicts with the provisions set forth in the NASAA REIT Guidelines, the NASAA REIT Guidelines control to the extent any provisions of the MGCL are not mandatory.

ARTICLE VIII

ADVISOREXTRAORDINARY ACTIONS

SECTION 8.1 APPOINTMENT AND INITIAL INVESTMENT OF ADVISOR. The Board is responsible for setting the general policies of the Company and for the general supervision of its business conducted by officers, agents, employees, advisors or independent contractors of the Company. However, the Board is not required personally to conduct the business of the Company, and it may (but need not) appoint, employ or contract with any Person (including a Person Affiliated with any Director) as an Advisor and may grant or delegate such authority to the Advisor as the Board may, in its sole discretion, deem necessary or desirable. The term of retention of any Advisor shall not exceed one (1) year, although there is no limit to the number of times that a particular Advisor may be retained. The Advisor or its Affiliates have made an initial investment of \$200,000 in the Company. The Advisor or any such Affiliate may not sell this initial investment while the Advisor remains a Sponsor but may transfer the initial investment to other Affiliates.

SECTION 8.2 SUPERVISION OF ADVISOR. The Board shall evaluate the performance of the Advisor before entering into or renewing an Advisory Agreement, and the criteria used in such evaluation shall be reflected in the minutes of the meetings of the Board. The Board may exercise broad discretion in allowing the Advisor to administer and regulate the operations of the Company, to act as agent for the Company, to execute documents on behalf of the Company and to make executive decisions that conform to general policies and principles established by the Board.

The Board shall monitor the Advisor to assure that the administrative procedures, operations and programs of the Company are in the best interests of the Stockholders and are fulfilled. The Independent Directors are responsible for reviewing the total fees and expenses of the Company at least annually or with sufficient frequency to determine that

the expenses incurred are reasonable in light of the investment performance of the Company, its Net Assets, its Net Income and the fees and expenses of other comparable unaffiliated REITs. Each such determination shall be reflected in the minutes of the meetings of the Board. The Independent Directors also will be responsible for reviewing, from time to time and at least annually, the performance of the Advisor and determining that compensation to be paid to the Advisor is reasonable in relation to the nature and quality of services performed and the investment performance of the Company and that the provisions of the Advisory Agreement are being carried out. Specifically, the Independent Directors will consider factors such as (i) the amount of the fee paid to the Advisor in relation to the size, composition and performance of the Assets, (ii) the success of the Advisor in generating opportunities that meet the investment objectives of the Company, (iii) rates charged to other

A-19

TABLE OF CONTENTS

REITs and to investors other than REITs by advisors performing the same or similar services, (iv) additional revenues realized by the Advisor and its Affiliates through their relationship with the Company, including loan administration, underwriting or broker commissions, servicing, engineering, inspection and other fees, whether paid by the Company or by others with whom the Company does business, (v) the quality and extent of service and advice furnished by the Advisor, (vi) the performance of the Assets, including income, conservation or appreciation of capital, frequency of problem investments and competence in dealing with distress situations, and (vii) the quality of the Assets relative to the investments generated by the Advisor for its own account. The Independent Directors may also consider all other factors that it deems relevant, and the findings of the Independent Directors on each of the factors considered shall be recorded in the minutes of the Board. The Board shall determine whether any successor Advisor possesses sufficient qualifications to perform the advisory function for the Company and whether the compensation provided for in its contract with the Company is justified.

SECTION 8.3 FIDUCIARY OBLIGATIONS. The Advisor shall have a fiduciary responsibility and duty to the Company and to the Stockholders.

SECTION 8.4 AFFILIATION AND FUNCTIONS. The Board, by resolution or in the Bylaws, may provide guidelines, provisions or requirements concerning the affiliation and functions of the Advisor.

SECTION 8.5 TERMINATION. Either a majority of the Independent Directors or the Advisor may terminate the Advisory Agreement on sixty (60) days written notice without cause or penalty, and, in such event, the Advisor will cooperate with the Company and the Board in making an orderly transition of the advisory function.

SECTION 8.6 DISPOSITION FEE ON SALE OF PROPERTY. Unless otherwise provided in any resolution adopted by the Board, the Company may pay the Advisor a real estate commission upon Sale of one or more Properties, in an amount equal to the lesser of (i) one-half (1/2) of the Competitive Real Estate Commission, or (ii) three percent (3%) of the sales price of such Property or Properties. Payment of such fee may be made only if the Advisor provides a substantial amount of services in connection with the Sale of a Property or Properties, as determined by a majority of the Independent Directors. In addition, the amount paid when added to all other real estate commissions paid to unaffiliated parties in connection with such Sale shall not exceed the lesser of the Competitive Real Estate Commission or an amount equal to 6% of the sales price of such Property or Properties.

SECTION 8.7 INCENTIVE FEES. Unless otherwise provided in any resolution adopted by the Board, the Company may pay the Advisor an interest in the gain from the Sale of Assets, for which full consideration is not paid in cash or property of equivalent value, provided the amount or percentage of such interest is reasonable. Such an interest in gain from the Sale of Assets shall be considered presumptively reasonable if it does not exceed 15% of the balance of such net proceeds remaining after payment to Stockholders, in the aggregate, of an amount equal to 100% of the Invested Capital, plus an amount equal to 6% of the Invested Capital per annum cumulative. In the case of multiple Advisors, such Advisor and any of their Affiliates shall be allowed such fees provided such fees are distributed by a proportional method reasonably designed to reflect the value added to the Company assets by each respective Advisor or any Affiliate.

SECTION 8.8 SUBORDINATED INCENTIVE LISTING FEE. Upon listing the Company's common stock on the New York Stock Exchange or NASDAQ Stock Market, the Company shall pay the Advisor a fee equal to 15% of the amount, if any, by which (1) the market value of the Company's outstanding stock plus distributions paid by the Company prior to listing, exceeds (2) the sum of the total amount of capital raised from investors and the amount of cash flow necessary to generate a 6% annual cumulative, non-compounded return to investors.

SECTION 8.9 ORGANIZATION AND OFFERING EXPENSES LIMITATION. Unless otherwise provided in any resolution adopted by the Board, the Company shall reimburse the Advisor and its Affiliates for Organization and Offering Expenses incurred by the Advisor or its Affiliates; provided, however, that the total amount of all Organization and Offering Expenses shall be reasonable and shall in no event exceed 15% of the Gross Proceeds of each Offering.

SECTION 8.10 ACQUISITION FEES. Unless otherwise provided in any resolution adopted by the Board, the Company may pay the Advisor and its Affiliates fees for the review and evaluation of potential investments in Assets; provided, however, that the total of all Acquisition Fees and Acquisition Expenses shall be reasonable, and shall not exceed an amount equal to 6% of the Contract Purchase Price, or, in the case of a Mortgage, 6% of the funds advanced; provided, however, that a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in the transaction may approve fees and expenses in excess of this limit if they determine the transaction to be commercially competitive, fair and reasonable to the Company.

SECTION 8.11 ASSET MANAGEMENT FEE. Unless otherwise provided in any resolution adopted by the Board, the Company may pay the Advisor and its Affiliates fees for the Advisor's management of the Company's Assets; *provided, however*, that such asset management fees shall equal 1% of the purchase price of each property plus costs and expenses incurred by the advisor in providing asset management services. This fee is payable quarterly in advance, on January 1, April 1, July 1 and October 1, based on assets held by us on that date, adjusted for appropriate closing dates for individual property acquisitions.

SECTION 8.12 FEES UPON TERMINATION OF ADVISOR. Upon the termination of the Advisor upon a change of control of the Company, by the Company without cause, or by the Advisor for good reason (as such terms may be defined in the definitive agreement memorializing the engagement of the Advisor by the Company), the Company shall pay the Advisor, at the Advisor's election, either (x) a deferred acquisition fee not to exceed the amount by which 6% of the aggregate purchase price of all Properties purchased by the Company through the date of such termination exceeds the aggregate of all Acquisition Fees and Acquisition Expenses paid by the Company to such date, together with interest at a rate of 6% per annum from the date of acquisition of each Property, such total fee, including interest, not to exceed an annual amount equal to 6% of the Contract Purchase Price of the Properties, or (y) a termination fee not to exceed 15% of the amount, if any, by which the appraised value of the Properties owned by the Company on the date of such termination, less amounts of all indebtedness secured by such Properties exceeds the dollar amount equal to the sum of a 6% cumulative non-compound return on the Company's stockholders' net investment plus the amount of such investment.

SECTION 8.13 REIMBURSEMENT FOR TOTAL OPERATING EXPENSES. Unless otherwise provided in any resolution adopted by the Board, the Company may reimburse the Advisor, at the end of each fiscal quarter, for Total Operating Expenses incurred by the Advisor; provided, however that the Company shall not reimburse the Advisor at the end of any fiscal quarter for Total Operating Expenses that, in the four consecutive fiscal quarters then ended, exceed the greater of 2% of Average Invested Assets or 25% of Net Income (the **2%/25% Guidelines**) for such year. The Independent Directors shall have the responsibility of limiting Total Operating Expenses to amounts that do not exceed the 2%/25% Guidelines unless they have made a finding that, based on such unusual and non-recurring factors that they deem sufficient, a higher level of expenses (an **Excess Amount**) is justified. Within 60 days after the end of any fiscal quarter of the Company for which there is an Excess Amount which the Independent Directors conclude was justifiable and reimburseable to the Advisor, there shall be sent to the Stockholders a written disclosure of such fact, together with an explanation of the factors the Independent Directors considered in determining that such Excess Amount was justified. Any such finding and the reasons in support thereof shall be reflected in the minutes of the meetings of the Board. In the event that the Independent Directors do not determine that excess expenses are justified, the Advisor shall reimburse the Company the amount by which the expenses exceeded the 2%/25% Guidelines.

SECTION 8.14 REIMBURSEMENT LIMITATION. The Company shall not reimburse the Advisor or its Affiliates for services for which the Advisor or its Affiliates are entitled to compensation in the form of a separate fee.

ARTICLE IX

INVESTMENT OBJECTIVES AND LIMITATIONS

SECTION 9.1 REVIEW OF OBJECTIVES. The Independent Directors shall review the investment policies of the Company with sufficient frequency (not less often than annually) to determine that the policies being followed by the Company are in the best interests of its Stockholders. Each such determination and the basis therefor shall be set forth in the minutes of the meetings of the Board.

SECTION 9.2 CERTAIN PERMITTED INVESTMENTS. Until such time as the Common Shares are Listed the following investment Limitations shall apply:

(i) The Company may invest in Assets, as defined in Article IV hereof.

(ii) The Company may invest in Joint Ventures with the Sponsor, Advisor, one or more Directors or any of their Affiliates only if a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction, approve such investment as being fair and reasonable to the Company and on substantially the same terms and conditions as those received by the other joint venturers.

(iii) Subject to any limitations in Section 9.3, the Company may invest in equity securities only if a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction approve such investment as being fair, competitive and commercially reasonable.

SECTION 9.3 INVESTMENT LIMITATIONS. Until such time as the Common Shares are Listed, the following investment limitations shall apply. In addition to other investment restrictions imposed by the Board from time to time, consistent with the Company's objective of qualifying as a REIT, the following shall apply to the Company's investments:

- (i) Not more than 10% of the Company's total assets shall be invested in Unimproved Real Property or mortgage loans on Unimproved Real Property.
- (ii) The Company shall not invest in commodities or commodity future contracts. This limitation is not intended to apply to futures contracts, when used solely for hedging purposes in connection with the Company's ordinary business of investing in real estate assets and mortgages.
- (iii) The Company shall not invest in or make any Mortgage unless an appraisal is obtained concerning the underlying property except for those loans insured or guaranteed by a government or government agency. In cases in which a majority of Independent Directors so determine, and in all cases in which the transaction is with the Advisor, the Sponsor, any Director or any Affiliates thereof, such appraisal of the underlying property must be obtained from an Independent Appraiser. Such appraisal shall be maintained in the Company's records for at least five (5) years and shall be available for inspection and duplication by any Stockholder for a reasonable charge. In addition to the appraisal, a mortgagee's or owner's title insurance policy or commitment as to the priority of the mortgage or condition of the title must be obtained.

- (iv) The Company shall not make or invest in any Mortgage, including a construction loan, on any one property if the aggregate amount of all mortgage loans outstanding on the property, including the loans of the Company, would exceed an amount equal to 85% of the appraised value of the property as determined by appraisal unless substantial justification exists because of the presence of other underwriting criteria. For purposes of this subsection, the aggregate amount of all mortgage loans outstanding on the property, including the loans of the Company shall include all interest (excluding contingent participation in income and/or appreciation in value of the mortgaged property), the current payment of which may be deferred pursuant to the terms of such loans, to the extent that deferred interest on each loan exceeds five percent per annum of the principal balance of the loan.
- (v) The Company shall not invest in indebtedness secured by a mortgage on real property which is subordinate to the Lien or other indebtedness of the Advisor, the Sponsor, any Director or any Affiliate of the Company.

A-22

TABLE OF CONTENTS

(vi) The Company shall not issue (A) equity Securities redeemable solely at the option of the holder (except that Stockholders may offer their Common Shares to the Company pursuant to any repurchase plan adopted by the Board on terms outlined in the Prospectus relating to any Offering, as such plan is thereafter amended in accordance with its terms); (B) debt Securities unless the historical debt service coverage (in the most recently completed fiscal year) as adjusted for known changes is sufficient to properly service that higher level of debt; (C) equity Securities on a deferred payment basis or under similar arrangements; or (D) options or warrants to purchase Shares to the Advisor, Directors, Sponsor or any Affiliate thereof except on the same terms as such options or warrants are sold to the general public. Options or warrants may be issued to persons other than the Advisor, Directors, Sponsor or any Affiliate thereof, but not at exercise prices less than the fair market value of the underlying Securities on the date of grant and not for consideration (which may include services) that in the judgment of the Independent Directors has a market value less than the value of such option or warrant on the date of grant. Options or warrants issuable to the Advisor, Directors, Sponsor or any Affiliate thereof shall not exceed ten percent of the outstanding Shares on the date of grant. The voting rights per Share (other than any publicly held Share) sold in a private offering shall not exceed the voting rights which bear the same relationship to the voting rights of a publicly held Share as the consideration paid to the Company for each privately offered Share bears to the book value of each outstanding publicly held Share.

(vii) A majority of the Directors or a majority of a duly authorized committee of the Board shall authorize the consideration to be paid for each Asset, ordinarily based on the fair market value of the Asset. If a majority of the Independent Directors on the Board or such committee determine, or if the Asset is acquired from the Advisor, a Director, the Sponsor or their Affiliates, such fair market value shall be determined by a qualified Independent Appraiser selected by such Independent Directors. The Advisor may purchase an Asset on behalf of the Company without seeking the prior written consent of the Board if and to the extent that:

(a) The aggregate purchase price of such Asset (other than an Asset acquired from the Advisor, a Director, the Sponsor or their Affiliates, in which case the approval of the Independent Directors will be required) is less than \$15,000,000;

(b) The acquisition of such Asset would not, if consummated, violate or conflict with the investment guidelines of the Company as set forth in the Company's Prospectus as filed with the Securities and Exchange Commission;

(c) The acquisition of such Asset would not, if consummated, violate the limitations on Leverage contained in Section 9.3(viii) below; and

(d) The consideration to be paid for such Asset does not exceed the fair market value of such Asset, as determined by an Independent Appraiser selected in good faith by the Advisor and acceptable to the Independent Directors.

(viii) The aggregate Leverage of the Company shall be reasonable in relation to the Net Assets of the Company and shall be reviewed by the Board at least quarterly. Subject to the immediately following sentence, the maximum amount of such Leverage shall not exceed seventy-five percent (75%) of the greater of the aggregate cost (before deducting depreciation or other non-cash reserves) or the aggregate fair market value of the Company's assets as of the date of any borrowing, provided, that Leverage on any individual Asset may exceed such limit. Any excess in borrowing over such 75% level shall be approved by a majority of the Independent Directors and disclosed to Stockholders in the next quarterly report of the Company, along with justification for such excess.

(ix) The Company will continually review its investment activity to attempt to ensure that it is not classified as an investment company under the Investment Company Act of 1940, as amended.

- (x) The Company will not make any investment that the Company believes will be inconsistent with its objectives of qualifying and remaining qualified as a REIT unless and until the Board determines, in its sole discretion, that REIT qualification is not in the best interests of the Company.

- (xi) The Company shall not invest in real estate contracts of sale unless such contracts are in recordable form and appropriately recorded in the chain of title.

(xii) The Company will not, directly or indirectly, including through any subsidiary, extend or maintain credit, arrange for the extension of credit, or renew an extension of credit, in the form of a personal loan to or for any of the Company's directors or executive officers.

(xiii) The Company will not invest in any equity securities unless a majority of disinterested directors, including a majority of disinterested Independent Directors, approves the transaction as being fair, competitive and commercially reasonable. Investments in entities affiliated with the Advisor, the Sponsor, any director, or any of their Affiliates shall be subject to the restrictions on joint venture investments set forth in Section 9.2(ii) of the charter.

(xiv) The Company shall not engage in any short sale.

(xv) The value of all investments in debt secured by a mortgage on real property that is subordinate to the lien of other debt, shall not exceed 25% of the Company's tangible assets.

(xvi) The Company shall not engage in trading, as opposed to investment activities.

(xvii) The Company shall not engage in underwriting activities or distribute, as agent, securities issued by others.

(xviii) The Company shall not invest in foreign currency or bullion.

(xix) The aggregate amount of borrowing shall not exceed 300% of the Company's Net Assets as of the date of the borrowing unless the excess is approved by a majority of the Independent Directors and disclosed to the stockholders in the Company's next quarterly report to stockholders following such borrowing along with justification for such excess.

The Company shall not acquire securities in any entity holding investments or engaging in activities prohibited by the restrictions on investments set forth in the foregoing clauses (i) through (xix) of this Section 9.3.

ARTICLE X

CONFLICTS OF INTEREST

SECTION 10.1 SALES AND LEASES TO COMPANY. The Company may purchase or lease an Asset or Assets from the Sponsor, the Advisor, a Director or any Affiliate thereof upon a finding by a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction (i) that such transaction is fair and reasonable to the Company and (ii) that such transaction is at a price to the Company no greater than the cost of the Asset to such Sponsor, Advisor, Director or Affiliate or, if the price to the Company is in excess of such cost, substantial justification exists for the excess and the excess is reasonable. In no event shall the purchase price of any Property to the Company exceed its current appraised value.

SECTION 10.2 SALES AND LEASES TO THE SPONSOR, ADVISOR, DIRECTORS OR AFFILIATES. An Advisor, Sponsor, Director or Affiliate thereof may only purchase or lease Assets from the Company if a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction determine that the transaction is fair and reasonable to the Company.

SECTION 10.3 OTHER TRANSACTIONS.

(i) The Company shall not engage in any other transaction with the Sponsor, a Director, the Advisor or any Affiliates thereof unless a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in such transaction approve such transaction as fair and reasonable to the Company and on terms and conditions not less favorable to the Company than those available from unaffiliated third parties.

A-24

TABLE OF CONTENTS

(ii) The Company shall not make loans to the Sponsor, the Advisor, a Director or any Affiliates thereof except Mortgages pursuant to Section 9.3(iii) hereof or loans to wholly owned subsidiaries of the Company. The Sponsor, Advisor, Directors and any Affiliates thereof shall not make loans to the Company, or to joint ventures in which the Company is a co-venturer, unless approved by a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in such transaction as fair, competitive, and commercially reasonable, and no less favorable to the Company than comparable loans between unaffiliated parties.

SECTION 10.4 CONFLICT RESOLUTION PROCEDURES.

(i) Before the Advisor may take advantage of an investment opportunity for its own account or recommend it to others, the Advisor is obligated to present such opportunity to the Company if (i) such opportunity is compatible with the Company's investment objectives and policies, (ii) such opportunity is of a character which could be taken by the Company, and (iii) the Company has the financial resources to take advantage of such opportunity.

(ii) In the event that an investment opportunity becomes available that is suitable for both the Company and a public or private entity with which the Advisor or its Affiliates are affiliated for which both entities have sufficient uninvested funds, and the requirements of Section 10.4(i) above have been satisfied, then the entity that has had the longest period of time elapse since it was offered an investment opportunity will first be offered the investment opportunity. An investment opportunity will not be considered suitable for an entity if the 2%/25% Guidelines could not be satisfied if the entity were to make the investment. In determining whether or not an investment opportunity is suitable for more than one entity, the Board and the Advisor will examine such factors, among others, as the cash requirements of each entity, the effect of the acquisition both on diversification of each entity's investments by type of property and geographic area and on diversification of the tenants of its properties, the policy of each entity relating to leverage of properties, the anticipated cash flow of each entity, the income tax effects of the purchase to each entity, the size of the investment and the amount of funds available to each program and the length of time such funds have been available for investment. If a subsequent development, such as a delay in the closing of the acquisition of such investment or a delay in the construction of a property, causes any such investment, in the opinion of the Board and the Advisor, to be more appropriate for an entity other than the entity that committed to make the investment, the Advisor may determine that the other entity affiliated with the Advisors or its Affiliates will make the investment. It shall be the duty of the Board, including the Independent Directors, to ensure that the method used by the Advisor for the allocation of the acquisition of investments by two or more affiliated programs seeking to acquire similar types of Assets is applied fairly to the Company.

ARTICLE XI

STOCKHOLDERS

SECTION 11.1 MEETINGS OF STOCKHOLDERS. There shall be an annual meeting of the Stockholders, to be held on such date and at such time and place as shall be determined by or in the manner prescribed in the Bylaws, at which the Directors shall be elected and any other proper business may be conducted. The annual meeting will be held upon reasonable notice on a date that is within a reasonable period of time following the distribution of the Company's annual report to Stockholders, but not less than thirty (30) days after delivery of such report. The holders of a majority of Shares entitled to vote, present in person or by proxy, at an annual meeting at which a quorum is present may, without the necessity for concurrence by the Board, vote to elect the Directors. A quorum shall be a majority of the then outstanding Shares. Special meetings of Stockholders may be called in the manner provided in the Bylaws,

including by the president or by a majority of the Directors or a majority of the Independent Directors, and shall be called by the Secretary of the Company upon written request of Stockholders holding in the aggregate not less than ten percent of the outstanding Shares entitled to be voted on any issue proposed to be considered at any such special meeting. Notice of any special meeting of Stockholders shall be given as provided in the Bylaws, and the special meeting shall be held not less than 15 days nor more than 60 days after the delivery of such notice. If the meeting is called by written request of Stockholders as described in this Section 11.1, the special meeting shall be held at the time and place specified in the Stockholder request; provided, however, that if none is so specified, at such time and place convenient to the Stockholders. If there are no Directors, the

A-25

TABLE OF CONTENTS

Secretary of the Company shall promptly call a special meeting of the Stockholders entitled to vote for the election of successor Directors. Any meeting may be adjourned and reconvened as the Board may determine or as otherwise provided in the Bylaws.

SECTION 11.2 VOTING RIGHTS OF STOCKHOLDERS. Subject to the provisions of any class or series of Shares then outstanding and the mandatory provisions of any applicable laws or regulations, the Stockholders shall be entitled to vote only on the following matters: (a) election or removal of Directors, without the necessity for concurrence by the Board, as provided in Sections 11.1, 6.4 and 6.6 hereof; (b) amendment of the Charter, without the necessity for concurrence by the Board as provided in Article XIII hereof; (c) dissolution of the Company without the necessity for concurrence by the Board; (d) to the extent required under Maryland law, merger or consolidation of the Company or the sale or other disposition of all or substantially all of the Company's assets; and (e) such other matters with respect to which the Board has adopted a resolution declaring that a proposed action is advisable and directing that the matter be submitted to the Stockholders for approval or ratification. Except with respect to the foregoing matters, no action taken by the Stockholders at any meeting shall in any way bind the Board. Without the approval of a majority of the Shares entitled to vote on the matter, the Board may not (i) amend the Charter to materially and adversely affect the rights, preferences and privileges of the Stockholders; (ii) amend provisions of the Charter relating to director qualifications, fiduciary duties, liability and indemnification, conflicts of interest, investment policies or investment restrictions; (iii) liquidate or dissolve the Company other than before the initial investment in property; (iv) sell all or substantially all of the Company's assets other than in the ordinary course of business; or (v) cause the merger or reorganization of the Company.

SECTION 11.3 EXTRAORDINARY ACTIONS. Notwithstanding Except as specifically provided in Section 6.2 hereof (relating to removal of Directors) and in the last sentence of Article X, notwithstanding any provision of law permitting or requiring any action to be taken or approved by the affirmative vote of the holders of Shares entitled to cast a greater number of votes, any such action shall be effective and valid if declared advisable by the Board and taken or approved by the affirmative vote of holders of Shares entitled to cast a majority of all the votes entitled to be cast on the matter.

SECTION 11.4 VOTING LIMITATIONS ON SHARES HELD BY THE ADVISOR, DIRECTORS AND AFFILIATES. With respect to Shares owned by the Advisor, any Director, or any of their Affiliates, neither the Advisor, nor such Director(s), nor any of their Affiliates may vote or consent on matters submitted to the Stockholders regarding the removal of the Advisor, such Director(s) or any of their Affiliates or any transaction between the Company and any of them. In determining the requisite percentage in interest of Shares necessary to approve a matter on which the Advisor, such Director(s) and any of their Affiliates may not vote or consent, any Shares owned by any of them shall not be included.

SECTION 11.5 RIGHT OF INSPECTION. Any Stockholder and any designated representative thereof shall be permitted access to the records of the Company to which it is entitled under applicable law at all reasonable times, and may inspect and copy any of them for a reasonable charge. If the Advisor or the Board neglects or refuses to exhibit, produce or mail a copy of the Stockholder List as requested, the Advisor and/or the Board, as the case may be, shall be liable to any Stockholder requesting the list for the costs, including reasonable attorneys' fees, incurred by that Stockholder for compelling the production of the Stockholder List, and for actual damages suffered by any Stockholder by reason of such refusal or neglect.
