To check the box marked "U.S. GAAP" under the words "Indicate by check mark which basis of accounting the registrant has used to prepare the financial statements included in this filing;" which was not checked on the cover page of the 2011 Form 20-F due to a clerical error;

To amend "Item 6. MAJOR SHAREHOLDERS AND RELATED PARTY TRANSACTIONS —A. Major Shareholders" of the 2011 Form 20-F to correct certain errors contained therein.

We hereby replace the subsection titled "Item 6. MAJOR SHAREHOLDERS AND RELATED PARTY TRANSACTIONS —A. Major Shareholders" on pages 53-54 of the 2011 Form 20-F in its entirety with the amended subsection included in this Amendment No. 1.

Other than the foregoing, no part of the 2011 Form 20-F is being amended. This Amendment No. 1 does not reflect events occurring after the filing of the 2011 Form 20-F on April 4, 2012, and does not modify or update the disclosures therein in any way other than as required to reflect the amendment described above.

Item 7. Major Shareholders and Related Party Transactions

A. Major Shareholders.

We determine beneficial ownership of shares under the rules of Form 20-F promulgated by the SEC and include any Common Shares over which a person possesses sole or shared voting or investment power, or the right to receive the economic benefit of ownership, or for which a person has the right to acquire any such beneficial ownership at any time within 60 days.

Significant changes in holdings of major shareholders

From time to time, Formula has increased its beneficial shareholding in our Company through market purchases of additional Common Shares. From January 2010 through July 10, 2011, Formula increased its holding of our Common Shares by approximately 1,198,431 additional Common Shares through purchases on the public market and in private transactions. See the Schedule 13D/As filed by Formula with the SEC on July 26, 2010, June 14, 2011 and July 13, 2011 with respect to such purchases. On August 21, 2011, KCPS Technology Investments (2006) Ltd. acquired 3,759,806 Common Shares in connection with our acquisition of IDIT and FIS. See the Schedule 13G filed by KCPS Technology Investments (2006) Ltd. with the SEC on July 25, 2011 with respect to such acquisition. On August 21, 2011, Kardan acquired shared beneficial ownership of 7,536,243 Common Shares and Formula Vision Technologies (F.V.T.) Ltd. (“FVT”) and Dan Goldstein acquired shared beneficial ownership of 9,638,337 Common Shares. See the Schedule 13D filed by Kardan and other parties with the SEC on July 29, 2011 with respect to such acquisition. From July 11, 2011 through August 25, 2011, Formula purchased 356,555 Common Shares in private transactions. See the Schedule 13D/As filed by Formula with the SEC on August 18, 2011 and August 25, 2011 with respect to such purchases. Between September 28, 2011 and November 14, 2011, Formula purchased 1,891,885 Common Shares from FVT. See the Schedule 13D/As filed by Formula with the SEC on October 4, 2011 and November 22, 2011 with respect to such purchases. From December 28, 2011 through January 29, 2012, Formula purchased an aggregate of 2,005,738 Common Shares in private transactions. Of such Common Shares, 1,600,000 were purchased from FVT and

Kardan. See the Schedule 13D/A filed by Formula with the SEC on January 31, 2012 with respect to such purchases.

Voting rights of major shareholders

The major shareholders disclosed above do not have different voting rights than other shareholders with respect to the Common Shares that they hold.

Holders of Record

As March 1, 2012 there were 100 holders of record of the Company's Common Shares, including 51 holders of record with addresses in the United States who hold a total of 19,586,563 Common Shares, representing approximately 49% of our issued and outstanding Common Shares. The number of record holders in the United States is not representative of the number of beneficial holders, nor is it representative of where such beneficial holders are resident, because many of these Common Shares were held of record by nominees (including CEDE & Co., as nominee for a large number of banks, brokers, institutions and underlying beneficial holders of our Common Shares).

Control of the Company

Based on Formula's beneficial holding of over 50% of the outstanding Common Shares of the Company, and based on Asseco's beneficial holding of 51.7% of the outstanding share capital of Formula, both Formula and Asseco may be considered to control the Company. We are unaware of any arrangements the operation of which may at a subsequent date result in a change of control of the Company.
