ABOUT THE 2012 ANNUAL MEETING OF SHAREHOLDERS

What am I voting on?

You will be voting on the following:

- (1) To elect two Class II members of the Board of Directors, to serve terms expiring at the Annual Meeting of Shareholders following the fiscal year ending June 30, 2014, or until his successor is duly elected and qualified;
- (2) To ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012; and
- (3) To transact any other business properly coming before the meeting.

Who is entitled to vote?

You may vote if you owned ordinary shares of the Company as of the close of business on May 7, 2012. Each ordinary share is entitled to one vote. As of May 7, 2012, we had 3,951,811 ordinary shares outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have three voting options:

- (1) By Internet, which we encourage if you have Internet access, at the address shown on your proxy card;
- (2) By phone, at 1-800-690-6903 using any touch-tone telephone to transmit your voting instructions; or
- (3) By mail, by completing, signing and returning the enclosed proxy card.

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote at the meeting?

If you are a shareholder of record, you may vote in person at the meeting. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet, by telephone or by mail.

Can I change my mind after I return my proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us prior to 9:00 p.m., Eastern Time, on June 12, 2012, (2) voting again over the Internet prior to 9:00 p.m., Eastern Time, on June 12, 2012, (3) voting again via the telephone prior to 9:00 p.m., Eastern Time, on June 12, 2012, or (4) voting at the meeting if you are a registered shareholder or have followed the necessary procedures required by your bank or broker.

What if I return my proxy card but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted (1) FOR the election of the Class II director nominees; (2) FOR the ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012; and (3) in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it mean if I receive more than one proxy card or instruction form?

It indicates that your ordinary shares are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account by telephone or on the Internet, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact their bank or broker and request consolidation.

Will my shares be voted if I do not provide my proxy or instruction form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012 is considered a routine matter for which brokerage firms may vote without specific instructions. However, election of directors is no longer considered a routine matter for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as "broker non-votes."

How can I attend the meeting?

The meeting is open to all holders of the Company's ordinary shares as of May 7, 2012.

May shareholders ask questions at the meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, telephone or mail. In order for us to conduct our meeting, one-third (1/3) of our outstanding ordinary shares as of May 7, 2012 must be present in person or by proxy. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting.

How many votes are needed to approve the Company's proposals?

Proposal 1. The nominees receiving the highest number of "For" votes will be elected as directors. This number is called a plurality. Shares not voted will have no impact on the election of directors. The proxy given will be voted "For" each of the nominees for director unless a properly executed proxy card is marked "Withhold" as to a particular nominee or nominees for director.

Proposal 2. The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012 requires that a majority of the votes cast at the meeting be voted "For" the proposal. A properly executed proxy card marked "Abstain" with respect to this proposal will not be voted.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Family Relationships

There are no family relationships among any of our directors or executive officers.

Board Leadership Structure

Mr. Yin Shenping currently holds both the positions of Chief Executive Officer and Chairman of the Board. The Board of Directors believes that Mr. Yin's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Yin possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

We do not have a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a smaller reporting company that recently became listed on a public exchange; as such we deem it appropriate to be able to benefit from the guidance of Mr. Yin as both our Chief Executive Officer and Chairman of the Board.

Resignations of Messrs. Wenhui Sun and Jun Lu

Messrs. Sun and Lu tendered their resignations as directors from the Board of Directors of the Company, effective as at the Annual Meeting of Shareholders. Resignations of Messrs. Sun and Lu are not due to any disagreement with the Company. The number of seats on the Board of Directors of the Company is thereby reduced to five.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As such, it is important for us to have our Chief Executive Officer serve on the Board as he plays a key role in the risk oversight of the Company. As a smaller reporting company with a small board of directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

WE RECOMMEND THAT YOU VOTE FOR THE ELECTION OF EACH OF THE CLASS II NOMINEES TO THE BOARD OF DIRECTORS.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF FRIEDMAN LLP

(ITEM 2 ON THE PROXY CARD)

What am I voting on?

A proposal to ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012. The Audit Committee of the Board of Directors has appointed Friedman LLP to serve as the Company's fiscal 2012 independent registered public accounting firm. Although the Company's governing documents do not require the submission of this matter to shareholders, the Board of Directors considers it desirable that the appointment of Friedman LLP be ratified by shareholders.

Has the Company changed its independent registered public accounting firm during its two most recent fiscal years?

The Company's independent registered public accounting firm for the fiscal years ended June 30, 2009 and 2008 was Hansen Barnett & Maxwell, P.C. ("HBM"). On October 13, 2009, the Board of Directors voted to dismiss HBM as its independent registered public accounting firm. This decision was recommended by the Audit Committee and unanimously approved by the Board of Directors at a meeting called for such purpose. HBM's audit reports on the financial statements of the Company for fiscal 2009 and 2008 did not contain an adverse opinion or disclaimer of opinion; nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles. During fiscal 2009 and 2008 and through the date of HBM's dismissal, the Company had no disagreements with HBM on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of HBM, would have caused HBM to make reference to the subject matter of such disagreements in its report on the Company's financial statements for such periods. Additionally, during fiscal 2009 and 2008 and through the date of HBM's resignation, there were no reportable events as defined under Item 304(a)(1)(v) of Regulation S-K.

On October 15, 2009, the Company engaged Bernstein & Pinchuk LLP ("B&P") as its independent registered public accounting firm to audit its financial statements. B&P was the Company's independent registered public accounting firm for the fiscal year ended June 30, 2010. On April 18, 2011, the practice of B&P merged with Marcum LLP to form Marcum Bernstein & Pinchuk LLP ("MarcumBP"), whereby B&P effectively resigned as the Company's independent registered public accounting firm and MarcumBP became the Company's independent registered public accounting firm. On December 8, 2011, the Board of Directors voted to dismiss MarcumBP as its independent registered public accounting firm. This decision was recommended by the Audit Committee and unanimously approved by the Board of Directors at a meeting called for such purpose. MarcumBP's audit reports on the financial

statements of the Company for fiscal 2010 did not contain an adverse opinion or disclaimer of opinion; nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles. During fiscal 2010 and through the date of MarcumBP's dismissal, the Company had no disagreements with MarcumBP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of MarcumBP, would have caused MarcumBP to make reference to the subject matter of such disagreements in its report on the Company's financial statements for such periods. Additionally, during fiscal 2010 and through the date of MarcumBP's resignation, there were no reportable events as defined under Item 304(a)(1)(v) of Regulation S-K.

On December 9, 2011, the Company engaged Friedman LLP as its independent registered public accounting firm to audit its financial statements. The decision to engage Friedman LLP was recommended by the Audit Committee of the Company's Board of Directors and was then unanimously approved by the Company's Board of Directors present at a Board meeting called for such purpose. During fiscal 2011 and through the date of the engagement of Friedman LLP, the Company did not consult with Friedman LLP regarding either (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or (2) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K). Prior to the engagement of Friedman LLP, Friedman LLP did not provide the Company with any written or oral advice that Friedman LLP concluded was an important factor considered by the Company in reaching any decision as to any accounting, auditing or financial reporting issue.

What services does Friedman LLP provide?

Audit services provided by Friedman LLP for fiscal 2012 will include the examination of the consolidated financial statements of the Company and services related to periodic filings made with the SEC.

Will a representative of Friedman LLP be present at the meeting?

One or more representatives of Friedman LLP will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to questions from shareholders.

What if this proposal is not approved?

If the appointment of Friedman LLP is not ratified, the Audit Committee of the Board of Directors will reconsider the appointment.

WE RECOMMEND THAT YOU VOTE FOR THE RATIFICATION OF FRIEDMAN LLP AS THE COMPANY'S FISCAL 2012 INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE INFORMATION**What if a nominee is unwilling or unable to serve?**

Each of the nominees listed in the Proxy Statement has agreed to serve as a director, if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board of Directors.

How are directors compensated?

All directors hold office until the expiration of their respective terms and until their successors have been duly elected and qualified. There are no family relationships among our directors or executive officers. Officers are elected by and serve at the discretion of the Board of Directors. Employee directors and non-voting observers do not receive any compensation for their services. Non-employee directors are entitled to receive \$2,000 per Board of Directors meeting attended. In addition, non-employee directors are entitled to receive compensation for their actual travel expenses for each Board of Directors meeting attended.

How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Nominating Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Nominating Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Nominating Committee is also responsible for considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Nominating Committee's charter is available on the Company's website at www.recon.cn under Investor Relations and in print upon request. The Nominating Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

Are the members of the Nominating Committee independent?

Yes. All members of the Nominating Committee have been determined to be independent by the Board of Directors.

How does the Nominating Committee identify and evaluate nominees for director?

The Nominating Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Nominating Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting.

The Nominating Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or "fit" of such candidate with existing members of the Board of Directors and management. The nominating committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees, however, the nominating committee does consider diversity of opinion and experience when nominating directors.

What are the Nominating Committee's policies and procedures for considering director candidates recommended by shareholders?

The Nominating Committee will consider all candidates recommended by shareholders. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Recon Technology, Ltd, Room 1902, Building C, King Long International Mansion, 9 Fulin Road, Beijing 100107 China:

- a recommendation that identifies the name and address of the shareholder and the person to be nominated;
- the written consent of the candidate to serve as a director of the Company, if elected;
- a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and
- such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC.

If the candidate is to be evaluated by the Nominating Committee, the Secretary will request a detailed resume, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check from the candidate.

What are the minimum qualifications required to serve on the Company's Board of Directors?

All members of the Board of Directors must possess the following minimum qualifications as determined by the Nominating Committee:

- A director must demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision; A director must be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;
- A director must have a record of professional accomplishment in his or her chosen field; and
- A director must be prepared and able to participate fully in Board activities, including membership on committees.

What other considerations does the Nominating Committee consider?

The Nominating Committee believes it is important to have directors from various backgrounds and professions in order to ensure that the Board of Directors has a wealth of experiences to inform its decisions. Consistent with this philosophy, in addition to the minimum standards set forth above, business and managerial experience and an understanding of financial statements and financial matters are very important.

How may shareholders communicate with the members of the Board of Directors?

Shareholders and others who are interested in communicating directly with members of the Board of Directors, including communication of concerns relating to accounting, internal accounting controls or audit matters, or fraud or unethical behavior, may do so by writing to the directors at the following address:
