The purchase price will be determined at the closing and will equal the sum of:

- (i) Fifty percent (50%) of the sum of the following accounts of Tuya according to the most recent financial statements before the closing (a) equity (b) capital stock (c) additional paid in capital
  - (ii) One thousand five hundred million Colombian pesos (COP1,500,000,000)

The sale is subject to certain conditions, including, among others, receipt of the required regulatory approvals by the Colombian Superintendence of Finance.

This transaction will not produce a material impact on Grupo Bancolombia's income and dividends from Tuya, due to subsisting commercial and business conditions in which the commercial alliance with Almacenes Exito has developed.
