ITEM 1. SECURITY AND ISSUER

The name of the issuer is Torm A/S, a Danish company with company registration number CVR 22460218 and registered address at Tuborg Havnevej 18, DK 2900 Hellerup, Denmark (the “Issuer”). The principal executive office and mailing address of the Issuer is Tuborg Havnevej 18, DK-2900 Hellerup, Denmark. This Schedule 13D relates to the Issuer’s common shares, par value 0.01 Danish Kroner (“DKK”) per share (the “Common Shares”). The Common Shares do not trade on a national securities exchange, but are registered under Section 12 of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), only in connection with the registration of American Depositary Shares (as evidenced by American Depositary Receipts) (“ADSs”), pursuant to the requirements of the U.S. Securities and Exchange Commission. For the purpose of calculating beneficial ownership of Common Shares as reported herein, ADSs, each representing one Common Share, are considered the same class of equity security as the Common Shares.

ITEM 2. IDENTITY AND BACKGROUND

This Schedule 13D is being filed on behalf of Deutsche Bank AG (“Deutsche Bank” or the “Reporting Person”), a corporation organized under the laws of the Federal Republic of Germany and principally engaged in the provision of financial and related services. Deutsche Bank is the largest banking institution in the Federal Republic of Germany and is the parent company of a group consisting of banks, capital market and fund management companies, mortgage banks and property finance companies, installment financing and leasing companies, insurance companies, research and consultancy companies and other companies. The address of the principal place of business of Deutsche Bank is Taunusanlage 12, 60325 Frankfurt am Main, Federal Republic of Germany.

On October 2, 2012, Deutsche Bank, amongst others, entered into a Restructuring Agreement with the Issuer, Torm Singapore Pte. Ltd., Danske Bank A/S as Co-ordinator and Nordea Bank Danmark A/S as proposed Security Agent and the companies and the other parties named therein (the “Restructuring Agreement”). The summary of the Restructuring Agreement below is qualified in its entirety by reference to the text of the Restructuring Agreement itself, a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference. All capitalized terms not herein defined are defined therein. The Restructuring Agreement is the result of negotiations between the Issuer, Torm Singapore Pte. Ltd and their financial creditors regarding the terms of the financial restructuring of the Issuer and its subsidiaries and sets out the basis upon which the Issuer’s secured lenders have agreed to amend the terms of their existing loan documentation and the manner in which the Issuer’s unsecured time charter and bareboat contract counterparts have agreed to amend their existing contracts (the “Restructuring”).

Pursuant to the Restructuring, among other things, the terms governing substantially all of the Issuer’s outstanding indebtedness (including any indebtedness held or acquired by Deutsche Bank) were amended by the entry into a Framework Agreement. In consideration for its participation in the Restructuring, Deutsche Bank is entitled to its *pro rata* share of the total Common Shares of the Issuer in exchange for (i) a restructuring fee; and (ii) forgoing certain

agreed claims against the Issuer, to which Deutsche Bank would otherwise be entitled. Deutsche Bank acquired 45,374,541 Common Shares of the Issuer on November 5, 2012 which represents 6.2% of the outstanding Common Shares of the Issuer. Common Shares issued pursuant to the restructuring agreement on a private basis and subject to Danish listing requirements will represent approximately 90.0% of the Issuer's outstanding equity on a post-Restructuring basis.

Under the Restructuring Agreement, within three months (or such longer period as may be agreed) after the date on which all documents, agreements and instruments required to implement and consummate the restructuring and the implementation plan have been signed and have become effective, and upon which Danske Bank A/S (acting as Co-ordinator) receives confirmation and thereafter gives written notice to each of the other parties: all conditions precedent to the restructuring documents have been satisfied or waived (the "Restructuring Effective Date"), the Issuer has undertaken to use its best efforts to ensure that the Common Shares issued in the Restructuring are listed and admitted to trading on the Nasdaq OMX Copenhagen A/S. The new shareholders have not undertaken any lock-up obligations with respect to the Issuer. However, the new shareholders are prohibited from depositing Common Shares in exchange for the ADSs governed by the Deposit Agreement between the Issuer and Bankers Trust Company, dated February 27, 2002, as amended, during the six month period commencing on the date the shares are issued, subject to extensions under limited circumstances.

As part of the Restructuring, the Issuer shall, no later than 30 days after the Restructuring Effective Date (or such longer period as may be agreed), convene an extraordinary general meeting to amend its Articles of Association to (1) include that unless adopted by at least 90% of the votes and share capital represented at the general meeting: (a) all shareholders of the Issuer will have pre-emptive (subscription) rights on a *pro rata* basis based on their shareholding with respect to any new share issuances, regardless of share class or other special rights attached to such new shares, by the Issuer after the Restructuring Effective Date; (b) no debt may be converted into equity of the Issuer; and (c) the foregoing provisions may not be amended without the approval of at least 90% of the votes and share capital represented at the general meeting; (2) pass a resolution to appoint new directors; and (3) amend the Issuer's Articles of Association to include a provision so that the ordinary election term for the Board is two years with the first ordinary re-election to occur at the ordinary general meeting in 2014. Deutsche Bank along with the other parties receiving Common Shares pursuant to the Restructuring Agreement, has agreed as a party to the Restructuring Agreement to vote in favor of the resolutions described above.

It is not the intent of the Reporting Person to control the Issuer following the extraordinary general meeting. The Reporting Person and each of the parties to the Restructuring Agreement have agreed that from the date on which they become, and to the extent they remain Restructuring Shareholders, until the conclusion of the ordinary general meeting of the Issuer in 2014, each will use their respective influence as independent shareholders to achieve an independent board composition for the Board of Directors of the Issuer. The Reporting Person is not party to any additional ongoing agreements with respect to the voting of Common Shares of the Issuer.

From the time when the Reporting Person acquired the Common Shares until the time of the adoption of the amendment of the Articles of Association of the Issuer at the extraordinary general meeting to be held no later than 30 days after the Restructuring Effective Date (or such later date as may be agreed) as required by the Restructuring Agreement, the Reporting Person expressly affirms group status.
