Dear Shareholder:

You are cordially invited to attend the Annual Meeting of Shareholders of Sussex Bancorp, the holding company for Sussex Bank, which will be held on April 24, 2013, at 10:00 a.m., Eastern Time, at the Crystal Springs Country Club, located at 1 Wild Turkey Way, Hamburg, NJ 07419.

The attached Notice of Annual Meeting of Shareholders and proxy statement describe the formal business that we will transact at the Annual Meeting.

The Board of Directors of Sussex Bancorp has determined that an affirmative vote on each matter that calls for an affirmative vote is in the best interest of Sussex Bancorp and its shareholders and unanimously recommends a vote "FOR" all such matters considered at the Annual Meeting. The Board of Directors has also determined that an advisory vote on the compensation of our named executive officers occurring every three years is the most appropriate alternative for Sussex Bancorp and its shareholders and unanimously recommends a vote of every "3 YEARS" with respect to the frequency of such an advisory vote.

Please complete, sign and return the enclosed proxy card promptly, whether or not you plan to attend the Annual Meeting. **Your vote is important regardless of the number of shares you own. Voting by proxy will not prevent you from voting in person at the Annual Meeting, but will assure that your vote is counted if you cannot attend.**

On behalf of the Board of Directors and the employees of Sussex Bancorp and Sussex Bank, we thank you for your continued support and look forward to seeing you at the Annual Meeting.

Sincerely yours,

Anthony Labozzetta

President and Chief Executive Officer

PROXY STATEMENT FOR THE

2013 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON APRIL 24, 2013

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board of Directors, or the Board, of Sussex Bancorp is soliciting your proxy to vote at the 2013 Annual Meeting of Shareholders. This proxy statement and proxy card is being mailed to shareholders on or about March 27, 2013. As used in this proxy statement, “we,” “us” and “our” refer to Sussex Bancorp and/or its subsidiaries, depending on the context. The term “Annual Meeting,” as used in this proxy statement, includes any adjournment or postponement of such meeting.

Who can vote at the Annual Meeting?

Only shareholders of record as of the close of business on March 4, 2013, will be entitled to vote at the Annual Meeting. On this date, there were 3,423,713 shares of common stock issued and outstanding and entitled to vote.

Shareholder of Record: Shares Registered in Your Name

If on March 4, 2013, your shares were registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card by mail to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 4, 2013, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if shareholders holding at least a majority of our outstanding shares entitled to vote at the Annual Meeting are present at the Annual Meeting in person or represented by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

What am I voting on and how many votes are needed to approve each proposal?

Proposal 1: Election of Directors. Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Plurality means that the individuals who receive the largest number of “FOR” votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Accordingly, the four nominees receiving the most “FOR” votes will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election of directors.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of ParenteBeard LLC as our independent registered public accounting firm for the fiscal year ending December 31, 2013, will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Similarly, broker non-votes will have no effect on the vote.

Proposal 3: Consideration and Approval of a Non-binding Advisory Resolution on the Compensation of Our Named Executive Officers. The approval of the non-binding advisory resolution on the compensation of our named executive officers will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Proposal 4: Consideration and Vote Upon a Non-binding Advisory Proposal on the Frequency of the Advisory Vote Concerning Compensation of Our Named Executive Officers. The choice receiving the greatest number of votes – every year, every two years or every three years – will be the frequency that shareholders will be deemed to have approved. Broker non-votes and abstentions will have no effect on the vote.

Proposal 5: Consideration and Vote Upon Sussex Bancorp 2013 Equity Incentive Plan. The approval of the Sussex Bancorp 2013 Equity Incentive Plan will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be “routine,” but may not vote the shares with respect to “non-routine” matters. Proposals 1, 3, 4 and 5 are considered “non-routine” and Proposal 2 is considered “routine” under The NASDAQ Stock Market LLC, or NASDAQ, listing rules.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board. The Board’s recommendation is set forth together with the description of each item in this proxy statement. The Board recommends a vote:

“FOR” the election of the four nominees to the Board;

“FOR” the ratification of the appointment of ParenteBeard LLC as our independent registered public accounting firm for the fiscal year ending December 31, 2013;

- “FOR” the approval of the non-binding advisory resolution on the compensation of our named executive officers;
- of “3 YEARS” for the frequency with which shareholders are provided a non-binding advisory vote on the compensation of our named executives; and
- “FOR” the approval of the Sussex Bancorp Equity Incentive Plan.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its shareholders. As of the date of this proxy statement, the Board had no knowledge of any business other than that described herein that would be presented for consideration at the Annual Meeting.

How do I vote?

You may either vote “FOR” all the nominees to the Board or you may “WITHHOLD” your vote for any nominee you specify. For Proposal 4, you may either vote for every “3 Years,” “2 Years” or “1 Year” or abstain from voting. For any other matter to be voted on, you may vote “FOR” or “AGAINST” or abstain from voting. The procedures for voting are as follows:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may a) vote in person at the Annual Meeting or b) vote by proxy using the enclosed proxy card, in each case as described below. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

§ To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote by proxy, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope § provided. If you return your signed proxy card to us before the Annual Meeting, the designation proxy holders will vote your shares as you direct.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares “FOR” Proposals 1, 2, 3 and 5 and every “3 YEARS” for Proposal 4 as set forth in the Notice of Annual Meeting of Shareholders.

If any other matter is presented, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its shareholders. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than that listed in the Notice of Annual Meeting of Shareholders.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

May I change my vote after submitting my proxy card?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the shareholder of record of your shares, you may revoke your proxy in any one of three ways:

- § filing a timely written revocation of the proxy with our Secretary;
- § submitting a signed proxy card bearing a later date; or
- § attending and voting in person at the Annual Meeting.

If your shares are not registered in your own name, you will need the appropriate documentation from the shareholder of record to vote personally at the Annual Meeting.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Who will bear the expense of soliciting proxies?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

When are shareholder proposals due for the 2014 Annual Meeting of Shareholders?

If you wish to submit proposals to be included in our proxy statement for the 2014 Annual Meeting of Shareholders, we must receive them on or before November 29, 2013, pursuant to the proxy soliciting regulations of the Securities and Exchange Commission, or the SEC. Nothing in this paragraph shall be deemed to require us to include in its proxy statement and proxy card for such meeting any shareholder proposal which does not meet the requirements of the SEC in effect at the time. Any such proposal will be subject to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, or the Exchange Act.

In addition, under our Amended and Restated By-laws, if you wish to nominate a director for the 2014 Annual Meeting of Shareholders, the following criteria must be met: (i) you must be a shareholder of record; (ii) you must have given timely notice in writing to our Secretary; and (iii) your notice must contain specific information required in Article III of our Amended and Restated By-laws. Any nomination for director should be received by the Chairman on or before January 28, 2014. For additional information about our director nomination requirements, please see our Amended and Restated By-laws.

Obtaining an Annual Report on Form 10-K

We will provide a copy of our 2012 Annual Report on Form 10-K without charge, upon written request, to any registered or beneficial owner of common stock entitled to vote at the Annual Meeting. Requests should be made in writing addressed to Linda Kuipers, Secretary, Sussex Bancorp, 200 Munsonhurst Road, Route 517, Franklin, NJ 07416. The SEC also maintains a website at www.sec.gov that contains reports, proxy statements and other information regarding registrants, including our company.

This Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, are available free of charge at <http://www.snl.com/irweblinkx/GenPage.aspx?IID=4015338&GKP=203214>.

If you elect the nominees listed below, they will hold office until the annual meeting of shareholders in 2016 or until their successors have been duly elected and qualified. All nominees are currently serving on our Board.

There are no arrangements or understanding between any director, or nominee for directorship, pursuant to which such director or nominee was selected as a director or nominee. We know of no reason why any nominee may be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board. If for any reason these nominees prove unable or unwilling to stand for election, the Board will nominate alternates or reduce the size of the Board to eliminate the vacancy. The Board has no reason to believe that its nominees would prove unable to serve if elected.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than 10% of our common stock, to report to the Securities and Exchange Commission their initial ownership of our common stock and any subsequent changes in that ownership. Specific due dates for these reports have been established by the Securities and Exchange Commission and we are required to disclose in this proxy statement any late filings or failures to file.

Based solely on its review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2012, all Section 16(a) filing requirements applicable to our executive officers and directors during fiscal 2012 were met.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in the day-to-day operations of the Company. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending regular meetings of the Board, which are held on a monthly basis. Our directors also discuss business and other matters with the Chairman, the President and Chief Executive Officer, other key executives, and our principal external advisers (legal counsel, auditors, financial advisors and other consultants).

The Board held four regularly scheduled and three special meetings during the year ended December 31, 2012. Each incumbent director attended at least 75% of the total of (i) the meetings of the Board held during the period for which he or she has been a director and (ii) the meetings of the committee(s) on which that particular director served during such period.

It is our policy to encourage directors to attend the Annual Meeting. All directors attended the 2012 annual meeting of shareholders.

Board of Directors Independence

As required under the NASDAQ listing standards, a majority of the members of our Board must qualify as “independent,” as affirmatively determined by the Board. The Board consults with the Company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in the listing standards of the NASDAQ, as in effect from time to time. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act.

Consistent with these considerations, the Board has affirmatively determined that the following nine current directors are independent directors within the meaning of the NASDAQ listing standards: Anthony S. Abbate, Richard Branca, Patrick Brady, Katherine H. Caristia, Mark J. Hontz, Edward J. Leppert, Timothy Marvil, Robert Mc Nerney, Richard W. Scott and John E. Ursin. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with us. The Board has determined that Donald L. Kovach, our former Chairman of the Board, President and Chief Executive Officer and Anthony Labozzetta, our President and Chief Executive Officer,

are not independent directors by virtue of their current or recent employment with us.

Code of Ethics and Corporate Governance Guidelines

We have a Code of Conduct, which applies to all our directors, officers and employees. We also have a Senior Management Code of Ethics, which applies to our principal executive officer, principal financial officer, principal accounting officer or controller or person performing similar functions for us, and which requires compliance with the Code of Conduct. The Senior Management Code of Ethics meets the requirements of a “code of ethics” as defined by Item 406 of Regulation S-K.

We intend to satisfy the disclosure requirement under Item 5.05(c) of Form 8-K regarding an amendment to, or a waiver from, a provision of our code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, or persons performing similar functions, by posting such information on our website at the internet address set forth below. We did not amend or grant any waivers of a provision of our code of ethics during 2012.

The Board adopted Corporate Governance Guidelines to assure that it will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The Corporate Governance Guidelines are also intended to align the interests of directors and management with those of our shareholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board independence, composition and selection, board meetings and involvement of senior executives, senior executive performance evaluation and succession planning, and board committees and compensation.

The Code of Conduct, the Senior Management Code of Ethics and the Corporate Governance Guidelines are available on our website at www.sussexbank.com.

Board Leadership Structure and Role in Risk Oversight

Board Leadership Structure

Historically, we combined the positions of Chief Executive Officer and Chairman of the Board, with Mr. Donald L. Kovach serving in both capacities. However, with the retention of Mr. Anthony Labozzetta to serve as President and Chief Executive Officer, the Board elected to separate the positions, and Mr. Kovach continued to serve as Chairman of the Board. On January 1, 2012, Mr. Leppert assumed the role of Chairman of the Board. The Board believes that this structure is now the most appropriate for the Company because it provides the Board with additional diversity of views on managing the Company and provides the Board with greater independence. The Board also believes that Mr. Leppert's financial experience, solid corporate governance acumen and thorough understanding of our customers and the communities in which we serve will contribute to the continuity of our business and operations.

Board's Role in Risk Oversight

Risk is an inherent part of the business of banking. Risks faced by us include credit risk relating to our loans and interest rate risk related to our balance sheet. The Board oversees these risks through the adoption of policies and by delegating oversight to certain Board committees, including the loan and asset-liability committees. These committees exercise oversight by establishing a corporate environment that promotes timely and effective disclosure, fiscal accountability and compliance with all applicable laws and regulations.

Committees of the Board of Directors

The Board has three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership and meeting information for the year ended December 31, 2012, for each committee:

Audit Committee

During 2012, the Audit Committee was chaired by Katherine H. Caristia, with Directors Patrick Brady, Edward Leppert and Richard W. Scott as members. The purpose of the Audit Committee is to assist the Board's oversight of our accounting and financial reporting process, including our internal audit function and the audits of our financial statements.

The primary duties and responsibilities of the Audit Committee are to:

- oversee and monitor the financial reporting process, internal audit function and internal controls and procedures;
- appoint, compensate and oversee the work of the independent auditors;
- review and evaluate the audited financial statements with management and the independent auditors and report any substantive issues found during the audit to the Board;
- review and approve all transactions with related parties; and
- provide an open avenue of communication among the independent auditors, financial and senior management, the internal audit department and the Board.

The Audit Committee is also responsible for the pre-approval of all non-audit services provided by its independent auditors. The Audit Committee pre-approved 100% of the services performed by the independent registered public accounting firm during 2012.

The Audit Committee may form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to pre-approve audit, review, attest or non-audit services shall be presented to the full Audit Committee at its next scheduled meeting.

The Board reviews the definition of independence for Audit Committee members on an annual basis and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Board has also determined that Ms. Caristia qualifies as an "audit committee financial expert" as defined in applicable SEC rules. The Audit Committee has a written charter, which is available on our website at www.sussexbank.com.

AUDIT COMMITTEE REPORT⁽¹⁾

The Audit Committee has reviewed and discussed the audited financial statements as of and for the fiscal year ended December 31, 2012 with management and our independent registered public accounting firm, ParenteBeard LLC. The Audit Committee has discussed with ParenteBeard LLC the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board, or PCAOB, in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from ParenteBeard LLC required by applicable requirements of the PCAOB regarding ParenteBeard LLC's communications with the Audit Committee concerning independence, and has discussed with ParenteBeard LLC the firm's independence. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, for filing with the Securities and Exchange Commission.

Compensation Committee

During 2012, the Compensation Committee consisted of Directors Anthony S. Abbate, Richard Branca, Mark J. Hontz and Timothy Marvil, with Director Abbate serving as Chairman on the Committee. Each member of the Compensation Committee is independent, as such term is defined in Section 5605(a)(2) of the NASDAQ listing standards. As required by its charter, the Compensation Committee meets at least semi-annually and with greater frequency if necessary. The Compensation Committee has a written charter, which is available on our website at www.sussexbank.com.

The purpose of the Compensation Committee is to review senior management's performance and determine compensation, and review and set guidelines for compensation of all employees. Pursuant to its charter, the Compensation Committee's responsibilities include:

- annually review and approve corporate and/or individual goals and objectives relevant to the compensation of the President and Chief Executive Officer, evaluate performance in light of those goals and objectives, and recommend to the Board the compensation level based on this evaluation;
- annually review and recommend to the Board for the President and Chief Executive Officer and the senior executives (i) annual base salary, (ii) any annual and long-term incentives, and (iii) any special or supplemental benefits;
 - making recommendations to the Board with respect to profit sharing and equity-based compensation plans;
 - review our insider trading policies and procedures; and
- review and adopt any necessary or desirable amendments or changes to any and all benefit, incentive compensation, and equity-based plans.

In addition, pursuant to its charter, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. No compensation consultants were used by the Compensation Committee during 2012.

Nominating and Corporate Governance Committee

During 2012, the Nominating and Corporate Governance Committee consisted of Chairman Edward J. Leppert, and Directors Patrick Brady, Anthony S. Abbate, Richard Branca, Katherine H. Caristia and Mark J. Hontz. All members of our Nominating and Corporate Governance Committee are independent (as independence is currently defined in Section 5605(a)(2) of the NASDAQ listing standards). The Nominating and Corporate Governance Committee has a written charter, which is available on our website at www.sussexbank.com.

Pursuant to its charter, the Nominating and Corporate Governance Committee is responsible for:

- identifying, reviewing and evaluating candidates to serve as directors (consistent with criteria approved by the Board);
- recommending to the Board for selection candidates for election to the Board;
- reviewing and evaluating incumbent directors;
- developing and overseeing an annual evaluation of the Board and its members, its committees and the CEO; and
- developing a set of corporate governance guidelines.

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board the appropriate skills and characteristics required of board members in the context of the current make-up of the Board. When we have an opening on the Board, we will always look at a diverse pool of candidates. The assessment of the Board's characteristics includes diversity, skills, such as an understanding of financial statements and financial reporting systems, and an understanding of our market area. We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities.

The Nominating and Corporate Governance Committee will consider qualified nominations for directors recommended by shareholders. All shareholder recommendations are evaluated on the same basis as any recommendation from members of the Board or management of the Company. Recommendations should be sent to Edward J. Leppert, the Chairman of the Nominating and Corporate Governance Committee, at One County Road 560, Sandyston, New Jersey 07826. Any nomination for director should be received by the Chairman on or before January 28, 2014. For additional information about our director nomination requirements, please see our Amended and Restated By-laws.

Amended and Restated Executive Incentive Deferred Compensation Plan

Effective January 21, 2010, the Board adopted the Sussex Bank Amended and Restated Executive Incentive and Deferred Compensation Plan, or the Plan. Under the Plan, our executives who are selected to participate in the Plan may earn awards paid in both cash and shares of our common stock, provided that certain company-wide and/or individual performance criteria are met. Performance criteria for each participating executive will be determined annually by the Compensation Committee. Grants of common stock will be subject to a three year vesting requirement, and all awards will be subject to repayment in the event that it is subsequently determined that the performance metrics on which the award is based are subsequently determined not to have been satisfied, due to a financial restatement or otherwise. Participants in the Plan have the option to defer some or all of their compensation or cash incentive awards. Amounts so deferred will earn interest at a rate equal to the average interest rate earned by Sussex Bank on its investment portfolio.

Employment Agreements, Change in Control Agreements and Other Material Agreements

Anthony Labozzetta

Employment Agreement. The Company and Sussex Bank are parties to an employment agreement with Mr. Labozzetta pursuant to which he will serve as President and Chief Executive Officer of the Company and the Bank. The employment agreement provides for a three year term which is automatically extended for an additional year annually unless either party provides written notice terminating the automatic extension. The employment agreement provides that Mr. Labozzetta will receive a base salary of at least \$315,000, subject to increase or decrease as determined by the Board. He has further been granted 50,000 shares of our common stock, subject to forfeiture and restricted from transfer during the "Restricted Period," as such term is defined in the employment agreement. Twenty percent of the shares vested on December 31, 2012, and an additional twenty percent will vest each December 31 thereafter, subject to acceleration in the event of a change in control or Mr. Labozzetta's death or disability. He will also receive customary fringe benefits, including an automobile or cash allowance, consistent with his position as President and Chief Executive Officer of the Company and Sussex Bank.

The employment agreement permits us to terminate Mr. Labozzetta's employment for cause (as defined in the agreement) at any time. In the event Mr. Labozzetta is terminated for any reason other than cause, or in the event Mr. Labozzetta resigns his employment because he is reassigned to a position of lesser rank or status than President and Chief Executive Officer, his place of employment is relocated by more than 50 miles from its location on the date of the employment agreement, or his compensation or other benefits are reduced, Mr. Labozzetta, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the employment agreement, or one year, whichever is greater. In addition, we will continue to provide Mr. Labozzetta with certain insurance and other benefits through the end of the term of the employment agreement.

Mr. Labozzetta's agreement also contains a change in control provision which would entitle Mr. Labozzetta to receive an amount equal to the base salary he would have received had the employment agreement terminated according to its term, except that after the fifth anniversary of Mr. Labozzetta's employment, he will be entitled to a payment equal to 2.99 times his then current base salary and 2.99 times the greater of the last bonus actually paid to him or his current bonus eligibility, assuming he performed at the targeted level. Mr. Labozzetta's agreement also contains a "gross-up payment" in the event any excise tax is imposed on the benefits payable to Mr. Labozzetta upon a change in control. Mr. Labozzetta would also be entitled to continuation of his health, medical, hospital and life insurance benefits for a period of three years.

Supplemental Executive Retirement Plan. On July 20, 2011, we entered into a Supplemental Executive Retirement Agreement, or SERP, a non-qualified defined contribution pension plan that provides supplemental retirement income for Mr. Labozzetta. The SERP was effective as of January 1, 2011. Based on the attainment of certain annual performance targets, we will make annual contributions up to a maximum of 22% of Mr. Labozzetta's annual base salary to the SERP for the benefit of Mr. Labozzetta. Any amounts credited to the SERP will accrue interest equal to that paid by U.S. 10-year Treasury Notes for each applicable year. The SERP provides for the benefits to be paid monthly over a 5-year period commencing the first day of the month following the later of Mr. Labozzetta's 65th birthday, or normal retirement age, or termination of employment. If Mr. Labozzetta's employment is terminated before normal retirement age absent a change in control and other than by us for cause, the amount of the benefit payable to Mr. Labozzetta would be a 100% vested interest in his account if he completed at least 10 years of plan participation. If Mr. Labozzetta is terminated by us without cause or as a result of Mr. Labozzetta's Resignation for Good Reason (as defined in the SERP), Mr. Labozzetta would be entitled to a 100% vested interest in his account regardless of the number of years of plan participation. If Mr. Labozzetta is employed by us at the time of a Change of Control (as defined in the SERP), Mr. Labozzetta would automatically become 100% vested interest in his account regardless of the number of years of plan participation. If Mr. Labozzetta would become disabled or die before reaching normal retirement age, either he or his beneficiary would be entitled to a 100% vested interest in his account. The SERP also contains a restrictive covenant conditioning Mr. Labozzetta's receipt of the benefits on his compliance with the non-compete provisions as defined in his employment agreement.

Steven M. Fusco

The Company and Sussex Bank entered into an employment agreement, dated June 23, 2010, with Mr. Fusco pursuant to which he will serve as Executive Vice President and Chief Financial Officer of the Company and Sussex Bank. The employment agreement provides for a two year term, provided that at the end of the term, and each year thereafter, the term of the employment agreement shall automatically be renewed for an additional year until either party, by written notice provided at least 90 days prior to the end of the term elects not to so renew. Mr. Fusco's employment agreement has been automatically renewed for an additional year beginning June 23, 2012. The employment agreement provides that Mr. Fusco will receive a base salary of at least \$160,000, subject to increase or decrease as determined by the Board of Directors. Mr. Fusco has further been granted an award of 24,725 shares of our common stock pursuant to his employment agreement, subject to forfeiture and restricted from transfer during the "Restricted Period," as such term is also defined in the employment agreement. Twenty percent of these shares vested on June 23, 2012, and an additional twenty percent will vest each June 23 thereafter, subject to acceleration on the event of a change in control or Mr. Fusco's death or disability. Mr. Fusco will also receive customary fringe benefits, including the use of a Company automobile.

The employment agreement permits us to terminate Mr. Fusco's employment for cause (as defined in the agreement) at any time. In the event Mr. Fusco is terminated for any reason other than cause, or in the event Mr. Fusco resigns his employment because he is reassigned to a position of lesser rank or status than Chief Financial Officer, his place of employment is relocated by more than 50 miles from its location on the date of the employment agreement, or his compensation or other benefits are reduced, Mr. Fusco, or in the event of his death, his beneficiary, will be entitled to receive a lump sum payment equal to his base salary at the time of such termination or resignation for the remaining term of the employment agreement, or one year, whichever is greater. In addition, we will continue to provide Mr. Fusco with certain insurance and other benefits for the remaining term of the employment agreement, or one year, whichever is greater.

Mr. Fusco's employment agreement also provides that upon the occurrence of a change in control, as such term is defined in the employment agreement, and in the event Mr. Fusco is subsequently terminated for reasons other than cause or in the event Mr. Fusco, within 18 months of the change in control, resigns his employment for good cause, he will be entitled to receive a lump sum severance payment equal to 2 times his then current base salary, which may be reduced, if necessary, to an amount which is One Dollar (\$1.00) less than an amount equal to three times Mr. Fusco's "base amount" as determined in accordance with such Section 280G of the Internal Revenue Code of 1986, as amended, or the Code.

George Lista

In September 2006, our Tri-State Insurance Agency subsidiary entered into an employment agreement with of George Lista. Under Mr. Lista's agreement, he was to serve as the Chief Executive Officer of Tri-State Insurance Agency for an initial term of five years ending December 31, 2011. The term of the agreement will automatically renew for two additional one year periods unless either Mr. Lista or Tri-State provides notice of an intention not to renew. Accordingly, this agreement has automatically renewed such that it will expire no earlier than December 31, 2013. Mr. Lista currently receives a base salary of \$160,039 annually, which is to be adjusted each January 1 to reflect the increase in the consumer price index. Mr. Lista is also entitled to receive commissions on insurance products sold by him, and he is also entitled to participate in our Executive Incentive and Deferred Compensation Plan. Mr. Lista may be terminated for cause (as defined in the agreement). In the event Mr. Lista's employment is terminated other than for cause, he will be entitled to receive his then current base salary and insurance benefits for the remaining term of the agreement.

The Board adopted a Director Deferred Compensation Agreement, or DDCA, for both Sussex Bank and the Company in July 2006, which has subsequently been amended. Under the terms of the DDCA, a director may elect to defer all or a portion of his fees for the coming year. Under the DDCA, only the payment of the compensation earned is deferred, and there is no deferral of the expense in our financial statements related to the participant's deferred compensation, which will be charged to our income statement as an expense in the period in which the participant earned the compensation. The deferred amounts are credited with earnings at a rate equal to either (i) the average interest rate earned by us on our investment portfolio, or (ii) the total return of our common stock. The method of determining earnings may be selected by the participant in his or her discretion.

The participant's benefit will be distributed to the participant or his beneficiary upon a change in control of the Company, the termination of the DDCA, the occurrence of an unforeseeable emergency, the termination of the participant's affiliation with the Company, the participant's retirement or the participant's death or disability. Upon distribution, a participant's benefit will be paid in monthly installments over a period of 10 years.

TRANSACTIONS WITH RELATED PERSONS

We have made in the past and, assuming continued satisfaction of generally applicable credit standards, expect to continue to make loans to directors, executive officers and their associates (i.e. corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of 10% or more). These loans have all been made in the ordinary course of our business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

Other than the ordinary course lending transactions described above, which must be approved by our Board under bank regulatory requirements, all related person transactions are reviewed and approved by our Audit Committee. This authority is provided to our Audit Committee under its written charter. In reviewing these transactions, our Audit Committee seeks to ensure that each transaction is no less favorable than a transaction with an unaffiliated third party.

Certain Related-Person Transactions

Other than compensation arrangements, the following is a description of transactions since January 1, 2011 to which we were a participant or will be a participant, and in which:

· the amounts involved exceeded or will exceed \$120,000; and

Compensation arrangements for our directors and named executive officers are described above under the sections entitled "Executive Compensation" and "Director Compensation."

The aggregate amount of all periodic payments due on or after January 1, 2011 was \$802,615 and the aggregate amount of all periodic payments due on or after January 1, 2012 was \$640,227.

This appointment will continue at the pleasure of the Audit Committee and is presented to the shareholders for ratification as a matter of good corporate governance. In the event that this appointment is not ratified by our shareholders, the Audit Committee will consider that fact when it selects our independent auditors for the following fiscal year.

PROPOSAL 3

NON-BINDING ADVISORY RESOLUTION ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), requires us to provide our shareholders an opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement. This vote does not address any specific item of compensation, but rather the overall compensation of our named executive officers as disclosed in this proxy statement.

Vote Required

The approval of the non-binding advisory resolution on the compensation of our named executive officers will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. In addition, an abstention shall not constitute a vote cast and they will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

General

The compensation of our named executive officers is disclosed in the summary compensation table and the other related tables and narrative disclosure contained elsewhere in this proxy statement. As discussed in those disclosures, the Board believes that our executive compensation philosophy, policies and procedures provide a strong link between each named executive officer’s compensation and our short and long-term performance. The objective of our executive

compensation program is to provide compensation which is competitive based on our performance and aligned with the long-term interests of our shareholders.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, on an advisory basis, that the compensation paid to our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.

Your vote on this Proposal 3 is advisory, and therefore not binding on us, the Compensation Committee or the Board. Your advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to align our executive compensation with the best interests of the Company and our shareholders.

PROPOSAL 4

NON-BINDING, ADVISORY VOTE REGARDING THE FREQUENCY OF VOTING

ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

The Dodd-Frank Act also requires us to permit a separate non-binding, advisory shareholder vote with respect to the frequency of the advisory vote on the compensation of our named executive officers. In particular, you may vote whether the advisory vote should occur every year, every two years or every three years. Shareholders may also abstain from voting.

Vote Required

The choice receiving the greatest number of votes – every year, every two years or every three years – will be the frequency that shareholders will be deemed to have approved. Broker non-votes and abstentions will have no effect on the vote.

Our Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE OPTION OF EVERY “3 YEARS” AS YOUR PREFERENCE FOR THE FREQUENCY WITH WHICH SHAREHOLDERS ARE PROVIDED AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

General

Our Board believes that its current executive compensation programs directly link executive compensation to its short and long-term financial performance and align the interests of its named executive officers with those of its shareholders. After careful consideration of this Proposal, our Board has determined that an advisory vote on the compensation of our named executive officers that occurs every three years is the most appropriate alternative for us, and therefore our Board recommends that you vote for an advisory vote on the compensation of our named executive officers occurring every three years.

Although the advisory vote is non-binding, our Board will review the results of the vote and take them into account in making a determination concerning the frequency of an advisory vote on the compensation of our named executive officers.

PROPOSAL 5

APPROVAL OF THE SUSSEX BANCORP 2013 EQUITY INCENTIVE PLAN

We are asking shareholders to consider and vote upon a proposal to approve the Sussex Bancorp 2013 Equity Incentive Plan, or the 2013 Plan. The following is qualified in its entirety by the full text of the 2013 Plan, which is attached to this proxy statement as Appendix A and is incorporated by reference into this proposal.

Upon the recommendation of the Compensation Committee, the Board approved the 2013 Plan on March 14, 2013, subject to the receipt of shareholder approval at the Annual Meeting. The Board believes that approval of the 2013 Plan is in the best interests of the Company and its shareholders.

No awards under the 2013 Plan have been granted or will be granted unless and until the 2013 Plan is approved by our shareholders at the Annual Meeting. Grants of awards under the 2013 Plan will be in the discretion of the Compensation Committee and any other committee authorized to grant awards under the 2013 Plan. Accordingly, it is not possible as of the date of this proxy statement to determine the nature or amount of any awards under the 2013 Plan that may be subject to future grants to our employees, officers and directors and other affiliates, or to other persons who will be eligible to participate in the 2013 Plan.

If shareholders do not approve the 2013 Plan, compensatory equity-based grants to our employees, officers and directors will continue to be made under the Sussex Bancorp 2004 Equity Incentive Plan, or the 2004 Plan, to the extent shares of our common stock are available for issuance thereunder.

Vote Required

The approval of the 2013 Plan will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” APPROVAL OF THE SUSSEX BANCORP 2013 EQUITY INCENTIVE PLAN.

The 2013 Plan

Purpose and Eligibility. The purpose of the 2013 Plan is (i) to provide eligible persons with an incentive to contribute to our success and to operate and manage our business in a manner that will provide for our long-term growth and profitability to benefit its shareholders and other important stakeholders, including its employees and customers, and (ii) to provide a means of obtaining, rewarding and retaining key personnel.

Equity awards may be granted under the 2013 Plan to officers, directors, including non-employee directors, other employees, advisors, consultants or other service providers of ours or our subsidiaries or other affiliates, and to any other individuals who are approved by the Compensation Committee as eligible to participate in the 2013 Plan. Equity awards may be granted under the 2013 Plan to approximately seventy-two employees, thirty-eight officers and eleven non-employee directors of the Company or any of its subsidiaries or other affiliates. Only our employees or

employees of our subsidiaries are eligible to receive incentive stock options.

Effective Date and Term. The 2013 Plan will become effective on the date of the Annual Meeting, subject to the receipt of shareholder approval of this proposal at the Annual Meeting, and will expire automatically ten years after the effective date unless earlier terminated by the Board.

Administration, Amendment and Termination. Our Compensation Committee has the power and authority to administer the 2013 Plan. The Compensation Committee has the authority to interpret the terms and intent of the 2013 Plan, determine eligibility and terms of equity awards for participants and make all other determinations necessary or advisable for the administration of the 2013 Plan. To the extent permitted by law, the Board or Compensation Committee may delegate authority under the 2013 Plan to one or more members of the Board. To the extent permitted by law, the Compensation Committee may delegate to the Chief Executive Officer or other officer of the Company the power and authority to grant equity awards to non-executive employees.

The Compensation Committee may amend, suspend or terminate the 2013 Plan at any time with respect to any shares of common stock as to which equity awards have not been made. No such action may amend the 2013 Plan without the approval of shareholders if the amendment is required to be submitted for shareholder approval by applicable law, rule or regulation, including the NASDAQ listing rules.

Awards

Awards under the 2013 Plan may be made in the form of:

- stock options, which may be either incentive stock options or nonqualified stock options;
- restricted stock;
- unrestricted stock;
- stock units; or
- any combination of the foregoing.

An “incentive stock option” is an option that meets the requirements of Section 422 of the Code and a “nonqualified stock option” is an option that does not meet those requirements. “Restricted stock” is an award of common stock on which are imposed restrictions over restricted periods that subject the shares to a substantial risk of forfeiture, as defined in Section 83 of the Code. “Stock units” are awards that represent a conditional right to receive shares of common stock in the future and that may be made subject to the same types of restrictions and risk of forfeiture as restricted stock. “Unrestricted stock” is an award of common stock that is free of restrictions other than those imposed under federal or state securities laws.

The 2013 Plan provides that each award will be evidenced by an award agreement, which may specify terms and conditions of the award that differ from the terms and conditions that would otherwise apply under the 2013 Plan in the absence of the different terms and conditions in the award agreement.

Awards under the 2013 Plan may be granted alone or in addition to, in tandem with, or in substitution or exchange for any other award under the 2013 Plan, other awards under another compensatory plan of the Company or any of its affiliates (or any business entity that has been a party to a transaction to the Company or any of the Company’s affiliates), or other rights to payment from the Company or any of its affiliates. Awards granted in addition to or in tandem with other awards may be granted either at the same time or at different times.

The Compensation Committee may permit or require the deferral of any payment pursuant to any award into a deferred compensation arrangement, which may include provisions for the payment or crediting of interest or dividend equivalent rights, in accordance with rules and procedures established by the Compensation Committee. Awards under the 2013 Plan generally will be granted for no consideration other than past services by the grantee of the award or, if provided for in the award agreement or in a separate agreement, the grantee’s promise to perform future services to the Company or one of its subsidiaries or other affiliates.

Forfeiture; Clawback. We may reserve the right in an award agreement to cause a forfeiture of the gain realized by a grantee with respect to an award on account of actions taken by, or failed to be taken by, such grantee in violation or breach of, or in conflict with, any employment agreement, non-competition agreement, agreement prohibiting solicitation of employees or clients of the Company or any affiliate, confidentiality obligations with respect to the Company or any affiliate, or otherwise in competition with the Company or any affiliate, to the extent specified in such award agreement. We may annul an outstanding award if the grantee thereof is an employee and is terminated for “Cause” as defined in the applicable award agreement or the 2013 Plan, as applicable.

In addition, any award granted pursuant to the 2013 Plan will be subject to mandatory repayment by the grantee to us to the extent the grantee is or becomes subject to a Company clawback policy or any law, rule or regulation that imposes mandatory recoupment.

Shares Subject to 2013 Plan. Subject to adjustment as described below, the maximum number of shares of common stock available for issuance under the 2013 Plan will be equal to 300,000 shares. Shares issued under the 2013 Plan may be authorized as unissued shares or treasury shares.

Any shares covered by an award, or portion of an award, granted under the 2013 Plan that are forfeited or canceled, expire or settle in cash will be deemed not to have been issued for purposes of determining the maximum number of shares available for issuance under the 2013 Plan.

The number of shares available for issuance under the 2013 Plan will not be increased by the number of shares of common stock: (i) tendered or withheld or subject to an award surrendered in connection with the purchase of shares upon exercise of an option; (ii) deducted or delivered from payment of an award in connection with our tax withholding obligations; or (iii) purchased by us with proceeds from option exercises.

Terms and Conditions of Awards

Terms and Conditions of Options. Each option will become vested and exercisable at such times and under such conditions as the Compensation Committee may approve consistent with the terms of the 2013 Plan. An option granted under the 2013 Plan will be exercisable only to the extent that it is vested on the date of exercise. No option may be exercisable more than ten years from the option grant date. Unless otherwise provided in the option agreement, (i) if a grantee's service or employment terminates other than for cause and other than upon the grantee's death or disability, the option may be exercised 30 days following the termination of the grantee's employment or service; (ii) if a grantee's service or employment terminates upon the grantee's death, 100% of the shares underlying the option will accelerate in full and the option may be exercised 12 months following the termination of the grantee's employment or service; and (iii) if a grantee's service or employment terminates upon the grantee's disability, 100% of the shares underlying the option will accelerate in full and the option may be exercised six months following the termination of the grantee's employment or service. Notwithstanding the foregoing, in no event may an option be exercised following the expiration of its term.

For so long as the common stock remains listed on NASDAQ, the fair market value of the common stock on an award grant date, or on any other date for which fair market value is required to be established under the 2013 Plan, will be the closing price of the common stock as reported on NASDAQ on such date. If there is no such reported closing price on such date, the fair market value of the common stock will be the closing price of the common stock as reported on NASDAQ on the next preceding date on which any sale of common stock will have been reported.

If the common stock ceases to be listed on NASDAQ and is listed on another established national or regional stock exchange or traded on another established securities market, fair market value will similarly be determined by reference to the closing price of the common stock on the applicable date as reported on such other stock exchange or established securities market.

If the common stock ceases to be listed on NASDAQ or another established national or regional stock exchange or traded on another established securities market, the Compensation Committee will determine the fair market value of the common stock by the reasonable application of a reasonable valuation method in a manner consistent with Section 409A of the Code.

On March 1, 2013, the closing price of the common stock as reported on NASDAQ was \$6.86 per share.

Except in connection with a corporate transaction involving us (including any stock dividend, distribution (whether in the form of cash, shares of stock, other securities or other property), stock split, extraordinary cash dividend, recapitalization, change in control, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of shares of stock or other securities or similar transaction), we may not, without obtaining shareholder approval, (i) amend the terms of outstanding options to reduce the exercise price of such outstanding options, (ii) cancel outstanding options in exchange for options with an exercise price that is less than the exercise price of the original options, or (iii) cancel outstanding options with an exercise price above the current stock price in exchange for cash or other securities, or (iv) take any other action that is treated as a repricing under U.S. generally accepted accounting principles.

Payment of the option price for shares purchased pursuant to the exercise of an option may be made in cash or in cash equivalents acceptable to us or, to the extent permitted by law and at the discretion of the Compensation Committee, through a broker-assisted cashless exercise, the tender to us of shares of common stock or by a combination of cash payment, cashless exercise or any other method that is approved by the Compensation Committee.

In the case of incentive stock options, the aggregate fair market value of the common stock determined on the option grant date with respect to which such options are exercisable for the first time during any calendar year may not exceed \$100,000.

Incentive stock options are non-transferable during the optionholder's lifetime. Nonqualified stock options are generally non-transferable, except for transfers by will or the laws of descent and distribution. The Compensation Committee may, in its discretion, determine that a nonqualified stock option may be transferred to family members by gift or other transfers deemed not to be for value.

Terms and Conditions of Restricted Stock and Stock Units. Subject to the provisions of the 2013 Plan, the Compensation Committee will determine the terms and conditions of each award of restricted stock and stock units, including the restricted period for all or a portion of the award, the restrictions applicable to the award and the purchase price, if any, for the common stock subject to the award. Unless otherwise determined by the Compensation Committee, holders of shares of restricted stock will have the right during the restricted period to exercise full voting rights with respect to those shares and the right to receive any dividends declared or paid with respect to the shares.

The restrictions and the restricted period may differ with respect to each participant. An award will be subject to forfeiture if events specified by the Compensation Committee occur before the lapse of the restrictions.

Awards of restricted stock and stock units are generally nontransferable during the restricted period or before satisfaction of any other restrictions applicable to the awards.

Terms and Conditions of Unrestricted Stock. The Compensation Committee may award unrestricted stock, free of any restrictions such as vesting requirements, in such amounts and upon such terms as the Compensation Committee may determine. Unrestricted Stock Awards may be granted or sold in respect of past services.

Effect of Corporate Transactions

Adjustment of Shares Subject to 2013 Plan. In the event of any increase or decrease in the number of outstanding shares of common stock, or in the event such shares are changed into or exchanged for a different number or kind of shares or other securities of ours on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, the Compensation Committee will adjust, among other award terms, the number and kind of shares or property that may be delivered in connection with awards and the exercise price, grant price or purchase price relating to any award in such manner as the Compensation Committee determines to be necessary to prevent dilution or enlargement of the rights of participants.

Effect of a Change in Control. Subject to the exceptions described below, upon the occurrence of a “change in control,” as defined in the 2013 Plan, all outstanding shares of restricted stock and all stock units will become immediately vested, and the shares of stock subject to outstanding stock units will be delivered immediately before the occurrence of the change in control. In addition, either of the following two actions will be taken:

fifteen days before the scheduled completion of the change in control, all options will become immediately exercisable and will remain exercisable for a period of fifteen days, which exercise will be effective upon the consummation of the change in control; or
instead of providing for accelerated vesting in awards under the 2013 Plan in connection with the change in control, the Compensation Committee may provide that awards, whether or not exercisable, will be terminated and the holders of awards will receive a cash payment, or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment, equal to the value of the award.

In general, a “change in control” means:

a person or group becomes the beneficial owner of more than 50% of the combined voting power of our voting stock on a fully diluted basis;
a merger or consolidation of our Company, other than any such transaction in which the holders of the our voting securities prior to the transaction own less than a majority of the voting power of the surviving entity immediately after the transaction;
a sale of substantially all of our assets to another person or entity; or
the dissolution or liquidation of our Company.

If we are the surviving entity in any reorganization, merger, or consolidation of our company with one or more other entities that does not constitute a change in control, any option outstanding under the 2013 Plan will apply to the securities to which a holder of the number of shares of common stock subject to the option would have been entitled immediately following the transaction, with a corresponding proportionate adjustment of the option exercise price.

The Compensation Committee may provide in any agreement under the 2013 Plan for different provisions to apply to an award under the plan than those described above.

Resale of Shares by Participants. Shares of common stock issued pursuant to the 2013 Plan will be eligible for sale by participants in the public market without restriction under the Securities Act except that any shares issued to an “affiliate” of the Company, as that term is defined in Rule 144 under the Securities Act, will be subject to the resale limitations of Rule 144.

A participant who is an affiliate of the Company may sell in the public market the shares issued to the participant only in accordance with the limitations and conditions of Rule 144, other than the holding period condition. In general, Rule 144 provides that any such person (or persons whose shares are aggregated) is entitled to sell within any three-month period the number of shares that does not exceed the greater of (i) 1% of the then-outstanding shares of common stock and (ii) the reported average weekly trading volume of the then-outstanding shares of common stock during the four calendar weeks immediately preceding the date on which the notice of sale is filed with the SEC. Sales under Rule 144 by affiliates also are subject to provisions relating to the manner and notice of sale and the availability of current public information about us.

Federal Income Tax Consequences. The following summarizes the federal income tax consequences of awards that may be granted under the 2013 Plan.

Incentive Stock Options. An optionholder will not realize taxable income upon the grant of an incentive stock option under the 2013 Plan. In addition, an optionholder generally will not realize taxable income upon the exercise of an incentive stock option. An optionholder’s alternative minimum taxable income, however, will be increased by the amount by which the aggregate fair market value of the shares underlying the option, which is generally determined as of the date of exercise, exceeds the aggregate exercise price of the option. Further, except in the case of an optionholder’s death or disability, if an option is exercised more than three months after the optionholder’s termination of employment, the option will cease to be treated as an incentive stock option and will be subject to taxation under the rules applicable to nonqualified stock options, as summarized below.

If an optionholder sells the option shares acquired upon exercise of an incentive stock option, the tax consequences of the disposition will depend upon whether the disposition is “qualifying” or “disqualifying.” The disposition of the option

shares will be a qualifying disposition if it is made at least two years after the date on which the incentive stock option was granted and at least one year after the date on which the incentive stock option was exercised. If the disposition of the option shares is qualifying, any excess of the sale price of the option shares over the exercise price of the option will be treated as long-term capital gain taxable to the optionholder at the time of the sale. If the disposition is a disqualifying disposition, the excess of the fair market value of the option shares on the date of disposition over the exercise price will be taxable income to the optionholder at the time of the disposition. Of that income, the amount up to the excess of the fair market value of the shares at the time the option was exercised over the exercise price will be ordinary income for income tax purposes and the balance, if any, will be long-term or short-term capital gain, depending upon whether or not the shares were sold more than one year after the option was exercised.

Unless an optionholder engages in a disqualifying disposition, we will not be entitled to a deduction with respect to an incentive stock option. If an optionholder engages in a disqualifying disposition, we will be entitled to a deduction equal to the amount of compensation income taxable to the optionholder if we comply with applicable reporting requirements and Section 162(m) of the Code.

If an optionholder pays the exercise price of an incentive stock option by tendering shares with a fair market value equal to part or all of the exercise price, the exchange of shares will be treated as a nontaxable exchange, except that this treatment will not apply if the optionholder acquired the shares being tendered pursuant to the exercise of an incentive stock option and has not satisfied the special holding period requirements summarized above. The tax basis of the shares tendered to pay the exercise price will be treated as the substituted tax basis for an equivalent number of shares received, and the new shares will be treated as having been held for the same holding period as the holding period that expired with respect to the tendered shares.

Nonqualified Stock Options. An optionholder will not realize taxable income upon the grant of a nonqualified stock option. When an optionholder exercises the option, however, the difference between the exercise price of the option and the fair market value of the shares subject to the option on the date of exercise will constitute compensation income taxable to the optionholder. We will be entitled to a deduction equal to the amount of compensation income taxable to the optionholder if we comply with applicable reporting requirements and Section 162(m) of the Code.

If an optionholder tenders shares in payment of part or all of the exercise price of a nonqualified stock option, no gain or loss will be recognized with respect to the shares tendered, even if the shares were acquired pursuant to the exercise of an incentive stock option. In such an event, the optionholder will be treated as receiving an equivalent number of shares pursuant to the exercise of the option in a nontaxable exchange. The tax basis of the shares tendered will be treated as the substituted tax basis for an equivalent number of shares received, and the shares received will be treated as having been held for the same holding period as the holding period that expired with respect to the tendered shares. The difference between the aggregate exercise price and the aggregate fair market value of the shares received pursuant to the exercise of the option will be taxed as ordinary income, just as if the optionholder had paid the exercise price in cash.

Restricted Stock. A grantee of restricted stock will not recognize any taxable income for federal income tax purposes in the year of the award if the common stock is subject to restrictions (that is, the restricted stock is nontransferable and subject to a substantial risk of forfeiture). The grantee, however, may elect under Section 83(b) of the Code to recognize compensation income in the year of the award in an amount equal to the fair market value of the shares on the date of the award, determined without regard to the restrictions. If the grantee does not make such a Section 83(b) election, the fair market value of the shares on the date on which the restrictions lapse will be treated as compensation income to the grantee and will be taxable in the year in which the restrictions lapse. We generally will be entitled to a deduction for compensation paid equal to the amount treated as compensation income to the grantee in the year in which the grantee is taxed on the income, if we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code.

Stock Units. A distribution of common stock or a payment of cash in satisfaction of stock units will be taxable as ordinary income when the distribution or payment is actually or constructively received by the recipient. The amount taxable as ordinary income is the aggregate fair market value of the common stock determined as of the date it is received or the amount of the cash payment. We will be entitled to deduct the amount of such payments when such payments are taxable as compensation to the recipient if we comply with applicable reporting requirements and with

the restrictions of Section 162(m) of the Code.

Unrestricted Stock. A holder of shares of unrestricted stock will be required to recognize ordinary income in an amount equal to the fair market value of the shares on the date of the award, reduced by the amount, if any, paid for such shares. We will be entitled to deduct the amount of any compensation income taxable to the grantee if we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code.

Upon the holder's disposition of shares of unrestricted stock, any gain realized in excess of the amount reported as ordinary income will be reportable by the holder as a capital gain, and any loss will be reportable as a capital loss. Capital gain or loss will be long-term if the holder has held the shares for more than one year. Otherwise, the capital gain or loss will be short-term.

Tax Withholding. Payment of the taxes imposed on awards made under the 2013 Plan may be made by withholding from payments otherwise due and owing to the holder. Subject to our prior approval, the holder may elect to satisfy such obligations: (i) by causing us to withhold shares of common stock otherwise issuable or (ii) by delivering to us shares of our common stock already owned by the holder. The maximum number of shares of common stock that may be withheld from any award to satisfy any applicable withholding requirements cannot exceed such number of shares having a fair market value equal to the minimum statutory amount required to be withheld by us and paid with respect to such award.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are our shareholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker.

You may also request an additional proxy statement and annual report by sending a written request to:

Shareholders who currently receive multiple copies of the proxy statement at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board is not aware of any other matters which may come before the Annual Meeting. However, in the event such other matters come before the meeting, it is the intention of the persons named in the proxy to vote on any such matters in accordance with the recommendation of the Board.
